Section C - Instructions on Preparing Tenders

Tenders for Selected Contractor Deliverables

C1. You must respond to the requirement for all the Contractor Deliverables listed in the attached Schedule of Requirements.

Construction of Tenders

C2. Your Tender must be written in English, using Arial font size 11. Prices must be in £GBP ex VAT. Prices must be Firm Price covering contract years 1 to 4 inclusive.

C3. To enable the Authority to complete its Value For Money (VFM) assessment, your price must be broken down. If the resultant contract is a Qualifying Defence Contract (QDC) under the Defence Reform Act (DRA) and Single Source Contract Regulations (SSCR) you must price your bid accordingly. Please set out your Tender response in accordance with Section D.

Validity

C4. Your Tender must be valid / open for acceptance for 90 calendar days from the Tender return date.

Variant Bids

C5. The decision to invite a Single Source response is based on the scope of the requirement. Where you submit a variant bid that is outside the scope of the requirement the Authority may be obliged to compete the requirement.

Qualifying Defence Contracts

Defence Reform Act 2014 – Part 2, Single Source Contracts

C6. This ITT may result in a Qualifying Defence Contract (QDC) under the provisions of the [Defence Reform Act 2014 \(DRA\)](#). You should therefore understand the implications in the event that it does result in a QDC.

C7. The DRA enables secondary legislation, called Single Source Contract Regulations 2014 (SSCR), which applies:

- a. to new contracts with a value of £5M (ex VAT) or above;
- b. to amended contracts where the amended contract has a value of £5M (ex VAT) or above, and both parties agree that the amended contract should be a QDC.

C8. The DRA and SSCR set out the criteria for determining when a single source contract is a Qualifying Defence Contract (QDC). Any new single source contract which meets the criteria will be a QDC, unless exempt by the Secretary of State for Defence. Exemptions will only be granted in exceptional circumstances.

C9. The DRA and SSCR cover such matters as the pricing of QDCs, the information, openness and transparency that the parties must provide to each other, and the rights and obligations of both parties to a QDC once on contract.

C10. The DRA requires a primary contractor to be satisfied that the costs proposed for inclusion in the price of a QDC are Allowable Costs, in that they are appropriate, attributable to the contract and reasonable in the circumstances. The MOD is obliged to ensure that you meet the criteria and at any time you may be required to show that this is the case in relation to any particular cost. The Single Source Regulations Office (SSRO) has issued Statutory Guidance on Allowable Costs (SGAC) which can be found on their website and which the parties to a QDC will be expected to adhere to, other than in exceptional circumstances. Either party to a QDC may subsequently make a referral to the SSRO for an adjustment of the contract price, if that party believes the price agreed was not in accordance with the requirements of the DRA / SSCR.

C11. The DRA requires that the contract Profit Rate agreed between the parties for QDCs must be agreed in accordance with the provisions of the DRA and SSCR.

C12. The DRA also sets out the criteria for determining when a contract is a Qualifying Sub-Contract (QSC) to which the DRA and SSCR will apply. Any single source sub-contract in excess of £25M, placed in support of a QDC or another QSC and which meets the criteria in the DRA and SSCR, is potentially a QSC. Responsibility for assessing whether a sub-contract is a QSC lies with the party placing the sub-contract. The Tenderer therefore has an obligation to determine whether any planned sub-contract is a QSC. The Tenderer must keep a record of any determinations and notify both the Secretary of State for Defence and the sub-contractor in writing when a sub-contract is determined to be a QSC.

The [MOD Commercial Toolkit](#) provides further information about the new single source legal framework.

Section D – Details of Price Breakdown and Mandatory Criteria

1. When placing any contract the Authority is required to satisfy itself that the agreed price represents Value for Money (VFM). In single source contracting you must provide to the Authority sufficient information in support of your price proposal and during subsequent price negotiation, to enable the Authority to fulfil its obligation to assure VFM. The Authority approaches all contract pricing on the basis of the NAPNOC principle (No Acceptable Price, No Contract). We will not enter into any contract that is unacceptably priced. Details can be found on [MOD Commercial Toolkit](#).

