- 1.1 Camborne is geographically the largest parish in Cornwall. The Council administers an area of approximately 2,800 hectares and nearly 23,000 people live within the boundaries which include the villages of Barripper, Beacon, Brea, Kehelland, Penponds and Troon.
- 1.2 There are eighteen Councillors representing the wards of Troon, Roskear, Trelowarren, and Treswithian. Councillors are supported by a team of staff and the Town Clerk. In addition, there is an Amenities Team that maintains the wide range of facilities managed by the Council.

Contract start – Main Contract	ITT	30/10/2023

- 3.14 The above is indicative and the Town Council reserves the right to change the timetable.

Evaluation Approach

- Bids will be evaluated in two parts, Selection and Award

- 3.15 The Town Council will first evaluate is the Selection Questionnaire (SQ) response (if applicable). Applicants deemed not to satisfy the elements of the SQ in line with the scored approach will be excluded from the remainder of the process and their bid shall not be considered further. Applicants who satisfy the SQ stage (if applicable) will have the remainder of their bid evaluated in accordance with the Award Criteria.

Selection Questionnaire

- 3.16 Selection is the process by which the Town Council is able to assess the suitability of the Applicant to undertake work on behalf of the Town Council. The questions asked within Selection Questionnaire are compliant with Regulation 57 of the Regulations.
- 3.17 The Town Council requires all Applicants to complete all sections of the Selection Questionnaire included within Volume Two (2) Applicant's Offer in full. Any Applicants who do not fully meet the requirements of or misrepresent any information or evidence provided in relation to Regulation 57 may be excluded from further consideration.
- 3.18 The Applicant's responses to the Selection questions should be succinct, concise and self-contained not referring to additional documents or other supporting statements other than the European Single Procurement Document (ESPD).
- 3.19 Where Applicants choose to submit all or any part of the ESPD in place of an element required in the Selection questions this must be clearly identified and referenced by the Applicant. Any ESPD responses will be assessed in the same way as any other response.

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

- 3.20 This standard Selection Questionnaire is a self-declaration, made by the Applicant (the potential supplier), that they do not meet any of the grounds for exclusion. If there are grounds for exclusion, there is an opportunity to explain the background and any measures taken to rectify the situation (also referred to as self-cleaning).
- 3.21 A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently, the Town Council will require all the organisations that the Applicant would rely on to meet the selection criteria to provide a completed Part 1 and Part 2.
- 3.22 For example, these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where the Applicant is joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that are relied on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

Supplier Selection Questions: Part 3

- 3.23 Where an Applicant is bidding on behalf of a group (consortium) or it is intending to use sub-contractors, the Applicant should complete all selection questions on behalf of the consortium and / or any sub-contractors.

3.24 If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay the Town Council reserve the right to amend the contract award decision and award to the next compliant bidder.

Selection Questionnaire Approach

3.25 The Town Council proposes to use the following criteria to assess Selection Questionnaire submissions:

Section	Title	Type of Question	Weighting (%)
Part 1	Potential supplier information	Information only	Not evaluated and scored
Part 2	Exclusion grounds (Mandatory and Grounds for discretionary exclusion)	Pass/fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council would be seeking confirmation that the Contractor has not been or is not currently in breach of any of the Grounds for Exclusion. If Grounds for Exclusion have applied or currently apply, then the Council would be seeking clarity on what measures have been put in place to self-cleanse as set out by the Regulations. Where Grounds for Exclusion previously applied or currently apply and suitable evidence and measures to self-cleanse cannot be demonstrated, this will be deemed a "fail". Reference will be made to Crown Commercial Services Procurement Policy Note: Standard Selection Questionnaire (SQ) Action Note 8/16, 9 September 2016 – Appendix C. See: https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/558531/PPN_8_16_StandardSQ_Template_v3.pdf			
Part 3 Section 5	Consortia / sub-contractors	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: In the event that the Applicant is looking to work with and utilise others then the Council will be seeking clarity around how any consortia / sub-contract relationship would work. The Council would be looking to ensure that there is a clear legal relationship in relation to Consortia / sub-contractors (including roles and responsibilities for what parts of the work), those partners are reputable, and that any arrangement does not expose unnecessary risk to the Council. The Council would be seeking a clear understanding on how any formal contract with the Applicant would work to ensure that it is a legal entity. Where the legal status cannot be made clear, or in the case where it is deemed the consortia / sub-contract relationship presents unnecessary risks then it will be deemed a "fail".			

