The minimum period for the written notice shall be as specified in the Call Off Order Form.

C. CALL OFF CONTRACT PERFORMANCE

PROJECT PLAN

Formation of Project Plan

Where a Project Plan has not been agreed and included in Call Off Schedule 4 (Project Plan) on the Call Off Commencement Date, but the Customer has specified in the Call Off Order Form that the Supplier shall provide a draft Project Plan prior to the commencement of the provision of the Services, the Supplier's draft must contain information at the level of detail necessary to manage the project effectively and as the Customer may require. The draft Project Plan shall take account of all dependencies known to, or which should reasonably be known to, the Supplier.

The Supplier shall submit the draft Project Plan to the Customer for Approval (such decision of the Customer to Approve or not shall not be unreasonably delayed or withheld) within such period as specified by the Customer in the Call Off Order Form.

The Supplier shall perform each of the Deliverables identified in the Project Plan by the applicable date assigned to that Deliverable in the Project Plan so as to ensure that each Milestone identified in the Project Plan is Achieved on or before its Milestone Date.

The Supplier shall monitor its performance against the Project Plan and Milestones (if any) and any other requirements of the Customer as set out in this Call Off Contract and report to the Customer on such performance.

Control of Project Plan

Subject to Clause 0, the Supplier shall keep the Project Plan under review in accordance with the Customer's instructions and ensure that it is maintained and updated on a regular basis as may be necessary to reflect the then current state of the provision of the Services. The Customer shall have the right to require the Supplier to include any reasonable changes or provisions in each version of the Project Plan.

Changes to the Milestones (if any), Milestone Payments (if any) and Delay Payments (if any) shall only be made in accordance with the Variation Procedure and provided that the Supplier shall not attempt to postpone any of the Milestones using the Variation Procedure or otherwise (except in the event of a Customer Cause which affects the Supplier's ability to achieve a Milestone by the relevant Milestone Date).

Where so specified by the Customer in the Project Plan or elsewhere in this Call Off Contract, time in relation to compliance with a date, Milestone Date or period shall be of the essence and failure of the Supplier to comply with such date, Milestone Date or period shall be a material Default unless the Parties expressly agree otherwise.

Rectification of Delay

If the Supplier becomes aware that there is, or there is reasonably likely to be, a Delay under this Call Off Contract:

it shall:

notify the Customer as soon as practically possible and no later than within two (2) Working Days from becoming aware of the Delay or anticipated Delay;

include in its notification an explanation of the actual or anticipated impact of the Delay;

comply with the Customer's instructions in order to address the impact of the Delay or anticipated Delay; and

use all reasonable endeavours to eliminate or mitigate the consequences of any Delay or anticipated Delay; and

if the Delay or anticipated Delay relates to a Milestone in respect which a Delay Payment has been specified in the Project Plan, Clause 0 (Delay Payments) shall apply.

Delay Payments

If Delay Payments have been included in the Project Plan and a Milestone has not been achieved by the relevant Milestone Date, the Supplier shall pay to the Customer such Delay Payments (calculated as set out by the Customer in the Project Plan) and the following provisions shall apply:

the Supplier acknowledges and agrees that any Delay Payment is a price adjustment and not an estimate of the Loss that may be suffered by the Customer as a result of the Supplier's failure to Achieve the corresponding Milestone;

Delay Payments shall be the Customer's exclusive financial remedy for the Supplier's failure to Achieve a corresponding Milestone by its Milestone Date except where:

the Customer is otherwise entitled to or does terminate this Call Off Contract pursuant to Clause 0 (Customer Termination Rights) except Clause 0 (Termination Without Cause); or

the delay exceeds the number of days (the "**Delay Period Limit**") specified in Call Off Schedule 4 (Project Plan) for the purposes of this sub-Clause, commencing on the relevant Milestone Date;

the Delay Payments will accrue on a daily basis from the relevant Milestone Date and shall continue to accrue until the date when the Milestone is Achieved (unless otherwise specified by the Customer in the Project Plan);

no payment or concession to the Supplier by the Customer or other act or omission of the Customer shall in any way affect the rights of the Customer to recover the Delay Payments or be deemed to be a waiver of the right of the Customer to recover any such damages unless such waiver complies with Clause 0 (Waiver and Cumulative Remedies) and refers specifically to a waiver of the Customer's rights to claim Delay Payments; and

the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 0 and Delay Payments shall not be subject to or count towards any limitation on liability set out in Clause 0 (Liability).

SERVICES

Provision of the Services

The Supplier acknowledges and agrees that the Customer relies on the skill and judgment of the Supplier in the provision of the Services and the performance of its obligations under this Call Off Contract.

The Supplier shall ensure that the Services:

in which case, the Supplier shall not proceed with the proposed appointment.

If:

the Customer has not notified the Supplier that it objects to the proposed Sub-Contractor's appointment by the later of ten (10) Working Days of receipt of:

the Supplier's notice issued pursuant to Clause 0; and

any further information requested by the Customer pursuant to Clause 0; and

the proposed Sub-Contract is not a Key Sub-Contract which shall require the written consent of the Authority and the Customer in accordance with Clause 0 (Appointment of Key Sub-Contractors).

the Supplier may proceed with the proposed appointment.

Appointment of Key Sub-Contractors

The Authority and the Customer have consented to the engagement of the Key Sub-Contractors listed in Framework Schedule 7 (Key Sub-Contractors).

Where the Supplier wishes to enter into a new Key Sub-Contract or replace a Key Sub-Contractor, it must obtain the prior written consent of the Authority and the Customer (the decision to consent or otherwise not to be unreasonably withheld or delayed). The Authority and/or the Customer may reasonably withhold its consent to the appointment of a Key Sub-Contractor if any of them considers that:

the appointment of a proposed Key Sub-Contractor may prejudice the provision of the Services or may be contrary to its interests;

the proposed Key Sub-Contractor is unreliable and/or has not provided reliable goods and/or reasonable services to its other customers; and/or

the proposed Key Sub-Contractor employs unfit persons.

Except where the Authority and the Customer have given their prior written consent under Clause 0, the Supplier shall ensure that each Key Sub-Contract shall include:

provisions which will enable the Supplier to discharge its obligations under this Call Off Contract;

a right under CRTPA for the Customer to enforce any provisions under the Key Sub-Contract which confer a benefit upon the Customer;

a provision enabling the Customer to enforce the Key Sub-Contract as if it were the Supplier;

- a provision enabling the Supplier to assign, novate or otherwise transfer any of its rights and/or obligations under the Key Sub-Contract to the Customer or any Replacement Supplier;
- obligations no less onerous on the Key Sub-Contractor than those imposed on the Supplier under this Call Off Contract in respect of:
 - data protection requirements set out in Clauses 0 (Security Requirements), 0 (Protection of Customer Data) and 0 (Protection of Personal Data);
 - FOIA requirements set out in Clause 0 (Transparency and Freedom of Information);
 - the obligation set out in Clause 36.3 (Publicity and Branding);
 - the keeping of records in respect of the Services being provided under the Key Sub-Contract, including the maintenance of Open Book Data;
 - the conduct of audits set out in Clause 0 (Records, Audit Access & Open Book Data);
- provisions enabling the Supplier to terminate the Key Sub-Contract on notice on terms no more onerous on the Supplier than those imposed on the Customer under Clauses 0 (Customer Termination Rights), 0 (Termination by Either Party) and 0 (Consequences of Expiry or Termination) of this Call Off Contract;
- a provision restricting the ability of the Key Sub-Contractor to Sub-Contract all or any part of the provision of the Services provided to the Supplier under the Sub-Contract without first seeking the written consent of the Customer;
- a provision, where a provision in Call Off Schedule 10 (Staff Transfer) imposes an obligation on the Supplier to provide an indemnity, undertaking or warranty, requiring the Key Sub-Contractor to provide such indemnity, undertaking or warranty to the Customer, Former Supplier or the Replacement Supplier as the case may be.

Supply Chain Protection

The Supplier shall ensure that all Sub-Contracts contain a provision:

- requiring the Supplier to pay any undisputed sums which are due from it to the Sub-Contractor within a specified period not exceeding thirty (30) days from the receipt of a Valid Invoice;
- requiring that any invoices submitted by a Sub-Contractor shall be considered and verified by the Supplier in a timely fashion and that undue delay in doing so shall not be sufficient justification for failing to regard an invoice as valid and undisputed;
- conferring a right to the Customer to publish the Supplier's compliance with its obligation to pay undisputed invoices to the Sub-Contractor within the specified payment period;

giving the Supplier a right to terminate the Sub-Contract if the Sub-Contractor fails to comply in the performance of the Sub-Contract with legal obligations in the fields of environmental, social or labour law; and

requiring the Sub-Contractor to include in any Sub-Contract which it in turn awards suitable provisions to impose, as between the parties to that Sub-Contract, requirements to the same effect as those required by this Clause 0.

