

Schedule 11 - Government Furnished Assets (GFA)

The Contractor shall observe any instructions from the Authority regarding the use of any GFA issued for the purposes of this Contract, including the restoration of GFA back to the Authority if so required by the Authority's Project Manager.

GFA shall be managed in accordance with DEFCONs 23, 611 and 694 as well as Condition 46.2 under processes that apply to the Contract.

The following tables list all items of GFA to be issued under this Contract and on what loan terms. A definition of loan terms is included below for information.

Government Furnished Equipment

Definitions of Loan Items

Contract Support Item (CSI): The issue of Ministry owned material to a Contractor without charge for a specified period and purpose in support of a Ministry contract. The loaned material should be returned to the Ministry unchanged except for fair wear and tear in accordance with the Terms and Conditions of a Ministry contract. Once property in Special Jigs, Tooling and Test Equipment covered by DEFCON 23 has been passed to the Ministry they should be treated as Ordinary Loan Items.

Contract Embodiment Item (CEI): The issue of Ministry owned material issued without charge to a Contractor for embodiment in an Article that is under manufacture, modification, conversion or repair in accordance with the Terms and Conditions of a Ministry contract.

Contract Work Item (CWI): The issue of Ministry owned material for the purpose of its undergoing repair, maintenance, modification and conversion in accordance with the Terms and Conditions of a Ministry contract.

Contract Work Arising (CWA): An item/sub-assembly removed from the Contract Work Item. The following table lists all Bonded Stock Items to be stored under this Contract.
