provided always that where Clause 34.2 applies the Authority shall, in accordance with any recommendations of the Code, take reasonable steps, where appropriate, to give the Contractor advance notice, or failing that, to draw the disclosure to the Contractor's attention after any such disclosure.

34.6 The Contractor shall ensure that all Information is retained for disclosure and shall permit the Authority to inspect such records as requested from time to time.

34.7 The Contractor acknowledges that the Commercially Sensitive Information listed in Schedule 5 (Commercially Sensitive Information) is of indicative value only and that the Authority may be obliged to disclose it in accordance with this Clause 34.

35. PUBLICITY AND VISITS

35.1 The Contractor shall not:-

without Approval (which shall not be unreasonably withheld or delayed).

35.2 The Authority shall be entitled to publicise this Umbrella Agreement in accordance with any legal obligation upon the Authority, including any examination of this Umbrella Agreement by the Auditor or otherwise.

35.3 The Contractor shall pay the utmost regard to the standing and reputation of the Authority and shall not do anything (by act or omission) which may:-

35.3.1 damage the reputation of the Authority;

35.3.2 bring the Authority into disrepute;

35.3.3 attract adverse publicity to the Authority; or

35.3.4 harm the confidence of the public in the Authority.

35.4 The Contractor shall at all times deliver the Services with due regard to the need for those in a public service environment to observe the highest standards of efficiency, economy, courtesy, consideration and hygiene.

(b) the Serious Breach is not, in the reasonable opinion of the Authority, capable of remedy; or

36.1.2 where any Contracting Body terminates a Call-Off Contract awarded to the Contractor under this Umbrella Agreement as a consequence of default by the Contractor.

Termination on Financial Standing

36.2 The Authority may terminate this Umbrella Agreement by serving notice on the Contractor in writing with effect from the date specified in such notice where (in the reasonable opinion of the Authority), there is a material detrimental change in the financial standing and/or the credit rating of the Contractor which:

36.2.1 adversely impacts on the Contractor's ability to supply the Services under this Umbrella Agreement and/or any Call-Off Contract; or

36.2.2 could reasonably be expected to have an adverse impact on the Contractor's ability to supply the Services under this Umbrella Agreement and/or any Call-Off Contract.

Termination on Insolvency and Change of Control

36.3 The Authority may terminate this Umbrella Agreement with immediate effect by notice in writing where the Contractor is a company and in respect of the Contractor:-

- 36.3.1 a proposal is made for a voluntary arrangement within Part I of the Insolvency Act 1986 or of any other composition scheme or arrangement with, or assignment for the benefit of, its creditors;
 - 36.3.2 a shareholders' meeting is convened for the purpose of considering a resolution that it be wound up or a resolution for its winding-up is passed (other than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation);
 - 36.3.3 a petition is presented for its winding up (which is not dismissed within fourteen (14) days of its service) or an application is made for the appointment of a provisional liquidator or a creditors' meeting is convened pursuant to Section 98 of the Insolvency Act 1986;
 - 36.3.4 a receiver, administrative receiver or similar officer is appointed over the whole or any part of its business or assets;

 - 36.3.7 being a "small company" within the meaning of Section 382 of the Companies Act 2006, a moratorium comes into force pursuant to Schedule A1 of the Insolvency Act 1986; or
 - 36.3.8 any event similar to those listed in Clause 36.3.1 to Clause 36.3.7 occurs under the law of any other jurisdiction.
- 36.4 The Contractor shall notify the Authority immediately if the Contractor undergoes a change of control within the meaning of Section 1124 of the Corporation Tax Act 2010 ("**Change of Control**"). The Authority may terminate this Umbrella Agreement by giving notice in writing to the Contractor with immediate effect within six (6) Months of:-

- 36.4.1 being notified that a Change of Control has occurred; or
- 36.4.2 where no notification has been made, the date that the Authority becomes aware of the Change of Control,

but shall not be permitted to terminate where an Approval was granted prior to the Change of Control.

Termination on failure to submit a tender

- 36.5 The Authority may terminate this Umbrella Agreement by serving notice on the Contractor in writing with effect from the date specified in such notice where:-
- 36.5.1 the Authority has invited the Contractor to submit a tender in writing in accordance with Clause 8.3.3 on three (3) separate consecutive occasions; and
 - 36.5.2 the Contractor has failed to submit, in the Authority's reasonable opinion, a competitive tender to the Authority on each such occasion.

Termination by the Authority

- 36.6 The Authority shall have the right to terminate this Umbrella Agreement, or to terminate the provision of any part of this Umbrella Agreement at any time by giving at least three (3) Months' written notice to the Contractor and all other UA Providers. The Parties acknowledge that if the Authority exercises its rights under this Clause 36.6 it shall exercise its equivalent rights under all agreements with the UA Providers.

Partial Termination

- 36.7 Where the Authority has the right to terminate this Umbrella Agreement, the Authority is entitled to terminate all or part of this Umbrella Agreement pursuant to this Clause 36 provided always that, if the Authority elects to terminate this Umbrella Agreement in part, the parts of this Umbrella Agreement not terminated or suspended can, in the Authority's reasonable opinion, operate effectively to deliver the intended purpose of the surviving parts of this Umbrella Agreement.
- 36.8 The Parties shall endeavour to agree the effect of any variation necessitated by a partial termination in accordance with Clause 42 including the effect that the partial termination may have on the provision of any other Services and the price of the Services.

