13.15.4 if the Contractor becomes entitled to recover the VAT on any items for which it has received a payment from the GLA pursuant to this Contract it will immediately notify the GLA of this in writing and it will repay the amount or amounts equivalent to such recovered VAT within twenty (20) Working Days of receipt of such recovered VAT by the Contractor.

Schedule 1

Summary of Programme Funding

The Secretary of State for Education acting through the Greater London Authority (GLA) can award contracts to deliver AEB services following a successful tender to the GLA's AEB procured provision Invitation to Tender (referred to as “AEB Procured” provision). Section 101 of the Apprenticeships, Skills, Children and Learning Act 2009 allows for funding to be subject to conditions in this way

The AEB aims to engage adults and provide the skills and learning they need to equip them for work, an apprenticeship or other learning. It enables more flexible tailored programmes of learning to be made available, which may or may not require a qualification, to help eligible learners engage in learning, build confidence, and/or enhance their wellbeing.

The GLA is a Co-Financing Organisation (CFO). CFO status allows the GLA to develop and implement employability and skills activities on behalf of the London Economic Action Partnership (LEAP) that are co-funded by European Social Fund (ESF) and that meet local needs and Mayoral priorities.

The AEB Procured provision is being used by the GLA as match funding to deliver a programme of ESF projects (the “AEB-ESF” programme). To draw down this ESF funding to support Londoners, the AEB-ESF provision and AEB Procured provision must be considered as a single co-funded programme of activity. This means that the GLA's and the ESF Managing Authority's ESF compliance and evidence requirements apply to the AEB Procured provision as well as the AEB-ESF provision, and both will be subject to the same external audit requirements.

For further details please see the GLA AEB Funding and Performance Management Rules for Procured Providers and the Specification for AEB Procured Programme.
