- 4.3.1 Late Delivery of the Services will be a default of the Contract.
- 4.3.2 The Supplier must co-operate with the Buyer and third party suppliers on all aspects connected with the delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions including the security requirements (where any such requirements have been provided).
- 4.3.3 The Buyer must provide the Supplier with reasonable access to its premises at reasonable times for the purpose of supplying the Services

- 4.3.8 The Supplier must ensure all Services, and anything used to deliver the Services, are of good quality and free from defects.
- 4.3.9 The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

- 5.2 All Charges:
 - 5.2.1 exclude VAT, which is payable on provision of a valid VAT invoice; and

 - 5.4.2 includes a detailed breakdown of Deliverables which have been delivered.
- 5.5 If there is a dispute between the Parties as to the amount invoiced, the Buyer shall pay the undisputed amount. The Supplier shall not suspend the provision of the Deliverables unless the Supplier is entitled to terminate the Contract for a failure to pay undisputed sums in accordance with clause 11.6. Any disputed amounts shall be resolved through the dispute resolution procedure detailed in clause 36.
- 5.6 The Buyer may retain or set-off payment of any amount owed to it by the Supplier under this Contract or any other agreement between the Supplier and the Buyer if notice and reasons are provided.

- 5.7 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, the Buyer can publish the details of the late payment or non-payment.

- 7.5 During an Audit, the Supplier must provide information to the auditor and reasonable co-operation at their request.
- 7.6 The Parties will bear their own costs when an Audit is undertaken unless the Audit identifies a Material Breach by the Supplier, in which case the Supplier will repay the Buyer's reasonable costs in connection with the Audit.
- 7.7 If the Supplier is not providing any of the Deliverables, or is unable to provide them, it must immediately:
- 7.7.1 tell the Buyer and give reasons;
 - 7.7.2 propose corrective action; and
 - 7.7.3 provide a deadline for completing the corrective action.

- 7.8 If the Buyer, acting reasonably, is concerned as to the financial stability of the Supplier such that it may impact on the continued performance of the Contract then the Buyer may:
- 7.8.1 require that the Supplier provide to the Buyer (for its approval) a plan setting out how the Supplier will ensure continued performance of the Contract and the Supplier will make changes to such plan as reasonably required by the Buyer and once it is agreed then the Supplier shall act in accordance with such plan and report to the Buyer on demand; and
 - 7.8.2 if the Supplier fails to provide a plan or fails to agree any changes which are requested by the Buyer or fails to implement or provide updates on progress with the plan, terminate the Contract immediately for Material Breach (or on such date as the Buyer notifies) and the consequences of termination in Clause 11.5.1 shall apply.
- 7.9 If there is a Material Breach, the Supplier must notify the Buyer within 3 Working Days of the Supplier becoming aware of the Material Breach. The Buyer may request that the Supplier provide a Rectification Plan within 10 Working Days of the Buyer's request alongside any additional documentation that the Buyer requires. Once such Rectification Plan is agreed between the Parties (without the Buyer limiting its rights) the Supplier must immediately start work on the actions in the Rectification Plan at its own cost.

 - 8.1.2 be vetted in accordance with the Staff Vetting Procedures; and

- 8.2 Where the Buyer decides one of the Supplier's Staff isn't suitable to work on the Contract, the Supplier must replace them with a suitably qualified alternative.
- 8.3 The Supplier must provide a list of Supplier Staff needing to access the Buyer's premises and say why access is required.
- 8.4 The Supplier indemnifies the Buyer against all claims brought by any person employed or engaged by the Supplier caused by an act or omission of the Supplier or any Supplier Staff.
- 8.5 The Buyer indemnifies the Supplier against all claims brought by any person employed or engaged by the Buyer caused by an act or omission of the Buyer or any of the Buyer's employees, agents, consultants and contractors.
- 8.6 The Supplier shall use those persons nominated (if any) as Key Staff in the Order Form or otherwise notified as such by the Buyer to the Supplier in writing, following agreement to the same by the Supplier to provide the Deliverables and shall not remove or replace any of them unless:
- 8.6.1 requested to do so by the Buyer or the Buyer approves such removal or replacement (not to be unreasonably withheld or delayed);