37. SUSPENSION OF CONTRACTOR'S APPOINTMENT

- 37.1 If the Authority is entitled to terminate this Umbrella Agreement pursuant to Clause 36, the Authority may instead elect in its sole discretion to suspend the Contractor's ability to accept Orders under this Umbrella Agreement by giving notice in writing to the Contractor, and the Contractor agrees that it shall not be entitled to enter into any new Call-Off Contract during the period specified in the Authority's notice.
- 37.2 Any suspension under Clause 37.1 shall be without prejudice to any right of termination which has already accrued, or subsequently accrues, to the Authority.
- 37.3 The Parties acknowledge that suspension shall not affect the Contractor's obligation to perform any existing Call-Off Contracts concluded prior to the suspension notice.
- 37.4 If the Authority provides notice to the Contractor in accordance with Clause 37.1, the Contractor's appointment under this Umbrella Agreement shall be suspended for the period set out in the notice or such other period notified to the Contractor by the Authority in writing from time to time.
- 37.5 For the avoidance of doubt, no period of suspension under this Clause 37 shall result in an extension of the Term.

38. CONSEQUENCES OF TERMINATION AND EXPIRY

- 38.1 Notwithstanding the service of a notice to terminate this Umbrella Agreement, the Contractor shall continue to fulfil its obligations under this Umbrella Agreement until the date of expiry or termination of this Umbrella Agreement or such other date as required under this Clause 38.

- 38.2 Termination or expiry of this Umbrella Agreement shall not cause any Call-Off Contracts to terminate automatically. For the avoidance of doubt, all Call-Off Contracts shall remain in force unless and until they are terminated or expire in accordance with their own terms.
- 38.3 Within thirty (30) Working Days of the date of termination or expiry of this Umbrella Agreement, and if requested by the Authority, the Contractor shall return to the Authority any data and Confidential Information belonging to the Authority in the Contractor's possession, power or control, either in its then current format or in a format nominated by the Authority (in which event the Authority will reimburse the Contractor's reasonable data conversion expenses), together with all training manuals and other related documentation, and any other information and all copies thereof owned by the Authority, save that it may keep one copy of any such data or information for a period of up to twelve (12) Months to comply with its obligations under this Umbrella Agreement, or such period as is necessary for such compliance.
- 38.4 Subject to Clause 28.2, the Authority shall be entitled to require access to data or information arising from the provision of the Services from the Contractor until the latest of:-
- 38.4.1 the expiry of a period of twelve (12) Months following termination or expiry of this Umbrella Agreement; or
- 38.4.2 the expiry of a period of twelve (12) Months following the date on which the Contractor ceases to provide Services under any Call-Off Contract.
- 38.5 Termination or expiry of this Umbrella Agreement shall be without prejudice to any rights, remedies or obligations of either Party accrued under this Umbrella Agreement prior to termination or expiry.
- 38.6 The provisions of Clauses 9, 10, 11, 12, 28, 29, 30, 32, 35, 39, 40 and 53 shall survive the termination or expiry of this Umbrella Agreement, together with any other provision which is either expressed to or by implication is intended to survive termination.

PART FIVE: INSURANCE AND LIABILITY

39. LIABILITY

- 39.1 Neither Party excludes or limits its liability for:-
- 39.1.1 death or personal injury caused by its negligence, or that of its Staff;
- 39.1.2 fraud or fraudulent misrepresentation by it or its Staff;
- 39.1.3 breach of any obligations as to title implied by Section 12 of the Sale of Goods Act 1979 or Section 2 of the Supply of Goods and Services Act 1982;
- 39.1.4 any claim under the indemnity in Clause 28.12;
- 39.1.5 any claim under the indemnity in Clause 32.7;

39.1.7 any claim under Clause 29; or

39.1.8 any claim under Clause 34.

39.2 Subject to Clause 39.1 and Clause 39.3, each Party's total aggregate liability in connection with this Umbrella Agreement in each twelve (12) Month period during the Term (whether in contract, tort including negligence, breach of statutory duty or howsoever arising) shall be limited to £10 million (ten million pounds). For the avoidance of doubt, the Parties acknowledge and agree that this Clause 39 shall not limit either Party's liability under any Call-Off Contract and that each Party's liability in relation to a Call-Off Contract shall be as set out in the Call-Off Contract.

39.3 Subject to Clause 39.1, in no event shall either Party be liable to the other for any indirect or consequential loss or damage.

39.4 Subject to Clause 39.2 the Contractor shall indemnify and keep indemnified the Authority in full from and against all claims, proceedings, actions, damages, legal costs, expenses and any other liabilities whatsoever arising out of, in respect of or in connection with this Umbrella Agreement including in respect of any death or personal injury, loss of or damage to property, financial loss arising from any advice given or omitted to be given by the Contractor, or any other loss which is caused directly or indirectly by any act or omission of the Contractor. This Clause shall not apply to the extent that the Contractor is able to demonstrate that such death or personal injury, or loss or damage was not caused or contributed to by its negligence or default, or the negligence or default of its Staff or by any circumstances within its or their control.

40. INSURANCE

40.1 The Contractor shall effect and maintain policies of insurance to provide a level of cover sufficient for all risks which may be incurred by the Contractor under this Umbrella Agreement and any Call-Off Contract including death or personal injury, or loss of or damage to property.

40.2 The Contractor shall effect and maintain the following insurances for the duration of the Umbrella Agreement in relation to the performance of the Umbrella Agreement:-

40.2.1 public liability insurance adequate to cover all risks in the performance of this Umbrella Agreement from time to time; and

40.2.2 employers' liability insurance with a minimum limit of indemnity as required by law from time to time.

40.3 Any excess or deductibles under such insurance (referred to in Clause 40.1 and Clause 40.2) shall be the sole and exclusive responsibility of the Contractor.

40.4 The terms of any insurance or the amount of cover shall not relieve the Contractor of any liabilities arising under the Umbrella Agreement.

- 40.5 The Contractor shall produce to the Authority, on request, copies of all insurance policies referred to in this Clause 40 or a broker's verification of insurance to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.
- 40.6 If, for whatever reason, the Contractor fails to give effect to and maintain the insurances required by the Umbrella Agreement then the Authority may make alternative arrangements to protect its interests and may recover the costs of such arrangements from the Contractor.
- 40.7 The Contractor shall maintain the insurances referred to in Clause 40.1 and Clause 40.2 for a minimum of six (6) years following the expiration or earlier termination of the Umbrella Agreement.