The Supplier shall pay any undisputed sums which are due from it to a Sub-Contractor within thirty (30) days from the receipt of a Valid Invoice..

Any invoices submitted by a Sub-Contractor to the Supplier shall be considered and verified by the Supplier in a timely fashion. Undue delay in doing so shall not be sufficient justification for the Supplier failing to regard an invoice as valid and undisputed.

Notwithstanding any provision of Clauses 0 (Confidentiality) and 0 (Publicity and Branding) if the Supplier notifies the Customer that the Supplier has failed to pay an undisputed Sub-Contractor's invoice within thirty (30) days of receipt, or the Customer otherwise discovers the same, the Customer shall be entitled to publish the details of the late or non-payment (including on government websites and in the press).

The Supplier shall ensure that all Sub-Contracts with Sub-Contractors require the Sub-Contractor to comply with Clause 36.3 (Publicity and Branding).

Termination of Sub-Contracts

The Customer may require the Supplier to terminate:

a Sub-Contract where:

the acts or omissions of the relevant Sub-Contractor have caused or materially contributed to the Customer's right of termination pursuant to any of the termination events in Clause 0 (Customer Termination Rights) except Clause 0 (Termination Without Cause); and/or

the relevant Sub-Contractor or its Affiliates embarrass the Customer or other Crown Bodies; cause, permit, contribute or is in any way connected to material adverse publicity relating to or affecting the Customer or other Crown Bodies or the Framework; or bring the Customer or other Crown Bodies into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Customer or other Crown Bodies, regardless of whether or not such act or omission is related to the Supplier's obligations under this Framework Agreement; and/or

a Key Sub-Contract where there is a Change of Control of the relevant Key Sub-Contractor, unless:

the Customer has given its prior written consent to the particular Change of Control, which subsequently takes place as proposed; or

the Customer has not served its notice of objection within six (6) months of the later of the date the Change of Control took place or the date on which the Customer was given notice of the Change of Control.

Competitive Terms

If the Customer is able to obtain from any Sub-Contractor or any other third party more favourable commercial terms with respect to the supply of any materials, equipment, software, goods or services used by the Supplier or the Supplier Personnel in the supply of the Services, then the Customer may:

require the Supplier to replace its existing commercial terms with its Sub-Contractor with the more favourable commercial terms obtained by the Customer in respect of the relevant item; or

subject to Clause 0 (Termination of Sub-Contracts), enter into a direct agreement with that Sub-Contractor or third party in respect of the relevant item.

If the Customer exercises the option pursuant to Clause 0, then the Call Off Contract Charges shall be reduced by an amount that is agreed in accordance with the Variation Procedure.

The Customer's right to enter into a direct agreement for the supply of the relevant items is subject to:

the Customer making the relevant item available to the Supplier where this is necessary for the Supplier to provide the Services; and

any reduction in the Call Off Contract Charges taking into account any unavoidable costs payable by the Supplier in respect of the substituted item, including in respect of any licence fees or early termination charges.

Retention of Legal Obligations

Notwithstanding the Supplier's right to Sub-Contract pursuant to Clause 0 (Supply Chain Rights and Protection), the Supplier shall remain responsible for all acts and omissions of its Sub-Contractors and the acts and omissions of those employed or engaged by the Sub-Contractors as if they were its own.

G. PROPERTY MATTERS

CUSTOMER PREMISES

Licence to occupy Customer Premises

Any Customer Premises shall be made available to the Supplier on a non-exclusive licence basis free of charge and shall be used by the Supplier solely for the purpose of performing its obligations under this Call Off Contract. The Supplier shall have the use of such Customer Premises as licensee and shall vacate the same immediately upon completion, termination, expiry or abandonment of this Call Off Contract and in accordance with Call Off Schedule 9 (Exit Management).

The Supplier shall limit access to the Customer Premises to such Supplier Personnel as is necessary to enable it to perform its obligations under this Call Off Contract and the Supplier shall co-operate (and ensure that the Supplier Personnel co-operate) with such other persons working concurrently on such Customer Premises as the Customer may reasonably request.

Save in relation to such actions identified by the Supplier in accordance with Clause 0 (Due Diligence) and set out in the Call Off Order Form (or elsewhere in this Call Off Contract), should the Supplier require modifications to the Customer Premises, such modifications shall be subject to Approval and shall be carried out by the Customer at the Supplier's expense. The Customer shall undertake any modification work which it approves pursuant to this Clause 0 without undue delay. Ownership of such modifications shall rest with the Customer.

The Supplier shall observe and comply with such rules and regulations as may be in force at any time for the use of such Customer Premises and conduct of personnel at the Customer Premises as determined by the Customer, and the Supplier shall pay for the full cost of making good any damage caused by the Supplier Personnel other than fair wear and tear. For the avoidance of doubt, damage includes without limitation damage to the fabric of the buildings, plant, fixed equipment or fittings therein.

The Parties agree that there is no intention on the part of the Customer to create a tenancy of any nature whatsoever in favour of the Supplier or the Supplier Personnel and that no such tenancy has or shall come into being and, notwithstanding any rights granted pursuant to this Call Off Contract, the Customer retains the right at any time to use any Customer Premises in any manner it sees fit.

Security of Customer Premises

The Customer shall be responsible for maintaining the security of the Customer Premises in accordance with the Security Policy. The Supplier shall comply with the Security Policy and any other reasonable security requirements of the Customer while on the Customer Premises.

The Customer shall afford the Supplier upon Approval (the decision to Approve or not will not be unreasonably withheld or delayed) an opportunity to inspect its physical security arrangements.

CUSTOMER PROPERTY

Where the Customer issues Customer Property free of charge to the Supplier such Customer Property shall be and remain the property of the Customer and the Supplier irrevocably licences the Customer and its agents to enter upon any premises of the Supplier during normal business hours on reasonable notice to recover any such Customer Property.

The Supplier shall not in any circumstances have a lien or any other interest on the Customer Property and at all times the Supplier shall possess the Customer Property as fiduciary agent and bailee of the Customer.

The Supplier shall take all reasonable steps to ensure that the title of the Customer to the Customer Property and the exclusion of any such lien or other interest are brought to the notice of all Sub-Contractors and other appropriate persons and shall, at the Customer's request, store the Customer Property separately and securely and ensure that it is clearly identifiable as belonging to the Customer.

- The Customer Property shall be deemed to be in good condition when received by or on behalf of the Supplier unless the Supplier notifies the Customer otherwise within five (5) Working Days of receipt.
- The Supplier shall maintain the Customer Property in good order and condition (excluding fair wear and tear) and shall use the Customer Property solely in connection with this Call Off Contract and for no other purpose without Approval.
- The Supplier shall ensure the security of all the Customer Property whilst in its possession, either on the Sites or elsewhere during the supply of the Services, in accordance with the Customer's Security Policy and the Customer's reasonable security requirements from time to time.
- The Supplier shall be liable for all loss of, or damage to the Customer Property, (excluding fair wear and tear), unless such loss or damage was solely caused by a Customer Cause. The Supplier shall inform the Customer immediately of becoming aware of any defects appearing in or losses or damage occurring to the Customer Property.

SUPPLIER EQUIPMENT

- Unless otherwise stated in the Call Off Order Form (or elsewhere in this Call Off Contract), the Supplier shall provide all the Supplier Equipment necessary for the provision of the Services.
- The Supplier shall not deliver any Supplier Equipment nor begin any work on the Customer Premises without obtaining Approval.
- The Supplier shall be solely responsible for the cost of carriage of the Supplier Equipment to the Sites and/or any Customer Premises, including its off-loading, removal of all packaging and all other associated costs. Likewise on the Call Off Expiry Date the Supplier shall be responsible for the removal of all relevant Supplier Equipment from the Sites and/or any Customer Premises, including the cost of packing, carriage and making good the Sites and/or the Customer Premises following removal.
- All the Supplier's property, including Supplier Equipment, shall remain at the sole risk and responsibility of the Supplier, except that the Customer shall be liable for loss of or damage to any of the Supplier's property located on Customer Premises which is due to the negligent act or omission of the Customer.
- Subject to any express provision of the BCDR Plan to the contrary, the loss or destruction for any reason of any Supplier Equipment shall not relieve the Supplier of its obligation to supply the Services in accordance with this Call Off Contract.
- The Supplier shall maintain all Supplier Equipment within the Sites and/or the Customer Premises in a safe, serviceable and clean condition.
- The Supplier shall, at the Customer's written request, at its own expense and as soon as reasonably practicable:
- remove from the Customer Premises any Supplier Equipment or any component part of Supplier Equipment which in the reasonable opinion of the Customer is either hazardous, noxious or not in accordance with this Call Off Contract; and

replace such Supplier Equipment or component part of Supplier Equipment with a suitable substitute item of Supplier Equipment.

