Schedule 1: Call-Off Ordering Procedure

S1-1 BACKGROUND

S1-1.1 All Call-Off Agreements from this Framework Agreement will be conducted using the Digital Marketplace.

S1-1.2 All Call-Off Agreements from this Framework Agreement will apply the award criteria stipulated in this Framework Schedule 3.

S1-2 CATALOGUE – LOTS 1-4

S1-2.1 The Catalogue provides the list of products which may be required by Other Contracting Bodies during the Term and any Call-Off Agreements. The products are listed in Schedule 1 (G-Cloud Services) according to the respective G-Cloud Services on offer in Lots 1-4.

S1-2.2 The Authority shall create a Catalogue for the G-Cloud Services in each Lot where a Framework Supplier has been awarded a place on the Framework Agreement. The Catalogues shall include each of the individual G-Cloud Services as specified in the Schedule 1 (G-Cloud Services).

S1-2.3 The structure of the Catalogue shall comprise of a number of menu and content pages which set out all relevant details of the G-Cloud Services offered within each Lot.

S1-3 PROCESS – DIRECT AWARD LOWEST PRICE

S1-3.1 If the Authority or any Contracting Body decides to source the G-Cloud Services through this Framework Agreement then it will award its Call-Off Agreement in accordance with the procedure in this Framework Schedule 3 (Ordering Procedure) and the requirements of the Regulations and the Guidance.

S1-3.2 The Customer would use a credit reference agency (currently Experian) as the first step in assessing Supplier's economic and financial standing and the report provided by a credit agency will be used to determine the level of financial risk the Supplier would represent. If the Customer determines that the Supplier's financial risk is determined as being above (i.e. worse than) average the Supplier will not be successful in their award.

S1-3.3 Subject to paragraph S3-3.1, any Contracting Body ordering the G-Cloud Services under this Framework Agreement shall:

S1-3.3.1 Apply Long-Listing -

in the first instance and would have to derive a long-list of service offerings which meet their essential minimum requirements.

S1-3.3.2 Apply Short-Listing -

Contracting Bodies will then proceed to reduce this list of service offerings down to a short-list. They will short-list those offerings which provide a suitable service within the available budget of the Contracting Body.

S1-3.4 Contracting Bodies may at this point directly award to the Framework Supplier with the lowest price.

S1-4 PROCESS – DIRECT AWARD: MOST ECONOMICALLY ADVANTAGEOUS TENDER (MEAT)

S1-4.1 In the event that Contracting Bodies are unable to identify which service best meets their needs purely on the basis of an evaluation of price then all short-listed offerings will be compared to the Customer's service requirements.

S1-4.2 The Customer would use a credit reference agency (currently Experian) as the first step in assessing Supplier's economic and financial standing and the report provided by a credit agency will be used to determine the level of financial risk the Supplier would represent. If the Customer determines that the Supplier's financial risk is determined as being above (i.e. worse than) average the Supplier will not be successful in their award.

S1-4.3 The evaluation model must apply the following evaluation criteria albeit Contracting Bodies may apply their own weighting to each of the criteria:

Criteria Number	Direct Award Criteria
1	Whole life cost: cost effectiveness; price and running costs;
2	Technical merit & functional fit: coverage, network capacity and performance as specified in relevant service levels;
3	After sales service management: help desk, account management function and assurance of supply of a range of services; and
4	Non-functional characteristics.

S1-4.4 Contracting Bodies are permitted to conduct such tests and demonstrations or set service definitions or standards as are necessary to enable them to establish which of the short-listed offerings provides the most economically advantageous solution to their needs. In the first instance, Service Definitions will provide appropriate information.

S1-4.5 All short-listed offerings must be evaluated against the same evaluation model.

S3-4.7 Where a Call-Off Agreement is awarded following the direct award process outlined in this paragraph S3-4 in this Framework Schedule 3 the Contracting Body shall notify all short-listed Suppliers that did not succeed that they have been considered for award, and inform those how their offering(s) performed on the evaluation.

Schedule 2: Management Information Requirements

S2-1 AUTHORITY REPORTING REQUIREMENTS (FRAMEWORK AGREEMENT)