PART SIX OTHER PROVISIONS

41. TRANSFER AND SUB-CONTRACTING

- 41.1 The Umbrella Agreement is personal to the Contractor and the Contractor shall not assign, novate or otherwise dispose of this Umbrella Agreement or any part thereof without the previous consent in writing of the Authority. - 41.2 The Authority shall be entitled to:-
- 41.2.1 assign, novate or otherwise dispose of its rights and obligations under this Umbrella Agreement or any part thereof to any Other Contracting Body; or
 - 41.2.2 novate this Umbrella Agreement to any other body (including any private sector body) which substantially performs any of the functions that previously had been performed by the Authority,

provided that such assignment, novation or disposals shall not increase the burden of the Contractor's obligations under this Umbrella Agreement.

42. VARIATIONS TO THE UMBRELLA AGREEMENT

Any variations to the Umbrella Agreement must be made only in accordance with this Umbrella Agreement Variation Procedure set out in Schedule 6 (Umbrella Agreement Variation Procedure).

43. RIGHTS OF THIRD PARTIES

Save as provided in Clauses 5, 8 and 9.2 and the rights specified in this Umbrella Agreement for the benefit of Contracting Bodies, a person who is not party to this Umbrella Agreement ("Third Party") has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Umbrella Agreement without the prior written agreement of the Parties, but this does not affect any right or remedy of any person which exists or is

available otherwise than pursuant to that Act and does not apply to the Crown. If the Parties rescind this Umbrella Agreement or vary any of its terms (including any release or compromise in whole or in part of liability) in accordance with the relevant provisions of this Umbrella Agreement or terminate this Umbrella Agreement, such rescission, variation or termination will not require the consent of any Third Party.

44. FURTHER ASSURANCE

44.1 Each Party undertakes at the request of the other, and at the cost of the requesting Party to do all acts and execute all documents which may be reasonably necessary to give effect to the meaning of this Umbrella Agreement.

45.2 In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of this Umbrella Agreement, the Authority and the Contractor shall immediately commence good faith negotiations to remedy such invalidity.

46. CUMULATIVE REMEDIES

Except as otherwise expressly provided by this Umbrella Agreement, all remedies available to either Party for breach of this Umbrella Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

47. WAIVER

47.1 The failure of either Party to insist upon strict performance of any provision of this Umbrella Agreement, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by this Umbrella Agreement.

47.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with Clause 49.

47.3 A waiver of any right or remedy arising from a breach of this Umbrella Agreement shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of this Umbrella Agreement.

48. ENTIRE AGREEMENT

48.1 This Umbrella Agreement constitutes the entire agreement and understanding between the Parties in respect of the matters dealt with in it and supersedes,

cancel or nullifies any previous agreement between the Parties in relation to such matters.

48.2 Each of the Parties acknowledges and agrees that in entering into this Umbrella Agreement it does not rely on, and shall have no remedy in respect of, any statement, representation, warranty or undertaking (whether negligently or innocently made) other than as expressly set out in this Umbrella Agreement. The only remedy available to either Party of such statements, representation, warranty or understanding shall be for breach of contract under the terms of this Umbrella Agreement.

48.3 Nothing in this Clause 48 shall operate to exclude Fraud or fraudulent misrepresentation.

49. NOTICES

49.1 Except as otherwise expressly provided within this Umbrella Agreement, no notice or other communication from one Party to the other shall have any validity under this Umbrella Agreement unless made in writing by or on behalf of the Party sending the communication.

49.2 Any notice or other communication which is to be given by either Party to the other shall be given by letter (sent by hand, post, registered post or by the recorded delivery service), by facsimile transmission or electronic mail (confirmed in either case by letter). Such letters shall be addressed to the other Party in the manner referred to in Clause 49.3. Provided the relevant communication is not returned as undelivered, the notice or communication shall be deemed to have been given two (2) Working Days after the day on which the letter was posted, or four (4) hours, in the case of electronic mail or facsimile transmission or sooner where the other Party acknowledges receipt of such letters, facsimile transmission or item of electronic mail.

- (e) giving the Contracting Body a right to publish the Contractor's compliance with its obligation to pay undisputed invoices within the specified payment period; and
- (f) requiring the Sub-contractor to include a clause to the same effect as this clause F1.16 in any contracts it enters into wholly or substantially for the purpose of performing or contributing to the performance of the whole or any part of this Call-Off Contract.

F2 Waiver

F2.1 The failure of either Party to insist upon strict performance of any provision of the Call-Off Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy under this Call-Off Contract or by Law shall not constitute a waiver of that right or remedy, nor shall it prevent or restrict the further exercise of the same.

F2.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with clause A5 (Notices) and in a manner that expressly states that a waiver is intended.

F2.3 A waiver of any right or remedy arising from a breach of the Call-Off Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Call-Off Contract.

F3 Changes to the Call-Off Contract

- F3.1 No change, amendment, variation, restatement or supplement to this Call-Off Contract shall be effective unless it is made in writing in accordance with the Change Control Procedure and signed on behalf of the Parties.
- F3.2 Save as provided in clause F3.3 below, the Parties acknowledge and agree that no Contract Change or Operational Change may be made to this Call-Off Contract which has the effect of:
- (a) rendering this Call-Off Contract materially different in character from this Call-Off Contract as at the date of this Call-Off Contract;
 - (b) changing the economic balance of this Call-Off Contract in favour of the Contractor in a manner which is not provided for in this Call-Off Contract as at the date of this Call-Off Contract; or
 - (c) extending the scope of this Call-Off Contract considerably.
- F3.3 The Parties may agree to make a Contract Change or Operational Change or Substantial Change to this Call-Off Contract where such change is provided for in the Call-Off Contract and/or in the ITT.

