

Contract No: 701547457 (Formerly referred to as
FsASTC/00138)

For: C17 – Synthetic Training Service

SCHEDULE F

GOVERNMENT FURNISHED ASSETS

1. GOVERNMENT FURNISHED INFORMATION (GFI)

The Authority shall provide the following GFI:

Table 1. GFI required by Boeing.

Type	GFI Requirement	Purpose	Qty	Delivery Date/ Remarks
Information	Statement of Training Requirement (SOTR)	To enable BDUK to develop the Training Plan	1 per training year (TY)	To be delivered 6 months prior to commencing TY.
Information	Log on access to No 1 AIDU website (MilFLIP) for the purpose of accessing the following documents (non-exhaustive list): <i>Terminal Charts</i> <i>RAF Flight Information Handbook</i> <i>DoD FLIP – Flight Information Handbook</i> <i>DoD FLIP – General Planning</i> <i>DND FLIP GPH 205</i> <i>FSB OPS Notice 01/16</i>	Student training and Staff familiarisation. Data to facilitate the alignment of the simulator with real world navigational data	One log in for a single specified user.	Accounts already created, delivered and in use by Boeing Personnel

Type	GFI Requirement	Purpose	Qty	Delivery Date/ Remarks
	<p>Defence Training Operating Standards (DTOS), including any updates, for the purpose of accessing the following documents (non-exhaustive list):</p> <p><i>TO 1C-17A-1</i></p> <p><i>TO 1C-17A-1-1</i></p> <p><i>TO 1C-17A-1-2</i></p> <p><i>TO 1C-17A-1-4</i></p> <p><i>TO 1C-17A-1-4CL-1</i></p> <p><i>TO 1C-17A-1-4CL-1-1</i></p> <p><i>TO 1C-17A-1-4CL-2</i></p> <p><i>TO 1C-17A-1CL-1</i></p> <p><i>TO 1C-17A -1CL-1-1</i></p> <p><i>TO 1C-17A-1CL-2</i></p> <p><i>TO 1C-17A-5-1</i></p> <p><i>TO 1C-17A-5-2</i></p> <p><i>TO 1C-17A-9</i></p> <p><i>Full C17 Vol 01 Maintenance DTOS</i></p>	Student training and Staff familiarisation	One CD per month. The disc needs to be the same as issued to 99 Sqn personnel.	To be delivered by 99 Sqn TODO.

Type	GFI Requirement	Purpose	Qty	Delivery Date/ Remarks
Information	Interactive Electronic Technical Manual Set (IETMS) including any updates	Student training and Staff familiarisation.	N/A	This will replace DTOS for maintainers, has the same delivery procedure via 99 Sqn TODO.
Information	<p>Authority produced courseware (including but not limited to L-SPECS and A-SPECS). The following courses are identified (non-exhaustive list):</p> <p><i>Pilot Refresher</i></p> <p><i>Co-pilot to Captain</i></p> <p><i>Pilot NVG Continuation</i></p> <p><i>Free Fall Airdrop</i></p> <p><i>Pilot Senior Officer Familiarisation</i></p> <p><i>Pilot QuaRT</i></p> <p><i>Pilot QFI</i></p>	<p>Student training and Staff familiarisation</p> <p>To allow ITC instructors to develop the required training profiles.</p>	<p>One electronic copy of all courseware applicable to any course identified in the SoW as Authority controlled.</p> <p>Initially and on every revision.</p>	

Information	<p>Access to MODNET for the purpose of accessing the following documents (non-exhaustive list):</p> <p><i>HQ 2 Group Operations Manual Part A Orders</i></p> <p><i>RAF C-17 Operations Manual Part B-Basic</i></p> <p><i>JSP 800 - Defence Movement & Transport Regulations</i></p> <p><i>HQ Air Airfield Location Directive</i></p> <p><i>2 Group Airfield Location Directory</i></p> <p><i>C-17 Minimum Equipment Sub-System List</i></p> <p><i>JSP 375 – MOD Health and Safety Handbook</i></p> <p><i>AP 119A-0200-1 Tri-Service Corrosion Manual</i></p> <p><i>JSP 317 – Storage and Handling of Fuels and Lubricants</i></p> <p><i>JSP 319 – Joint Service Safety Regulations for the</i></p>	Student training and Staff familiarisation.	Account access for 3 named users	Already delivered and in use.
-------------	--	---	----------------------------------	-------------------------------

<i>Storage, Handling and Use of Gases</i>			
<i>JSP 418 – Sustainable Development and Environmental Manual</i>			
<i>JSP 437 – Personal Protective Equipment</i>			
<i>JSP 515 – Hazardous Stores Information</i>			
<i>JSP 569 – Working at Height – Personal Protective Equipment</i>			
<i>AP 119F Series – Aircraft Ground Maintenance Equipment</i>			
<i>AP 119K Series – Lifting and Haulage Equipment</i>			
<i>AP 101B-6900- 2(R)1A – C17 Aircraft Maintenance Policy</i>			
<i>Aviation Engineering Standing Orders (AESO)</i>			
<i>Emergency Response Guidance for</i>			

