INSURANCE REQUIREMENTS

1. OBLIGATION TO MAINTAIN INSURANCES

1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under a Call-Off Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than the earlier of:

1.1.1 the Call-Off Contract Effective Date; and

1.1.2 the date upon which the relevant risk commences.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent supplier in respect of risks insured in the international insurance market from time to time;

1.2.3 taken out and maintained with insurers of good financial standing, appropriately regulated and of good repute in the international insurance market; and

1.2.4 in respect of professional indemnity insurance as set out in the Annex to this Schedule, maintained for at least twelve (12) years after the End Date.

1.3 The Supplier shall ensure that the Third Party Public and Products Liability Insurance policy contains an indemnity under which the Buyer shall be indemnified in respect of claims made against the Buyer in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

1.4 The Supplier shall ensure its "All Risks" Insurance policy names the Buyer as a co-insured for its separate interest with attendant non vitiation, waiver of subrogation and notice of cancellation clauses.

1.5 Where specified in the Annex to this Schedule, the Supplier shall procure that insurers shall undertake to waive all rights of subrogation howsoever arising and/or claims against the Buyer its employees, servants or agents which they may have or acquire, arising out of any occurrence in respect of which any claim is admitted and is insured under relevant Insurances. The provisions of this Paragraph shall not apply against any Buyer officer, director, employee,

agent and assign who has caused or contributed to such an occurrence or claim by fraud, deliberate misrepresentation, deliberate non-disclosure or deliberate breach of policy condition.

2. GENERAL OBLIGATIONS

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

- 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent supplier acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
- 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware including discharging all its obligations under the Insurance Act 2015 when placing, renewing, amending or maintaining any Insurances including complying with the duty of fair presentation to insurers and taking the actions needed to protect the Buyer's separate interests; and
- 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. FAILURE TO INSURE

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.
- 3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Buyer may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. EVIDENCE OF POLICIES

- 4.1 The Supplier shall upon the Effective Date and within fifteen (15) Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Buyer, that the Insurances are in force and effect and meet in full the requirements of this Schedule including the Annex. Neither inspection, nor receipt of such evidence, shall constitute acceptance by the Buyer of the terms thereof, nor be a waiver of the Supplier's liability under this Contract.

5. AGGREGATE LIMIT OF INDEMNITY

- 5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit of indemnity "in the annual aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract which could reduce the level of cover available under this Contract then the Supplier shall notify the Buyer and provide details of its proposed solution for maintaining the minimum limit of indemnity.

6. CANCELLATION AND NON-INVALIDATION

- 6.1 The Supplier shall notify the Buyer in writing at least five (5) Working Days prior to the cancellation, suspension, termination or non-renewal of any of the Insurances.
- 6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Buyer (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

7. INSURANCE CLAIMS

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Buyer receives a claim relating to or arising out of this Contract or the Deliverables, the Supplier shall co-operate with the Buyer and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.
- 7.2 Except where the Buyer is the claimant party, the Supplier shall give the Buyer notice within twenty (20) Working Days after any insurance claim in excess of ten percent (10%) of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Buyer) full details of the incident giving rise to the claim.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the
