3. Warranties

3.1 The Supplier represents and warrants that:

3.1.1 in the three years prior to the 15th Dec 2020, it has been in full compliance with all applicable securities and Laws related to Tax in the United Kingdom and in the jurisdiction in which it is established;

3.1.2 it has notified the Authority in writing of any Tax Non-Compliance it is involved in; and

3.2 no proceedings or other steps have been taken and not discharged (nor, to the best of its knowledge, are threatened) for the winding up of the Supplier or for its dissolution or for the appointment of a receiver, administrative receiver, liquidator, manager, administrator or similar officer in relation to any of the Supplier's assets or revenue and the Supplier has notified the Authority of any profit warnings issued in respect of the Supplier in the three years prior to the 15th Dec 2020. If at any time the Supplier becomes aware that a representation or warranty given by it under Clause 3.1.1, 3.1.2 and/or 3.1.3 has been breached, is untrue, or is misleading, it shall immediately notify the Authority of the relevant occurrence in sufficient detail to enable the Authority to make an accurate assessment of the situation.

3.3 In the event that the warranty given by the Supplier pursuant to Clause 3.1.2 is materially untrue, the Authority shall be entitled to terminate the Agreement pursuant to the Call-Off clause which provides the Authority the right to terminate the Agreement for Supplier fault (termination for Supplier cause or equivalent clause).

4. Promoting Tax Compliance

4.1 All amounts stated are stated exclusive of VAT, which shall be added at the prevailing rate as applicable and paid by the Authority following delivery of a valid VAT invoice.

4.2 To the extent applicable to the Supplier, the Supplier shall at all times comply with all Laws relating to Tax and with the equivalent legal provisions of the country in which the Supplier is established.

4.3 The Supplier shall provide to the Authority the name and, as applicable, the Value Added Tax registration number, PAYE collection number and either the Corporation Tax or self-assessment reference of any agent, supplier or Subcontractor of the Supplier prior to the provision of any material Services under the Agreement by that agent, supplier or Subcontractor. Upon a request by the Authority, the Supplier shall not contract, or will cease to contract, with any agent, supplier or Subcontractor supplying Services under the Agreement.

4.4 If, at any point during the 19 months there is Tax Non-Compliance, the Supplier shall:

4.4.1 notify the Authority in writing of such fact within five (5) Working Days of its occurrence; and

4.4.2 promptly provide to the Authority:

	<p>(a) details of the steps which the Supplier is taking to resolve the Tax Non-Compliance and to prevent the same from recurring, together with any mitigating factors that it considers relevant; and</p> <p>(b) such other information in relation to the Tax Non-Compliance as the Authority may reasonably require.</p> <p>4.5 The Supplier shall indemnify the Authority on a continuing basis against any liability, including any interest, penalties or costs incurred, that is levied, demanded or assessed on the Authority at any time in respect of the Supplier's failure to account for or to pay any Tax relating to payments made to the Supplier under this Agreement. Any amounts due under this Clause 4.5 shall be paid in cleared funds by the Supplier to the Authority not less than five (5) Working Days before the date upon which the Tax or other liability is payable by the Authority.</p> <p>4.6 Upon the Authority's request, the Supplier shall provide (promptly or within such other period notified by the Authority) information which demonstrates how the Supplier complies with its Tax obligations.</p> <p>4.7 If the Supplier:</p> <p>4.7.1 fails to comply (or if the Authority receives information which demonstrates to it that the Supplier has failed to comply) with Clauses 4.2, 4.4.1 and/or 4.6 this may be a material breach of the Agreement;</p> <p>4.7.2 fails to comply (or if the Authority receives information which demonstrates to it that the Supplier has failed to comply) with a reasonable request by the Authority that it must not contract, or must cease to contract, with any agent, supplier or Subcontractor of the Supplier as required by Clause 4.3 on the grounds that the agent, supplier or Subcontractor of the Supplier is involved in Tax Non-Compliance this shall be a material breach of the Agreement; and/or</p> <p>4.7.3 fails to provide details of steps being taken and mitigating factors pursuant to Clause 4.4.2 which in the reasonable opinion of the Authority are acceptable this shall be a material breach of the Agreement;</p> <p>and any such material breach shall allow the Authority to terminate the Agreement pursuant to the Call-Off Clause which provides the Authority the right to terminate the Agreement for Supplier fault (termination for Supplier cause or equivalent clause).</p> <p>4.8 The Authority may internally share any information which it receives under Clauses 4.3 to 4.4 (inclusive) and 4.6, for the purpose of the collection and management of revenue for which the Authority is responsible.</p> <p>5. Use of Off-shore Tax Structures</p> <p>5.1 Subject to the principles of non-discrimination against undertakings based either in member countries of the European Union or in signatory countries of the World Trade Organisation Agreement on Government Procurement, the Supplier shall not, and shall ensure that its Connected Companies, Key Subcontractors (and their respective Connected Companies) shall not, have or put in place (unless otherwise agreed with the Authority) any arrangements involving the use of off-shore companies or other off-shore entities the main purpose, or one of the main purposes, of which is to achieve a reduction in United Kingdom Tax of any description which</p>
--	---