9 RIGHTS AND PROTECTION

9.1 The Supplier warrants and represents that:

- 9.1.1 it has full capacity and authority to enter into and to perform the Contract;
- 9.1.2 the Contract is entered into by its authorised representative;
- 9.1.3 it is a legally valid and existing organisation incorporated in the place it was formed;
- 9.1.4 there are no known legal or regulatory actions or investigations before any court, administrative body or arbitration tribunal pending or threatened against it or its affiliates that might affect its ability to perform the Contract;
- 9.1.5 all necessary rights, authorisations, licences and consents (including in relation to IPRs) are in place to enable the Supplier to perform its obligations under the Contract and the Buyer to receive the Deliverables;
- 9.1.6 it doesn't have any contractual obligations which are likely to have a material adverse effect on its ability to perform the Contract; and
- 9.1.7 it is not impacted by an Insolvency Event.

9.2 The warranties and representations in clause 3.3 and clause 9.1 are repeated each time the Supplier provides Deliverables under the Contract.

9.3 The Supplier indemnifies the Buyer against each of the following:

- 9.3.1 wilful misconduct of the Supplier, any of its Subcontractor and/or Supplier Staff that impacts the Contract; and
- 9.3.2 non-payment by the Supplier of any tax or National Insurance.

9.4 If the Supplier becomes aware of a representation or warranty made in relation to the Contract that becomes untrue or misleading, it must immediately notify the Buyer.

9.5 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier for free.

10 INTELLECTUAL PROPERTY RIGHTS (“IPRS”)

10.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable, sub-licensable worldwide licence to use, copy and adapt the Supplier's Existing IPR to enable the Buyer and its sub-licensees to both:

- 10.1.1 receive and use the Deliverables; and

10.1.2 use the New IPR.

The termination or expiry of the Contract does not terminate any licence granted under this clause 10.

- 10.2 Any New IPR created under the Contract is owned by the Buyer. The Buyer gives the Supplier a royalty-free, non-exclusive, non-transferable licence to use, copy, and adapt any Existing IPRs and the New IPR which the Supplier reasonably requires for the purpose of fulfilling its obligations during the Term and commercially exploiting the New IPR developed under the Contract. This licence is sub-licensable to a Subcontractor for the purpose of enabling the Supplier to fulfil its obligations under the Contract, and in that case the Subcontractor must enter into a confidentiality undertaking with the Supplier on the same terms as set out in clause 15 (What you must keep confidential).
- 10.3 Unless otherwise agreed in writing, the Supplier and the Buyer will record any New IPR and keep this record updated throughout the Term.
- 10.4 Where a Party acquires ownership of intellectual property rights incorrectly under this Contract, it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.
- 10.5 Neither Party has the right to use the other Party's intellectual property rights, including any use of the other Party's names, logos or trademarks, except as provided in this clause 10 or otherwise agreed in writing.
- 10.6 If any claim is made against the Buyer for actual or alleged infringement of a third party's intellectual property arising out of, or in connection with, the supply or use of the Deliverables (an "**IPR Claim**"), then the Supplier indemnifies the Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result of the IPR Claim.
- 10.7 If an IPR Claim is made or anticipated, the Supplier must at its own option and expense, either:
- 10.7.1 obtain for the Buyer the rights in clause 10.1 without infringing any third party intellectual property rights; and
 - 10.7.2 replace or modify the relevant item with substitutes that don't infringe intellectual property rights without adversely affecting the functionality or performance of the Deliverables.
 - 10.7.3 If the Supplier is not able to resolve the IPR Claim to the Buyer's reasonable satisfaction within a reasonable time, the Buyer may give written notice that it terminates the Contract from the date set out in the notice, or where no date is given in the notice, the date of the notice. On termination, the consequences of termination in clauses 11.5.1 shall apply.
- 10.8 The Supplier shall not use in the Delivery of the Deliverables any Third Party IPR unless:
- 10.8.1 the Buyer gives its approval to do so; and
 - 10.8.2 one of the following conditions applies:
 - 10.8.2.1 the owner or an authorised licensor of the relevant Third Party IPR has granted the Buyer a direct licence that provides the Buyer with the rights in clause 10.1; or

- 10.8.2.2 if the Supplier cannot, after commercially reasonable endeavours, obtain for the Buyer a direct licence to the Third Party IPR as set out in clause 10.8.2.1:
- (a) the Supplier provides the Buyer with details of the licence terms it can obtain and the identity of those licensors;
 - (b) the Buyer agrees to those licence terms; and
 - (c) the owner or authorised licensor of the Third Party IPR grants a direct licence to the Buyer on those terms; or
- 10.8.2.3 the Buyer approves in writing, with reference to the acts authorised and the specific intellectual property rights involved.