H. INTELLECTUAL PROPERTY AND INFORMATION

INTELLECTUAL PROPERTY RIGHTS

Allocation of title to IPR

Save as expressly granted elsewhere under this Call Off Contract:

the Customer shall not acquire any right, title or interest in or to the Intellectual Property Rights of the Supplier or its licensors, namely:

the Supplier Background IPR; and

the Third Party IPR.

the Supplier shall not acquire any right, title or interest in or to the Intellectual Property Rights of the Customer or its licensors, including the:

Customer Background IPR;

Customer Data; and

Project Specific IPRs.

Where either Party acquires, by operation of Law, title to Intellectual Property Rights that is inconsistent with the allocation of title set out in Clause 0, it shall assign in writing such Intellectual Property Rights as it has acquired to the other Party on the request of the other Party (whenever made).

Neither Party shall have any right to use any of the other Party's names, logos or trade marks on any of its products or services without the other Party's prior written consent.

Unless the Customer otherwise agrees in advance in writing (and subject to Clause 0):

Project Specific IPR Items shall be created in a format, or able to be converted into a format, which is:

suitable for publication by the Customer as Open Source; and

based on Open Standards (where applicable);

where the Project Specific IPR Items are written in a format that requires conversion before publication as Open Source or before complying with Open Standards, the Supplier shall also provide the converted format to the Customer.

Assignments granted by the Supplier: Project Specific IPR

The Supplier hereby assigns to the Customer with full guarantee (or shall procure from the first owner the assignment to the Customer), title to and all rights and interest in the Project Specific IPRs. The assignment under this Clause 0 shall take effect as a present assignment of future rights that will take effect immediately on the coming into existence of the relevant Project Specific IPRs.

The Supplier shall promptly execute all such assignments as are required to ensure that any rights in the Project Specific IPRs are properly transferred to the Customer.

To the extent that it is necessary to enable the Customer to obtain the full benefits of ownership of the Project Specific IPRs, the Supplier hereby grants to the Customer and shall procure that any relevant third party licensor shall grant to the Customer a perpetual, irrevocable, non-exclusive, assignable, royalty-free licence to use, sub-license and/or commercially exploit any Supplier Background IPRs or Third Party IPRs that are embedded in or which are an integral part of the Project Specific IPR Items.

Licences granted by the Supplier: Supplier Background IPR

The Supplier hereby grants to the Customer a perpetual, royalty-free and non-exclusive licence to use the Supplier Background IPR for any purpose relating to the Services (or substantially equivalent Services) or for any purpose relating to the exercise of the Customer's (or, if the Customer is a Central Government Body, any other Central Government Body's) business or function.

At any time during the Call Off Contract Period or following the Call Off Expiry Date, the Supplier may terminate a licence granted in respect of the Supplier Background IPR under Clause 0 by giving thirty (30) days' notice in writing (or such other period as agreed by the Parties) if there is a Customer Cause which constitutes a material breach of the terms of 0 which, if the breach is capable of remedy, is not remedied within twenty (20) Working Days after the Supplier gives the Customer written notice specifying the breach and requiring its remedy.

In the event the licence of the Supplier Background IPR is terminated pursuant to Clause 0, the Customer shall:

immediately cease all use of the Supplier Background IPR;

at the discretion of the Supplier, return or destroy documents and other tangible materials that contain any of the Supplier Background IPR, provided that if the Supplier has not made an election within six (6) months of the termination of the licence, the Customer may destroy the documents and other tangible materials that contain any of the Supplier Background IPR; and

ensure, so far as reasonably practicable, that any Supplier Background IPR that is held in electronic, digital or other machine-readable form ceases to be readily accessible (other than by the information technology staff of the Customer) from any computer, word processor, voicemail system or any other device containing such Supplier Background IPR.

Customer's right to sub-license

The Customer may sub-license:

the rights granted under Clause 0 (Licence granted by the Supplier: Supplier Background IPR) to a third party (including for the avoidance of doubt, any Replacement Supplier) provided that:

the sub-licence is on terms no broader than those granted to the Customer; and

the sub-licence only authorises the third party to use the rights licensed in Clause 0 (Licence granted by the Supplier: Supplier Background IPR) for purposes relating to the Services (or substantially equivalent Services) or for any purpose relating to the exercise of the Customer's (or, if the Customer is a Central Government Body, any other Central Government Body's) business or function; and

the rights granted under Clause 0 (Licence granted by the Supplier: Supplier Background IPR) to any Approved Sub-Licensee to the extent necessary to use and/or obtain the benefit of the Project Specific IPR provided that the sub-licence is on terms no broader than those granted to the Customer.

Customer's right to assign/novate licences

The Customer may assign, novate or otherwise transfer its rights and obligations under the licences granted pursuant to Clause 0 (Licence granted by the Supplier: Supplier Background IPR) to:

a Central Government Body; or

to any body (including any private sector body) which performs or carries on any of the functions and/or activities that previously had been performed and/or carried on by the Customer.

Where the Customer is a Central Government Body, any change in the legal status of the Customer which means that it ceases to be a Central Government Body shall not affect the validity of any licence granted in Clause 0 (Licences granted by the Supplier: Supplier Background IPR). If the Customer ceases to be a Central Government Body, the successor body to the Customer shall still be entitled to the benefit of the licences granted in Clause 0 (Licence granted by the Supplier: Supplier Background IPR).

If a licence granted in Clause 0 (Licence granted by the Supplier: Supplier Background IPR) is novated under Clause 34.5.1 or there is a change of the Customer's status pursuant to Clause 0 (both such bodies being referred to as the "**Transferee**"), the rights acquired by the Transferee shall not extend beyond those previously enjoyed by the Customer.

Third Party IPR

The Supplier shall procure that the owners or the authorised licensors of any Third Party IPR grant a direct licence to the Customer on terms at least equivalent to those set out in Clause 0 (Licence granted by the Supplier: Supplier Background IPR) and Clause 0 (Customer's right to assign/novate licences). If the Supplier cannot obtain for the Customer a licence in accordance with the licence terms set out in Clause 0 (Licences granted by the Supplier: Supplier Background IPR) and Clause 0 (Customer's right to assign/novate licences) in respect of any such Third Party IPR, the Supplier shall:

notify the Customer in writing giving details of what licence terms can be obtained from the relevant third party and whether there are alternative providers which the Supplier could seek to use; and

only use such Third Party IPR if the Customer Approves the terms of the licence from the relevant third party.

Should the Supplier become aware at any time, including after termination, that the Project Specific IPRs contain any Intellectual Property Rights for which the Customer does not have a licence, then the Supplier must notify the Customer within 10 days of what those rights are and which parts of the Project Specific IPRs they are found in.

Without prejudice to any other right or remedy of the Customer, if the Supplier becomes aware at any time, including after termination, that any Intellectual Property Rights for which the Customer does not have a licence in accordance with Clause 0 subsist in the Project Specific IPR Items, then the Supplier must notify the Customer within 10 days of what those rights are and which parts of the Project Specific IPR Items they are found in.

Licence granted by the Customer

The Customer hereby grants to the Supplier a royalty-free, non-exclusive, non-transferable licence during the Call Off Contract Period to use the Customer Background IPR, the Project Specific IPRs and the Customer Data solely to the extent necessary for providing the Services in accordance with this Call Off Contract, including (but not limited to) the right to grant sub-licences to Sub-Contractors provided that:

any relevant Sub-Contractor has entered into a confidentiality undertaking with the Supplier on the same terms as set out in Clause 0 (Confidentiality); and

the Supplier shall not without Approval use the licensed materials for any other purpose or for the benefit of any person other than the Customer.

Termination of licenses

Subject to Clause 0 (Licence granted by the Supplier: Supplier Background IPR), all licences granted pursuant to Clause 0 (Intellectual Property Rights) (other than those granted pursuant to Clause 0 (Third Party IPR) and 0 (Licence granted by the Customer)) shall survive the Call Off Expiry Date.

The Supplier shall, if requested by the Customer in accordance with Call Off Schedule 9 (Exit Management), grant (or procure the grant) to the Replacement Supplier of a licence to use any Supplier Background IPR and/or Third Party IPR on terms equivalent to those set out in Clause 0 (Licence granted by the Supplier: Supplier Background IPR) subject to the Replacement Supplier entering into reasonable confidentiality undertakings with the Supplier.

