7. TESTING OF THE BCDR PLAN

- 7.1 The Contractor shall test the BCDR Plan on a regular basis (and in any event not less than once in every Contract Year). Subject to paragraph 7.2 of this Schedule 18, the Authority may require the Contractor to conduct additional tests of some or all aspects of the BCDR Plan at any time where the Authority considers it necessary, including where there has been any change to the Services or any underlying business processes, or on the occurrence of any event which may increase the likelihood of the need to implement the BCDR Plan.

- 7.7 For the avoidance of doubt, the carrying out of a test of the BCDR Plan (including a test of the BCDR Plan's procedures) shall not relieve the Contractor of any of its obligations under this Contract.
- 7.8 The Contractor shall also perform a test of the BCDR Plan in the event of any major reconfiguration of the Services or as otherwise reasonably requested by the Authority.

8. INVOCATION OF THE BCDR PLAN