would otherwise be payable by it or them on or in connection with the payments made by or on behalf of the Authority under or pursuant to this Agreement or (in the case of any Key Subcontractor and its Connected Companies) United Kingdom Tax which would be payable by it or them on or in connection with payments made by or on behalf of the Supplier under or pursuant to the applicable Key Subcontract (“**Prohibited Transactions**”). Prohibited Transactions shall not include transactions made between the Supplier and its Connected Companies or a Key Subcontractor and its Connected Companies on terms which are at arms-length and are entered into in the ordinary course of the transacting parties’ business.

- 5.2** The Supplier shall notify the Authority in writing (with reasonable supporting detail) of any proposal for the Supplier or any of its Connected Companies, or for a Key Subcontractor (or any of its Connected Companies), to enter into any Prohibited Transaction. The Supplier shall notify the Authority within a reasonable time to allow the Authority to consider the proposed Prohibited Transaction before it is due to be put in place.
- 5.3** In the event of a Prohibited Transaction being entered into in breach of Clause 5.1 above, or in the event that circumstances arise which may result in such a breach, the Supplier and/or the Key Subcontractor (as applicable) shall discuss the situation with the Authority and, in order to ensure future compliance with the requirements of Clauses 5.1 and 5.2, the Parties (and the Supplier shall procure that the Key Subcontractor, where applicable) shall agree (at no cost to the Authority) timely and appropriate changes to any such arrangements by the undertakings concerned, resolving the matter (if required) through the escalation process in the Agreement.
- 5.4** Failure by the Supplier (or a Key Subcontractor) to comply with the obligations set out in Clauses 5.2 and 5.3 shall allow the Authority to terminate the Agreement pursuant to the Clause that provides the Authority the right to terminate the Agreement for Supplier fault (termination for Supplier cause).

6 Data Protection and off-shoring

- 6.1** The Processor shall, in relation to any Personal Data processed in connection with its obligations under the Agreement:
- 6.1.1** not transfer Personal Data outside of the United Kingdom unless the prior written consent of the Controller has been obtained and the following conditions are fulfilled:
- (a)** the Controller or the Processor has provided appropriate safeguards in relation to the transfer (whether in accordance with GDPR Article 46 or LED Article 37) as determined by the Controller;
 - (b)** the Data Subject has enforceable rights and effective legal remedies;
 - (c)** the Processor complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavours to assist the Controller in meeting its obligations); and

