Date variation is raised:	9 <sup>th</sup> September 2022	
Proposed variation	To remove the current restriction and allow Suppliers to utilise Sub-Contractors when providing Standard Off The Shelf Training.	
Reason for the variation:	<p>During our preliminary market consultations for the Learning &amp; Training Services DPS, the general consensus received from SMEs indicated a preference to provide Standard Off The Shelf Training directly without having to be part of a Prime Vendor's Supply Chain, so the use of subcontractors was not permitted for this service type.</p> <p>However, following recent engagement with newly appointed suppliers since the launch of the DPS, it has become apparent that the use of Subcontractors is standard within the training market, even amongst SMEs who subcontract with each other and this restriction is also precluding other SMEs applying to join the DPS.</p>

## Joint Schedule 3 (Insurance Requirements)

### The insurance you need to have

- 1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under an Order Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than:
  - 1.1.1 the DPS Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and
  - 1.1.2 the Order Contract Effective Date in respect of the Additional Insurances.
- 1.2 The Insurances shall be:
  - 1.2.1 maintained in accordance with Good Industry Practice;
  - 1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;
  - 1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and
  - 1.2.4 maintained for at least six (6) years after the End Date.
- 1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

### How to manage the insurance

- 2.1 Without limiting the other provisions of this Contract, the Supplier shall:
  - 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
  - 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and
  - 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

### What happens if you aren't insured

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.
- 3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

## **Evidence of insurance you must provide**

4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

## **Making sure you are insured to the required amount**

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

## **Cancelled Insurance**

6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or nonrenewal of any of the Insurances.

6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

## **Insurance claims**

7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Relevant Authority receives a claim relating to or arising out of a Contract or the Deliverables, the Supplier shall co-operate with the Relevant Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.

7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.

7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

## **ANNEX: REQUIRED INSURANCES**

<b>"Financial Distress Service Continuity Plan"</b>	4 a plan setting out how the Supplier will ensure the continued performance and delivery of the Deliverables in accordance with [each Order] Contract in the event that a Financial Distress Event occurs;
<b>"Monitored Company"</b>	5 Supplier
<b>"Rating Agencies"</b>	6 the rating agencies listed in Annex 1.

### **When this Schedule applies**

The Parties shall comply with the provisions of this Schedule in relation to the assessment of the financial standing of the Monitored Companies and the consequences of a change to that financial standing.

The terms of this Schedule shall survive termination or expiry of this Contract:

under the DPS Contract until the later of (a) the termination or expiry of the DPS Contract or (b) the latest date of termination or expiry of any Order Contract entered into under the DPS Contract (which might be after the date of termination or expiry of the DPS Contract); and

under the Order Contract until the termination or expiry of the Order Contract.

### **What happens when your credit rating changes**

The Supplier warrants and represents to CCS that as at the Start Date the long term credit ratings issued for the Monitored Companies by each of the Rating Agencies are as set out in Annex 2.

The Supplier shall promptly (and in any event within five (5) Working Days) notify CCS in writing if there is any downgrade in the credit rating issued by any Rating Agency for a Monitored Company.

The Supplier shall:

regularly monitor the credit ratings of each Monitored Company with the Rating Agencies; and

promptly notify (or shall procure that its auditors promptly notify) CCS in writing following the occurrence of a Financial Distress Event or any fact, circumstance or matter which could cause a Financial Distress Event and in any event, ensure that such

notification is made within 10 Working Days of the date on which the Supplier first becomes aware of the Financial Distress Event or the fact, circumstance or matter which could cause a Financial Distress Event.

For the purposes of determining whether a Financial Distress Event has occurred the credit rating of the Monitored Company shall be deemed to have dropped below the applicable Credit Rating Threshold if any of the Rating Agencies have rated the Monitored Company at or below the applicable Credit Rating Threshold.

