Section C - Instructions on Preparing Tenders

Tenders for Selected Contractor Deliverables

- C1. You must respond to the requirement for all the Contractor Deliverables listed in the attached Schedule of Requirements.

Construction of Tenders

- C2. Your Tender must be written in English, using Arial font size 11. Prices must be in GBP. Prices must be Firm Price.
- C3. To enable the Authority to complete its Value For Money (VFM) assessment, your price must be broken down. If the resultant contract is a Qualifying Defence Contract (QDC) under the Defence Reform Act (DRA) and Single Source Contract Regulations (SSCR) you must price your bid accordingly. Please set out your Tender response in accordance with Section D.

Validity

- C4. Your Tender must be valid / open for acceptance for 60 calendar days from the Tender return date.

Variant Bids

- C5. The decision to invite a Single Source response is based on the scope of the requirement. Where you submit a variant bid that is outside the scope of the requirement the Authority may be obliged to compete the requirement.

Qualifying Defence Contracts

Defence Reform Act 2014 – Part 2, Single Source Contracts

- C6. This ITT may result in a Qualifying Defence Contract (QDC) under the provisions of the [Defence Reform Act 2014 \(DRA\)](#). You should therefore understand the implications in the event that it does result in a QDC.
- C7. The DRA enables secondary legislation, called Single Source Contract Regulations 2014 (SSCR), which applies:
- a. To new contracts with a value of £5M (ex VAT) or above;
 - b. to amended contracts where the amended contract has a value of £5M (ex VAT) or above, and both parties agree that the amended contract should be a QDC.
- C8. The DRA and SSCR set out the criteria for determining when a single source contract is a Qualifying Defence Contract (QDC). Any new single source contract which meets the criteria will be a QDC, unless exempt by the Secretary of State for Defence. Exemptions will only be granted in exceptional circumstances.
- C9. The DRA and SSCR cover such matters as the pricing of QDCs, the information, openness and transparency that the parties must provide to each other, and the rights and obligations of both parties to a QDC once on contract.
- C10. The DRA requires a primary contractor to be satisfied that the costs proposed for inclusion in the price of a QDC are Allowable Costs, in that they are appropriate, attributable to the contract and reasonable in the circumstances. The MOD is obliged to ensure that you meet the criteria and at any time you may be required to show that this is the case in relation to any

particular cost. The Single Source Regulations Office (SSRO) has issued Statutory Guidance on Allowable Costs (SGAC) which can be found on their website and which the parties to a QDC will be expected to adhere to, other than in exceptional circumstances. Either party to a QDC may subsequently make a referral to the SSRO for an adjustment of the contract price, if that party believes the price agreed was not in accordance with the requirements of the DRA / SSCR.

- C11. The DRA requires that the contract Profit Rate agreed between the parties for QDCs must be agreed in accordance with the provisions of the DRA and SSCR.
- C12. The DRA also sets out the criteria for determining when a contract is a Qualifying Sub-Contract (QSC) to which the DRA and SSCR will apply. Any single source sub-contract in excess of £25M, placed in support of a QDC or another QSC and which meets the criteria in the DRA and SSCR, is potentially a QSC. Responsibility for assessing whether a sub-contract is a QSC lies with the party placing the sub-contract. The Tenderer therefore has an obligation to determine whether any planned sub-contract is a QSC. The Tenderer must keep a record of any determinations and notify both the Secretary of State for Defence and the sub-contractor in writing when a sub-contract is determined to be a QSC.

The [MOD Commercial Toolkit](#) provides further information about the new single source legal framework.

Section D - Details of Price Breakdown and Mandatory Criteria

1. When placing any contract the Authority is required to satisfy itself that the agreed price represents Value for Money (VFM). In single source contracting you must provide to the Authority sufficient information in support of your price proposal and during subsequent price negotiation, to enable the Authority to fulfil its obligation to assure VFM. The Authority approaches all contract pricing on the basis of the NAPNOC principle (No Acceptable Price, No Contract). We will not enter into any contract that is unacceptably priced. Details can be found on MOD Commercial Toolkit.

