

Section E – Instructions on Submitting Tenders

Submission of your Tender

E1. Your Tender and any ITT Documentation must be submitted electronically via the Defence Sourcing Portal (DSP) by 17:00 on 22nd December 2023. The Authority reserves the right to reject any Tender received after the stated date and time. Hard copy, paper or delivered digital Tenders (e.g. email, DVD) at OFFICIAL SENSITIVE classification are no longer required and will not be accepted by the Authority. Tenderers are required to submit an electronic online Tender response to ITT 708901450_ITT_BOATS/0011_v.1.

E2. Your priced Tender and priced ITT Documentation must only be submitted to the commercial envelope of the DSP ITT. You must ensure that there are no prices present in the technical or qualification (if applicable) envelopes of the DSP ITT. The Authority has the right to request, at its discretion, that any pricing information found in the technical or qualification (if applicable) envelopes is redacted in accordance with paragraph E3.

E3. The Authority may, in its own absolute discretion allow the Tenderer to rectify any irregularities identified in the Tender by the Authority or provide clarification after the Tender return date. For example, this may include, but is not limited to, redacting pricing information in the technical or qualification (if applicable) envelopes, rectifying, or providing clarification in relation to a corrupt or blank document. Tenderers will be provided with instructions via the DSP on how they can correct such irregularities which must be completed by the deadline set. The Authority will cross reference the amended Tender with the original Tender submitted to the DSP before the Tender return date to ensure that no other amendments, other than in relation to the specific irregularity/clarification communicated by the Authority, have been made. Should Tenderers make additional amendments to the Tender other than those relating to the specific irregularity/clarification communicated to the Tenderer by the Authority, this will result in a noncompliant bid.

E4. The DSP is accredited to OFFICIAL SENSITIVE. Material that is protectively marked above this classification must not be uploaded to the DSP. Please contact [REDACTED] if you have a requirement to submit documents above OFFICIAL SENSITIVE

E5. You must not upload any ITAR or Export Controlled information as part of your Tender or ITT documentation into the DSP. You must contact [REDACTED] to discuss any exchange of ITAR or Export Controlled information. You must ensure that you have the relevant permissions to transfer information to the Authority.

E6. You must ensure that your DEFFORM 47 Annex A is signed, scanned and uploaded to DSP with your Tender as a PDF (it must be a scanned original). The remainder of your Tender must be compatible with MS Word and other MS Office applications.

Lots

E7. This requirement has not been split into lots.

Variant Bids

E8. The Authority will not accept variant bids.

Samples

E9. Samples are not required.