F4 Severability

If any provision of the Call-Off Contract is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions of the Call-Off Contract shall continue in full force and effect as if the Call-Off Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

F5 Step-In Rights

- F5.1 On the occurrence of a Step-In Trigger Event, the Contracting Body may serve notice on the Contractor (a "Step-In Notice") that it will be taking action under this clause F5, either itself or with the assistance of a third party (provided that the Contractor may require any third parties to comply with a confidentiality undertaking equivalent to clause E4). The Step-In Notice shall set out the following:
- (a) the action the Contracting Body wishes to take and in particular the Call-Off Services that it wishes to control (the "Required Action");
 - (b) the Step-In Trigger Event that has occurred and whether the Contracting Body believes that the Required Action is due to the Contractor's Default;
 - (c) the date on which it wishes to commence the Required Action;
 - (d) the time period which it believes will be necessary for the Required Action;
 - (e) whether the Contracting Body will require access to the Contractor's premises and/or the Premises; and
 - (f) to the extent practicable, the impact that the Contracting Body anticipates the Required Action will have on the Contractor's obligations to supply the Call-Off Services during the period that the Required Action is being taken.
- F5.2 Following service of a Step-In Notice, the Contracting Body:

- (a) may take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;
- (b) shall keep records of the Required Action taken and provide information about the Required Action to the Contractor;
- (c) shall co-operate wherever reasonable with the Contractor in order to enable the Contractor to continue to supply the Call-Off Services in relation to which the Contracting Body is not assuming control; and
- (d) shall act reasonably in mitigating the cost that the Contractor will incur as a result of the exercise of the Contracting Body's rights under this clause F5.

F5.3 For so long as and to the extent that the Required Action is continuing, then:

- (a) the Contractor shall not be obliged to supply the Call-Off Services to the extent that they are the subject of the Required Action;
- (b) the Contractor shall not be entitled to any Fees which, in the Contracting Body's reasonable opinion, directly derive from the Contracting Body taking the Required Action; and
- (c) where the Contracting Body has served a Step-In Notice as a result of any Default by the Contractor, the Contractor shall pay to the Contracting Body on demand, and on an indemnity basis, all costs, fees and expenses properly incurred by the Contracting Body in taking the Required Action to the extent that such costs, fees and expenses exceed the Fees that would otherwise have been payable to the Contractor under this Call-Off Contract in relation to the Call-Off Services that are subject to the Required Action.

F5.4 If the Contractor demonstrates to the reasonable satisfaction of the Contracting Body that the Required Action has resulted in:

- (a) the degradation of any Call-Off Services not subject to the Required Action; or
- (b) the non-achievement of a Minimum Performance Level or a Customer Service Standard that which would have been achieved had the Contracting Body not taken the Required Action,

then the Contractor shall be entitled to an agreed adjustment of the Fees.

F5.5 Before ceasing to exercise its step in rights under this clause F5 the Contracting Body shall deliver a written notice to the Contractor (a "Step-Out Notice"), specifying:

- (a) the Required Action it has actually taken; and
- (b) the date on which the Contracting Body plans to end the Required Action (the "Step-Out Date") subject to the Contracting Body being satisfied with the Contractor's ability to resume the provision of the Call-Off Services and the Contractor's plan developed in accordance with clause F5.6.

F5.6 The Contractor shall, following receipt of a Step-Out Notice and not less than twenty (20) Working Days prior to the Step-Out Date, develop for the Contracting Body's approval a draft plan (a "Step-Out Plan") relating to the resumption by the Contractor of the Call-Off Services,

including any action the Contractor proposes to take to ensure that the affected Call-Off Services satisfy the requirements of this Call-Off Contract.

F5.7 If the Contracting Body does not approve the draft Step-Out Plan, the Contracting Body shall inform the Contractor of its reasons for not approving it. The Contractor shall then revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Contracting Body for the Contracting Body's approval. The Contracting Body shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.

F5.8 The Contractor shall bear its own costs in connection with any step-in by the Contracting Body under this clause F5, provided that the Contracting Body shall reimburse the Contractor's reasonable additional expenses incurred directly as a result of any step-in action taken by the Contracting Body under:

(a) limb (c) of the definition of a Step-In Trigger Event; or

(b) limbs (d), (e) and (f) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Contracting Body serving the Step-In Notice is identified as not being the result of the Contractor's Default).

F6 Partial Termination

F6.1 In the event that the Contracting Body considers that there has been a Default by the Contractor, then the Contracting Body may, at its sole discretion, and without prejudice to its other rights and remedies under the Call-Off Contract including under clause H2 (Termination on Default), without terminating the whole of the Call-Off Contract, terminate the Call-Off Contract in respect of part of the Call-Off Services only (whereupon a corresponding reduction in the Fees shall be made) and thereafter itself supply or procure a third party to supply such part of the Call-Off Services.

F7 Formal Warning Notice

F7.1 Where the Contracting Body considers that there has been Non Service Failure Default by the Contractor and that such Non Service Failure Default is capable of remedy by the Contractor, then the Contracting Body may issue a Formal Warning Notice to the Contractor specifying the Non Service Failure Default and requiring that it be remedied by the Contractor at the Contractor's cost within ten (10) Working Days or such other period of time as the Contracting Body may specify in the Formal Warning Notice. In the event that the Contractor fails to remedy the Non Service Failure Default in accordance with the Formal Warning Notice, this will constitute a Serious Breach for the purposes of clause H2 (Termination on Default) entitling the Contracting Body (at its absolute discretion) to exercise its rights under the corresponding provisions of clause H2 (Termination on Default).

F7.2 The Contracting Body reserves the right to recover all Losses connected with any or all Non-Service Failure Defaults.