### **What happens if there is a financial distress event**

In the event of a Financial Distress Event then, immediately upon notification of the Financial Distress Event (or if CCS becomes aware of the Financial Distress Event without notification and brings the event to the attention of the Supplier), the Supplier shall have the obligations and CCS shall have the rights and remedies as set out in Paragraphs 4.3 to 4.6.

The Supplier shall and shall procure that the other Monitored Companies shall:

- at the request of CCS meet CCS as soon as reasonably practicable (and in any event within three (3) Working Days of the initial notification (or awareness) of the Financial Distress Event) to review the effect of the Financial Distress Event on the continued performance of each Contract and delivery of the Deliverables in accordance each Order Contract; and

- provide such financial information relating to the Monitored Company as CCS may reasonably require.

If CCS does not (acting reasonably) approve the draft Financial Distress Service Continuity Plan, it shall inform the Supplier of its reasons and the Supplier shall take those reasons into account in the preparation of a further draft Financial Distress Service Continuity Plan, which shall be resubmitted to CCS within five (5) Working Days of the rejection of the first or subsequent (as the case may be) drafts. This process shall be repeated until the Financial Distress Service Continuity Plan is Approved by CCS or referred to the Dispute Resolution Procedure.

If CCS considers that the draft Financial Distress Service Continuity Plan is insufficiently detailed to be properly evaluated, will take too long to complete or will

not remedy the relevant Financial Distress Event, then it may either agree a further time period for the development and agreement of the Financial Distress Service Continuity Plan or escalate any issues with the draft Financial Distress Service Continuity Plan using the Dispute Resolution Procedure.

Following Approval of the Financial Distress Service Continuity Plan by CCS, the Supplier shall:

- on a regular basis (which shall not be less than Monthly), review the Financial Distress Service Continuity Plan and assess whether it remains adequate and up to date to ensure the continued performance of each Contract and delivery of the Deliverables in accordance with each Order Contract;

- where the Financial Distress Service Continuity Plan is not adequate or up to date in accordance with Paragraph 4.6.1, submit an updated Financial Distress Service Continuity Plan to CCS for its Approval, and the provisions of Paragraphs 4.5 and 4.6 shall apply to the review and Approval process for the updated Financial Distress Service Continuity Plan; and

- comply with the Financial Distress Service Continuity Plan (including any updated Financial Distress Service Continuity Plan).

Where the Supplier reasonably believes that the relevant Financial Distress Event (or the circumstance or matter which has caused or otherwise led to it) no longer exists, it shall notify CCS and subject to the agreement of the Parties, the Supplier may be relieved of its obligations under Paragraph 4.6.

CCS shall be able to share any information it receives from the Buyer in accordance with this Paragraph with any Buyer who has entered into an Order Contract with the Supplier.

### **When CCS or the Buyer can terminate for financial distress**

- CCS and the Supplier fail to agree a Financial Distress Service Continuity Plan (or any updated Financial Distress Service Continuity Plan) in accordance with Paragraphs 4.3 to 4.5; and/or

- the Supplier fails to comply with the terms of the Financial Distress Service Continuity Plan (or any updated Financial Distress Service Continuity Plan) in accordance with Paragraph 4.6.3.

If the Contract is terminated in accordance with Paragraph 5.1, Clauses 10.6.1 and 10.6.2 of the Core Terms shall apply as if the Contract had been terminated under Clause 10.4.1.

### **What happens If your credit rating is still good**

Without prejudice to the Supplier's obligations and CCS' and the Buyer's rights

and remedies under Paragraph 5, if, following the occurrence of a Financial Distress Event, the Rating Agencies review and report subsequently that the credit ratings do not drop below the relevant Credit Rating Threshold, then:

the Supplier shall be relieved automatically of its obligations under Paragraphs 4.3 to 4.6; and

## Order Schedule 2 (Staff Transfer) – Not Used

[Guidance note: Buyers will need to take their own legal advice on this Schedule 2 and, in particular, on Part D (Pensions).

Buyers will need to ensure that appropriate provisions are included to deal with staff transfer on both entry and exit, and, irrespective of whether TUPE does apply on entry if there are employees eligible for New Fair Deal pension protection then the appropriate pensions provisions will also need to be selected.

If there is a staff transfer from the Buyer on entry (1st generation) then Part A shall apply.

If there is a staff transfer from former/incumbent supplier on entry (2nd generation), Part B shall apply.

If there is both a 1st and 2nd generation staff transfer on entry, then both Part A and Part B shall apply.

If either Part A and/or Part B apply, then consider whether Part D (Pensions) shall apply and the Buyer shall indicate on the Order Form which Annex shall apply (either D1 (CSPS), D2 (NHSPS), D3 (LGPS) or D4 (Other Schemes)). Part D pensions may also apply where there is not a TUPE transfer for example where the incumbent provider is successful.

If there is no staff transfer (either 1st generation or 2nd generation) at the Start Date then Part C shall apply and Part D pensions may also apply where there is not a TUPE transfer for example where the incumbent provider is successful.

If the position on staff transfers is not known at the bid stage, include Parts A, B, C and D at the bid stage and then update the Buyer Contract Details before signing to specify whether Parts A and/or B, or C and D apply to the Contract.

Part E (dealing with staff transfer on exit) shall apply to every Contract.

- 10.3.1 supply to the Buyer details of its (or its Subcontractor's) Broadly Comparable pension scheme and provide a full copy of the valid certificate of broad comparability (which remains valid as at the Relevant Transfer Date) covering all relevant Fair Deal Employees, as soon as it is able to do so before the Relevant Transfer Date (where possible) and in any event no later than seven (7) days after receipt of the certificate;

This will be with a view to the bulk transfer terms providing day for day and/or pound for pound (as applicable) (or actuarially equivalent where there are benefit differences between the two schemes) credits in the Broadly Com-

- parable pension scheme in respect of any Fair Deal Eligible Employee who consents to such a transfer<sup>3</sup>; and

The bulk transfer terms provided shall be on a past service reserve basis which should be calculated allowing for projected final salary at the assumed date of retirement, leaving service or death (in the case of final salary benefits). The actuarial basis for this past service reserve basis should be aligned to the funding requirements of the Broadly Comparable pension scheme in place at the time the bulk transfer terms are offered. - 10.4.2 if the transfer payment paid by the trustees of the Broadly Comparable pension scheme is less (in the opinion of the Actuary to the Replacement Supplier's Broadly Comparable pension scheme (or to the relevant Statutory Scheme if applicable)) than the transfer payment which would have been paid had paragraph

- Scheme (where possible) and in any event no later than seven (7) days after receipt of the certificate;
- 11.3.2 be fully responsible for all costs, contributions, payments and other amounts relating to the setting up, certification of, ongoing participation in and/or withdrawal and exit from the Broadly Comparable pension scheme, including for the avoidance of doubt any debts arising under section 75 or 75A of the Pensions Act 1995;
  - 11.3.3 where required to do so by the Buyer, instruct any such Broadly Comparable pension scheme's Actuary to provide all such co-operation and assistance in agreeing a bulk transfer process with the Actuary to the relevant Statutory Scheme and to provide all such co-operation and assistance with any other Actuary appointed by the Buyer (where applicable). - 11.4 Where the Supplier has provided a Broadly Comparable pension scheme pursuant to the provisions of this paragraph 11, the Supplier shall (and shall procure that any of its Subcontractors shall) prior to the termination of the relevant Contract allow and make all necessary arrangements to effect, in respect of any Fair Deal Eligible Employee that remains eligible for New Fair Deal protection, following a Service Transfer, the bulk transfer of past service from any such Broadly Comparable pension scheme into the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable). For the avoidance of doubt, should the amount offered by the Broadly Comparable pension scheme be less than the amount required by the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) to fund the required credits ("**the Shortfall**"), the Supplier or the Subcontractor (as agreed between them) must pay the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable) the Shortfall as required, provided that in the absence of any agreement between the Supplier and any Subcontractor, the Shortfall shall be paid by the Supplier. ## Annex D3:

### Local Government Pension Schemes (LGPS)

[Guidance: You should take specific legal advice on this Annex D3 and in particular the risk apportionment provisions contained herein.