	<p>(d) the Processor complies with any reasonable instructions notified to it in advance by the Controller with respect to the processing of the Personal Data;</p> <p>6.2 Failure by the Processor to comply with the obligations set out in Clause 6.1 shall allow the Authority to terminate the Agreement pursuant to the Clause that provides the Authority the right to terminate the Agreement for Supplier fault (termination for Supplier cause or equivalent clause).</p> <p>7 Commissioners for Revenue and Customs Act 2005 and related Legislation</p> <p>7.1 The Supplier shall comply with, and shall ensure that all Supplier Personnel who will have access to, or are provided with, Authority Data comply with the obligations set out in Section 18 of the Commissioners for Revenue and Customs Act 2005 ('CRCA') to maintain the confidentiality of Authority Data. Further, the Supplier acknowledges that (without prejudice to any other rights and remedies of the Authority) a breach of the aforesaid obligations may lead to a prosecution under Section 19 of CRCA.</p> <p>7.2 The Supplier shall comply with, and shall ensure that all Supplier Personnel who will have access to, or are provided with, Authority Data comply with the obligations set out in Section 123 of the Social Security Administration Act 1992, which may apply to the fulfilment of some or all of the Services. The Supplier acknowledges that (without prejudice to any other rights and remedies of the Authority) a breach of the Supplier's obligations under Section 123 of the Social Security Administration Act 1992 may lead to a prosecution under that Act.</p> <p>7.3 The Supplier shall regularly (not less than once every six (6) months) remind all Supplier Personnel who will have access to, or are provided with, Authority Data in writing of the obligations upon Supplier Personnel set out in Clause 7.1 above. The Supplier shall monitor the compliance by Supplier Personnel with such obligations.</p> <p>7.4 The Supplier shall ensure that all Supplier Personnel who will have access to, or are provided with, Authority Data sign (or have previously signed) a Confidentiality Declaration, in the form provided at Annex 2. The Supplier shall provide a copy of each such signed declaration to the Authority upon demand.</p> <p>7.5 In the event that the Supplier or the Supplier Personnel fail to comply with this Clause 7, the Authority reserves the right to terminate the Agreement with immediate effect pursuant to the clause that provides the Authority the right to terminate the Agreement for Supplier fault (termination for Supplier cause).</p> <p style="text-align: center;">Annex 1 Excerpt from HMRC's "Test for Tax Non-Compliance"</p> <p><i>Condition one (An in-scope entity or person)</i></p> <p>5. 1. Formation of contract

- 1.1 By signing and returning this Order Form (Part A), the Supplier agrees to enter into a Call-Off Contract with the Buyer.
- 1.2 The Parties agree that they have read the Order Form (Part A) and the Call-Off Contract terms and by signing below agree to be bound by this Call-Off Contract.
- 1.3 This Call-Off Contract will be formed when the Buyer acknowledges receipt of the signed copy of the Order Form from the Supplier.
- 1.4 In cases of any ambiguity or conflict, the terms and conditions of the Call-Off Contract (Part B) and Order Form (Part A) will supersede those of the Supplier Terms and Conditions as per the order of precedence set out in clause 8.3 of the Framework Agreement.

2. Background to the agreement

- 2.1 The Supplier is a provider of G-Cloud Services and agreed to provide the Services under the terms of Framework Agreement number RM1557.12.
- 2.2 The Buyer provided an Order Form for Services to the Supplier.

Schedule 1: Services

1.1 Introduction

The HMRC Securing Our Technical Future (SoTF) Programme will address technical debt in the existing technology landscape, drive cloud adoption and the migration of services hosted in current data centres to a cloud platform and undertake the data centre build and migration of remaining services to Crown Hosting to support exit of existing data centres by June 2022. The programme offers an opportunity for HMRC to modernise hosting services, address legacy supportability issues and deliver the operational and cost efficiencies associated with cloud services.

In support of the HMRC SoTF Programme, the Supplier will provide Plan and Control, Delivery Excellence and Assurance, and Communications services as described in this Schedule 1.

1.2 Service Capacity

1.2.1 The work undertaken by the Supplier will be on a fixed price for a fixed capacity of resource as described in this paragraph. The Buyer and Supplier have agreed a fixed level of resource capacity to be provided by the Supplier (number of roles, level of seniority and days per role) during the term of this Call-Off Contract. Such capacity is set out in the spreadsheet “HMRC SoTF P&C Dec 20-June 22 Extension Pricing Assumptions_251120_HMRC SHARED.xls” attached in Schedule 2 Call-Off Contract charges and shall be invoiced on a fixed price basis for each cycle as specified in Schedule 2 Call-Off Contract charges.

