Flower Bed Contract for Thurcroft Parish Council

1st April 2024 and continue until 31st March 2028

1. Scope of Services

The Contractor agrees to provide flower bed maintenance services across Thurcroft Parish (attached as **Appendix A**), including regular weeding and watering (weather dependent) for the attached appendix which details flower beds and planting of flowers in designated areas as specified by Thurcroft Parish Council.

2. Service Schedule

The Contractor shall perform flower bed maintenance services on a regular schedule, including a weeding schedule, and shall plant flowers in accordance with the seasons and recommendations provided by Thurcroft Parish Council.

3. Weeding Schedule

That a weeding schedule of all flower beds will be carried out once per month with no use of pesticides to protect the environment. An additional schedule to remove all flowers from the beds by the end of March, fertilise the beds and new top soil as agreed by both parties.

4. Planting Schedule

The planting schedule will be determined based on the seasonal suitability for different flower varieties and shall be agreed upon by both parties.

The schedule for planting will be;

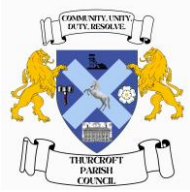

- All Winter planting to be started in September and completed by the end of October.
- All Summer planting to be started in May and completed by start of June.

4. Watering Schedule

That a watering schedule be determined by the weather to ensure that flowers are thriving throughout the summer months.

5. Payment Terms

Thurcroft Parish Council shall compensate the Contractor based on an agreed-upon fee for the flower bed maintenance services. Payment terms, including the payment amount and schedule, will be defined in a separate agreement. Any payments outside of this agreement will be agreed by the council.