Please note that this Part D is drafted to reflect the requirements of New Fair Deal. Accordingly, where a contracting authority is a local authority (or other type of best value authority) then it will be subject to the requirements of the Best Value Authorities Staff Transfers (Pensions) Direction 2007 (or the Welsh Authorities Staff Transfers (Pensions) Direction 2012 if appropriate) and should take further specific legal advice to ensure compliance with those Directions.

Note the LGPS unlike the CSPA & NHSPA is a funded scheme which has associated cost implications as follows:

There is not 1 LGPS but approx. 90 different Funds, each with their own separate Scheme Employer and Administering Buyer, it is important to identify the correct one(s) and amend the definition of "Fund" accordingly.

It is important to check whether CCS and or the Buyer can actually participate in the LGPS. Where a government department is taking on services which were formerly the responsibility of a Local Authority it may be necessary to obtain secretary of state approval for participation in the LGPS, this is because the services are being provided to Gov. Dept. and not to a Local Authority.

Unlike New Fair Deal the 2007 Best Value pension direction does not provide a right to bulk transfer past service. Whilst typically before the 2007 direction LA did provide such a right, it is a significant additional cost and therefore bulk transfer wording has been excluded. If required take legal advice due to the exceptionally high costs which can result from a requirement to provide bulk transfers.]

Since the start of 2022 the entire focus of The Knowledge Academy has been customer satisfaction. The first stage of this change was to establish what exactly needed improving. Recurring issues were identified, one of which was that there was no universal standard for Virtual training. As a result of this, a team of 2 named "Quality Check" was formed. Prior to every course, this team have a Zoom meeting with the trainer, where the expectations and values of The Knowledge Academy are explained or reiterated, and a check of the above mentioned points is undertaken. Our trainer onboarding process has also changed as a result of this review into

quality and processes at The Knowledge Academy. The final new team that has been put together at TKA is the Courseware Team. They are responsible for the continuous improvement of all content. This includes the content on our website, such as outlines which customers can look at, but more importantly the course material which is used during our courses. Ideas and ways of thinking change all the time, and this should always be reflected in the course slides to ensure each delegate is receiving the most up to date training on the market. A recent example of this is our MSP slides. The course itself was updated to a new version in 2020, and the content therefore had to be amended and approved by Axelos. The course was then delivered by 3 different trainers, all of whom had ideas and amendments to make. This group collaboration takes all different ideas from subject matter experts into consideration and ensures that the content is always improving.

**10 Please provide the following information about your organisation's social value.**

TKA is committed to paying all employees a real Living Wage. We chose to employ a workforce that includes a high percentage of talented college-leavers and graduates. In addition to investing in these employees' ongoing professional development via formal training, we strive to create a friendly working environment that makes use of mentoring support systems to reinforce learning. In addition to inspiring young members of the community internally (via management promotion schemes, mentoring, training and graduate roles), we also inspire consistent development amongst young people via TKA training. We regularly provide training to colleges and universities, the most noticeable example being our annual provision of PRINCE2 courses for sixty Business Masters students at City University of London.

We are committed to being an equal opportunities employer and take this responsibility very seriously. According to statistics published this year on Gov.uk, BAME British are over twice as likely to be unemployed as white British, a disparity that peaks among people aged 18-25. At TKA, we strive to buck the trend, employing above the national average of BAME workers in sustainable, long-term position. We are also proud of the fact that the majority of our Persons of Significant Control (PSC) are from minority groups (including BAME and women). It is also important that our services are inclusive and accessible to all delegates regardless of background, age, economic standing, disability, etc. We monitor the accessibility of our courses throughout development and improvement processes and strive to continuously challenge and increase awareness of subconscious prejudices

throughout our entire organisation.
