

# Shinfield Community Centre & Parish Hall

## UPDATED designs for the building on School Green

**We aim to apply for planning permission this Winter for the new community centre adjacent to Shinfield Parish Hall. Please come to discuss the developed plans!**

Shinfield Parish Council are making plans to build a new community centre adjacent to the School Green. After recent consultation by AOC Architecture, community asset engagement by Locality, with useful input from local residents and businesses, we are close to having a developed scheme with which to apply for planning permission.

Before we do that, we would like to discuss the evolving plans with the local community. The last consultations before our planning application will happen in November. It is important that we confer with you at this time, and share with you the ways in which, wherever possible, we have responded to local feedback.

The revised designs that we submit to planning will then be displayed in the Parish Hall.

### DATE AND TIME

Thursday 15 November 2018, Two sessions; 3pm till 5.30pm, and 6.30pm till 9.00pm.

Drop in any time to view and discuss proposals.

### PLACE

Shinfield Parish Hall, School Green, Shinfield, Reading, RG2 9EH

### CAN'T ATTEND?

Design proposals will remain on display in the Parish Hall. Feedback forms will also be available until end of Friday 30th November, but informal feedback is always welcome.

If you can't attend, but wish to see and/or discuss proposals in more detail, please do contact:  
Tom Coward, on 020 7739 9950 or at [tom.coward@theaoc.co.uk](mailto:tom.coward@theaoc.co.uk)
