

**Q1-In relation to the Word Counts given for each Question, would NMRN please consider a possible extension on the word count, for example an extra 500 words per Question, to allow us to provide NMRN with comprehensive responses?**

- Upon review, the NMRN will allow of an additional 500 more words in all criteria which to confirm would be the following;
  - Criteria 1 (1,500 words)
  - Criteria 2 (2,000 words)
  - Criteria 3 (1,500 words)

**Q2- Please can you confirm whether there is an additional document for suppliers to complete in regard to the Pricing schedule?**

- There is no specific pricing document for you to complete, please provide your own price breakdown which details your costs over the duration of the contract, this should be show as stated in 3.2.1 and have a total price for the full duration in ex-VAT format.

**Q3- Would the NMRN be prepared to contract under a framework like CCS, or CPC where there is already pre-agreed terms and conditions in place and commercially attractive pricing models rather than under your own terms and conditions**

- The NMRN are proceeding under the Open Procedure under the PCR2015 Regulations, as we believe this will achieve the most economically advantageous tender under this. The NMRN welcome bidders to submit pricing models of their own within their submission for us to consider. As our Terms and Conditions within the tender pack are for your consideration if that is the chosen contract route.

**Your completed response should be submitted by the due date and time required:**