10.9 In spite of any other provisions of the Contract and for the avoidance of doubt, award of this Contract by the Buyer and the ordering of any Deliverable under it, does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Sections 240 – 243 of the Copyright, Designs and Patents Act 1988.

11 ENDING THE CONTRACT

11.1 The Contract takes effect on the Start Date and ends on the earlier of the Expiry Date or termination of the Contract, or earlier if required by Law.

11.2 The Buyer can extend the Contract where set out in the Order Form in accordance with the terms in the Order Form.

11.3 Ending the Contract without a reason

11.3.1 The Buyer has the right to terminate the Contract at any time without reason or liability by giving the Supplier not less than 90 days' written notice, and if it's terminated clause 11.6.2 applies.

11.4 When the Buyer can end the Contract

11.4.1 If any of the following events happen, the Buyer has the right to immediately terminate its Contract by issuing a termination notice in writing to the Supplier and the consequences of termination in Clause 11.5.1 shall apply:

- 11.4.1.2 the Supplier is in Material Breach of the Contract;

- 11.4.1.4 the Buyer discovers that the Supplier was in one of the situations in 57 (1) or 57(2) of the Regulations at the time the Contract was awarded;
- 11.4.1.5 the Supplier or its affiliates embarrass or bring the Buyer into disrepute or diminish the public trust in them; or

11.4.1.6 the Supplier fails to comply with its legal obligations in the fields of environmental, social, equality or employment Law when providing the Deliverables.

11.4.2 If any of the events in 73(1) (a) or (b) of the Regulations happen, the Buyer has the right to immediately terminate the Contract and clauses 11.5.1.2 to 11.5.1.7 apply.

11.5 What happens if the Contract ends

11.5.1 Where the Buyer terminates the Contract under clause 10.9, 11.4, 7.8.2, 28.4.2, or Paragraph 39 of Part B Joint Controller Agreement (*Optional*) of Annex 1 – Processing Personal Data (if used), all of the following apply:

11.5.1.1 the Supplier is responsible for the Buyer's reasonable costs of procuring replacement Deliverables for the rest of the term of the Contract;

11.5.1.2 the Buyer's payment obligations under the terminated Contract stop immediately;

11.5.1.3 accumulated rights of the Parties are not affected;

11.5.1.4 the Supplier must promptly delete or return the Government Data except where required to retain copies by Law;

11.5.1.5 the Supplier must promptly return any of the Buyer's property provided under the Contract;

11.5.1.6 the Supplier must, at no cost to the Buyer, give all reasonable assistance to the Buyer and any incoming supplier and co-operate fully in the handover and re-procurement; and

11.5.1.7 the Supplier must repay to the Buyer all the Charges that it has been paid in advance for Deliverables that it has not provided as at the date of termination or expiry.

11.5.2 The following clauses survive the expiry or termination of the Contract: 1, 4.2.9, 5, 7, 8.4, 10, 11.5, 12, 14, 15, 16, 18, 19, 32.2.2, 36 and 37 and any clauses which are expressly or by implication intended to continue.

11.6 When the Supplier can end the Contract and what happens when the contract ends (Buyer and Supplier termination)

11.6.1 The Supplier can issue a reminder notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate the Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the total Contract value or £1,000, whichever is the lower, within 30 days of the date of the reminder notice.

11.6.2 Where the Buyer terminates the Contract in accordance with clause 11.3 or the Supplier terminates the Contract under clause 11.6 or 23.4:

11.6.2.1 the Buyer must promptly pay all outstanding charges incurred by the Supplier;

11.6.2.2 the Buyer must pay the Supplier reasonable committed and unavoidable losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated; and

11.6.2.3 clauses 11.5.1.2 to 11.5.1.7 apply.

11.6.3 The Supplier also has the right to terminate the Contract in accordance with Clauses 20.3 and 23.4.

11.7 Partially ending and suspending the Contract

11.7.1 Where the Buyer has the right to terminate the Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends the Contract it can provide the Deliverables itself or buy them from a third party.

11.7.2 The Buyer can only partially terminate or suspend the Contract if the remaining parts of it can still be used to effectively deliver the intended purpose.