F8 Remedies Cumulative

Except as otherwise expressly provided for by the Call-Off Contract, all remedies available to either Party for breach of the Call-Off Contract are cumulative and may be exercised concurrently or separately and do not exclude any rights or remedies provided by Law, in equity or otherwise. The exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

F9 Monitoring of Call-Off Contract Performance

F9.1 The Contracting Body (including any representative of the Contracting Body) shall monitor the Contractor's performance in supplying the Call-Off Services in accordance with the provisions of Schedule 3 (Contract Performance Reviews & Contractors Systems Assurance) and the Provider Guidance or such other requirements as notified by the Contracting Body to the Contractor from time to time.

F9.2 The Performance Managers shall have regular meetings to monitor and review:

- (e) any other matter the Parties consider appropriate,

and the Contractor shall comply with the provisions of Schedule 3 (Contract Performance Reviews & Contractors Systems Assurance) in relation to the monitoring and reporting of its performance. The Contracting Body may organise regular monitoring and spot checks of the Premises at any time to ensure the Contractor is complying with its obligations under the Call-Off Contract and the Contractor shall co-operate fully, at its own cost, with the Contracting Body. The Contracting Body shall use all reasonable endeavours to ensure that the onsite monitoring will not interfere with the supply of the Call-Off Services by the Contractor.

F9.3 The Contracting Body may appoint an assessor (which may be an internal or an external assessor, subject (in the case of an external assessor) to the external assessor entering into a non-disclosure arrangement and having the relevant expertise and competence), to participate in the monitoring of the Contractor's performance in supplying the Call-Off Services and the Contractor will co-operate with the assessor and take all necessary steps to implement recommendations made. Any changes to any Call-Off Services made as a result of a recommendation of any such persons shall be made in writing and in accordance with the Change Control Procedure.

F9.4 The Contractor shall ensure that the Contracting Body (and its authorised representatives) have access upon reasonable notice to all relevant property, including the Premises, and information (and where requested are given a copy of such information) necessary to carry out the monitoring referred to in clause F9 including putting in place arrangements to permit legal access to information as may be required.

F9.5 With effect from the Call-Off Commencement Date, the Contracting Body and the Contractor shall meet at the times and with such frequency as specified in Schedule 3 (Contract Performance Reviews & Contractor Systems Assurance) or as notified by the Contracting Body to the Contractor from time to time. Such meetings shall be convened by the Contracting Body upon the Contracting Body giving written notice to the Contractor.

F9.6 Following any review under clause F9.5 (or otherwise in accordance with the provisions of this Call-Off Contract) if the Contracting Body considers, in its sole discretion that the Contractor is not complying with its obligations under the Call-Off Contract the Contracting Body shall notify the Contractor of such non-compliance. The Contractor shall, in the absence of any other longer time period specified in the notice have twenty-eight (28) days in which to

rectify such non-compliance and demonstrate to the satisfaction of the Contracting Body acting reasonably that it is compliant with the terms of the Call-Off Contract. In the event that the Contractor is not able to demonstrate its compliance in the time period specified then the Contracting Body shall be entitled to withhold payment of all payments which would otherwise be due and payable to the Contractor in accordance with clause [C6] until such time as the non-compliance is rectified. For the avoidance of doubt no interest shall accrue on any payments that are withheld under this clause.

- F9.7 The Contracting Body shall monitor the Contractor's (and any Sub-contractor's) performance in supplying the Call-Off Services to assess, amongst other things, compliance with Competition Law. Where (in the opinion of the Contracting Body), the Contractor (or any Affiliate or any of the Contractor's Group) has or may have engaged in any agreement, arrangement, practice or conduct which would amount to an infringement of competition law, without prejudice to any other rights or remedies that the Contracting Body has under the Call-Off Contract the Contracting Body shall be entitled to consider this as a Serious Breach for the purposes of clause H2 (Termination on Default) entitling the Contracting Body (at its absolute discretion) to exercise its rights under the corresponding provisions of clause H2 (Termination on Default).
- F9.8 Where (in the opinion of the Contracting Body), any Sub-contractor has or may have engaged in any agreement, arrangement, practice or conduct which would amount to an infringement of competition law, the Contracting Body may require the Contractor to terminate the Sub-contract with immediate effect. For the avoidance of doubt, the Contracting Body shall not be liable for any costs incurred by the Contractor (or the Sub-contractor) in connection with the termination of such Sub-contract.

- (a) the Contracting Body's Representative and the Contractor's Representative shall attempt in good faith to resolve the Dispute; and

- (b) if such attempts are not successful within a reasonable period, not being longer than twenty (20) Working Days, either Party may issue to the other a Dispute Notice.

2.2 A Dispute Notice:

- (a) shall set out:
 - (i) the material particulars of the Dispute;

3 EXPEDITED DISPUTE TIMETABLE

- 3.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within five (5) Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Contracting Body.
- 3.2 If the Expedited Dispute Timetable is to be used pursuant to the provisions of paragraph 3.1 or is otherwise specified under the provisions of this Call-Off Contract, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs:
- (a) in paragraph 4.2(b), ten (10) Working Days;
 - (b) in paragraph 5.2, ten (10) Working Days;
 - (c) in paragraph 6.2, five (5) Working Days; and
 - (d) in paragraph 7.2, ten (10) Working Days.
- 3.3 If at any point it becomes clear that an applicable deadline cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the deadline. If the Parties fail to agree within two (2) Working Days after the deadline has passed, the Contracting Body may set a revised deadline provided that it is no less than five (5) Working Days before the end of the period of time specified in the applicable paragraphs (or two (2) Working Days in the case of paragraph 6.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Contracting Body fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

4 COMMERCIAL NEGOTIATION

- 4.1 Following the service of a Dispute Notice, then, so long as the Contracting Body has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Contracting Body and the Contractor shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between the Contracting Body's *[insert role]* and the Contractor's *[insert role]*.
- 4.2 If either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution:

- (b) the Parties have not settled the Dispute in accordance with paragraph 4.1 within thirty (30) Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation in accordance with paragraph 5 (a "Mediation Notice").

