22nd February 2016

Dear Sirs

Reference: Invitation to Tender WH/2016/TEN/01, Maintenance of the High Voltage System at Wave Hub Hayle Towans Substation.

You are invited to tender for the Contract for the maintenance of the high voltage, [33/11kV] system as installed at the Wave Hub Hayle Towans Substation.

The requirements for the Tender Return are detailed within the Tender Documents enclosed with this invitation letter and as listed below:

Specification for the Maintenance of and Associated Support for the High Voltage [33/11kV] System at Wave Hub Hayle Towans Substation

You should note that in order to be considered for this Contract you are required to supply a fully compliant Tender Return.

Tender Returns are required by 12:00 on Friday 11th March and should be emailed to tenders@wavehub.co.uk

Arrangements for a site visit can be made for the week commencing 22nd February 2016, and any further information required in connection with the Tender Documents shall be advised at this time.

It is envisaged that the Tenders will be analysed during the week commencing 14th March 2016.

We will advise you if you have been successful in this Tender Bid, or otherwise by Friday 18th March 2016, with the envisaged start date of the Contract being 1st April 2016.

We hope that the above and Tender Documents provide you with sufficient information to complete your Tender Return, but should you require any further details with regard to this matter please do not hesitate to contact us.

Yours sincerely

Robert McConnell MIET
Electrical Engineer