11.7.3 The Parties must agree (in accordance with clause 25) any necessary variation required by clause 11.7, but the Supplier may not either:

11.7.3.1 reject the variation; or

11.7.3.2 increase the Charges, except where the right to partial termination is under clause 11.3.

11.7.4 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under clause 11.7.

12 HOW MUCH YOU CAN BE HELD RESPONSIBLE FOR

12.1 Each Party's total aggregate liability under or in connection with the Contract (whether in tort, contract or otherwise) is no more than 125% of the Charges paid or payable to the Supplier.

12.2 No Party is liable to the other for:

12.2.1 any indirect losses; and/or

12.2.2 loss of profits, turnover, savings, business opportunities or damage to goodwill (in each case whether direct or indirect).

12.3 In spite of clause 12.1, neither Party limits or excludes any of the following:

12.3.1 its liability for death or personal injury caused by its negligence, or that of its employees, agents or Subcontractors;

12.3.2 its liability for bribery or fraud or fraudulent misrepresentation by it or its employees; or

12.3.3 any liability that cannot be excluded or limited by Law.

12.4 In spite of clause 12.1, the Supplier does not limit or exclude its liability for any indemnity given under clauses 8.4, 9.3.2, 10.6, or 32.2.2.

12.5 In spite of clause 12.1, the Buyer does not limit or exclude its liability for any indemnity given under clause 8.5.

- 12.7 Each Party must use all reasonable endeavours to mitigate any loss or damage which it suffers under or in connection with the Contract, including any indemnities.
- 12.8 If more than one Supplier is party to the Contract, each Supplier Party is fully responsible for both their own liabilities and the liabilities of the other Suppliers.

Annex 2 – Specification

1. The Statement of Requirements and Scope

ANNEX 1

DWP Hearing Impaired Access Pilot

1. Background to the Client

The Department for Work and Pensions (the **Client**) is responsible for welfare, pensions and child maintenance policy. As the UK's biggest public service department, it administers the State Pension and a range of working age, disability and ill health benefits to around 20 million claimants and customers.

The Client delivers these services across England, Wales and Scotland across a diverse estate of c.715 buildings. This number is made up primarily of Job Centre Plus offices, which the Client refers to as its 'front-of-House' estate, but also includes Health Assessment Centres and back offices. The back-office sites or 'back-of-House' estate consists of corporate centres, large processing centres and service centres very similar to call centre environments, which are not open to the public. The Client's estate is geographically dispersed due to the high street nature of the Job Centre Plus and Health Assessment Centre portfolio - requiring local presence to serve customers.

2. Background to the Client's Requirements

The DWP Design Standards Team wish to review and update guidance to inform inclusive design for our buildings and adaptations under reasonable adjustments (RAST).

This approach was selected to support the DWP Design Team in the requirement of a service to obtain impartial and independent advice from a national and respected authority in the UK. By commissioning "sample" surveys across a range of sites DWP hope to gain valuable independent insight to inform DWP's approach to the wider estate and RAST.

A one off pilot of four DWP sites is proposed to complement existing options, by exploring independent and impartial advice from the Royal National institute(s) of deaf people (RNID), the nation's leading hearing loss charity in the UK.

This pilot would demonstrate positive action regarding inclusion and is intended to discover additional benefits over what existing/other supply chain options could provide, develop DWP's greater understanding as the DWP intelligent client, innovate and update DWP design standards guidance, and share outputs with the Accessibility Services supplier who will be appointed after April 2025, and project delivery e.g. RAST.

3. The Client's Requirements

This requirement is for the Supplier to:

Objectives:

- Assess the accessibility of four DWP sites for people who are deaf, have hearing loss, or tinnitus.
- Make recommendations for improvements to these sites.
- Provide best practice recommendations for the entire DWP estate.
- Advise on modifications to existing DWP design guidance and GPA guidance to improve the accessibility of the DWP estate for the deaf and hard of hearing community.

Pre-Visit Preparation:

- DWP will identify four sites to be visited, including two variations of Job Centre Plus, one hub, and one service centre.
- RNID and DWP will mutually agree on the selected sites.

- DWP will provide RNID with relevant materials for each site, including floor plans, details of space usage, specific areas of focus, and arrival information.
- Approximately one week before the first site visit, RNID and DWP will have a pre-visit call to ensure all necessary information has been shared and an agenda for the day is agreed upon.