5 MEDIATION

- 5.1 If a Mediation Notice is served, the Parties shall attempt to resolve the dispute in accordance with the version of CEDR's Model Mediation Procedure which is current at the time the Mediation Notice is served (or such other version as the Parties may agree).
- 5.2 If the Parties are unable to agree on the joint appointment of an independent person to mediate the Dispute within twenty (20) Working Days from (and including) the service of a Mediation Notice then either Party may apply to CEDR to nominate such a person.
- 5.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.
- 5.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Change Control Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

6 EXPERT DETERMINATION

- 6.1 If a Dispute relates to any aspect of the technology underlying the provision of the Call-Off Services or otherwise relates to a technical matter of an IT, accounting or financing nature and the Dispute has not been resolved by commercial negotiation in accordance with paragraph 4 or, if applicable, mediation in accordance with paragraph 5, then either Party may by written notice to the other request (agreement to which request shall not be unreasonably withheld or delayed) that the Dispute be referred to an expert for determination.
- 6.2 The expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten (10) Working Days of the relevant request made pursuant to paragraph 6.1, or if the person appointed is unable or unwilling to act, the expert shall be appointed:

- (c) the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within thirty (30) Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;
- (d) any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within twenty (20) Working Days of the Expert's determination being notified to the Parties;

The Contractor shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.

7.3 If the Contracting Body serves a Counter Notice, then:

- (a) if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 7.5 shall apply; or
- (b) if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Contractor shall not commence arbitration proceedings.

7.4 If the Contracting Body does not serve a Counter Notice within the fifteen (15) Working Day period referred to in paragraph 7.2, the Contractor may either commence arbitration proceedings in accordance with paragraph 7.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.

7.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to paragraphs 7.1 to 7.4:

- (a) the Dispute shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("LCIA") (subject to paragraphs 7.5(e), (f) and (g));
- (b) the arbitration shall be administered by the LCIA;
- (c) the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Call-Off Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (d) if the Parties fail to agree the appointment of the arbitrator within ten (10) Working Days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;

- (g) the seat of the arbitration shall be London.

- (a) for interim or interlocutory remedies in relation to this Call-Off Contract or infringement by the other Party of that Party's Intellectual Property Rights; and/or
- (b) where compliance with paragraph 2.1 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period.

9 MULTI-PARTY DISPUTES

9.1 All Multi-Party Disputes shall be resolved in accordance with the procedure set out in this paragraph 9 (the "**Multi-Party Dispute Resolution Procedure**").

9.2 If at any time following the issue of a Dispute Notice, the Contracting Body reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Contracting Body shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Contractor which sets out the Contracting Body's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to be involved in the Multi-Party Dispute Resolution Procedure, such notice a "**Multi-Party Procedure Initiation Notice**".

9.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with paragraph 7, the Contractor has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Contractor may serve a Contractor Request on the Contracting Body.

9.4 The Contracting Body shall (acting reasonably) consider each Contractor Request and shall determine within five (5) Working Days whether the Dispute is:

- (a) a Multi-Party Dispute, in which case the Contracting Body shall serve a Multi-Party Procedure Initiation Notice on the Contractor; or
- (b) not a Multi-Party Dispute, in which case the Contracting Body shall serve written notice of such determination upon the Contractor and the Dispute shall be treated in accordance with paragraphs 3 to 8.

9.5 If the Contracting Body has determined, following a Contractor Request, that a Dispute is not a Multi-Party Dispute, the Contractor may not serve another Contractor Request with reference to the same Dispute.

9.6 Following service of a Multi-Party Procedure Initiation Notice a Multi-Party Dispute shall be dealt with by a board (in relation to such Multi-Party Dispute, the "**Multi-Party Dispute Resolution Board**") comprising representatives from the following parties to the Multi-Party Dispute, at least one of whom from each of the parties shall be of a suitable level of seniority and have full authority to finalise any agreement with the other parties to settle the Multi-Party Dispute:

- (c) in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.

9.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within twenty-five (25) Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:

- (a) either Party may serve a Mediation Notice in respect of the Multi-Party Dispute in which case paragraph 5 shall apply;
- (b) either Party may request that the Multi-Party Dispute is referred to an expert in which case paragraph 6 shall apply; and/or

9.9 If a Multi-Party Dispute is referred to arbitration in accordance with paragraph 7 or a Dispute becomes a Multi-Party Dispute during the course of arbitration proceedings and either Party is unable to compel a Related Third Party to submit to such arbitration proceedings, the Contracting Body or the Contractor may discontinue such arbitration proceedings and instead initiate court proceedings. The costs of any such discontinued arbitration proceedings shall be borne by the Party which is in a direct contractual relationship with the Related Third Party or, where the Related Third Party is a Sub-Contractor, by the Contractor.

- 7.7 For the avoidance of doubt, the carrying out of a test of the BCDR Plan (including a test of the BCDR Plan's procedures) shall not relieve the Contractor of any of its obligations under this Call-Off Contract.
- 7.8 The Contractor shall also perform a test of the BCDR Plan in the event of any major reconfiguration of the Services or as otherwise reasonably requested by the Contracting Body.

8. INVOCATION OF THE BCDR PLAN

2.3 If a Dispute Notice specifies that the Dispute has been determined or is considered to be a Multi-Party Dispute pursuant to paragraph 2.2(b), then:

- (a) if it is served by the Authority it shall be treated as a Multi-Party Procedure Initiation Notice; and
- (b) if it is served by the Contractor it shall be treated as a Contractor Request, and in each case the provisions of paragraph 9 shall apply.