The licence granted pursuant to Clause 0 (Licence granted by the Customer) and any sub-licence granted by the Supplier in accordance with Clause 0 (Licence granted by the Customer) shall terminate automatically on the Call Off Expiry Date and the Supplier shall:

immediately cease all use of the Customer Background IPR and the Customer Data (as the case may be);

at the discretion of the Customer, return or destroy documents and other tangible materials that contain any of the Customer Background IPR and the Customer Data, provided that if the Customer has not made an election within six months of the termination of the licence, the Supplier may destroy the documents and other tangible materials that contain any of the Customer Background IPR and the Customer Data (as the case may be); and

ensure, so far as reasonably practicable, that any Customer Background IPR and Customer Data that are held in electronic, digital or other machine-readable form ceases to be readily accessible from any computer, word processor, voicemail system or any other device of the Supplier containing such Customer Background IPR and/or Customer Data.

IPR Indemnity

The Supplier shall, during and after the Call Off Contract Period, on written demand, indemnify the Customer against all Losses incurred by, awarded against, or agreed to be paid by the Customer (whether before or after the making of the demand pursuant to the indemnity hereunder) arising from an IPR Claim.

If an IPR Claim is made, or the Supplier anticipates that an IPR Claim might be made, the Supplier may, at its own expense and sole option, either:

procure for the Customer the right to continue using the relevant item which is subject to the IPR Claim; or

replace or modify the relevant item with non-infringing substitutes provided that:

the performance and functionality of the replaced or modified item is at least equivalent to the performance and functionality of the original item;

the replaced or modified item does not have an adverse effect on any other Services;

there is no additional cost to the Customer; and

the terms and conditions of this Call Off Contract shall apply to the replaced or modified Services.

If the Supplier elects to procure a licence in accordance with Clause 0 or to modify or replace an item pursuant to Clause 0, but this has not avoided or resolved the IPR Claim, then:

the Customer may terminate this Call Off Contract by written notice with immediate effect; and

without prejudice to the indemnity set out in Clause 33.9.1, the Supplier shall be liable for all reasonable and unavoidable costs of the substitute Services including the additional

costs of procuring, implementing and maintaining the substitute items.

Open Source Publication

Subject to Clause 0, the Supplier agrees that the Customer may at its sole discretion publish as Open Source all or part of the Project Specific IPR Items after the Call Off Commencement Date (such date to be notified by the Customer to the Supplier).

Subject to Clause 0, the Supplier hereby warrants that the Project Specific IPR Items:

- (a) are suitable for release as Open Source and that the Supplier has used reasonable endeavours when developing the same to ensure that publication by the Customer will not enable a third party to use the published Project Specific IPRs or Project Specific IPR Items in any way, which could reasonably be foreseen to compromise the operation, running or security of the Project Specific IPRs or the Customer System;
- (b) have been developed by the Supplier using reasonable endeavours to ensure that publication by the Customer of the same shall not cause any harm or damage to any party using the published Project Specific IPRs;
- (c) do not contain any material which would bring the Customer into disrepute upon publication as Open Source;
- (d) do not contain any IPRs which have not been licensed to the Customer under licence terms which permit the publication of the Project Specific IPR Items as Open Source by the Customer;
- (e) will be supplied in a format suitable for publication as Open Source (“the Open Source Publication Material”) no later than the date notified to the Supplier under Clause 0; and
- (f) do not contain any malicious software.

The Supplier hereby acknowledges and agrees that any Supplier Background IPRs which it includes in the Open Source Publication Material supplied to the Customer pursuant to Clause 0(e) and which have not been Approved for exclusion under Clause 0 will become Open Source and will hereby be licensed to the Customer under the Open Source licence terms adopted by the Customer and treated as such following publication by the Customer.

Where the Customer has Approved a request by the Supplier under Clause 0, for any part of the Project Specific IPRs to be excluded from the requirement to be in an Open Source format due to the intention to embed or integrate Supplier Background IPRs and/or Third Party IPRs (and where the Parties agree that such IPRs are not intended to be published as Open Source), the Supplier shall:

as soon as reasonably practicable, provide written details of the nature of the IPRs and items or Deliverables based on IPRs which are to be excluded from Open Source publication; and

include in the written details provided under Clause 0 0 information about the impact that inclusion of such IPRs and items or Deliverables based on such IPRs will have on any other Project Specific IPRs Items and the Customer's ability to publish such other items or Deliverables as Open Source.

SECURITY AND PROTECTION OF INFORMATION

Security Requirements

The Supplier shall comply with the Security Policy and the requirements of Call Off Schedule 7 (Security) including the Security Management Plan (if any) and shall ensure that the Security Management Plan produced by the Supplier fully complies with the Security Policy.

The Customer shall notify the Supplier of any changes or proposed changes to the Security Policy.

If the Supplier believes that a change or proposed change to the Security Policy will have a material and unavoidable cost implication to the provision of the Services it may propose a Variation to the Customer. In doing so, the Supplier must support its request by providing evidence of the cause of any increased costs and the steps that it has taken to mitigate those costs. Any change to the Call Off Contract Charges shall then be subject to the Variation Procedure.

Until and/or unless a change to the Call Off Contract Charges is agreed by the Customer pursuant to the Variation Procedure the Supplier shall continue to provide the Services in accordance with its existing obligations.

Protection of Customer Data

The Supplier shall not delete or remove any proprietary notices contained within or relating to the Customer Data.

The Supplier shall not store, copy, disclose, or use the Customer Data except as necessary for the performance by the Supplier of its obligations under this Call Off Contract or as otherwise Approved by the Customer.

To the extent that the Customer Data is held and/or Processed by the Supplier, the Supplier shall supply that Customer Data to the Customer as requested by the Customer and in the format (if any) specified by the Customer in the Call Off Order Form and, in any event, as specified by the Customer from time to time in writing.

The Supplier shall take responsibility for preserving the integrity of Customer Data and preventing the corruption or loss of Customer Data.

The Supplier shall perform secure back-ups of all Customer Data and shall ensure that up-to-date back-ups are stored off-site at an Approved location in accordance with any BCDR Plan or otherwise. The Supplier shall ensure that such back-ups are available to the Customer (or to such other person as the Customer may direct) at all times upon request and are delivered to the Customer at no less than six (6) Monthly intervals (or such other intervals as may be agreed in writing between the Parties).

The Supplier shall ensure that any system on which the Supplier holds any Customer Data, including back-up data, is a secure system that

complies with the Security Policy and the Security Management Plan (if any).

If at any time the Supplier suspects or has reason to believe that the Customer Data is corrupted, lost or sufficiently degraded in any way for any reason, then the Supplier shall notify the Customer immediately and inform the Customer of the remedial action the Supplier proposes to take.

If the Customer Data is corrupted, lost or sufficiently degraded as a result of a Default so as to be unusable, the Supplier may:

require the Supplier (at the Supplier's expense) to restore or procure the restoration of Customer Data to the extent and in accordance with the requirements specified in Call Off Schedule 8 (Business Continuity and Disaster Recovery) or as otherwise required by the Customer, and the Supplier shall do so as soon as practicable but not later than five (5) Working Days from the date of receipt of the Customer's notice; and/or

any legal challenge or potential legal challenge against the Customer arising out of or in connection with this Call Off Contract;

The Supplier shall give the Customer, on request, copies of all insurance policies referred to in Clause 0 or a broker's verification of insurance to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.

If, for whatever reason, the Supplier fails to give effect to and maintain the insurance policies required under Clause 0 the Customer may make alternative

arrangements to protect its interests and may recover the premium and other costs of such arrangements as a debt due from the Supplier.

The provisions of any insurance or the amount of cover shall not relieve the Supplier of any liability under this Call Off Contract. It shall be the responsibility of the Supplier to determine the amount of insurance cover that will be adequate to enable the Supplier to satisfy any liability in relation to the performance of its obligations under this Call Off Contract.