2. Price breakdown requirements for a Qualifying Defence Contract

If the contract is expected to be a QDC - it will be your responsibility to decide the level of information you need to provide to the Authority in support of your price proposal and subsequent price negotiation, in order to satisfy the statutory obligations placed upon you by the DRA and the SSCR, and in compliance with the Statutory Guidance on Allowable Costs published by the Single Source Regulations Office (SSRO). Although you will need to understand all the requirements of the DRA/SSCR your particular attention is drawn to the DRA Section 20 (Allowable Costs) and the SSCR Clause 23 (Contract Pricing Statement - CPS). Although not a legal requirement at the tendering stage, please note the Authority's preference that you submit a draft CPS with your price proposal, using the CPS template provided on the SSRO website.

OR

2. Price breakdown requirements for a non-qualifying contract

If the contract is expected to be a non-QDC. The contract is therefore not subject to the provisions of the DRA/SSCR 2014. It is your responsibility to decide the level of information you need to provide to the Authority in support of your price proposal and subsequent price negotiation, to enable the Authority to fulfil its obligation to assure VFM and sign the contract. The following table shows the Authority's suggestion of the minimum level of information you must provide.

For a non-qualifying contract, as a minimum your Offer should detail the following:	
Hours / Days	The number of hours / days it takes to complete the requirement.
Hourly / Day Rates	The rate used. Where available these should be agreed CAAS (Cost Assurance and Analysis Services) rates and Grades.
Materials	The cost of any raw materials. Please provide a copy of any quotes or invoices with your Tender.
Significant Sub-contractor Costs, e.g. >£50k	The cost of bought in facilities, services and / or parts. Please provide a copy of the sub-contractor quotation / invoice with your Tender. You are encouraged to run a competition at sub-contractor level and advertise opportunities in the MOD Defence Contracts Bulletin, where appropriate.
Other costs	List any rates used to recover overhead costs not otherwise recovered through the activity-based hourly and daily rates stated above. These rates are usually recovered by the application of a percentage uplift to a base cost (e.g. Material Handling is often recovered as a percentage uplift applied to material costs). Where you have an agreed QMAC (Questionnaire on the Method and Allocation of Costs) you must quote the reference. Where you do not have an agreed QMAC

	please include a list of what is included in the overhead rate(s). Provide a sub-total that the overhead will apply to.
Profit Rate	State the Profit Rate you are proposing to apply to the contract costs.
Risk / Opportunities	State whether you have included any contingency for risks and the details on how this has been calculated. State any opportunities that you foresee, for example, exchange rate movement.
T&S	When including Travel and Subsistence you must include details of the assumptions you have made about travel and the rates used. Claims for T&S should be in line with the Civil Service Code which states civil servants must ensure “public money and other resources are used efficiently” for example, travel should be the most economic option available.
Assumptions	State any assumptions made about your proposal, such as the process, when decisions will be made etc.
Exclusions	State any matters that are excluded which, if they subsequently occur, you would expect the MOD to share cost liability.

Mandatory Criteria, applicable to QDCs and non-qualifying contracts	
Full completion of the table in DEFFORM 47ST Annex A (Offer) (See section F, paragraph 19)	Pass / Fail
Minimum Technical Requirements met	Pass / Fail
Other Mandatory Criteria:	Pass / Fail

Failure to meet the Mandatory Criteria will result in the Authority being unable to award a contract.

Note that for a non-qualifying contract (i.e. a contract that is **not** a QDC subject to DRA/SSCR) it is the Authority’s policy that a DEFFORM 815 - Contract Pricing Statement should be completed by you on or around contract signature. It is the Authority’s preference that you submit a draft DEFFORM 815 with your price proposal. Instructions on completion of the DEFFORM 815 are available on the commercial toolkit.

If the Authority decides not to proceed with this procurement, you must seek instructions for the GFA from the named Commercial Officer.

Publicity Announcement

- F9. The Authority will publish notification of the contract and shall publish contract documents under the FOI Act except where publishing such information would hinder law enforcement; would otherwise be contrary to the public interest; would prejudice the legitimate commercial interest of any person, or might prejudice fair competition in the supply chain. You should complete and return DEFFORM 539A as explained in the DEFFORM 47ST Annex A and associated Appendix 1.
- F10. If you wish to make a similar announcement you must seek approval from the named Commercial Officer.

