Z6 The Schedule of Cost Components

The Schedule of Cost Components are as detailed in the Framework Schedule 9.

Z7 Consultant's share

Delete existing clauses 54 and 93 3 and replace with:

54.1 The Service Manager assess the Consultant's share of the difference between the Aggregated Total of the Prices and the Aggregated Price for Service Provided to Date. The difference is divided into increments falling within each of the share ranges The limits of a share range are the

Aggregated Price for Service Provided to Date divided by the Aggregated Total of the Prices, expressed as a percentage. The Consultant's share equals the sum of the products of the increment within each share range and the corresponding Consultant's share percentage.

54.2 If the Aggregated Price for Service Provided to Date is less than the Aggregated Total of the Prices, the Consultant

is paid its share of the saving. If the Aggregated Price for Service Provided to Date is greater than the Aggregated Total of the Prices, the *Consultant* pays its share of the excess. 54.3 If, prior to the Completion Date, the Price for Service Provided to Date exceeds 110% of the total of the Prices, the

amount in excess of 110% of the total of the Prices is retained from the *Consultant* 54.4 The *Service Manager* makes a preliminary assessment of the *Consultant's* share at Completion of the Whole of the service using forecasts of the final Aggregated Price for Service Provided to Date and the final Aggregated Total of Prices. This share is included in the amount due following Completion of the whole of the *services*

54.5 The Service Manager makes a final assessment of the Consultant's share, using the final Aggregated Price for Service Provided to Date and the final Aggregated Total of the Prices. This share is included in the final amount due 93.3 If there is a termination except if Z4 applies, the *Service Manager* assesses the *Consultant's* share after certifying termination. The assessment uses as the Aggregated Price for Service Provided to Date the sum of

 the total of the Defined Cost which the *Consultant* has paid and which it is committed to pay for work done before termination

and

the total of

- the Defined Cost which the Consultant or Contractor has paid and

which it is committed to pay in the *partner contract* before the date the termination certificate is issued under this contract.

The assessment uses as the Aggregated Total of the Prices the sum of

the total of

- the lump sum price for each activity which has been completed and a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed

and • the total of

the lump sum price for each activity which has been completed and

a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed

in the partner contract before the date the termination certificate is issued under this contract.

Add

11.2(25) The Aggregated Total of the Prices is sum of

the total of the Prices and
the total of the Prices in the partner contract

11 2(26) The Aggregated Price for Service Provided to Date is the sum of

the Price for Service Provided to Date and
 the Price for Service Provided to Date or the Price for Work Done to Date in the partner contract.

Z23 Linked contracts
