 - the expert will determine how and by whom the costs of the determination, including their fees and expenses, are to be paid.

22.8 Without prejudice to any other rights of the Buyer under this Call-Off Contract, the obligations of the Parties under this Call-Off Contract will not be suspended, ceased or delayed by the reference of a dispute submitted to mediation or expert determination and the Supplier and the Supplier Staff will comply fully with the Requirements of this Call-Off Contract at all times.

23. Termination

23.1 The Buyer will have the right to terminate this Call-Off Contract at any time by giving the notice to the Supplier specified in Part A, the Order Form. The Supplier's obligation to provide the Services will end on the date set out in the Buyer's notice.

23.2 The minimum notice period (expressed in Working Days) to be given by the Buyer to terminate under this clause will be the number of whole days that represent 20% of the total duration of the current SOW to be performed under this Call-Off Contract, up to a maximum of 30 Working Days.

23.3 Partial days will be discounted in the calculation and the duration of the SOW will be calculated in full Working Days.

23.4 The Parties acknowledge and agree that:

- the Buyer's right to terminate under this clause is reasonable in view of the subject matter of this Call-Off Contract and the nature of the Service being provided.
- the Call-Off Contract Charges paid during the notice period given by the Buyer in accordance with this clause are a reasonable form of compensation and are deemed to fully cover any avoidable costs or losses incurred by the Supplier which may arise either directly or indirectly as a result of the Buyer exercising the right to terminate under this clause without cause.
- Subject to clause 33 (Liability), if the Buyer terminates this Call-Off Contract without cause, they will indemnify the Supplier against any commitments, liabilities or expenditure which result in any unavoidable Loss by the Supplier, provided that the Supplier takes all reasonable steps to mitigate such Loss. If the Supplier holds insurance, the Supplier will reduce its unavoidable costs by any insurance sums available. The Supplier will submit a fully itemised and costed list of

such Loss, with supporting evidence of unavoidable Losses incurred by the Supplier as a result of termination.

23.5 The Buyer will have the right to terminate this Call-Off Contract at any time with immediate effect by written notice to the Supplier if:

- the Supplier commits a Supplier Default and if the Supplier Default cannot, in the opinion of the Buyer, be remedied; or

23.6 Either Party may terminate this Call-Off Contract at any time with immediate effect by written notice to the other if:

- the other Party commits a Material Breach of any term of this Call-Off Contract (other than failure to pay any amounts due under this Call-Off Contract) and, if such breach is remediable, fails to remedy that breach within a period of 15 Working Days of being notified in writing to do so;

23.7 If a Supplier Insolvency Event occurs, CCS is entitled to terminate this Call-Off Contract.

24. Consequences of termination

24.1 If the Buyer contracts with another Supplier, the Supplier will comply with clause 28.

24.2 The rights and obligations of the Parties in respect of this Call-Off Contract (including any executed SOWs) will automatically terminate upon the expiry or termination of this Call-Off Contract, except those rights and obligations set out in clause 24.6.

 - the Buyer is able to understand how the Services have been provided;

24.4 Each Party will return all of the other Party's Confidential Information. Each Party will confirm that it does not retain the other Party's Confidential Information except where the information must be retained by the Party as a legal requirement or where this Call-Off Contract states otherwise.

24.5 All licences, leases and authorisations granted by the Buyer to the Supplier in relation to the Services will be terminated at the end of the Call-Off Contract period (howsoever arising) without the need for the Buyer to serve notice except where this Call-Off Contract states otherwise.

24.6 Termination or expiry of this Call-Off Contract will not affect:

- any rights, remedies or obligations accrued under this Call-Off Contract prior to termination or expiration;
- the right of either Party to recover any amount outstanding at the time of such termination or expiry;
- the continuing rights, remedies or obligations of the Buyer or the Supplier under clauses:

25. Supplier's status

25.1 The Supplier is an independent Contractor and no contract of employment or partnership is created between the Supplier and the Buyer. Neither Party is authorised to act in the name of, or on behalf of, the other Party.

26. Notices

26.1 Any notices sent must be in writing. For the purpose of this clause, an email is accepted as being in writing.

26.2 The following table sets out the method by which notices may be served under this Call-Off Contract and the respective deemed time and proof of Service:

Delivery type	Deemed delivery time	Proof of Service
Email	9am on the first Working Day after sending	Dispatched in a pdf form to the correct email address without any error message

26.3 The address and email address of each Party will be the address and email address in the Order Form.

27. Exit plan

27.1 The Buyer and the Supplier will agree an exit plan during this Call-Off Contract period to enable the Supplier Deliverables to be transferred to the Buyer ensuring that the Buyer has all the code and documentation required to support and continuously develop the Service with Buyer resource or any third party as the Buyer requires. The Supplier will update this plan whenever there are material changes to the Services. A Statement of

Work may be agreed between the Buyer and the Supplier to specifically cover the exit plan.