If you continue to fail to comply, the Authority may serve you with a Civil Penalty, as provided in the Single Source Contract Regulations 2015. If you believe either a Compliance Notice or a Civil Penalty is unjustified, you may appeal the matter to the independent Single Source Regulations Office.

Reportable Requirements

- F16. Listed in the DEFFORM 47ST Annex A (Offer) are the Mandatory Declarations. It is a Condition of Tendering that you complete and attach the returns listed in the Annex and, where you select "Yes", you attach the relevant information.

The Authority will not acknowledge any such restriction unless so notified under paragraph 4 or as otherwise agreed under any resultant Contract. You must also provide, on request, any information required for authorisation to be given under Section 2 of the Defence Contracts Act 1958.
6. If you have previously provided information under paragraphs 4 and 5 you can provide details of the previous notification, updated as necessary to confirm their validity.

Notification of Foreign Export Control Restrictions

7. If, in the performance of the Contract, you need to import into the UK or export out of the UK anything not supplied by or on behalf of the Authority and for which a UK import or export licence is required, you will be responsible for applying for the licence. The Authority will provide you with all reasonable assistance in obtaining any necessary UK import or export licence.
8. In respect of any Contractor Deliverables, likely to be required for the performance of any resultant contract, you must provide the following information in your Tender:
 - a. Whether all or part of any Contractor Deliverables are or will be subject to:

If the Authority decides that use of the Treaty for the export is permissible, it is your responsibility to make a final decision whether you want to use that route for the export concerned if you are awarded the contract.

14. For the purpose of this procurement, for any deliverables not yet imported into the EU, you are required to provide details of your plans to address customs compliance, including the Customs procedures to be applied (together with the procedure code) and the estimated Import Duty to be incurred and / or suspended.

to the operation of the accounting for import duties. This includes but is not limited to obtaining the appropriate Her Majesty's Revenue & Customs (HMRC) authorisations.

Sub-contracts Form 1686

16. [Form 1686](#) (also known as Appendix 5) is to be used in all circumstances where contractors wish to place a sub-contract with a contractor where the release of OFFICIAL-SENSITIVE information is involved. The process will require submission of the single page document either directly to the MOD Project Team or, where specified, to the DE&S Security Advice Centre. You can find further information in the [Security Policy Framework – Contractual Process](#).

Small and Medium Enterprises

17. The Authority is committed to supporting the Government's small and medium-sized enterprise (SME) initiative; its ambitious target is that £1 in every £3 that the Government spends should be with small businesses by 2020. Our goal is that 25% of Authority spending should be spent with SMEs by 2020; this applies to the money which the Authority spends directly with SMEs, and through the supply chain. The Authority uses the European Commission definition of SME.
18. A key aspect of the Government's SME Policy is ensuring that its suppliers throughout the supply chain are paid promptly. All suppliers to the Authority and their sub-contractors are encouraged to make their own commitment and register with the [Prompt Payment Code](#).
19. Suppliers are also encouraged to work with the Authority to support the Authority's SME initiative. Information on the Authority's purchasing arrangements, our commercial policy priorities and our SME policy can be found at [Gov.UK](#).
20. The opportunity also exists for Tenderers to advertise any sub-contract valued at over £10,000 in the MOD Contracts Bulletin and further details can be obtained directly from:
BiP Solutions Ltd

Tel No: 0845 270 7099

Transparency, Freedom of Information and Environmental Information Regulations

21. You should be aware that the contents of any resultant Contract may be published in line with government policy set out in the Prime Minister's letter of May 2010 ([Government Transparency and Accountability](#)) and the information contained within SC2 Conditions of Contract Clause.
22. Before publishing the Contract, the Authority will redact any information which is exempt from disclosure under the Freedom of Information Act 2000 ("the FOIA") or the Environmental Information Regulations 2002 ("the EIR").
23. You should complete the attached Tenderer's Commercially Sensitive Information Form (DEFFORM 539A or SC1B Schedule 4 or SC2 Schedule 5) explaining which parts of your Tender you consider to be commercially sensitive. This includes providing a named individual who can be contacted with regard to FOIA and EIR.
24. You should note that, while your views will be taken into consideration, the ultimate decision whether to publish or disclose information lies with the Authority. You are advised to provide as much detail as possible on the form. It is highly unlikely that a Tender will be exempt from disclosure in its entirety. Should the Authority decide to publish or disclose information against your wishes, you will be given prior notification.