2.4 Subject to paragraphs 2.5 and 3.2 and so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, following the issue of a Dispute Notice the Parties shall seek to resolve the Dispute:

- (a) first by commercial negotiation (as prescribed in paragraph 4);
- (b) then, if either Party serves a Mediation Notice, by mediation (as prescribed in paragraph 5); and
- (c) lastly by recourse to arbitration (as prescribed in paragraph 7) or litigation (in accordance with Clause 53 (Governing law and Jurisdiction)).

2.5 Specific issues shall be referred to Expert Determination (as prescribed in paragraph 6) where specified under the provisions of this Contract and may

also be referred to Expert Determination where otherwise appropriate as specified in paragraph 6.1.

- 2.6 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Contract regardless of the nature of the Dispute and notwithstanding any issue of a Dispute Notice or a Multi-Party Procedure Initiation Notice or proceedings under paragraph 8 (Urgent Relief).

3 EXPEDITED DISPUTE TIMETABLE

- 3.1 In exceptional circumstances where the use of the times in this Schedule would be unreasonable, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use the Expedited Dispute Timetable within five (5) Working Days of the issue of a Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Authority.

- 3.2 If the Expedited Dispute Timetable is to be used pursuant to the provisions of paragraph 3.1 or is otherwise specified under the provisions of this Contract, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs:

- (a) in paragraph 4.2(b), ten (10) Working Days;
- (b) in paragraph 5.2, ten (10) Working Days;
- (c) in paragraph 6.2, five (5) Working Days; and
- (d) in paragraph 7.2, ten (10) Working Days.

- 3.3 If at any point it becomes clear that an applicable deadline cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the deadline. If the Parties fail to agree within two (2) Working Days after the deadline has passed, the Authority may set a revised deadline provided that it is no less than five (5) Working Days before the end of the period of time specified in the applicable paragraphs (or two (2) Working Days in the case of paragraph 6.2). Any agreed extension shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Authority fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

4 COMMERCIAL NEGOTIATION

4.1 Following the service of a Dispute Notice, then, so long as the Authority has not served a Multi-Party Procedure Initiation Notice in respect of the relevant Dispute, the Authority and the Contractor shall make reasonable endeavours to resolve the Dispute as soon as possible by commercial negotiation between the Authority's Category Manager and the Contractor's [REDACTED].

4.2 If either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiation, will not result in an appropriate solution:

- (a) the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiation in accordance with this paragraph 4; or
- (b) the Parties have not settled the Dispute in accordance with paragraph 4.1 within thirty (30) Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation in accordance with paragraph 5 (a "Mediation Notice").

5 MEDIATION

5.1 If a Mediation Notice is served, the Parties shall attempt to resolve the dispute in accordance with the version of CEDR's Model Mediation Procedure which is current at the time the Mediation Notice is served (or such other version as the Parties may agree).

5.2 If the Parties are unable to agree on the joint appointment of an independent person to mediate the Dispute within twenty (20) Working Days from (and including) the service of a Mediation Notice then either Party may apply to CEDR to nominate such a person.

5.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if both Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

5.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Change Control Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

6 EXPERT DETERMINATION

- 6.1 If a Dispute relates to any aspect of the technology underlying the provision of the Services or otherwise relates to a technical matter of an IT, accounting or financing nature and the Dispute has not been resolved by commercial negotiation in accordance with paragraph 4 or, if applicable, mediation in accordance with paragraph 5, then either Party may by written notice to the other request (agreement to which request shall not be unreasonably withheld or delayed) that the Dispute be referred to an expert for determination.
- 6.2 The expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten (10) Working Days of the relevant request made pursuant to paragraph 6.1, or if the person appointed is unable or unwilling to act, the expert shall be appointed:
- (a) if the Dispute relates to any aspect of the technology underlying the provision of the Services or a matter of an IT technical nature, on the instructions of the President of the British Computer Society (or any other association that has replaced the British Computer Society);
 - (b) if the Dispute relates to a matter of a financial technical nature, on the instructions of the President of the Institute of Chartered Accountants of England and Wales; or
 - (c) if the Dispute relates to a matter of a technical nature not falling within paragraphs 6.2(a) or (b), on the instructions of the president (or equivalent) of:
 - (i) an appropriate body agreed between the Parties; or
 - (ii) if the Parties do not reach agreement on the relevant body within fifteen (15) Working Days of the relevant request made pursuant to paragraph 6.1, such body as may be specified by the President of the law Society on application by either Party.
- 6.3 The Expert shall act on the following basis:
- (a) he/she shall act as an expert and not as an arbitrator and shall act fairly and impartially;
 - (b) the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;
 - (c) the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within thirty (30) Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and

provide the documentation that the Expert requires for the purpose of the determination;

- (d) any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within twenty (20) Working Days of the Expert's determination being notified to the Parties;
- (e) the process shall be conducted in private and shall be confidential; and
- (f) the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

7 ARBITRATION

7.1 Subject to compliance with its obligations under paragraph 4.1 and to the provisions of paragraph 6, the Authority may at any time before court proceedings are commenced refer the Dispute to arbitration in accordance with the provisions of paragraph 7.5.

7.2 Before the Contractor commences court proceedings or arbitration, it shall serve written notice on the Authority of its intentions and the Authority shall have fifteen (15) Working Days following receipt of such notice to serve a reply (a "**Counter Notice**") on the Contractor requiring the Dispute to be referred to and resolved by arbitration in accordance with paragraph 7.5 or be subject to the exclusive jurisdiction of the courts of England and Wales. The Contractor shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.

7.3 If the Authority serves a Counter Notice, then:

- (a) if the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 7.5 shall apply; or
- (b) if the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts of England and Wales, the Dispute shall be so referred to those courts and the Contractor shall not commence arbitration proceedings.

7.4 If the Authority does not serve a Counter Notice within the fifteen (15) Working Day period referred to in paragraph 7.2, the Contractor may either commence arbitration proceedings in accordance with paragraph 7.5 or commence court proceedings in the Courts of England and Wales which shall (in those circumstances) have exclusive jurisdiction.