- S2-1.1 The Authority shall provide the Supplier with a template report by email prior to or shortly after by the first Working Day of each Month ("**Monthly email**"). It is the responsibility of the Authority to provide the Supplier with an up to date template report. Templates from previous Months should not be used as the date will be incorrect and the Authority's system will not accept it. An example of the template report current at the date of this Framework Agreement is available from the e-Tendering Portal.
- S2-1.2 The Authority shall provide guidance notes for completing the template report and shall update them from time to time. The template report should be completed by the Supplier in accordance with the guidance notes. Some fields in the template report are mandatory and these fields will be highlighted in the guidance notes. Returns will not be accepted unless all mandatory fields have been completed by the Supplier.
- S2-1.3 The Supplier undertakes to provide timely, full, accurate and complete Management Information ("**MI**") reports to the Authority which incorporates the data, in the correct format, required by the MI reporting template. The initial reporting template is set out in the Annex to this Framework Schedule 4.
- S2-1.4 The Supplier may not make any amendment to the current MI reporting Template without the prior Approval.
- S2-1.5 The Authority shall have the right from time to time (on reasonable written notice) to amend the nature of the Management Information which the Supplier is required to supply to the Authority.
- S2-1.6 The template report should be used to report Orders received, invoices raised during the Month that is being reporting on, regardless of when the work was actually done (e.g. if the invoice was raised in October but the work that was invoiced was done in September the Supplier should report the invoice in October's return not September's). Business should be reported once only as an Order and once again as an invoice, where the Order and the invoice take place in different Months. The Supplier should also inform the Authority of any corrections to previous Months' Management Information. No amendment should be made to the current template report without the prior notification and the Approval.
- S2-1.7 Any errors or omissions may result in the return being rejected and an administration charge being added to the Management Charge invoice.
- S2-1.8 The Supplier must return the template by 7th day of each Month including where there has been no activity in the relevant Month ("nil returns"). Where the 7th day falls on a weekend or public holiday then the nearest Working Day before the 7th day.
- S2-1.9 The completed template should be returned to the sender of the Monthly email or as otherwise communicated to the Supplier from time to time. In the subject line of the return email the Supplier must insert this Framework number, the Supplier's name and the Month that the return relates to.
- S2-1.10 The deadline for the return of the template is the Reporting Date provided for in this Framework Agreement. If a return has not been received by the deadline the Supplier will be contacted by a member of the Authority's data team and an administration charge may be added to the relevant invoice.
- S2-1.11 MI Failure is when an MI Report:
- S2-1.11.1 contains any material errors or material omissions or a missing mandatory field; or
 - S2-1.11.2 is submitted using an incorrect MI reporting template; or
 - S2-1.11.3 is not submitted by the Reporting Date (including where a Nil Return should have been filed); or
 - S2-1.11.4 then the Authority may deem the failure to submit an MI Report correctly as an "**MI Failure**".

S2-1.12 Following an MI Failure the Authority may issue reminders to the Supplier or require the Supplier to rectify defects in the MI Report provided to the Authority. The Supplier shall rectify any deficient or incomplete MI Report as soon as possible and not more than five (5) Working Days following receipt of any such reminder.

S2-2 ADMIN FEES

S2-2.1 If, in any rolling three (3) Month period, two (2) or more MI Failures occur, the Supplier acknowledges and agrees that the Authority shall have the right to invoice the Supplier Admin Fees and (subject to paragraph S4-1.11) in respect of any MI Failures as they arise in subsequent Months.

S2-2.2 If, following activation of the Authority's right to charge Admin Fee(s) in respect of MI Failures pursuant to paragraph S4-2.1, the Supplier submits the Monthly MI Report for two (2) consecutive Months and no MI Failure occurs then the right to charge the Admin Fee(s) shall lapse. For the avoidance of doubt the Authority shall not be prevented from exercising such right again during the Term if the conditions in paragraph S4-2.1 are met.

S2-2.3 The Supplier acknowledges and agrees that the Admin Fees are a fair reflection of the additional costs incurred by the Authority as a result of the Supplier failing to supply Management Information as required by this Framework Agreement.

S2-2.4 Authority shall notify the Supplier if any Admin Fees arise pursuant to paragraph S4-2.1 above and shall be entitled to invoice the Supplier for such Admin Fees which shall be payable in accordance with FW-9 as a supplement to the Management Charge. Any exercise by the Authority of its rights under this paragraph shall be without prejudice to any other rights that may arise pursuant to the terms of the Framework Agreement.

- S3-1.5 The Authority shall use reasonable endeavours to ensure that the conduct of each Audit does not unreasonably disrupt the Supplier or delay the provision of the G-Cloud Services pursuant to the Call-Off Agreements, save insofar as the Supplier accepts and acknowledges that control over the conduct of Audits carried out by the Auditors is outside of the control of the Authority.
- S3-1.6 Subject to the Authority's obligations of confidentiality, the Supplier shall on demand provide the Auditors with all reasonable co-operation and assistance in relation to each Audit, including by providing:

- then the Supplier shall reimburse the Authority its reasonable costs incurred in relation to the Audit and the Authority shall be entitled to exercise its rights to terminate this Framework Agreement pursuant to Clause FW-12 (Termination).
- S3-1.8 Each Party shall bear its own costs and expenses incurred in respect of compliance with its obligations under this Schedule, save as specified in paragraph S5-1.7 of this Schedule 5 of the Framework Agreement.

S3-1.9 Subject to paragraph S5-1.3 of this Schedule, the Supplier may agree to an appointment of an independent auditor selected by the Supplier to undertake the activities in paragraph S5-1.3 of this Schedule 5 provided such selection is Approved by the Authority (and such Approval shall not be unreasonably withheld or delayed).