Electronic Purchasing

25. You must note that use of the [Contracting, Purchasing and Finance \(CP&F\)](#) electronic procurement tool is a mandatory requirement for any resultant contract awarded following this Tender. By submitting this Tender you agree to electronic payment. Please feel free to consult the service provider on connectivity options. Failure to accept electronic payment will result in your Tender being non-compliant.

Change of Circumstances

26. If you have not previously submitted a Statement Relating to Good Standing or circumstances have changed please, select 'Yes' and submit a Statement Relating to Good Standing with your Tender.

Asbestos, Hazardous Items and Depletion of the Ozone Layer

27. The Authority is required to report any items that use asbestos, that are hazardous or where there is an impact on the Ozone. Where any Contractor Deliverables fall into one of these categories select 'Yes' and provide further details in your Tender.

Military Aviation Authority (MAA)

28. In July 2011 the Military Aviation Authority (MAA) launched a new set of Regulatory Publications. Key to these is the Regulatory Articles (RA), which prescribe Acceptable Means of Compliance (AMC) for each separate Regulation. Where there is a MAA requirement and you wish to propose an alternative means of compliance you must obtain agreement in principle from the MAA (through the Project team) in advance of submitting your Tender. AMC are strongly recommended practices and a justification will be required if they are not followed. You must consult the MAA where there is more than one AMC. You must confirm how you intend to comply with the RA, and the date you consulted with the MAA.

Bank or Parent Company Guarantee

29. A parent Company or bank Guarantee may be required in the form of DEFFORM 24 / 24A as appropriate. No contract will be awarded until a suitable Parent Company or Bank Guarantee, is in place.

The Armed Forces Covenant

30. The Armed Forces Covenant is a promise from the nation to those who serve, or who have served, and their families, to ensure that they are treated fairly and are not disadvantaged in their day to day lives as a result of their service.
31. The Covenant is based on two principles:
 - a. the Armed Forces community would not face disadvantages when compared to other citizens in the provision of public and commercial services; and
 - b. special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

The Authority encourages all Tenderers, and their suppliers, to sign the Armed Forces Covenant, declaring their support for the Armed Forces community by displaying the values and behaviours set out therein.

32. [The Armed Forces Covenant](#) provides guidance on the various ways you can demonstrate your support through your Covenant pledges and how by engaging with the Covenant and Armed Forces such as employing Reservists, a company or organization can also see real benefits in their business.
33. If you wish to register your support you can provide a point of contact for your company on this issue to the Armed Forces Covenant Team at the address below, so that the MOD can alert you to any events or initiatives in which you may wish to participate. The Covenant Team can also provide any information you require in addition to that included on the website.

Such disclosure shall in no way diminish the obligations of the Parties under this condition.
- f. The Authority may disclose the Information:

- n. During the term of the Contract, the Contractor shall notify the Authority as soon as reasonably practicable of any changes in the information notified previously under clauses 33.l or 33.m of which it becomes or is aware that would affect the Authority's ability to use, disclose, re-transfer or re-export an item or part of it as is referred to in those Clauses by issuing an updated DEFFORM 528 to the Authority.
- o. For a period of up to 2 years from completion of the Contract and in response to a specific request by the Authority, the Contractor shall notify the Authority as soon as reasonably practicable of any changes in the information notified previously under Clause 33.l or 33.m of which it becomes aware that would affect the Authority's ability to use, disclose, re-transfer or re-export an item or part of it as is referred to in those Clauses by issuing an updated DEFFORM 528 to the Authority.

Such proposals may include, where appropriate, mutually supported attempts to obtain removal or modification to the restrictions or to obtain appropriate authorisations from the relevant foreign government. The Authority shall notify the contractor within 5 days of receipt of a proposal whether it is acceptable and where appropriate the Contract shall be modified in accordance with its terms to implement the proposal.