28. Help at retendering and handover to replacement supplier

28.1 When requested, the Supplier will (at its own expense where the Call-Off Contract has been terminated before end of term due to Supplier cause) help the Buyer to migrate the Services to a replacement Supplier in line with the exit plan (clause 27) to ensure continuity of the Services. Such help may include Supplier demonstrations of the existing code and development documents, software licences used and Buyer approval documents. The Supplier will also answer Service and development-related clarification questions.

28.2 Within 10 Working Days of a request by the Buyer, the Supplier will provide any information needed by the Buyer to prepare for any procurement exercise or to facilitate any potential replacement Supplier undertaking due diligence. The exception to this is where such information is deemed to be Commercially Sensitive Information, in which case the Supplier will provide the information in a redacted form.

29. Changes to services

29.1 It is likely that there will be changes to the scope of the Services during the Call Off Contract period. Agile projects have a scope that will change over time. The detailed scope (eg as defined in user stories) can evolve and change during the Call Off Contract Period. These changes do not require formal contract changes but do require the Buyer and Supplier to agree these changes.

29.2 Any changes to the high-level scope of the Services must be agreed between the Buyer and Supplier. The Supplier will consider any request by the Buyer to change the scope of the Services, and may agree to such request.

30. Contract changes

30.1 All changes to this Call-Off Contract which cannot be accommodated informally as described in clause 29 will require a Contract Change Note.

30.2 Either Party may request a contract change by completing and sending a draft Contract Change Note in the form in Schedule 4 of Part B - The Schedules ('the **Contract Change Note**') to the other Party giving sufficient information to enable the other Party to assess the extent of the change and any additional cost that may be incurred. The Party requesting the contract change will bear the costs of preparation of the Contract Change

Note. Neither Party will unreasonably withhold or delay consent to the other Party's proposed changes to this Call-Off Contract.

30.3 Due to the agile-based delivery methodology recommended by the Framework Agreement, it may not be possible to exactly define the consumption of Services over the duration of the Call-Off Contract in a static Order Form. The Supplier should state the initial value of all Services that are likely to be consumed under the Call-Off Contract.

31. Force Majeure

31.1 Neither Party will be liable to the other Party for any delay in performing, or failure to perform, its obligations under this Call-Off Contract (other than a payment of money) to the extent that such delay or failure is a result of a Force Majeure event. Each Party will use all reasonable endeavours to continue to perform its obligations under this Call-Off Contract for the length of a Force Majeure event. If a Force Majeure event prevents a Party from performing its obligations under this Call-Off Contract for more than 15 consecutive calendar days, the other Party may terminate this Call-Off Contract with immediate effect by notice in writing.

32. Entire agreement

32.1 This Call-Off Contract constitutes the entire agreement between the Parties relating to the matters dealt within it. It supersedes any previous agreement between the Parties relating to such matters.

32.2 Each Party agrees that in entering into this Call-Off Contract it does not rely on, and will have no remedy relating to, any agreement or representation (whether negligently or innocently made) other than as expressly described in this Call-Off Contract.

32.3 Nothing in this clause will exclude any liability for (or remedy relating to) fraudulent misrepresentation or fraud.

32.4 Each of the Parties agrees that in entering into this Call-Off Contract it does not rely on, and will have no remedy relating to, any agreement, statement, representation, warranty, understanding or undertaking (whether negligently or innocently made) other than as described in this Call-Off Contract.

33. Liability

33.1 Neither Party excludes or limits its liability for:

- death or personal injury;

-
- bribery or fraud by it or its employees;
 - breach of any obligation as to title implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982; or
 - any liability to the extent it cannot be excluded or limited by Law.

33.2 In respect of the indemnities in Clause 13 (Intellectual Property Rights) the Supplier's total liability will be unlimited. Buyers are not limited in the number of times they can call on this indemnity.