2. **Price breakdown requirements for a Qualifying Defence Contract** - The contract is expected to be a QDC. It is your responsibility to decide the level of information you need to provide to the Authority in support of your price proposal and subsequent price negotiation, in order to satisfy the statutory obligations placed upon you by the [DRA](#) and the [SSCR](#), and in compliance with the [Statutory Guidance on Allowable Costs](#) published by the Single Source Regulations Office (SSRO). Although you will need to understand all the requirements of the DRA/SSCR your particular attention is drawn to the [DRA Section 20 \(Allowable Costs\)](#).

OR

2. **Price breakdown requirements for a non-qualifying contract** - The contract is not expected to be a QDC. The contract is therefore not subject to the provisions of the DRA/SSCR 2014. It is your responsibility to decide the level of information you need to provide to the Authority in support of your price proposal and subsequent price negotiation, to enable the Authority to fulfil its obligation to assure VFM and sign the contract. The following table shows the Authority's suggestion of the minimum level of information you must provide.

For a non-qualifying contract, as a minimum your Offer should detail the following:	
Hours / Days	The number of hours / days it takes to complete the requirement.
Hourly / Day Rates	The rate used. Where available these should be agreed CAAS (Cost Assurance and Analysis Services) rates and Grades.
Materials	The cost of any raw materials. Please provide a copy of any quotes or invoices with your Tender.
Significant Sub-contractor Costs, e.g. >£50k	The cost of bought in facilities, services and / or parts. Please provide a copy of the sub-contractor quotation / invoice with your Tender. You are encouraged to run a competition at sub-contractor level and advertise opportunities in the MOD Defence Contracts Bulletin, where appropriate.
Other costs	List any rates used to recover overhead costs not otherwise recovered through the activity-based hourly and daily rates stated above. These rates are usually recovered by the application of a percentage uplift to a base cost (e.g. Material Handling is often recovered as a percentage uplift applied to material costs). Where you have an agreed QMAC (Questionnaire on the Method and Allocation of Costs) you must quote the reference. Where you do not have an agreed QMAC please include a list of what is included in the overhead rate(s). Provide a sub-total that the overhead will apply to.
Profit Rate	State the Profit Rate you are proposing to apply to the contract costs.
Risk / Opportunities	State whether you have included any contingency for risks and the details on how this has been calculated. State any opportunities that you foresee, for example, exchange rate movement.
T&S	When including Travel and Subsistence you must include details of the assumptions you have made about travel and the rates used.

	Claims for T&S should be in line with the Civil Service Code which states civil servants must ensure “public money and other resources are used efficiently” for example, travel should be the most economic option available.
Assumptions	State any assumptions made about your proposal, such as the process, when decisions will be made etc.
Exclusions	State any matters that are excluded which, if they subsequently occur, you would expect the MOD to share cost liability.

<u>Mandatory Criteria, applicable to QDCs and non-qualifying contracts</u>	
Full completion of the table in DEFFORM 47ST Annex A (Offer) (See section F, paragraph 19)	Pass / Fail
Minimum Technical Requirements met	Pass / Fail

Failure to meet the Mandatory Criteria will result in the Authority being unable to award a contract.

Note that for a non-qualifying contract (i.e. a contract that is **not** a QDC subject to DRA/SSCR) it is the Authority’s policy that a DEFFORM 815 - Contract Pricing Statement should be completed by you on or around contract signature. It is the Authority’s preference that you submit a draft DEFFORM 815 with your price proposal. Instructions on completion of the DEFFORM 815 are available on the commercial toolkit.

Any expenditure, work or effort undertaken by you prior to an offer and subsequent acceptance of contract, is a matter solely for your commercial judgement. In addition to its legal rights in relation to qualifying contracts, under the Defence Reform Act 2014 the Authority reserves the right to:

If the Authority decides not to proceed with this procurement, you must seek instructions for the GFA from the named Commercial Officer.