Except as set out in clause 33.r, in the event of termination in these circumstances termination shall be on fair and reasonable terms having regard to all the

circumstances including payments already made and that would otherwise be due under the Contract, costs incurred by the Contractor and benefits received by the Authority. The Parties, acting in good faith, will use all reasonable endeavours to agree such fair and reasonable terms failing which either Party may refer the matter to dispute resolution in accordance with the provisions in the Contract.

- r. In the event that the restrictions notified to the Authority pursuant to Clause 33.l were known or ought reasonably have been known by the Contractor (but were not disclosed) at contract award or if restrictions notified to the Authority pursuant to clauses 33.n or 33.p were known or ought reasonably to have been known by the Contractor at the date of submission of the most recent DEFFORM 528 submitted to the Authority in accordance with Clause 33.l, termination under Clause 33.q will be in accordance with condition 43 (Material Breach) and the provisions of clause 33.v will not apply.
- s. The Authority shall use reasonable endeavours to identify any export control restrictions applying to materiel to be provided to the Contractor as Government Furnished Assets (GFA). In the event that the Authority becomes aware that the DEFFORM 528 disclosure was incomplete or inaccurate or in the event additional such materiel is identified then the Authority shall provide, as soon as reasonably practicable a new or revised DEFFORM 528. In the event that the Authority becomes aware that a prior disclosure included in DEFFORM 528 submitted to the Contractor was incomplete or inaccurate less than thirty (30) days prior to the delivery to the Contractor of any material to which the updated or new disclosure relates, the Parties will meet as soon as reasonably practicable to discuss how to mitigate the impact of the incomplete or inaccurate disclosure.

 - (2) any of the information provided by the Authority in any DEFFORM 528 proves to be incorrect or inaccurate;

the Authority and the Contractor shall act promptly to mitigate the impact of such restrictions or incorrect or inaccurate information. Such mitigation shall include, where appropriate, mutually supported attempts to obtain removal or modification to the restrictions or to obtain appropriate authorisations from the relevant foreign government. If the restrictions or incorrect or inaccurate information adversely affect the ability of the Contractor to perform its obligations under the Contract, the matter shall be handled under the terms of condition 6 (Amendments to Contract) or condition 7 (Variations to Specification) or as may otherwise be provided by the Contract as appropriate and if no alternative solution satisfies the essential terms of the Contract and the restrictions have not been removed, modified or otherwise satisfactorily managed within a reasonable time the Authority may terminate the Contract. Termination under these circumstances will be under the terms of condition 42 (Termination for Convenience) and as referenced in the Contract.

- v. - e. The approval for payment of a valid and undisputed invoice by the Authority shall not be construed as acceptance by the Authority of the performance of the Contractor's obligations nor as a waiver of its rights and remedies under this Contract.

- f. Without prejudice to any other right or remedy, the Authority reserves the right to set off any amount owing at any time from the Contractor to the Authority against any amount payable by the Authority to the Contractor under the Contract or under any other contract with the Authority, or with any other Government Department.

The Contractor shall be responsible for ensuring it takes into account any changes in VAT law regarding registration.

Where there is any doubt that the Contractor has complied with this requirement the matter shall be resolved in accordance with condition 40 (Dispute Resolution).

- g. Should HMRC decide that the Contractor has incorrectly determined the VAT liability, in accordance with clause 37.b above, the Authority will pay the VAT assessed by HMRC. In the event that HMRC so determines, the Contractor shall pay any interest charged on any assessment or penalties or both directly to HMRC. Such interest or penalties or both shall not be recoverable from the Authority under this Contract or any other contract. The Contractor shall supply the Authority with a copy of all correspondence between HMRC and the Contractor's advisors regarding the VAT assessment within three (3) Business Days of a written request from the Authority for such correspondence.

Any assignment of the right to receive payment of the Contract Price (or any part thereof) under this condition 38 shall be subject to:

 - (1) is made aware of the Authority's continuing rights under clauses 38.a(1) and 38.a(2); and

- d. The provisions of condition 36 (Payment and Recovery of Sums Due) shall continue to apply in all other respects after the assignment and shall not be amended without the prior approval of the Authority.

