NOTES

- NOTES**
- * Tree species (where shown) should be listed with caution and expert identification is advised.
 - * Although this is a digital survey the accuracy and amount of detail shown is only as good as the specificity of the species of mapping as specified. Care should be exercised when mapping to large scales.
 - * Visible features in the vicinity of the boundaries are shown, which may not represent the extent of legally conveyed ownership.
 - * While every effort has been made to achieve accuracy on this plan, CHCNSA, its consultants, licensees and inventors should be contacted prior to design and construction.
 - * Kink levels have been lower in the bottom of the channel.