1.2.2 Work undertaken by the Supplier will be managed through prioritisation and agreement with the Buyer through governance reviews and within the current fixed level of team capacity described in 1.2.1. Any change requiring additional effort / resources beyond the Supplier’s fixed capacity, will be treated as per the Variation process as defined in clause 32 under this Call-Off Contract.

1.3 Schedule, Milestones and Deliverables

1.3.1 Plan and Control services are to be provided for a total of 19 months.

1.3.2 These services will be delivered on the basis of a number of cycles providing a regular joint governance model that will allow for the frequent review of activities and prioritisation of work.

1.3.3 Each cycle and end of cycle milestone will comprise production of the following deliverables:

- a. An End of Cycle Report (Contract Checkpoint Document) comprising the work undertaken by Plan and Control during the cycle
- b. A Backlog of Plan and Control activities completed and prioritised for the next cycle
- c. A consolidated summary of Plan and Control work products completed as per each scope area

1.3.4 There will be a joint governance review session held at the end of each cycle. This will confirm agreement of the End of Cycle Report and Backlog priorities for the next cycle. The acceptance criteria for the deliverables provided pursuant to 1.3.3 is as follows:

- a. The Supplier will have issued and stored within the Buyer repository (as agreed as part of delivery governance) the products as set out in 1.3.3.

- b. The deliverables will provide clear details of the work undertaken by the Supplier in respect to the services that are in scope (as set forth in 1.4 of this Schedule), with summary information and links to the location of work products produced during the course of the cycle.
- c. The backlog will be maintained and demonstrate that Plan and Control teams are working to agreed priority areas, where these are separate to the standard governance products.

1.3.5 There will be 14 delivery and payment milestones which occur at the end of each 6-week cycle. As a result of the duration of the work, all governance at conclusion of each milestone are required to be minimal in order to allow the team sufficient focus on work activities being undertaken. As such, the deliverables provided at each milestone will include summary level information and may reference, but will not duplicate, information otherwise provided through regular weekly and work area delivery.

1.3.6 The dates for cycles are shown in the Schedule 2 Charges below.

1.3.7 In the course of weekly governance and Plan and Control activities, the Buyer will receive work products in each of the specified areas and the Supplier will provide reporting. If the Buyer has reason to identify concerns with any activities being undertaken within the scope of this service these should be raised to the Buyer Principal Contact at the earliest opportunity such that these can be addressed. The Supplier is to escalate through the reporting governance cycle any issues that would preclude delivery of the above Services to the anticipated level of quality or completeness.

1.3.8 Milestones will be approved based on the following process: For each milestone, the Supplier will submit a Contract Checkpoint Document outlining the details of the milestone completion and evidence with request for approval, for the Buyer to respond within 5-days of submission. Where the Milestone is agreed to be complete and/or meets the acceptance criteria set forth in 1.3.4, the Buyer will confirm acceptance of the milestone by means of approving the Contract Checkpoint Document. If a Milestone is not agreed and does not meet the acceptance criteria set forth in 1.3.4, the Buyer will provide a reason for rejection and both parties will work to determine a resolution approach within 7 days. Should this not be concluded to the satisfaction of both parties, this will be escalated to the Principal Contacts for the Buyer and Supplier. Where the Buyer resubmits the rejected deliverables and these meet the acceptance criteria the Buyer shall accept the relevant milestone.

1.4 Overview of Services

Plan and Control services will comprise the following:

- 1. Programme Level Plan Management
- 2. Programme Level Risk and Issue Management
- 3. Programme Level Dependency Management
- 4. Reporting & Dashboards

The following services are excluded from the supplier's scope:

- 5. Change Control
- 6. Migration Assurance Support

Delivery Excellence & Assurance services will comprise the following:

- 7. Delivery Excellence & Assurance

Communications services will comprise the following:

8. Programme Comms

Plan and Control operates alongside PMO and other programme services, which are separate to Plan and Control including benefits management, resourcing, technical design, test strategy, service transition and programme stakeholder management.

1.5 Scope of Services

The following section outlines the purpose, scope, inputs, work products, roles and support requirements for each of the Plan and Control, Delivery Excellence and Assurance, and Communications services.