39. Subcontracting and Prompt Payment

- a. Subcontracting any part of the Contract shall not relieve the Contractor of any of the Contractor's obligations, duties or liabilities under the Contract.
- b. Where the Contractor enters into a Subcontract he shall cause a term to be included in such Subcontract:
 - (1) providing that where the Subcontractor submits an invoice to the Contractor, the Contractor will consider and verify that invoice in a timely fashion;

- (3) providing that where the Contractor fails to comply with clause 39.b(1) above, and there is an undue delay in considering and verifying the invoice, that the invoice shall be regarded as valid and undisputed for the purposes of clause 39.b(2) after a reasonable time has passed; and
- (4) requiring the counterparty to that Subcontract to include in any Subcontract which it awards, provisions having the same effect as clauses 39.b(1) to 39.b(4).

TERMINATION

40. Dispute Resolution

HEAD AGREEMENT FOR LICENCE TERMS FOR COMMERCIAL SOFTWARE PURCHASED BY THE SECRETARY OF STATE FOR DEFENCE

This Agreement is made this 8th day of November in the year 2019

BETWEEN

The Secretary of State for Defence, a corporation sole, (afterwards referred to as the AUTHORITY) as represented by the Directorate of Intellectual Property Rights, Poplar 2a #2218, MOD Abbey Wood, Bristol BS34 8JH

AND

Teledyne CARIS, a business unit of Teledyne Digital Imaging, Inc., registration number 892136599, corporate address 115 Waggoners Lane, Fredericton, New Brunswick, Canada, E3B 2L4 (afterwards referred to as the COMPANY);

each being referred to as a "Party" and collectively as the "Parties".

BACKGROUND

- I. The AUTHORITY wishes to agree standard terms of licence with the COMPANY which will apply to "Commercial Software" products it procures from the COMPANY in order to avoid the need to negotiate individual terms each time those products are purchased; and
- II. The COMPANY is prepared to agree standard terms of licence with the AUTHORITY in order to facilitate sales of Commercial Software to the AUTHORITY.

For the purpose of this Agreement "Commercial Software" means software available commercially including that software modified on sale to suit the requirements of a customer.

THE HEAD AGREEMENT

1. The Parties agree that they will adopt the terms of licence set out in the Annex to this Head Agreement (the "Annex"), as the standard terms of licence for the procurement of Commercial Software by the AUTHORITY from the COMPANY and from any of its wholly owned subsidiaries for which the COMPANY is entitled to make this Head Agreement. This shall not imply that either Party may not propose other conditions for any particular licence or that either Party shall be bound to accept any particular licence in the terms set out in the Annex.
2. Each software licence which is to be procured subject to the standard terms of licence set out in the Annex, shall be established by a schedule (the "Schedule") which incorporates those terms by making reference to this Head Agreement and the Annex. Each licence so concluded shall be legally separate from this Head Agreement.
3. Each Schedule will take the format provided in the Attachment to the Annex. Individual Schedules may include special conditions adding to, varying, or setting aside any condition set out in the Annex and in the event of any conflict between the terms of the Annex and the special conditions of a Schedule the latter shall prevail.

4. Either Party shall be entitled to terminate this Head Agreement at any time on written notice to the other Party but the termination shall not vary the conditions of or terminate any extant Licences.
5. This Head Agreement shall be subject to and construed and interpreted in accordance with the Laws of England and shall be subject to the jurisdiction of the Courts of England. Other jurisdictions may apply solely for the purpose of giving effect to this Agreement and for the enforcement of any judgement, order or award given under English jurisdiction.

- 1.9. "Standard Conditions" means the conditions set out in this Annex to the Head Agreement, comprising Clauses 1 to 15.
- 1.10. "Special Conditions" means those conditions (if any) specified in Part VIII of the Schedule.