Type	GFI Requirement	Purpose	Qty	Delivery Date/ Remarks
	<i>Aircraft Incidents Involving DG</i> <i>C-17 MOU</i> <i>RAF Brize Norton Flying Order Book (FOB)</i> <i>C-17 Release to Service</i> <i>DAP101A-1101-1 Air Transport Operations Manual</i> <i>AP3394 - RAF Aeromedical Evacuation Service</i>			
Information	C-17 Minimum Equipment List (AFI 11-2C-17)	Student training and Staff familiarisation.	1 electronic copy	Provided by 24 Sqn – To be updated on revision
Information	Jet Plans	Delivery of PIQ lessons where students are required to complete sortie planning.	1 electronic copy of each document	Provided by 24 Sqn – To be updated on request
Information	Met Pack-ups	Delivery of PIQ lessons where students are required to complete sortie planning.	1 electronic copy of each document	24 Sqn provided – update on request
Information	NOTAMS	Delivery of PIQ lessons where students are required to complete sortie planning.	1 electronic copy of each document	24 Sqn provided – update on request

2. GOVERNMENT FURNISHED EQUIPMENT (GFE)

The Authority shall provide the following GFE shown in Table 2:

Table 2. GFE required by Boeing.

Type	GFE Requirement	Purpose	Qty	Delivery Date/ Remarks
Equipment	Emergency Escape Breathing Device	Fitted safety equipment - at ITC	N/A	From Contract Commencement Date
Equipment	Emergency Passenger Oxygen System	Fitted safety equipment - at ITC	N/A	From Contract Commencement Date
Equipment	Crew Quick Don Oxygen Mask & Smoke Goggles	Fitted safety equipment - at ITC	N/A	From Contract Commencement Date
Equipment	Crew Life Jacket	Safety equipment - at ITC	N/A	From Contract Commencement Date
Equipment	Passenger Life Jacket	Safety equipment - at ITC	N/A	From Contract Commencement Date
Equipment	MODNET Laptops	Student training and Staff familiarisation. Used to satisfy GFI requirement.	2	From Contract Commencement Date

3. GOVERNMENT FURNISHED RESOURCES (GFR)

The Authority shall provide the following GFR shown in 3:

Table 3. GFR required by BDUK.

Type	GFR Requirement	Purpose	Qty	Delivery Date/ Remarks
Resource	FsAST, STANEVAL & 2 Gp TRA SMEs	To support system Accreditation, Course validation and acceptance	As Required, Subject to request and prior agreement of the Authority at such times as required.	In accordance with the timescales agreed by both Parties to support Acceptance and Accreditation activities
	Pilot Instructor	To support Course validation and acceptance	As Required, Subject to request and prior agreement of the Authority at such times as required.	In accordance with the timescales agreed by both Parties to support Acceptance and Accreditation activities
	Loadmaster Instructor	To support Course validation and acceptance	As Required, Subject to request and prior agreement of the Authority at such times as required.	In accordance with the timescales agreed by both Parties to support Acceptance and Accreditation activities
Resource	Maintenance SMEs /SEngO	To support Course validation and acceptance	As Required, Subject to request and prior agreement of the Authority at such times as required.	In accordance with the timescales agreed by both Parties to support Acceptance and Accreditation activities
Resource	24 Sqn MTS Instructors	To support Course validation and acceptance	As Required, Subject to request and prior agreement of the Authority at such times as required.	In accordance with the timescales agreed by both Parties to support Acceptance and Accreditation activities

5 LIST OF ACRONYMS AND ABBREVIATIONS

Table 1: Acronyms

Acronym	Explanation
AESO	Aviation Engineering Standing Orders
AFI	Air Force Instruction
AIDU	Aeronautical Info Directory Unit
AP	Aircraft Publications
A-SPEC	Assessment - Specifications
BDUK	Boeing Defence United Kingdom Ltd
CD	Calendar Day
DAP	Defence Air Publication
DG	Dangerous Goods
DoD	Department of Defence
DTOS	Defence Training Operating Standards
FLIPS	Flight Information Publications
FOB	Flying Order Block
FsAST	Flight Simulation and Synthetic Training
FSB	Flight Standardisation Board
GFA	Government Furnished Assets
GFD	Government Furnished Document
GFE	Government Furnished Equipment
GFI	Government Furnished Information
GPH	Government Publication Handbook
HQ	Headquarters
IETMS	Interactive Engineering Technical Manual System
ITC	International Training Centre
JSP	Joint Service Publication
L-SPECS	Learning – Specifications
MOD	Military of Defence
MODNET	Military of Defence Network
MOU	Method of Understanding
MTS	Maintenance Training School
NOTAMS	Notice to Airmen
NVG	Night Vision Goggles

PIQ	Pilot Initial Qualification
QFI	Qualified Flying Instructor
RAF	Royal Air Force
SME	Subject Matter Expert
SOTR	Schedule of Training Requirement
SoW	Statement of Work
TDOL	Technical Documentation On Line
TO	Technical Order
TODO	Technical Order Data Officer
TRA	Training Requirements Authority
TY	Training Year

Table 2: Abbreviations

Abbreviation	Explanation
Gp	Group
Met	Meteorological
MilFLIP	Military Flight Information Publications
Ops	Operations
QuaRT	Quarterly
SEngO	Senior Engineering Officer
Sqn	Squadron
STANEVAL	Standards and Evaluation