1.5.1 Programme Level Plan Management

Programme Level Plan Management is the overarching planning across migration workstreams. It includes the coordination and reporting of overall migration planning status to support programme leadership and governance. It is based upon individual migration execution and delivery plans provided by each respective workstream.

The Supplier will provide Programme Level Plan Management support aligned to HMRC and CDIO standards in respect to the following:

- Providing central control and management of programme plan
- Integrating schedules across the programme to identify critical programme dependencies
- Building and maintaining a visual High-Level Programme Plan (Level 0, Plan on a Page or POAP) for key stakeholders that reflect the rolled up detailed plans, key external dependencies/restrictions, etc.
- Building and maintaining an integrated Programme Plan (Level 1) to support day-to-day programme management

The Buyer will be responsible for providing the following inputs:

- Individual detailed Project Plans (Level 3)
- Individual detailed Workstream Plans (Level 2)

The Supplier will prepare the following outputs:

- Programme Plan on a Page (Level 0)
- Integrated Programme plan (Level 1)

To support the above activities the Buyer will be required to:

- Provide copies of all individual migration workstream plans, project plans and project reports on a weekly basis (or as agreed through governance process), confirming receipt from Buyer third-parties, such that these may form part of overall migration planning provided by Plan and Control.
- Provide PMO governance and supporting project/programme control processes.
- Enforce planning and governance standards agreed within Plan and Control with stakeholders, including third parties. The Buyer and third parties will be responsible for providing quality planning information for their respective workstream, prepared with input from knowledgeable specialists in their respective planning areas and enforcing plan standards across the programme

- Perform regular reviews of Level 2 Workstream and Level 3 Project plans to confirm accurate status recorded.
- Update Level 2 Workstream and Level 3 Project plans with embedded risks, issues and dependencies.

1.5.2 Programme Level Risk and Issue Management

Risk and Issue Management is the overarching summary of key programme risks, enabling response to risks and issues that could impact the outcome of the programme and to support programme leadership and governance through escalation. It is based upon project risk information provided by each project, combined with an assessment of risk areas as determined by Plan and Control.

The Supplier will provide Programme Level Risk and Issue Management leadership support in respect to the following:

- Providing central control for management and tracking of programme risks and issues using the Clarity tool
- Performing regular reviews with project/programme managers to confirm accurate updates and/or status recorded against programme risks and issues
- Actively reviewing and tracking open programme issues, and risks that are rated Red with High Priority
- Review programme risk and issue mitigation plans with the appropriate programme/project manager and regular progress updates sought to validate appropriate actions are being undertaken
- Implement standard approach to risk and issue management across the programme in line with HMRC and CDIO standards, enforcing a proactive approach

The Buyer will be responsible for providing the following inputs:

- Risk and Issue log; associated mitigation plans
- Project Level risks and issues raised via Clarity Tool

The Supplier and the Buyer will remain responsible for risk and issue process management within the PMO.

To support the above activities the Buyer will be required to:

- Provide the Supplier with access to risk and issue logs and repositories including mitigation and treatment plans for each project, such that individual project risks may be considered by Plan and Control as part of the overall reporting. The Buyer will provide a standard risk assessment framework (or will agree risk-level definitions with the Supplier) which will be applied to project and programme risks.
- Share any risks and issues declared by external stakeholders and/or delivery partners and the Buyer will support risk and issue resolution steps required. All parties including the Buyer and Supplier will be responsible for the identification of project and programme risks. Where risk and issues are identified, the Buyer will provide escalation support to Plan and Control, including decision making and support to enforce stakeholder and third-party responses.

- Perform regular reviews with project/programme managers to confirm accurate updates and/or status recorded for project risks and issues and verifying that high rated project risks and issues are taken into consideration within each plan. This should also include ensuring a list of risks and issues are added to level project 3 plans, mapped against project deliverables and updated so that descriptions are coherent, accurate and related to relevant programme.
- Liaise with finance planners to confirm appropriate funding is set aside and/or allocated to mitigating issues and risks.

1.5.3 Programme Level Dependency Management

Dependency Management is the tracking and management of dependencies across projects and for the programme, where these dependencies relate to delivery of the programme plan. It is based upon individual project dependency information provided by each respective workstream and SoTF stakeholders that will form the basis of a common dependency log.