The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Customer (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

J. REMEDIES AND RELIEF

CUSTOMER REMEDIES FOR DEFAULT

Remedies

Without prejudice to any other right or remedy of the Customer howsoever arising and subject to the exclusive financial remedy provisions in Clause 0 (Delay Payments), if the Supplier commits any Default of this Call Off Contract then the Customer may (whether or not any part of the Services have been Delivered) do any of the following:

at the Customer's option, give the Supplier the opportunity (at the Supplier's expense) to remedy the Default together with any damage resulting from such Default (where such Default is capable of remedy) or to supply Replacement Services and carry out any other necessary work to ensure that the terms of this Call Off Contract are fulfilled, in accordance with the Customer's instructions;

carry out, at the Supplier's expense, any work necessary to make the provision of the Services comply with this Call Off Contract;

if the Default is a material Default that is capable of remedy (and for these purposes a material Default may be a single material Default or a number of Defaults or repeated Defaults - whether of the same or different obligations and regardless of whether such Defaults are remedied - which taken together constitute a material Default):

instruct the Supplier to comply with the Rectification Plan Process;

suspend this Call Off Contract (whereupon the relevant provisions of Clause 0 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) the Services;

without terminating or suspending the whole of this Call Off Contract, terminate or suspend this Call Off Contract in respect of part of the provision of the Services only (whereupon the relevant provisions of Clause 0 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) such part of the Good and/or Services;

Where the Customer exercises any of its step-in rights under Clauses 0 or 0, the Customer shall have the right to charge the Supplier for and the Supplier shall on demand pay any costs reasonably incurred by the Customer (including any reasonable administration costs) in respect of the supply of any part of the Services by the Customer or a third party and provided that the Customer uses its reasonable endeavours to mitigate any additional expenditure in obtaining Services.

Rectification Plan Process

Where the Customer has instructed the Supplier to comply with the Rectification Plan Process pursuant to Clause 0:

the Supplier shall submit a draft Rectification Plan to the Customer for it to review as soon as possible and in any event within 10 (ten) Working Days (or such other period as may be agreed between the Parties) from the date of Customer's instructions. The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Default giving rise to the Customer's request for a draft Rectification Plan.

the draft Rectification Plan shall set out:

full details of the Default that has occurred, including a cause analysis;

the actual or anticipated effect of the Default; and

the steps which the Supplier proposes to take to rectify the Default (if applicable) and to prevent such Default from recurring, including timescales for such steps and for the rectification of the Default (where applicable).

The Supplier shall promptly provide to the Customer any further documentation that the Customer requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with paragraph 0 of this Call Off Schedule 11 (Dispute Resolution Procedure).

The Customer may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

is insufficiently detailed to be capable of proper evaluation;

will take too long to complete;

will not prevent reoccurrence of the Default; and/or

will rectify the Default but in a manner which is unacceptable to the Customer.

The Customer shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Customer rejects the draft Rectification Plan, the Customer shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Customer for review within five (5) Working Days (or such other period as agreed between the Parties) of the Customer's notice rejecting the first draft.

If the Customer consents to the Rectification Plan, the Supplier shall immediately start work on the actions set out in the Rectification Plan.

SUPPLIER RELIEF DUE TO CUSTOMER CAUSE

If the Supplier has failed to:

Achieve a Milestone by its Milestone Date;

Not Used;

comply with its obligations under this Call Off Contract,

(each a "Supplier Non-Performance"),

and can demonstrate that the Supplier Non-Performance would not have occurred but for a Customer Cause, then (subject to the Supplier fulfilling its obligations in Clause 0 (Supplier Notification of Customer Cause)):

the Supplier shall not be treated as being in breach of this Call Off Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Customer Cause;

the Customer shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance to terminate this Call Off Contract pursuant to Clause 0 (Customer Termination Rights) except Clause 0 (Termination Without Cause);

where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:

the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Customer Cause;

if the Customer, acting reasonably, considers it appropriate, the Project Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Customer Cause;

if failure to Achieve a Milestone attracts a Delay Payment, the Supplier shall have no liability to pay any such Delay Payment associated with the Milestone to the extent that the Supplier can demonstrate that such failure was caused by the Customer Cause; and/or

Not used.

In order to claim any of the rights and/or relief referred to in Clause 0, the Supplier shall:
comply with its obligations under Clause 0 (Notification of Customer Cause); and

within ten (10) Working Days of becoming aware that a Customer Cause has caused, or is likely to cause, a Supplier Non-Performance, give the Customer notice (a “**Relief Notice**”) setting out details of:

the Supplier Non-Performance;

the Customer Cause and its effect on the Supplier’s ability to meet its obligations under this Call Off Contract; and

the relief claimed by the Supplier.

Following the receipt of a Relief Notice, the Customer shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Customer Cause and whether it agrees with the Supplier’s assessment set out in the Relief Notice as to the effect of the relevant Customer Cause and its entitlement to relief, consulting with the Supplier where necessary.

Without prejudice to Clauses 0 (Continuing obligation to provide the Services, if a Dispute arises as to:

whether a Supplier Non-Performance would not have occurred but for a Customer Cause; and/or

the nature and/or extent of the relief claimed by the Supplier,

either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

Any Variation that is required to the Project Plan or to the Call Off Contract Charges pursuant to Clause 0 shall be implemented in accordance with the Variation Procedure.

FORCE MAJEURE

Subject to the remainder of Clause 0 (and, in relation to the Supplier, subject to its compliance with any obligations in Clause 0 (Business Continuity and Disaster Recovery)), a Party may claim relief under Clause 0 from liability for failure to meet its obligations under this Call Off Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Call Off Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.

The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.

If the Supplier is the Affected Party, it shall not be entitled to claim relief under Clause 0 to the extent that consequences of the relevant Force Majeure Event:

are capable of being mitigated by any of the provision of any Services, including any BCDR Services, but the Supplier has failed to do so; and/or

should have been foreseen and prevented or avoided by a prudent provider of Services similar to the Services, operating to the standards required by this Call Off Contract.

Subject to Clause 0, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.

The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

Where, as a result of a Force Majeure Event:

an Affected Party fails to perform its obligations in accordance with this Call Off Contract, then during the continuance of the Force Majeure Event:

the other Party shall not be entitled to exercise any rights to terminate this Call Off Contract in whole or in part as a result of such failure unless the provision of the Services is materially impacted by a Force Majeure Event which endures for a continuous period of more than ninety (90) days; and

the Supplier shall not be liable for any Default and the Customer shall not be liable for any Customer Cause arising as a result of such failure;

the Supplier fails to perform its obligations in accordance with this Call Off Contract:

the Customer shall not be entitled:

during the continuance of the Force Majeure Event to exercise its step-in rights under Clause 0 and 0 (Customer Remedies for Default) as a result of such failure;

to receive Delay Payments pursuant to Clause 0 (Delay Payments) to the extent that the Achievement of any Milestone is affected by the Force Majeure Event; and

Not used;

the Supplier shall be entitled to receive payment of the Call Off Contract Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be provided in accordance with the terms of this Call Off Contract during the occurrence of the Force Majeure Event.

The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract.

Relief from liability for the Affected Party under Clause 0 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract and shall not be dependent on the serving of notice under Clause 0.

The Customer may notify the Supplier of the results of such tests after completion of each such test. If any such Customer's test adversely affects the Supplier's ability to deliver the Services so as to meet the Target Performance Levels, the Supplier shall be granted relief against any resultant under-performance for the period of the Customer's test.

Where any Security Test carried out pursuant to paragraphs 0 or 0 of this Call Off Schedule 7 reveals any actual or potential Breach of Security or weaknesses (including un-patched vulnerabilities, poor configuration and/or incorrect system management), the Supplier shall promptly notify the Customer of any changes to the ISMS and to the Security Management Plan (and the implementation thereof) which the Supplier proposes to make in order to correct such failure or weakness. Subject to the Customer's prior written Approval, the Supplier shall implement such changes to the ISMS and the Security Management Plan and repeat the relevant Security Tests in accordance with the timetable agreed with the Customer or, otherwise, as soon as reasonably possible. For the avoidance of doubt, where the change to the ISMS or Security Management Plan is to address a non-compliance with the Security Policy or security requirements (as set out in Annex 1 (Security) to this Call Off Schedule 7) or the requirements of this Call Off Schedule 7, the change to the ISMS or Security Management Plan shall be at no cost to the Customer.

If any repeat Security Test carried out pursuant to paragraph 0 of this Call Off Schedule 7 reveals an actual or potential Breach of Security exploiting the same root cause failure, such circumstance shall constitute a material Default of this Call Off Contract.

ISMS COMPLIANCE

The Customer shall be entitled to carry out such security audits as it may reasonably deem necessary in order to ensure that the ISMS maintains compliance with the principles and practices of ISO 27001 and/or the Security Policy.

If, on the basis of evidence provided by such security audits, it is the Customer's reasonable opinion that compliance with the principles and practices of ISO/IEC 27001 and/or the Security Policy are not being achieved by the Supplier, then the Customer shall notify the Supplier of the same and give the Supplier a reasonable time (having regard to the extent and criticality of any non-compliance and any other relevant circumstances) to implement and remedy. If the Supplier does not become compliant within the required time then the Customer shall have the right to obtain an independent audit against these standards in whole or in part.

