

Tender opportunity for

Removal of Mixed Quality Inert Fill From Sutton Road Cemetery

Information

Southend-on-Sea Borough Council is seeking proposals for the provision of services for the Removal of Mixed Quality Inert Fill from Sutton Road Cemetery.

The contract involves the removal/recycling of an estimated 5000cu mtrs of mixed quality inert fill, stockpiled located at Sutton road cemetery in Southend-on-Sea Borough Council Essex. Quotation should include for WAC (Waste Acceptable Criteria) Testing to ascertain suitability of the material going to landfill. The option of screening some of this material on site to be re –used elsewhere or recycling off site. Removed materials may be used for site landscaping.

The removal of this material must fully comply with all Environmental regulations and interested Bidders must have current waste transfer licence.

It is anticipated that this project be commenced by 25th July 2016 with completion by 16th September 2016(subject to weather conditions).

Interested Bidders are required to register on the Due North tendering system and complete the Suitability Questionnaire and supporting Tender Documentation as instructed in the accompanying Guidance notes.

To access and register your company on Due North, click on the following link:
<https://procurement.southend.gov.uk/southend/portal.nsf/index.htm>

Once you have registered ensure that you include the CPV codes 45112000 (Excavating and earthmoving work), 45112300 (Infill and land reclamation work) and 45215400 (Cemetery Works). You should then be able to search the opportunity and access the documents to complete and submit your application.

The deadline for submitting your responses to the Suitability Questionnaire and Tender Documentation is **12 noon on Friday 24th June 2016.**

If you have any queries regarding the tender, please contact the Tender Manager using the message facility in Due North. If you have any difficulties accessing Due North or any other system-related queries, please contact the support team by email:
