### Multi-Year Contract Discounts - 3 Year Contract †

|                              |       |
|------------------------------|-------|
| Year 2 - discount off year 1 | 0.00% |
| Year 3 - discount off year 1 | 0.00% |

† Subject to 3 Year Contract Commitment Upfront

### Validity

Subject to the terms and conditions of the Technology Products Framework and SCC's Service specific terms. Transition costs may be applied and will be charged at no more than 10% of the total contract value.

### Serial Numbers

SCC will require a full list of serial numbers prior to the contract go live, where these are not available some services / SLA's may not be provided (e.g. Cisco TAC support). Where serial numbers are not available SCC can provide an audit, or additional charges may apply.

### Notes or Exceptions to Service Component

- i. Unless stated the prices are per an annum in advance and a minimum contract period of a one year
- ii. Public Holidays are not included within Monday to Friday service levels
- iii. Prices quoted are exclusive of VAT are valid until the end of the month
- iv. The term 'fix' does not include the restoration of customer's software
- v. All parts used, travel and labour costs are fully inclusive.
- vi. Unless specified or audited by SCC we take no responsibility for the accuracy of the product inventory information and if incorrect then charges may vary.
- vii. The customer's equipment must be in a fully functional state before an Agreement commences. In the event SCC receives a service call within the first 30 days, and determines the issue requiring service has occurred prior to contract commencement additional charges may apply.
- viii. Unless specifically stated additional components will not be covered by this maintenance agreement, and provision of such services and/or materials shall only be provided as per the SCC Terms (Time and Material) these include but are not limited to:
  - a. Tape Backup Drives, Disk Storage Arrays, Blade Server Chassis & Power supplies, Blade Chassis Interconnect cards
  - b. The cost of materials resulting from any malfunction of parts or other supplies that are deemed to be consumable by the original manufacturer which shall include but are not limited to: CD's, Diskettes, Ozone filters, Toner
- ix. Where enterprise equipment is quoted for SCC will require an electronic copy of the configuration files detailing additional components over the base specification including but not limited to CPU's, RAM, Disks and additional
- x. This support agreement excludes all OEM patches, firmware and microcode relating to the hardware. All replacement parts will be supplied with the current patches, firmware or microcode (as applicable)
- xi. No cover on software is provided unless otherwise stated.
- xii. We will require 14 Working Days setting up period from date of the receiving the PO to enable correct spares to be in and to gain accurate site, contact and serial number details. Transition costs may be applied and will be charged at no more than 10% of the total contract value. Unless stated the prices are per an annum and based on a minimum contract period of a one year.
- xiii. Where a fault is deemed to be the result of user damage, faulty media or not operating the equipment within the manufactures recommended guidelines (e.g. Environment; Tape cleaning Cycles) T&M charges may apply
- xiv. Where whole units are exchanged SCC will notify the customer any details of any chargeable identified in our repair centre within 30 days.
- xv. Cisco CSSP Support is mandatory on all Cisco support contracts and provides IOS updates and software fixes on request, access to Cisco TAC and ability to query TAC cases. Charges for CSSP Support may vary up to the date of
- xvi. Quotes marked "**Indicative Quote Only**" are provided for budgetary purposes only and are not capable of acceptance by the Customer. In the event the Customer wishes to proceed then the Customer should advise its SCC account manager who will arrange for a firm quotation to be provided. (Please aware however that in order for SCC to be able to provide a firm quotation, accurate details of the Equipment; (i) serial number, (ii) description, (iii) location,
