[REDACTED under FOI]

[REDACTED]

Task 2. 4 Report data from Option period (months 15-18 of Option 1 delivery)

[REDACTED under FOI]

REDACTED under FOI

Interim or Progress Reports: The report should detail, document, and summarise the results of work done during the period covered and shall be in sufficient detail to comprehensively explain the results achieved; substantive performance; a description of current substantive performance and any problems encountered and/or which may exist along with proposed corrective action. An explanation of any difference between planned progress and actual progress, why the differences have occurred, and if behind planned progress what corrective steps are planned.

Final Report: shall describe the entire work performed under the Contract in sufficient detail to explain comprehensively the work undertaken and results achieved including all relevant technical details of any hardware, software, process or system developed there under. The technical detail shall be sufficient to permit independent reproduction of any such process or system.

Under this task, the Contractor shall deliver to Dstl reports contributing to POP review for REDACTED under FOI
Dependencies: N/A

Quarterly Reports shall be delivered to Dstl by:

REDACTED under FOI