If, as a result of any such independent audit as described in paragraph 0 of this Call Off Schedule 7 the Supplier is found to be non-compliant with the principles and practices of ISO/IEC 27001 and/or the Security Policy then the Supplier shall, at its own expense, undertake those actions required in order to achieve the necessary compliance and shall reimburse in full the costs incurred by the Customer in obtaining such audit.

BREACH OF SECURITY

Either Party shall notify the other in accordance with the agreed security incident management process as defined by the ISMS upon becoming aware of any breach of security or any potential or attempted Breach of Security.

Without prejudice to the security incident management process, upon becoming aware of any of the circumstances referred to in paragraph 0 of this Call Off Schedule 7, the Supplier shall:

immediately take all reasonable steps (which shall include any action or changes reasonably required by the Customer) necessary to:

minimise the extent of actual or potential harm caused by any Breach of Security;

remedy such Breach of Security or any potential or attempted Breach of Security in order to protect the integrity of the Customer Property and/or Customer Assets and/or ISMS to the extent that this is within the Supplier's control;

apply a tested mitigation against any such Breach of Security or attempted Breach of Security and provided that reasonable testing has been undertaken by the Supplier, if the mitigation adversely affects the Supplier's ability to provide the Services, the Supplier shall be granted relief against any resultant under-performance for such period as the Customer, acting reasonably, may specify by written notice to the Supplier;

prevent a further Breach of Security or any potential or attempted Breach of Security in the future exploiting the same root cause failure;

supply any requested data to the Customer (or the Computer Emergency Response Team for UK Government ("GovCertUK")) on the Customer's request within two

(2) Working Days and without charge (where such requests are reasonably related to a possible incident or compromise); and

as soon as reasonably practicable provide to the Customer full details (using the reporting mechanism defined by the ISMS) of the Breach of Security or the potential or attempted Breach of Security, including a root cause analysis where required by the Customer.

In the event that any action is taken in response to a Breach of Security or potential or attempted Breach of Security that demonstrates non-compliance of the ISMS with the Security Policy or the requirements of this Call Off Schedule 7, then any required change to the ISMS shall be at no cost to the Customer.

Following each test, the Supplier shall take all measures requested by the Customer, (including requests for the re-testing of the BCDR Plan) to remedy any failures in the BCDR Plan and such remedial activity and re-testing shall be completed by the Supplier, at no additional cost to the Customer, by the date reasonably required by the Customer and set out in such notice.

For the avoidance of doubt, the carrying out of a test of the BCDR Plan (including a test of the BCDR Plan's procedures) shall not relieve the Supplier of any of its obligations under this Call Off Contract.

The Supplier shall also perform a test of the BCDR Plan in the event of any major reconfiguration of the Services or as otherwise reasonably requested by the Customer.

INVOCATION OF THE BCDR PLAN

In the event of a complete loss of service or in the event of a Disaster, the Supplier shall immediately invoke the BCDR Plan (and shall inform the Customer promptly of

the commencement of the provision of the Services or of any relevant part of the Services will be a Relevant Transfer in relation to the Transferring Former Supplier Employees; and

as a result of the operation of the Employment Regulations, the contracts of employment between each Former Supplier and the Transferring Former Supplier Employees (except in relation to any terms disapplied through the operation of regulation 10(2) of the Employment Regulations) shall have effect on and from the Relevant Transfer Date as if originally made between the Supplier and/or Notified Sub-Contractor and each such Transferring Former Supplier Employee.

Subject to Paragraph 6, the Customer shall procure that each Former Supplier shall comply with all its obligations under the Employment Regulations and shall perform and discharge all its obligations in respect of all the Transferring Former Supplier Employees in respect of the period up to (but not including) the Relevant Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions which in any case are attributable in whole or in part in respect of the period up to (but not including) the Relevant Transfer Date) and the Supplier shall make, and the Customer shall procure that each Former Supplier makes, any necessary apportionments in respect of any periodic payments.

FORMER SUPPLIER INDEMNITIES

Subject to Paragraphs 2.2 and 6, the Customer shall procure that each Former Supplier shall indemnify the Supplier and any Notified Sub-Contractor against any Employee Liabilities arising from or as a result of:

any act or omission by the Former Supplier in respect of any Transferring Former Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Former Supplier Employee arising before the Relevant Transfer Date;

the breach or non-observance by the Former Supplier arising before the Relevant Transfer Date of:

any collective agreement applicable to the Transferring Former Supplier Employees; and/or

any custom or practice in respect of any Transferring Former Supplier Employees which the Former Supplier is contractually bound to honour;

any proceeding, claim or demand by HMRC or other statutory authority in respect of any financial obligation including, but not limited to, PAYE and primary and secondary national insurance contributions:

in relation to any Transferring Former Supplier Employee, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations arising before the Relevant Transfer Date; and

in relation to any employee who is not a Transferring Former Supplier Employee and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Former Supplier

to the Supplier and/or any Notified Sub-Contractor as appropriate, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations in respect of the period to (but excluding) the Relevant Transfer Date;

a failure of the Former Supplier to discharge or procure the discharge of all wages, salaries and all other benefits and all PAYE tax deductions and national insurance contributions relating to the Transferring Former Supplier Employees in respect of the period to (but excluding) the Relevant Transfer Date;

any claim made by or in respect of any person employed or formerly employed by the Former Supplier other than a Transferring Former Supplier Employee for whom it is alleged the Supplier and/or any Notified Sub-Contractor as appropriate may be liable by virtue of this Call Off Contract and/or the Employment Regulations and/or the Acquired Rights Directive; and

any claim made by or in respect of a Transferring Former Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Former Supplier Employee relating to any act or omission of the Former Supplier in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from the failure by the Supplier or any Sub-Contractor to comply with regulation 13(4) of the Employment Regulations.

The indemnities in Paragraph 2.1 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Supplier or any Sub-Contractor whether occurring or having its origin before, on or after the Relevant Transfer Date including, without limitation, any Employee Liabilities:

arising out of the resignation of any Transferring Former Supplier Employee before the Relevant Transfer Date on account of substantial detrimental changes to his/her working conditions proposed by the Supplier or any Sub-Contractor to occur in the period from (and including) the Relevant Transfer Date; or

arising from the failure by the Supplier and/or any Sub-Contractor to comply with its obligations under the Employment Regulations.

If any person who is not identified by the Customer as a Transferring Former Supplier Employee claims, or it is determined in relation to any person who is not identified by the Customer as a Transferring Former Supplier Employee, that his/her contract of employment has been transferred from a Former Supplier to the Supplier and/or any Notified Sub-Contractor pursuant to the Employment Regulations or the Acquired Rights Directive then:

the Supplier shall, or shall procure that the Notified Sub-Contractor shall, within 5 Working Days of becoming aware of that fact, give notice in writing to the Customer and, where required by the Customer, to the Former Supplier; and

the Former Supplier may offer (or may procure that a third party may offer) employment to such person within 15 Working Days of the notification by the Supplier and/or the Notified Sub-Contractor or take such other reasonable steps as the Former Supplier considers appropriate to deal

with the matter provided always that such steps are in compliance with applicable Law.

If an offer referred to in Paragraph 2.3.2 is accepted, or if the situation has otherwise been resolved by the Former Supplier and/or the Customer, the Supplier shall, or shall procure that the Notified Sub-Contractor shall, immediately release the person from his/her employment or alleged employment.

If by the end of the 15 Working Day period specified in Paragraph 2.3.2:

no such offer of employment has been made;

such offer has been made but not accepted; or

the situation has not otherwise been resolved,

the Supplier and/or any Notified Sub-Contractor may within 5 Working Days give notice to terminate the employment or alleged employment of such person.

Subject to the Supplier and/or any Notified Sub-Contractor acting in accordance with the provisions of Paragraphs 2.3 to 2.5 and in accordance with all applicable proper employment procedures set out in Law, the Customer shall procure that the Former Supplier indemnifies the Supplier and/or any Notified Sub-Contractor (as appropriate) against all Employee Liabilities arising out of the termination of employment pursuant to the provisions of Paragraph 2.5 provided that the Supplier takes, or shall procure that the Notified Sub-Contractor takes, all reasonable steps to minimise any such Employee Liabilities.