Part 3 Section 8	Insurance	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council would be seeking confirmation that the required insurance and levels of insurance exist, and that they would be maintained during any contract that would be awarded, or in the case that they do not exist currently that the Contractor would firstly be able to obtain the required levels of insurance and would if successful in the Tender actually obtain that insurance. If this cannot be demonstrated, then this would be deemed a "fail"			
Part 3 Section 8			
8.1	Health & Safety Management	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
NOTE ON EVALUATION: The Council will be looking for evidence to support that the Applicant has robust processes are in place to ensure Health and Safety arrangements are in place and as such the Applicant has a positive track record in ensuring Health and Safety in a Construction based industry – this would include experience as acting as Principal Designer and Contractor in relation to the Construction (Design and Management) Regulations. Where the Applicant has had previous situations of failings and remedial matters around Health and Safety, the Town Council will want to understand the severity of these failings, what lessons have been learned and what remedial measures have been put in place. Successfully demonstrating accreditation of PAS 91 / SSIP would support a "pass" assessment. Where the failings are deemed significant and / or the Applicant cannot provide assurances to future practices then this shall be deemed a "fail".			

Information Only Questions

3.26 These must be completed but will be used for information purposes only and not scored. However, failure to provide sufficient information as requested may still lead to disqualification for non-compliance. It is important that where a question does not apply this is recorded as 'Not applicable' or 'None' in the spaces provided.

3.27 Where sections are scored as being '**Pass / Fail**' the following definitions will apply:

Definition	Criteria
Pass	Demonstration of a clear response given with good level of detail and evidence to support the response from the Applicant in line with and applicable to the Selection Questionnaire question.

Fail	A limited, or non-complete response from the Applicant and / or not relevant or demonstrating the expectations as set out and applicable to the Selection Questionnaire question.
------	---

3.28 Where an Applicant is awarded a “fail” (inc. evaluation of the Tender response), the remainder of their submission will not be evaluated and they will be eliminated from the process.

Consequences of misrepresentation

3.29 If the Applicant seriously misrepresent any factual information in filling in the Selection Questionnaire and so induce an Town Council to enter into a contract, there may be significant consequences. They may include be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into the Applicant may be sued for damages and the contract may be rescinded.

3.30 If fraud, or fraudulent intent, can be proved, the Applicant or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

Award Criteria

3.31 Award is the process that considers the extent to which the Applicant’s Bid delivers the Most Economically Advantageous solution to the Town Council requirements and as such Applicants responses to the questions asked should give a clear indication of what the organisation is offering for the quoted price.

3.32 The Town Council has not provided a word limit for responses to the Award questions however, the Town Council would like to inform Applicants that responses should be relevant to the question and be proportionate in length. Supporting information may be submitted, provided it is clearly referenced in the question to which it relates and appended to the main bid.

3.33 The following Award Criteria / weightings will be used in evaluation of the Applicants response:

The requirements would be met to a good standard without intervention or significant ongoing issues
3	Satisfactory	A satisfactory response submitted in terms of the level of detail, accuracy, relevance and evidence in their ability / proposed methodology to deliver a solution. Commercial / Price Evaluation

3.35 The Pricing Document contains the details and requirements relating to the price element of this Tender. This may include, but is not limited to, the inclusion of documents, templates, pricing structures, etc for the Applicant's to return as part of their response.

3.36 Price shall be evaluated using the following scoring methodology, the Tenderer's prices will be scored on a comparative basis. For example; this will be done by recording the lowest price submitted by any of the Tenderers, then for each Tenderer, dividing this lowest price by the Tenderers' price and then multiplying it by the allocated weighting. The equation set out below explains this in a simpler way:

$$(\text{Lowest Price} \div \text{Tenderer's price}) \times \text{Weighting} = \text{Score}$$

3.37 To accompany the above there is a worked example below to help explain this. The example assumes only 3 prices were submitted and that price was awarded 20% of the overall marks (i.e. quality was awarded 80%):

	L	W	Tenderer 1		Tenderer 2		Tenderer 3	
Evaluation Elements	Lowest Submitted price (£)	Weighting %	Tendered Price	Score	Tendered Price	Score	Tendered Price	Score
Total Sum	£185,000	20	£185,000	20.0	£200,000	18.5.0	£195,000	19.0
Total Score		20%		20.0%		18.5%		19.0%

Example summary of totals scores:

Evaluation elements	Tenderer 1	Tenderer 2	Tenderer 3
Quality (80%)	45.0	65.0	70.0
Price (20%)	20.0	18.5	19.0
Total Score	65%	83.5%	89.0%