2. LICENCE GRANT

- 2.1. The AUTHORITY may Use the Licensed Software on the Designated Equipment at the Designated Site in accordance with the Licence from the date of receipt of the Licensed Software by the AUTHORITY.
- 2.2. The AUTHORITY may allow contractors of the AUTHORITY and their sub-contractors to Use the Licensed Software on the Designated Equipment at the Designated Site on AUTHORITY contracts only, provided that the AUTHORITY ensures or procures that those contractors and sub-contractors are bound by the conditions of the Licence and that, unless prevented by security considerations, the AUTHORITY shall notify the LICENSOR of the identity of those contractors or sub-contractors as soon as is reasonably practical. The AUTHORITY shall not charge for that Use.
- 2.3. The AUTHORITY may specify alternative Designated Equipment or an alternative Designated Site by notification to the LICENSOR, in which case Clause 2.1 shall apply only to the alternative Designated Equipment or Designated Site as notified. However, in the event that the alternative Designated Equipment shall be equipment of a greater processing capacity or capability or a different operating system outside the parameters of the original Designated Equipment the LICENSOR may require the AUTHORITY to pay a fair and reasonable additional fee which will not exceed the difference between the corresponding fees shown in respect of Use of the Licensed Software on the existing and alternative Designated Equipment respectively in the LICENSOR's price list current at the time when the AUTHORITY has specified the alternative Designated Equipment.
- 2.4. The AUTHORITY may Use the Licensed Software on alternative equipment if the Designated Equipment is temporarily inoperative until the Designated Equipment is again operative without notification or additional payment to the LICENSOR.
- 2.5. Notwithstanding the above, the AUTHORITY may copy the Licensed Software in machine-readable form for back-up purposes for Use of the Licensed Software. The AUTHORITY may also create eye readable copies of documentation solely for utilisation by operating personnel of the Licensed Software. All copyright in such copies shall remain the property of the LICENSOR.

3. DELIVERY AND ACCEPTANCE

- 3.1. The LICENSOR shall deliver the Licensed Software at a time and to a place agreed with the AUTHORITY.
- 3.2. The LICENSOR or the AUTHORITY as mutually agreed shall install each program of the Licensed Software on the Designated Equipment and test it against acceptance tests if agreed between the LICENSOR and the AUTHORITY.
- 3.3. The AUTHORITY may reject the Licensed Software within the acceptance period specified in Part IV of the Schedule only (which period starts on receipt of the Licensed Software by the AUTHORITY) if it fails an agreed acceptance test or if it does not perform on the Designated Equipment in accordance with the functionality set out in an agreed statement or user document provided by the LICENSOR. The AUTHORITY shall be understood to have accepted the Licensed Software if it has not been validly rejected before the expiry of the acceptance period.
- 3.4. If the AUTHORITY rejects the Licensed Software in accordance with Clause 3.3 the Licence for it shall terminate and the AUTHORITY shall be entitled to reimbursement of any fees paid in respect of the Licensed Software.
- 3.5. The AUTHORITY and the LICENSOR may mutually agree to extend the acceptance period,

or to amend the Schedule appropriately, for any Licensed Software that would otherwise have been rejected under Clause 3.3.

4. PAYMENT

4.1. The LICENSOR will invoice the AUTHORITY for the agreed licence fees in the amount and in accordance with the invoice arrangements set out respectively in Parts V and VI of the Schedule on or after receipt by the AUTHORITY of the Licensed Software.

4.2. The AUTHORITY shall pay the invoice value within 30 days from the later of delivery of the Licensed Software or the date of receipt of a valid invoice related to that Licensed Software. Payment does not constitute acceptance of the Licensed Software.

5. CONFIDENTIALITY

5.1. Subject to Clause 5.2 and except as otherwise agreed in writing, the AUTHORITY and the LICENSOR shall each hold in confidence and shall not use, disclose or otherwise make available, except in accordance with the Licence, all the following information received from the other under or in connection with the Licence:

- a. the Licensed Software;
- b. details of the AUTHORITY's use and application of the Licensed Software;
- c. any other information which is identified as being disclosed in confidence at the time of disclosure provided that:

the obligation for b. and c. relates only to information received in writing or other material form; and if such information is disclosed orally, the obligation shall apply for 30 days unless the discloser confirms such information in writing or other material form within 30 days when the obligation of confidence shall apply thereafter.

