Delete existing clause 93.3 and 93.4 and replace with: 93.3 In the event of termination in respect of a contract relating to services there is no *Consultant's* share'

Z6 The Schedule of Cost Components The Schedule of Cost Components are as detailed in the Framework Schedule 9.

Z7 Consultant's share 54.1 The Service Manager assess the Consultant's share of the difference between the Aggregated Total of the Prices and the Aggregated Price for Service Provided to Date. The difference is divided into increments falling within each of the share ranges. The limits of a share range are the Aggregated Price for Service Provided to Date divided by the Aggregated Total of the Prices, expressed as a percentage. The Consultant's share equals the sum of the products of the increment within each share range and the corresponding *Consultant's* share percentage.
54.2 If the Aggregated Price for Service Provided to Date is less than the Aggregated Total of the Prices, the Consultant is paid its share of the saving. If the Aggregated Price for Service Provided to Date is greater than the Aggregated Total of the Prices, the *Consultant* pays its share of the excess. 54.2A If, prior to Completion of the whole of the service, the Price for Service Done to Date exceeds 111% of the total of the Prices, the amount in excess of 111% of the total of the Prices is retained from the Consultant. 54.3 If, prior to the Completion Date, the Price for Service Provided to Date exceeds 110% of the total of the Prices, the amount in excess of 110% of the total of the Prices is retained from the Consultant . 54.4 The Service Manager makes a preliminary assessment of the Consultant's share at Completion of the Whole of the service using forecasts of the final Aggregated Price for Service Provided to Date and the final Aggregated Total of Prices. This share is included in the amount due following Completion of the whole of the services.

54.5 The Service Manager makes a final assessment of the Consultant's share, using the final Aggregated Price for Service Provided to Date and the final Aggregated Total of the Prices. This share is included in the final amount due. 93.3 If there is a termination except if Z4 applies, the Service Manager assesses the Consultant's share after

certifying termination. The assessment uses as the Aggregated Price for Service Provided to Date the sum of the total of - the Defined Cost which the *Consultant* has paid and - which it is committed to pay for work done before termination the total of

in the partner contract before the date the termination certificate is issued under this contract.

The assessment uses as the Aggregated Total of the Prices the sum of the total of the lump sum price for each activity which has been completed and
a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed

 the total of - the lump sum price for each activity which has been completed and - a proportion of the lump sum price for each incomplete activity which is the proportion of the work in the activity which has been completed

11.2(25) The Aggregated Total of the Prices is sum of • the total of the Prices and • the total of the Prices in the partner contract

– which it is committed to pay

Z23 Linked contracts

- the Defined Cost which the *Consultant* or *Contractor* has paid and

11.2(26) The Aggregated Price for Service Provided to Date is the sum of the Price for Service Provided to Date and • the Price for Service Provided to Date or the Price for Work Done to Date in the partner contract.

Issues requiring redesign or rework on this contract due to a fault or error of the *Consultant* will neither be an allowable cost under this contract or any subsequent contract, nor will it be a Compensation event under this contract or any subsequent contract under this project or programme.

Z24 Requirement for Invoice Add the following sentence to the end of clause 51.1: The Party to which payment is due submits an invoice to the other Party for the amount to be paid within one week of the Service Manager's certificate.

Delete existing clause 51.2 and replace with: 51.2 Each certified payment is made by the later of • one week after the paying Party receives an invoice from the other Party and • three weeks after the assessment date, or, if a different period is stated in the Contract Data, within the period If a certified payment is late, or if a payment is late because the Service Manager has not issued a certificate which should be issued, interest is paid on the late payment. Interest is assessed from the date by which the late payment should have been made until the date when the late payment is made, and is included in the first assessment after the late payment is made

Z25 Risks and insurance The Consultant is required to submit insurances annually as Clause Z4 of the Framework Agreement

Z 29 Payment for Service Provided to Date Delete existing clause 11.2 (21) and replace with:

"11.2 (21) The Price for Service Provided to Date is the total Defined Cost which the Service Manager forecasts will have been paid by the Consultant before the next assessment date plus the Fee. The Price for Service Provided to Date shall not exceed the forecast for the same as provided under clause 20.5"

Z111 PSC - Fee adjustment for non compliance with Scope Delete existing 11.2 (8) and replace with the following clause

The Fee is the amount calculated by applying the fee percentage to the amount of the Defined Cost excluding the cost of Subcontractors that have not complied with procurement by best value processes as defined in the Scope. 80% of the fee percentage is applied to the amount of the Defined Cost for Subcontractors that have not complied with procurement by best value processes as defined in the Scope.

Z120 PSC - Carbon reduction Ref. (Clause No.) Clause words Add as Clause 11.2(36) (36) The Performance Table states the targets the *Consultant* is to achieve in Providing the Service and sets out the adjustment to payment if a measured performance is higher, the same or lower than its target. The Performance Table is the *performance table* unless later changed in accordance with the contract. In Clause 15.1 add as a new bullet between the second and third bullet: Early Warning "• result in a target in the Performance Table not being met. Delete Clause 42.2 and replace with: Accepting Defects 'If the Consultant and the Service Manager are prepared to consider the change, the Consultant submits a quotation to the Service Manager for acceptance including any combination of: • duced Prices •an earlier Completion Date •arevised programme •Ehanges to the Performance Table If the quotation is accepted, the Service Manager changes the Scope, the Prices, the Completion Date and the Performance Table accordingly and accepts the revised programme. Performance Measurements Add as Clause 57: From the starting date until the Completion Date, the Consultant reports to the Service Manager its performance against the targets in the Performance Table. Reports are provided at the intervals stated in the Performance Table. If the Consultant's performance against a target in the Performance Table is not achieving or is forecast not to achieve the performance target stated, it submits to the Service Manager for acceptance its proposals for improving performance. A reason for not accepting the proposals is that they will not provide the improvement in performance needed to achieve the target in the Performance Table. At the dates stated in the Performance Table, • if the relevant performance does not meet the target stated in the Performance Table, the Consultant pays the amount stated in the Performance Table, • if the relevant performance exceeds or meets the target stated in the Performance Table, the *Consultant* is paid the amount stated in the Performance Table. Information in the Performance Table is not Scope.
