

The map shows a topographic site plan with the following features:

- SWMH02**: A large, irregularly shaped area in the upper right, outlined in green, representing a stormwater management pond. It contains a central island labeled "Sandpit".
- SWMH03**: A rectangular area in the lower left, outlined in green, representing another stormwater management pond.
- Tennis Courts**: A series of rectangular areas along the left edge of the map.
- Flow Path**: A dashed blue line with arrows indicating a path or flow direction, starting from the bottom left and moving towards the top right, passing between the ponds and courts.
- Topography**: Contour lines and spot elevations (e.g., +3.41, +3.37, +3.32) are shown throughout the site.
- Other Labels**: "Grass", "Tarmac Path", "Bicycle Path", "SWMH02", and "SWMH03" are labeled on the map.