5.2. The obligations under Clause 5.1 shall not require the receiving Party to maintain confidence in, or refrain from using, any part of the information to the extent that the receiving Party can show that such part of the information:

- a. Was already known to that Party, without restraint on use or disclosure, prior to the date of receipt or acquisition under or in connection with the Licence; or
- b. has been received by that Party, without restraint on use or disclosure, from a third party having the right to disclose it; or
- c. has entered the public domain otherwise than in breach of the Licence or any other agreement between the Parties; or
- d. was generated by that Party independently of the information which is subject to Clause 5.1;

provided that the relationship of such part of the information to the remainder of the information which is subject to Clause 5.1 is not revealed.

5.3. The obligations under Clause 5.1 shall be perpetual.

- 5.4. The AUTHORITY shall ensure or procure that any individual to whom the Licensed Software is made available is made aware of, and complies with, the obligations as to confidentiality and other relevant conditions of the Licence.
- 5.5. The AUTHORITY shall reproduce and maintain any copyright notices and trade marks on or in any of the copies of the Licensed Software made in accordance with the Licence, including partial copies, and on any software changed under the terms of the Licence.

6. IPR ACTIONS AND LIABILITIES FOR IPR INFRINGEMENT

- 6.1. The LICENSOR declares that he is entitled as either owner or licensee to provide the Licensed Software to the AUTHORITY on the terms and conditions of the Licence.
- 6.2. Subject to the limitations imposed in Clauses 6.3 and 6.4, the LICENSOR shall assume all liability and indemnify the AUTHORITY against all costs or liabilities arising under any valid claim or action brought by a third party against either Party, or against any of its contractors (which expression shall include any sub-contractor) engaged in tasks relevant to the provision of the Licensed Software or to the AUTHORITY's exercise of the Licence, in respect of any third party intellectual property right, including a patent, registered or unregistered design right, trade mark, copyright, trade secret or confidential information, which relates to the supply of the Licensed Software or the Use of the Licensed Software in accordance with the Licence by the AUTHORITY or its contractor, then:
- a. If the claim or action is brought against the LICENSOR he shall take full responsibility for dealing with settling or defending the claim or action;
 - b. If any claim is made against the AUTHORITY or its contractors the LICENSOR shall be given full responsibility for dealing with settling or defending the claim as appropriate in his judgement;
 - c. If legal action is taken against the AUTHORITY or its contractor that Party shall be entitled to join the LICENSOR in the action.
- 6.3. Clause 6.2 shall not apply, and the AUTHORITY shall assume all liability for and indemnify the LICENSOR and its contractors, against all costs and liabilities under the claim or action in the event that it arises as a consequence of any of:
- a. Use of the Licensed Software by the AUTHORITY, or by a contractor permitted to use the Licensed Software pursuant to Clause 2.2, outside the LICENSOR's specification or user documentation on the Designated Equipment or in a manner outside the reasonable knowledge or expectation of the LICENSOR or in circumstances particular to the AUTHORITY as distinct from other customers for the equivalent Licensed Software;
 - b. Use of modifications to the Licensed Software not provided or not approved in writing by the LICENSOR;
 - c. infringement by the LICENSOR of any third party intellectual property right by reason only of use of any material provided by the AUTHORITY for the purposes of the Licence, but only to the extent that this material is held and used within the terms under which it was provided and used solely for the purposes of the Licence.

- 6.4. Clause 6.2 shall not apply in the event that, without the consent of the LICENSOR (which shall not be unreasonably withheld) the AUTHORITY:
- a. has made or makes an admission of any sort to the third party relevant to the claim or action;
 - b. the AUTHORITY has entered or enters into negotiations with the third party relevant to the claim or action;
 - c. the AUTHORITY has made or makes an offer to the third party for settlement of the claim or action.
- 6.5. Each Party undertakes to notify and consult the other promptly in the event of any enquiry, claim or action brought or likely to be brought against it or its contractor or the Parties jointly, which relates to infringement of any third party intellectual property right in connection with the supply or Use of the Licensed Software under the Licence. By joint agreement, the AUTHORITY may take the lead in dealing with settling and defending any such enquiry claim or action made against it directly in consultation with the LICENSOR and, subject to the LICENSOR's agreement as to the terms of any settlement, this shall not displace any liability of the LICENSOR arising under Clause 6.2.
