

Quotation 3 – Will there be a gate access put in so area 2 on map 3B can be mowed with a ride on mower or will it stay as knee rail and a push along mower to be used. **Jelsons have agreed to put in a gate to this area and this will be followed up with them.**

Quotation 3 – Area 1 & 3 will the maintenance provided by the contractor cover the cutting back and clearing of the bullrush in the ponds. **No, there is not any work required to the ponds, these are to be maintained by Severn Trent.**

Quotation 3 – Map 3 will the contractor be responsible for line markings for the football pitch or will this be another contractor (same for War memorial playing fields). **No, not currently as this is carried out by the Football Clubs but this might change in the future.**

Quotation 10 – Are you happy for us to put a caveat in for the initial cut back of 6 foot either side of The Navins as this area seem to be overgrown out past the boulders and encroaching on the bench then regular maintenance from them on. **Yes, we understand that work has not taken place for a number of years so the first cut will take some considerable time and we acknowledge this requirement.**

Quotation 12 – Is there a specific time schedule you are looking to have bins emptied eg. 2x week, weekly, fortnightly. **3 x in any one week for a period of approximately five weeks per annum to cover staff annual leave plus any additional cover in the event of staff sickness absence.**
