

## GRAIL Implementation Pilot Provider Engagement Survey

*We would like to invite you to take part in an early engagement survey from NHS England (Cancer Innovation Team) (“the Commissioners / NHSE”), which is published and supported by NHS Arden and GEM CSU (“AGCSU”).*

- **What is it about?**
  - To understand the market capacity and capability to enable NHS-Galleri Pilot plans for a Multi Cancer Early Diagnosis Screening blood test to be rolled out in 23 ICSs in 2024
  - The specific 23 ICSs are being engaged with due to the development of the first stage of pilot services needing to be expanded into other areas
  
- **Where can I find more information?**
  - Attached to the Contracts Finder advert for this survey is a draft, outline service specification which we would welcome your thoughts on, and it provides more information about what we think will be required of providers
  - Also attached to the Contracts Finder advert is the Procurement slide deck that was given at the engagement event, held on 20<sup>th</sup> March 2023 – please note the NHSE slides are not available for publish at this time
  - You can also visit the following webpage - <https://www.nhs-galleri.org/> for further information on the programme
  
- **What are we looking for support with?**
  - Your engagement, ideas and feedback with regards to how the project may be expanded
  - **To gain working knowledge on your phlebotomy services**, and system capacity
  
- **Where can I fill out the survey?**
  - **The survey is on MS Forms at <https://forms.office.com/e/zkk00YbYsx>**
  - **The survey deadline is 5pm Thursday 06th April 2023**