Publicity Announcement

F9. The Authority will publish notification of the contract and shall publish contract documents under the FOI Act except where publishing such information would hinder law enforcement; would otherwise be contrary to the public interest; would prejudice the legitimate commercial interest of any person, or might prejudice fair competition in the supply chain. You should complete and return DEFFORM 539A as explained in the DEFFORM 47ST Annex A and associated Appendix 1.

F10. If you wish to make a similar announcement you must seek approval from the named Commercial Officer.

F15. If you have a Qualifying Defence Contract under the DRA 2014 you should be aware that if you fail to comply with certain aspects of the legislation then the Authority may issue a Compliance Notice to you. If you continue to fail to comply, the Authority may serve you with a Civil Penalty, as provided in the Single Source Contract Regulations 2014. If you believe either a Compliance Notice or a Civil Penalty is unjustified, you may appeal the matter to the independent Single Source Regulations Office.

Reportable Requirements

F16. Listed in the DEFFORM 47ST Annex A (Offer) are the Mandatory Declarations. It is a Condition of Tendering that you complete and attach the returns listed in the Annex and, where you select “Yes”, you **must** attach the relevant information **with your tender submission**.

F17. Failure to complete this part of the Annex in full makes your Tender non-compliant. Additional information provided in response to Appendix 1 may be used to support the Authority’s evaluation of your tender, as detailed in Section D.

F18. If you are an overseas Contractor and your Tender is successful you will be required to provide the name and address of your bank and the relevant bank account number on contract award.

16. [Form 1686](#) (also known as Appendix 5) is to be used in all circumstances where contractors wish to place a sub-contract with a contractor where the release of OFFICIAL-SENSITIVE information is involved. You can find further information in the [Security Policy Framework – Contractual Process](#).

Small and Medium Enterprises

17. The Authority is committed to supporting the Government's small and medium-sized enterprise (SME) policy, and we want to encourage wider SME participation throughout our supply chain. Our goal is that 25% of the Authority's spending should be spent with SMEs by 2022; this applies to the money which the Authority spends directly with SMEs, and through the supply chain. The Authority uses the European Commission definition of SME.
18. A key aspect of the Government's SME Policy is ensuring that its suppliers throughout the supply chain are paid promptly. All suppliers to the Authority and their sub-contractors are encouraged to make their own commitment and register with the [Prompt Payment Code](#).

19. Suppliers are also encouraged to work with the Authority to support the Authority's SME initiative. Information on the Authority's purchasing arrangements, our commercial policy priorities and our SME policy can be found at [Gov.UK](https://www.gov.uk).

20. The opportunity also exists for Tenderers to advertise any sub-contract valued at over £10,000 on the Defence Sourcing Portal and further details can be obtained directly from: <https://www.gov.uk/guidance/subcontract-advertising>. This process is managed by the Strategic Supplier Management team who can be contacted at: DefComrcISSM-Suppliers@mod.gov.uk.

This includes providing a named individual who can be contacted with regard to FOIA and EIR.

24. You should note that, while your views will be taken into consideration, the ultimate decision whether to publish or disclose information lies with the Authority. You are advised to provide as much detail as possible on the form. It is highly unlikely that a Tender will be exempt from disclosure in its entirety. Should the Authority decide to publish or disclose information against your wishes, you will be given prior notification.

- a. the Armed Forces community would not face disadvantages when compared to other citizens in the provision of public and commercial services; and

The Authority encourages all Tenderers, and their suppliers, to sign the Armed Forces Covenant, declaring their support for the Armed Forces community by displaying the values and behaviours set out therein.

32. [The Armed Forces Covenant](#) provides guidance on the various ways you can demonstrate your support through your Covenant pledges and how by engaging with the Covenant and Armed Forces, such as employing Reservists, a company or organisation can also see real benefits in their business.

33. If you wish to register your support you can provide a point of contact for your company on this issue to the Armed Forces Covenant Team at the address below, so that the MOD can alert you to any events or initiatives in which you may wish to participate.