The indemnity in Paragraph 2.6:

shall not apply to:

any claim for:

discrimination, including on the grounds of sex, race, disability, age, gender reassignment, marriage or civil partnership, pregnancy and maternity or sexual orientation, religion or belief; or

equal pay or compensation for less favourable treatment of part-time workers or fixed-term employees,

in any case in relation to any alleged act or omission of the Supplier and/or any Sub-Contractor; or

any claim that the termination of employment was unfair because the Supplier and/or Notified Sub-Contractor neglected to follow a fair dismissal procedure; and

shall apply only where the notification referred to in Paragraph 2.3.1 is made by the Supplier and/or any Notified Sub-Contractor (as appropriate) to the Customer and, if applicable, the Former Supplier, within 6 months of the Call Off Commencement Date.

If any such person as is described in Paragraph 2.3 is neither re-employed by the Former Supplier nor dismissed by the Supplier and/or any Notified Sub-Contractor within the time scales set out in Paragraph 2.5, such person shall be treated as having transferred to the Supplier or Notified Sub-Contractor and the Supplier shall, or shall procure that the Notified Sub-Contractor shall, comply with such obligations as may be imposed upon it under the Law.

- any statement communicated to or action undertaken by the Supplier or a Sub-Contractor to, or in respect of, any Transferring Former Supplier Employee before the Relevant Transfer Date regarding the Relevant Transfer which has not been agreed in advance with the Customer and/or the Former Supplier in writing;

 - in relation to any employee who is not a Transferring Former Supplier Employee, and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Former Supplier to the Supplier or a Sub-Contractor, to the extent that the proceeding, claim or demand by the HMRC or other

statutory authority relates to financial obligations arising on or after the Relevant Transfer Date;

a failure by the Supplier or any Sub-Contractor to comply with its obligations under Paragraph 2.8 above.

The indemnities in Paragraph 3.1 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Former Supplier whether occurring or having its origin before, on or after the Relevant Transfer Date including, without limitation, any Employee Liabilities arising from the Former Supplier's failure to comply with its obligations under the Employment Regulations.

The Supplier shall comply, and shall procure that each Sub-Contractor shall comply, with all its obligations under the Employment Regulations (including without limitation its obligation to inform and consult in accordance with regulation 13 of the Employment Regulations) and shall perform and discharge, and shall procure that each Sub-Contractor shall perform and discharge, all its obligations in respect of all the Transferring Former Supplier Employees, on and from the Relevant Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions and any other sums due under the Admission Agreement which in any case are attributable in whole or in part to the period from (and including) the Relevant Transfer Date) and any necessary apportionments in respect of any periodic payments shall be made between the Supplier and the Former Supplier.

PROCUREMENT OBLIGATIONS

Notwithstanding any other provisions of this Part B, where in this Part B the Customer accepts an obligation to procure that a Former Supplier does or does not do something, such obligation shall be limited so that it extends only to the extent that the Customer's contract with the Former Supplier contains a contractual right in that regard which the Customer may enforce, or otherwise so that it requires only that the Customer must use reasonable endeavours to procure that the Former Supplier does or does not act accordingly.

PENSIONS

The Supplier shall, and shall procure that each Sub-Contractor shall, comply with the pensions provisions in the following Annex.

ANNEX TO PART B: PENSIONS

for the applicable period either

after notice (for whatever reason) is given, in accordance with the other provisions of this Call Off Contract, to terminate the Agreement or any part of the Services; or

If an offer referred to in Paragraph 1.2.2 is accepted (or if the situation has otherwise been resolved by the Customer and/or the Former Supplier), the Supplier shall, or shall procure that the Sub-Contractor shall, immediately release the person from his/her employment or alleged employment.

If by the end of the fifteen (15) Working Day period specified in Paragraph 1.2.2:

the Supplier and/or the Sub-Contractor may within five (5) Working Days give notice to terminate the employment or alleged employment of such person.

PROCUREMENT OBLIGATIONS

Where in this Part C the Customer accepts an obligation to procure that a Former Supplier does or does not do something, such obligation shall be limited so that it extends only to the extent that the Customer's contract with the Former Supplier contains a contractual right in that regard which the Customer may enforce, or otherwise so that it requires only that the Customer must use reasonable endeavours to procure that the Former Supplier does or does not act accordingly.

Such change in the identity of the Supplier of such Services may constitute a Relevant Transfer to which the Employment Regulations and/or the Acquired Rights Directive will apply. The Customer and the Supplier further agree that, as a result of the operation of the Employment Regulations, where a Relevant Transfer occurs, the contracts of employment between the Supplier and the Transferring Supplier Employees (except in relation to any contract terms disapplied through operation of regulation 10(2) of the Employment Regulations) will have effect on and from the Service Transfer Date as if originally made between the Replacement Supplier and/or a Replacement Sub-Contractor (as the case may be) and each such Transferring Supplier Employee.

The Supplier shall, and shall procure that each Sub-Contractor shall, comply with all its obligations in respect of the Transferring Supplier Employees arising under the Employment Regulations in respect of the period up to (but not including) the Service Transfer Date and shall perform and discharge, and procure that each Sub-Contractor shall perform and discharge, all its obligations in respect of all the Transferring Supplier Employees arising in respect of the period up to (and including) the Service Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions and all such sums due as a result of any Fair Deal Employees' participation in the Schemes which in any case are attributable in whole or in part to the period ending on (and including) the Service Transfer Date) and any necessary apportionments in respect of any periodic payments shall be made between: (i) the Supplier and/or the Sub-Contractor (as appropriate); and (ii) the Replacement Supplier and/or Replacement Sub-Contractor.

Subject to Paragraph 2.4, where a Relevant Transfer occurs the Supplier shall indemnify the Customer and/or the Replacement Supplier and/or any Replacement Sub-Contractor against any Employee Liabilities arising from or as a result of:

- any act or omission of the Supplier or any Sub-Contractor in respect of any Transferring Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Supplier Employee whether occurring before, on or after the Service Transfer Date;

- the breach or non-observance by the Supplier or any Sub-Contractor occurring on or before the Service Transfer Date of:

- any collective agreement applicable to the Transferring Supplier Employees; and/or

- any other custom or practice with a trade union or staff association in respect of any Transferring Supplier Employees which the Supplier or any Sub-Contractor is contractually bound to honour;

any claim by any trade union or other body or person representing any Transferring Supplier Employees arising from or connected with any failure by the Supplier or a Sub-Contractor to comply with any legal obligation to such trade union, body or person arising on or before the Service Transfer Date;

any proceeding, claim or demand by HMRC or other statutory authority in respect of any financial obligation including, but not limited to, PAYE and primary and secondary national insurance contributions:

in relation to any Transferring Supplier Employee, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations arising on and before the Service Transfer Date; and

in relation to any employee who is not identified in the Supplier's Final Supplier Personnel List, and in respect of whom it is later alleged or determined that the Employment Regulations applied so as to transfer his/her employment from the Supplier to the Customer and/or Replacement Supplier and/or any Replacement Sub-Contractor, to the extent that the proceeding, claim or demand by HMRC or other statutory authority relates to financial obligations arising on or before the Service Transfer Date;

a failure of the Supplier or any Sub-Contractor to discharge or procure the discharge of all wages, salaries and all other benefits and all PAYE tax deductions and national insurance contributions relating to the Transferring Supplier Employees in respect of the period up to (and including) the Service Transfer Date);

any claim made by or in respect of any person employed or formerly employed by the Supplier or any Sub-Contractor other than a Transferring Supplier Employee identified in the Supplier's Final Supplier Personnel List for whom it is alleged the Customer and/or the Replacement Supplier and/or any Replacement Sub-Contractor may be liable by virtue of this Call Off Contract and/or the Employment Regulations and/or the Acquired Rights Directive; and

any claim made by or in respect of a Transferring Supplier Employee or any appropriate employee representative (as defined in the Employment Regulations) of any Transferring Supplier Employee relating to any act or omission of the Supplier or any Sub-Contractor in relation to its obligations under regulation 13 of the Employment Regulations, except to the extent that the liability arises from the failure by the Customer and/or Replacement Supplier to comply with regulation 13(4) of the Employment Regulations.

The indemnities in Paragraph 2.3 shall not apply to the extent that the Employee Liabilities arise or are attributable to an act or omission of the Replacement Supplier and/or any Replacement Sub-Contractor whether occurring or having its origin before, on or after the Service Transfer Date, including any Employee Liabilities:

arising out of the resignation of any Transferring Supplier Employee before the Service Transfer Date on account of substantial detrimental changes to his/her working conditions proposed by the Replacement Supplier

If such offer is accepted, or if the situation has otherwise been resolved by the Supplier or a Sub-Contractor, the Customer shall procure that the Replacement Supplier shall, or procure that the Replacement Sub-Contractor shall, immediately release or procure the release of the person from his/her employment or alleged employment.

