## Meyer Design & Build (Asbestos Division)

<b>Asbestos Removal Supervisor</b>	Steven Cocks
I am satisfied that the works have been completed and that the area has been cleaned to the HSG247 required standard for non-licensed asbestos removal.	
<b>Asbestos Removal Manager/Supervisor signature</b>	
<b>Asbestos Supervisor Comments</b>	
Areas are now free from any asbestos as per scope of works and are safe to be reoccupied	
The <b>Asbestos Manager/Supervisor</b> is to complete this form when asbestos removal works have been carried out and completed. The HSE requires us to retain this completed form and associated documentation in a safe and secure location for an indefinite period.