Site Visits:

- A team of **two specialist** RNID representatives (one technology specialist and one specialist in accessible workplaces) will conduct approximately a 3-hour site visit at each of the agreed sites.
- They will evaluate the environment for both colleagues and visitors, focusing on assistive technology, the suitability of the working environment, the acoustic quality of the working environment in comparison to contemporary thinking, and other accessibility-related factors.
- Each visit will focus on a few representative rooms at each site.
- A DWP staff member, sufficiently briefed and involved in the project, will accompany each site visit to provide context and assist with on-site queries.

Post-Visit Debrief:

- Following each site visit, RNID will provide initial feedback in a call of up to 30 minutes to debrief on the process and ensure maximum benefit from follow-up reporting.

Follow-Up and Reporting:

- Once all site visits are complete, RNID will prepare a report summarising key findings, recommendations for improving the physical environment, assistive technology, or work practices, and general recommendations for best practice across the DWP estate.
- Cross reference any inclusive guidance highlighting measurable qualities.
- **Two follow-up calls are proposed:**
 - The first call will share the findings from the site assessments and recommendations for improving accessibility at the sites.
 - The second call will focus on recommendations for best practice across the wider DWP estate.
- DWP will have the opportunity to ask questions about the findings and recommendations during each call.

This 'Service' is required from contract award until 31 March 2025.

The proposed sites for surveys are:

- **Hub (Yorkshire: Sheffield Kings Court)**
- **Service Centre (Central: Pedmore House)**
- **JCP – Medium (Southern: Worthing Crown House)**
- **JCP – Small (Wales: Pwllheli Lower Cardiff Road)**
- **Plus, Quarry House on a call off basis if time allows.** (However, the call off scope is not yet determined for this site as DWP wish to develop and agree the scope under the supplier's day rate. DWP will not use this facility if they run out of time, and the scope will be tailored to specific requirements agreed within the available time.

b) Client Data

The Consultant is expected to arrange the BPSS checks at no additional charge.

All personnel must comply with the Client's Security Policy (Annex 2). The Consultant will only be expected to comply with those Security Policies and Standards that are applicable to their delivery model and technologies used.

Annex 2 - The Client's Expenses Policy

Circumstances where the *Employer* will not reimburse expenses incurred

1.1 The *Employer* will not reimburse routine costs incurred for travel to, or accommodation at, DWP project sites.

1.2 The *Employer* will not pay or be responsible for the payment of any fines or penalty charges in respect of private vehicles etc. during the undertaking of duties for the *Employer*.

2. Circumstances where the *Employer* will reimburse expenses incurred

2.1 The *Employer* will re-imburse necessary and reasonable business travel and accommodation costs incurred during the undertaking of duties for the *Employer* subject to the following:

2.1.1 All such expenses being agreed with the *Employer* in advance.

2.1.2 The rules for claiming expenses must be in accordance with this Contract Schedule 8 at the time the expense is incurred.

2.1.3 The Task requires a significantly higher volume of travel or accommodation than may usually be expected in the usual course of business.

2.1.4 All such expenses must have been incurred in performing the *services* away from their main base location and are minus the cost of travel to the usual place of work.

2.1.5 Appropriate documentary evidence, such as receipts and tickets, of such expenses being incurred is provided to the *Employer*.

2.1.6 The expenses must be submitted at the same time as the relevant timesheet.

3. General statements on Business Travel and Accommodation

3.1 Before committing to any travel arrangements the *Consultant* must discuss travelling needs with the *Employer* and assess whether the following could be used:

3.1.1 Video conferencing

3.1.2 Telephone conferencing

3.1.3 Web conferencing

3.1.4 Audio conferencing

3.1.5 The business needs to travel

3.1.6 The most economical and suitable means of travel, considering value for money and sustainability factors.

3.2 Business journeys must only be made when site attendance or face-to-face meetings is essential. Authorisation to travel must be received from the *Employer* before committing to make travel arrangements.

3.3 The most cost effective/value for money option should be obtained and the *Consultant* can use their own organisations' booking agent(s) or low-cost alternatives. Advantage should be taken of any offers for reduced travel (including advanced-purchase tickets/advanced-booking for rooms) or room rates. Alternatively, any claims for the cost of travel and accommodation must be evidenced with supporting documentation and receipts.