33.3 Subject to the above, each Party's total aggregate liability relating to all Losses due to a Default in connection with this agreement:

- resulting in direct loss or damage to physical Property (including any technical infrastructure, assets or Equipment) of the other Party, will be limited to the sum of £1,000,000 in each Call-Off Contract year in which the Default occurs, unless otherwise stipulated by the Buyer in a Further Competition procedure
- subject to the first bullet point in this clause 33.3 which occur in the first 6 months, will be limited to the greater of the sum of £500,000 or a sum equal to 200% of the estimated Call-Off Contract Charges for the first six months
- subject to the first bullet point in this clause 33.3 which occur during the remainder of the Call-Off Contract period, will be limited to the greater of the sum of £500,000 or an amount equal to 200% of the Call-Off Contract Charges paid, due or which would have been payable under this Call-Off Contract in the 6 months immediately preceding the event giving rise to the liability
- subject to the first bullet point in this clause 33.3 which occur after the end of the Call-Off Contract period, will be limited to the greater of the sum of £500,000 or an amount equal to 200% of the Call-Off Contract Charges paid, due or which would have been payable under this Call-Off Contract in the 6 months immediately before the end of the Call-Off Contract period.

33.4 Subject to clause 33.1, in no event will either Party be liable to the other for any:

- loss of profits;
- loss of business;
- loss of revenue;
- loss of or damage to goodwill;
- loss of savings (whether anticipated or otherwise); or
- any indirect, special or consequential loss or damage.

33.5 The Supplier will be liable for the following types of loss which will be regarded as direct and will be recoverable by the Buyer:

- the additional operational or administrative costs and expenses arising from any Material Breach; and/or

-
- any regulatory losses, fines, expenses or other losses arising from a breach by the Supplier of any Law.

33.6 No enquiry, inspection, approval, sanction, comment, consent, or decision at any time made or given by, or on behalf of, the Buyer to any document or information provided by the Supplier in its provision of the Services, and no failure of the Buyer to discern any defect in, or omission from, any such document or information will exclude or limit the obligation of the Supplier to carry out all the obligations of a professional Supplier employed in a client and Buyer relationship.

33.7 Unless otherwise expressly provided, the obligations of the Buyer under this Call-Off Contract are obligations of the Buyer in its capacity as a Contracting counterparty and nothing in this Call-Off Contract will be an obligation on, or in any other way constrain the Buyer in any other capacity, nor will the exercise by the Buyer of its duties and powers in any other capacity lead to any liability under this Call-Off Contract on the part of the Buyer to the Supplier.

33.8 Any liabilities which are unlimited will not be taken into account for the purposes of establishing whether any limits relating to direct loss or damage to physical Property within this clause have been reached.

33.9 Nothing in this clause will exclude any liability for (or remedy relating to) fraud.

34. Waiver and cumulative remedies

34.1 The rights and remedies provided by this agreement may be waived only in writing by the Buyer or the Supplier representatives in a way that expressly states that a waiver is intended, and such waiver will only be operative regarding the specific circumstances referred to.

34.2 Unless a right or remedy of the Buyer is expressed to be exclusive, the exercise of it by the Buyer is without prejudice to the Buyer's other rights and remedies. Any failure to exercise, or any delay in exercising, a right or remedy by either Party will not constitute a waiver of that right or remedy, or of any other rights or remedies.

35. Fraud

35.1 The Supplier will notify the Buyer if it suspects that any fraud has occurred, or is likely to occur. The exception to this is if while complying with this, it would cause the Supplier or its employees to commit an offence.

35.2 If the Supplier commits any fraud relating to a Framework Agreement, this Call-Off Contract or any other Contract with the government:

- the Buyer may terminate the Call-Off Contract
- CCS may terminate the Framework Agreement
- CCS and/or the Buyer may recover in full from the Supplier whether under Clause 35.3 below or by any other remedy available in law.

35.3 The Supplier will, on demand, compensate CCS and/or the Buyer, in full, for any loss sustained by CCS and/or the Buyer at any time (whether such loss is incurred before or after the making of a demand following the indemnity hereunder) in consequence of any breach of this clause.

36. Prevention of bribery and corruption

36.1 The Supplier will not commit any Prohibited Act.

36.2 The Buyer and CCS will be entitled to recover in full from the Supplier and the Supplier will, on demand, compensate CCS and/or the Buyer in full from and against:

38. Publicity, branding, media and official enquiries

38.1 The Supplier will take all reasonable steps to not do anything which may damage the public reputation of the Buyer. The Buyer may terminate this Call-Off Contract for Material Breach where the Supplier, by any act or omission, causes material adverse publicity relating to or affecting the Buyer or the Call-Off Contract. This is true whether or not the act or omission in question was done in connection with the performance by the Supplier of its obligations hereunder.

39. Non Discrimination

39.1 The Supplier will notify CCS and relevant Buyers immediately of any legal proceedings issued against it by any Supplier Staff on the grounds of discrimination.

40. Premises
