II.2.4) Description of the procurement:

Products within this Lot include sample collection devices to be used for tissue collection / sampling and critical measuring, and mucus extractors / traps are used to obtain a patient specimen for micro-biological Examination.

II.2.14) Additional information

Precise quantities are unknown.

II.3) Estimated date of publication of contract notice:

01/11/2019

Section IV: Procedure**IV.1) Description****IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

Section VI: Complementary information**VI.3) Additional information:**

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

The following certification will be a requirement of the upcoming tender exercise and applicants may be required to include evidence of this with their tender submission.

— ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the applicant's (and the product's) supply chain. This should include but not be limited to manufacturing storage and distribution. Further information in respect of certification requirements will be set out in the notice for the forthcoming procurement. If such certificates are not in the name of the applicant then the applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

Whilst it is anticipated that initial expenditure under any forthcoming procurement will be in the region of 35 000 000 GBP to 45 000 000 GBP for this contract award, this is approximate only and the values will be to such level as those purchasing under the Framework Agreement consider necessary to provide suitable requirements. NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by:

- 1) Any NHS Trust;
- 2) Any other NHS entity;
- 3) Any government department, agency or other statutory body; and/or
- 4) Any private sector entity active in the UK healthcare sector.

Only NHS Supply Chain can order from the Framework Agreement and enter into contracts under it.

NHS Supply Chain would like to engage with the market ahead of the tender for suction consumables and respiratory being published to gauge market understanding and awareness of labour standards issues and to inform the approach for the next tender. Please refer to the Appendix 1 LSAS Market Engagement and Appendix 2 Questionnaire Regarding Supply Chain Due Diligence for further information regarding this.

Potential bidders must register their expression of interest. Both, Appendix 1 LSAS Market Engagement and Appendix 2 Questionnaire, documents will be then sent via the Intenda Messaging Centre. Please note that candidates must read Appendix 1 LSAS Market Engagement and complete Appendix 2 Questionnaire Regarding Supply Chain Due Diligence.

Registration:

- 1) Use URL <http://procurement.supplychain.nhs.uk/ISS/> to access the NHS Supply Chain Procurement portal;
- 2) If not yet registered:
 - click on the 'Not Registered Yet' link to access the registration page,
 - complete the registration pages as guided by the mini guide found on the landing page.

Portal access:

If registration has been completed:

- login with URL <http://procurement.supplychain.nhs.uk/ISS/>
- click on the 'Supplier Dashboard' icon and select 'Prior Information Notice' towards the top right of the screen to open the list of new Prior Information Notices.

Expression of interest:

- view PIN content by clicking on the 'View Notice' button for the procurement event. This opens a PDF document,
- express an interest by clicking on the 'Express Interest' button.

Appendix 1 LSAS Market Engagement:

- the Appendix 1 LSAS Market Engagement will then be sent to you via the Intenda Messaging Centre for you to read.

Appendix 2 Questionnaire Regarding Supply Chain Due Diligence:

- the Appendix 2 Questionnaire will then be sent to you via the Intenda Messaging Centre,

— applicants will then have 2 weeks from the dispatch of this notice to complete and return the request for information document.

VI.5) **Date of dispatch of this notice:**

04/06/2019