3.4 No organisational or personal benefit must be obtained arising from the promotions, offers, or reward schemes that ensue from official travel or accommodation paid for by the *Employer*, whether in advance or by refund. Where such promotions or offers are available, the *Consultant* should agree with the *Employer*, whenever possible, how to use any such benefits to offset against other expenses payable by the *Employer*.

3.5 The *Employer* reserves the right to reject claims for unreasonable expenses, or expenses which could have been avoided if a journey had been better planned.

4. Rates and Expenses Type

4.1 The types of expenses and the rates payable are given at Annex 1. The rates payable are subject to change.

4.2 Claims for mobile phone calls and internet use - costs for mobile telephone calls and Internet use cannot be claimed.

4.3 Public transport including rail travel - on public transport standard class travel must be used. First class travel is strictly prohibited irrespective of the duties undertaken.

4.4 The use of rail, 'Oyster' and other discount cards or schemes is encouraged if evidence is shown that these will save the *Employer* more than their cost.

4.5 Taxis - taxi fares may be reimbursed for business travel where their use is reasonable in the circumstances. Actual fares only can be claimed in the following circumstances:

4.5.1 Where there is no other suitable method of public transport

4.5.2 In exceptional and infrequent circumstances where the saving of official time is important

4.5.3 When heavy luggage must be handled

4.5.4 When shared by colleagues and the fare overall is cheaper than public transport

4.6 Air travel: claims for domestic air travel are not permitted unless the flight is over 300 miles. This limit is for one-way flights within the British mainland. For travel between the destinations shown below air travel is not permitted, journeys must be taken by rail:

4.6.1 Newcastle and London

4.6.2 Birmingham and Newcastle

4.6.3 Manchester and London

4.7 Economy-class air travel must always be booked when travelling on domestic flights within the UK. No business-class or first-class tickets must be booked on domestic flights regardless of the length/duration of journey.

4.8 Private motor vehicles and private vehicle use: the *Employer* aims to reduce mileage travelled in private motor vehicles undertaken by consultants. When considering the use of a vehicle on official business, the *Consultant* must only use their own vehicle for business journeys when there is no other practicable mode of transport including public transport. Permission must be gained from the *Employer* for each business journey carried out in a private vehicle.

4.9 Before undertaking such journeys the *Employer* must check that the *Consultant* holds a full current driving license. The private vehicle must be roadworthy and, where required, have a valid 'MOT' test certificate. The *Contractor's* personnel must ensure their motor vehicle insurance policy includes an 'employer indemnity' clause in addition to a business-use clause. It is the policyholder's responsibility to check with their insurance company that they have both types of cover. There are mileage restrictions of a maximum of 1,000 miles per financial year and 100 miles per day once authorisation has been obtained. Where the *Consultant* genuinely needs to travel more than 1,000 miles per year or 100 miles per day in their own vehicle, they must have written permission from the *Employer* in the form of business case authorised at least UG7 Grade. For daily journeys over 100 miles, an exemption is required only if it is likely to be a regular occurrence. One -off situations can be approved locally with no form required.

4.10 Reasons for granting permission must be clearly documented in a business case, whose format is identified at Annex 2, and retained for audit purposes.

4.11 Car park fees can be claimed on production of the appropriate documentary evidence. Receipts should be retained and provided to the *Employer*. However, the *Employer* will not provide remuneration for travel on toll-roads.

5. Overnight Accommodation

5.1 Hotel: where it is necessary for the *Consultant* to stay away from their main base location(s) to provide the services, then:

5.1.1 Expenses will only be reimbursed where it is not possible for the *Consultant* to stay at their home.

5.1.2 The following two principles must apply to any accommodation booking:

5.1.2.1 It must be as close to the site as possible and within a 5-mile radius; and

5.1.2.2 It must be the most economical option, having considered the whole trip cost, such as public transport costs, taxi fares and travelling time.

5.2 Regional maximum limits for claims for overnight hotel accommodation are included at Annex 1.

5.3 Lodging rate: where the *Consultant* elects to stay with friends or relatives rather than in a hotel or other commercial establishment, then the hotel rates do not apply. The lodging rate is payable at a flat rate to cover accommodation.

Annex 1

Expenses rates:

- *Expenses* are listed in the Travel & Accommodation Expenses tab within Attachment 4 – Commercial Envelope.

Expenses shall not be adjusted using Secondary Option X1 (Adjustment for inflation). The *expenses* are adjusted when the *Employer* makes an adjustment to the rates, and is at the sole discretion of the *Employer*.