7.5 The Parties hereby confirm that if any arbitration proceedings are commenced pursuant to paragraphs 7.1 to 7.4:

- (a) the Dispute shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("LCIA") (subject to paragraphs 7.5(e), (f) and (g));
- (b) the arbitration shall be administered by the LCIA;
- (c) the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- (d) if the Parties fail to agree the appointment of the arbitrator within ten (10) Working Days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
- (e) the chair of the arbitral tribunal shall be British;
- (f) the arbitration proceedings shall take place in London and in the English language; and
- (g) the seat of the arbitration shall be London.

8 URGENT RELIEF

Either Party may at any time take proceedings or seek remedies before any court or tribunal of competent jurisdiction:

- (a) for interim or interlocutory remedies in relation to this Contract or infringement by the other Party of that Party's Intellectual Property Rights; and/or
- (b) where compliance with paragraph 2.1 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period.

9 MULTI-PARTY DISPUTES

9.1 All Multi-Party Disputes shall be resolved in accordance with the procedure set out in this paragraph 9 (the "**Multi-Party Dispute Resolution Procedure**").

9.2 If at any time following the issue of a Dispute Notice, the Authority reasonably considers that the matters giving rise to the Dispute involve one or more Related Third Parties, then the Authority shall be entitled to determine that the Dispute is a Multi-Party Dispute and to serve a notice on the Contractor which sets out the Authority's determination that the Dispute is a Multi-Party Dispute and specifies the Related Third Parties which are to

be involved in the Multi-Party Dispute Resolution Procedure, such notice a **"Multi-Party Procedure Initiation Notice"**.

- 9.3 If following the issue of a Dispute Notice but before the Dispute has been referred to Expert Determination or to arbitration in accordance with paragraph 7, the Contractor has reasonable grounds to believe that the matters giving rise to the Dispute have been contributed to by one or more Related Third Parties, the Contractor may serve a Contractor Request on the Authority.
- 9.4 The Authority shall (acting reasonably) consider each Contractor Request and shall determine within five (5) Working Days whether the Dispute is:
- (a) a Multi-Party Dispute, in which case the Authority shall serve a Multi-Party Procedure Initiation Notice on the Contractor; or
 - (b) not a Multi-Party Dispute, in which case the Authority shall serve written notice of such determination upon the Contractor and the Dispute shall be treated in accordance with paragraphs 3 to 8.
- 9.5 If the Authority has determined, following a Contractor Request, that a Dispute is not a Multi-Party Dispute, the Contractor may not serve another Contractor Request with reference to the same Dispute.
- 9.6 Following service of a Multi-Party Procedure Initiation Notice a Multi-Party Dispute shall be dealt with by a board (in relation to such Multi-Party Dispute, the **"Multi-Party Dispute Resolution Board"**) comprising representatives from the following parties to the Multi-Party Dispute, at least one of whom from each of the parties shall be of a suitable level of seniority and have full authority to finalise any agreement with the other parties to settle the Multi-Party Dispute:
- (a) the Authority;
 - (b) the Contractor;
 - (c) each Related Third Party involved in the Multi-Party Dispute; and
 - (d) any other representatives of any of the Parties and/or any Related Third Parties whom the Authority considers necessary,
- (together **"Multi-Party Dispute Representatives"**).
- 9.7 The Parties agree that the Multi -Party Dispute Resolution Board shall seek to resolve the relevant Multi-Party Dispute in accordance with the following principles and procedures:
- (a) the Parties shall procure that their Multi-Party Dispute Representatives attend, and shall use their best endeavours to

procure that the Multi-Party Dispute Representatives of each Related Third Party attend, all meetings of the Multi-Party Dispute Resolution Board in respect of the Multi-Party Dispute;

- (b) the Multi-Party Dispute Resolution Board shall first meet within ten (10) Working Days of service of the relevant Multi-Party Procedure Initiation Notice at such time and place as the Parties may agree or, if the Parties do not reach agreement on the time and place within five (5) Working Days of service of the relevant Multi-Party Procedure Initiation Notice, at the time and place specified by the Authority, provided such place is at a neutral location within England and that the meeting is to take place between 9.00am and 5.00pm on a Working Day; and
- (c) in seeking to resolve or settle any Multi-Party Dispute, the members of the Multi-Party Dispute Resolution Board shall have regard to the principle that a Multi-Party Dispute should be determined based on the contractual rights and obligations between the Parties and the Related Third Parties and that any apportionment of costs should reflect the separate components of the Multi-Party Dispute.

9.8 If a Multi-Party Dispute is not resolved between the Parties and all Related Third Parties within twenty-five (25) Working Days of the issue of the Multi-Party Procedure Initiation Notice (or such longer period as the Parties may agree in writing), then:

- (a) either Party may serve a Mediation Notice in respect of the Multi-Party Dispute in which case paragraph 5 shall apply;
- (b) either Party may request that the Multi-Party Dispute is referred to an expert in which case paragraph 6 shall apply; and/or
- (c) subject to paragraph 9.9, paragraph 7 shall apply to the Multi-Party Dispute,

and in each case references to the "Contractor" or the "Parties" in such provisions shall include a reference to all Related Third Parties.

9.9 If a Multi-Party Dispute is referred to arbitration in accordance with paragraph 7 or a Dispute becomes a Multi-Party Dispute during the course of arbitration proceedings and either Party is unable to compel a Related Third Party to submit to such arbitration proceedings, the Authority or the Contractor may discontinue such arbitration proceedings and instead initiate court proceedings. The costs of any such discontinued arbitration proceedings shall be borne by the Party which is in a direct contractual relationship with the Related Third Party or, where the Related Third Party is a Sub-Contractor, by the Contractor.