If after the fifteen (15) Working Day period specified in Paragraph 2.5.2 has elapsed:

no such offer of employment has been made;

such offer has been made but not accepted; or

the situation has not otherwise been resolved

the Replacement Supplier and/or Replacement Sub-Contractor, as appropriate may within five (5) Working Days give notice to terminate the employment or alleged employment of such person.

Subject to the Replacement Supplier and/or Replacement Sub-Contractor acting in accordance with the provisions of Paragraphs 2.5 to 2.7, and in accordance with all applicable proper employment procedures set out in applicable Law, the Supplier shall indemnify the Replacement Supplier and/or Replacement Sub-Contractor against all Employee Liabilities arising out of the termination of employment pursuant to the provisions of Paragraph 2.7 provided that the Replacement Supplier takes, or shall procure that the Replacement Sub-Contractor takes, all reasonable steps to minimise any such Employee Liabilities.

shall apply only where the notification referred to in Paragraph 2.5.1 is made by the Replacement Supplier and/or Replacement Sub-Contractor to the Supplier within six (6) months of the Service Transfer Date.

If any such person as is described in Paragraph 2.5 is neither re-employed by the Supplier or any Sub-Contractor nor dismissed by the Replacement Supplier and/or Replacement Sub-Contractor within the time scales set out in Paragraphs 2.5 to 2.7, such person shall be treated as a Transferring Supplier Employee.

The Supplier shall comply, and shall procure that each Sub-Contractor shall comply, with all its obligations under the Employment Regulations and shall perform and discharge, and shall procure that each Sub-Contractor shall perform and discharge, all its obligations in respect of any person identified in the Supplier's Final Supplier Personnel List before and on the Service Transfer Date (including the payment of all remuneration, benefits, entitlements and outgoings, all wages, accrued but untaken holiday pay, bonuses, commissions, payments of PAYE, national insurance contributions and pension contributions and such sums due as a result of any Fair Deal Employees' participation in the Schemes and any requirement to set up a broadly comparable pension scheme which in any case are attributable in whole or in part in respect of the period up to (and including) the Service Transfer Date) and any necessary apportionments in respect of any periodic payments shall be made between:

Specific issues may be referred to Expert Determination (as prescribed in paragraph 0 of this Call Off Schedule 11) where specified under the provisions of this Call Off Contract and may also be referred to Expert Determination where otherwise appropriate as specified in paragraph 0 of this Call Off Schedule 11.

Save in relation to paragraph 4.5, the Parties shall bear their own legal costs in resolving Disputes under this Call Off Schedule 11.

Good faith discussions

Pursuant to paragraph 2.1.1 of this Call Off Schedule 11, if any Dispute arises the Customer Representative and the Supplier Representative shall attempt first to resolve the Dispute in good faith, which may include (without limitation) either Party holding an Extraordinary Meeting.

Either Party may hold an Extraordinary Meeting by serving written notice. The written notice must give the receiving party at least five (5) Working Days notice of when the Extraordinary Meeting is to take place.

The Customer Representative and Supplier Representative shall attend the Extraordinary Meeting. The key personnel of the Parties may also attend the Extraordinary Meeting.

The representatives of the Parties attending the Extraordinary Meeting shall use their best endeavours to resolve the Dispute.

If the Dispute is not resolved at the Extraordinary Meeting then the Parties may attempt to hold additional Extraordinary Meetings in an attempt to resolve the Dispute. are of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiations, will not result in an appropriate solution; or

fail to resolve the Dispute in the timelines under paragraph 3.2 of this Call Off Schedule 11,

commercial negotiations shall be deemed unsuccessful and either Party may serve a Dispute Notice in accordance with paragraphs 3.4 and 3.5 of this Call Off Schedule 11.

Dispute Notice

The Dispute Notice shall set out:

the material particulars of the Dispute;

The Parties may follow the CEDR's Model Mediation Procedure which is current at the time the Dispute Notice is served (or such other version as the Parties may agree) or a mediation procedure that is agreed between the Parties.

If the Parties are unable to agree on the joint appointment of a Mediator within thirty (30) Working Days from service of the Dispute Notice then either Party may apply to CEDR to nominate the Mediator.

If neither Party applies to CEDR to nominate the Mediator or an application to CEDR is unsuccessful under paragraph 4.2 of this Call Off Schedule 11, either Party may proceed to:

hold further discussions between Senior Officers; or

an Expert determination, as prescribed in paragraph 5 of this Call Off Schedule 11; or

arbitration, as prescribed in paragraph 6 of this Call Off Schedule 11; or

If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if the Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Variation Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;

the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within thirty (30) Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;

any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within twenty (20) Working Days of the Expert's determination being notified to the Parties;

the process shall be conducted in private and shall be confidential; and

the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

ARBITRATION

Either of the Parties may, at any time before court proceedings are commenced and after the Parties have attempted to resolve the Dispute in good faith, by commercial negotiation, mediation and Expert determination (if applicable), refer the Dispute to arbitration in accordance with the provisions of paragraph 0 of this Call Off Schedule 11.

Before the Supplier commences court proceedings or arbitration, it shall serve written notice on the Customer of its intentions and the Customer shall have fifteen (15) Working Days following receipt of such notice to serve a reply (a "**Counter Notice**") on the Supplier requiring the Dispute to be referred to and resolved by arbitration in accordance with paragraph 0 of this Call Off Schedule 11 or be subject to the jurisdiction of the courts in accordance with Clause 0 of this Call Off Contract (Governing Law and Jurisdiction). The Supplier shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.

If:

the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 0 of this Call Off Schedule 11 shall apply;

the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts in accordance with Clause 61 of this Call Off Contract (Governing Law and Jurisdiction), the Dispute shall be so referred to the courts and the Supplier shall not commence arbitration proceedings;

the Customer does not serve a Counter Notice within the fifteen (15) Working Days period referred to in paragraph 0 of this Call Off Schedule 11, the Supplier may either commence arbitration proceedings in accordance with paragraph 0 of this Call Off Schedule 11 or commence court proceedings in the courts in accordance with Clause 0 of this Call Off Contract (Governing Law and Jurisdiction) which shall (in those circumstances) have exclusive jurisdiction.

In the event that any arbitration proceedings are commenced pursuant to paragraphs 0 to 0 of this Call Off Schedule 11, the Parties hereby confirm that:

all disputes, issues or claims arising out of or in connection with this Call Off Contract (including as to its existence, validity or performance) shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration (“LCIA”) (subject to paragraph 6.4.6 of this Call Off Schedule 11);

the arbitration shall be administered by the LCIA;

the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Call Off Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;

if the Parties fail to agree the appointment of the arbitrator within ten (10) days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;

the arbitration proceedings shall take place in London and in the English language; and

the seat of the arbitration shall be London.

EXPEDITED DISPUTE TIMETABLE

0.1 In exceptional circumstances where the use of the times in this Call Off Schedule 11 would be considered unreasonable by the Parties, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use of the Expedited Dispute Timetable within five (5) Working Days of the issue of the Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Customer.

0.2 If the use of the Expedited Dispute Timetable is determined in accordance with paragraph 7.1 of this Call Off Schedule 11 or is otherwise specified under the provisions of this Call Off Contract, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs of this Call Off Schedule 11:

in paragraph 2.8, fourteen (14) Working Days;

in paragraph 3.2, ten (10) Working Days;

in paragraph 4.2, ten (10) Working Days;

in paragraph 5.2, five (5) Working Days; and

in paragraph 6.2, ten (10) Working Days.

If at any point it becomes clear that an applicable deadline under paragraph 7.2 of this Call Off Schedule 11 cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the relevant deadline.

If, pursuant to paragraph 7.2 of this Call Off Schedule 11, the Parties fail to agree within two (2) Working Days after the relevant deadline has passed, the Customer may set a revised deadline provided that it is no less than five (5) Working Days before the end of the period of time specified in the applicable paragraphs under paragraph 7.2 (or no less than two (2) Working Days in the case of Paragraph 5.2 of this Call Off Schedule 11).

Any agreed extension under paragraph 7.2 of this Call Off Schedule 11 shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Customer fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

URGENT RELIEF

Either Party may at any time take proceedings or seek remedies before any court or tribunal of competent jurisdiction:

for interim or interlocutory remedies in relation to this Call Off Contract or infringement by the other Party of that Party's Intellectual Property Rights; or

where compliance with paragraph [0] of this Call Off Schedule 11 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period; or

if the Parties fail to resolve the Dispute following good faith discussions and commercial negotiations and mediation (where applicable) is unsuccessful within 60 working days or such period as may be agreed by the Parties then any Dispute between the Parties may be referred to the Courts.