The Supplier will provide Programme Level Dependency Management which will include mapping critical external dependencies onto the SoTF Programme Level plans and maintaining dependency details in a repository for reporting into the programme. Additional detailed activities for project dependency management are to be undertaken by the Buyer and there is no resource provisioned for supporting Project Level dependencies.

The Supplier will be required to define a process for managing intra-programme dependencies between SoTF migration workstreams and raising critical dependencies to Programme Level.

The Buyer will be required to:

- Engage project managers to review and collate detailed project level dependency information, maintaining the dependency tracker and chasing dependencies to avert issues and/or delays.
- Provide project level dependency information for plan management and reporting.
- Maintain responsibility for the commercial management of third party contractual dependencies and provide details of key dependencies and advise the Supplier of any misalignment between delivery dependency requirements and contractual obligations on Buyer third parties.

1.5.4 Migration Assurance Support (to be carried out by the Buyer)

The services for migration and delivery assurance support are excluded from this Call-Off Contract and are to be provided by the Buyer. This includes the Buyer undertaking necessary activities to provide overall assurance assessment of architecture, design, migration methods, services and execution.

1.5.5 Change Management (to be carried out by the Buyer)

Change Management considers the impact of change events on migration planning at the overall programme level. It enables a wider assessment of change impact across the migration workstreams, each of which will be responsible for their individual change assessment. PMO will execute and manage the change process governance, coordinate change in respect to the overall programme delivery plan and risk and maintain the scope baseline. Plan and Control will

participate in change processes and governance, but will not be responsible for Change Management within the scope of this Call-Off Contract.

1.5.6 Reporting & Dashboards

Reporting & Dashboards support covers the provision of summary reporting relating to Programme Level data and Plan and Control activities as input into the wider programme reporting governance provided by PMO. It will support programme management and leadership with key information summarised from the execution of Plan and Control services including escalations, where required.

The Supplier will provide Reporting support in respect to the following:

- Creating and maintaining a programme dashboard to provide an accurate status of the programme completion and performance.
- Compiling a Plan and Control report detailing progress on all active project areas where necessary using and facilitating the use of Clarity.
- Facilitate fortnightly Workstream Checkpoints to review status reporting and planning for migration workstreams and projects
- Provide executive summary information of key programme risks, issues, blockers and escalations requiring programme leadership support as determined from Plan and Control activities.

The Buyer will be responsible for providing the following inputs:

- Management of migration workstreams and projects, ensuring delivery projects are well managed and adhere to the Programme governance cycle.
- L3 project reports to be submitted weekly, in the required format which have been assured and cross checked in respect of project plans and RAID. RAG status per all in scope services should accompany the weekly reports.
- Monthly Portfolio Board and Programme Board reports.

To support the above activities the Buyer will be required to:

- Maintain a PMO programme reporting governance cycle and provide a reporting template for Plan and Control input. This reporting template is to be reviewed and agreed.
- Share reporting from other workstreams with Plan and Control.

1.5.7 Delivery Excellence and Assurance

A Delivery Excellence and Assurance service will advise and engage directly with owners of migration workstreams to support individual workstreams and to drive quality across migrations. This is a restricted capacity and support capability to accelerate compliance. Responsibilities for plans and other products will remain with the respective workstream owners. The Supplier will provide Delivery Excellence and Assurance Services in respect to the following:

- Independent Assurance Reviews i.e. Project Health Checks across selected projects
- Project/Workstream Stabilisation (Red Team)
- Programme Delivery Capability i.e. Improve Delivery Quality & Sustainability

To prioritise Delivery Excellence and Assurance services, the Buyer will be engaged with the Supplier to plan and review any migration workstreams identified as requiring support, this will be conducted by:

- Weekly Progress Reports
- Sprint Planning Session
- 6-week Sprint
- Sprint Review

To support the above activities the Buyer will be required to:

- Provide support for any commercial resolution, third party management and to support recommendations of the L3 Preparation Team to stabilise delivery activities.
- Provide access to migration workstream or project artefacts, such as; workstream and project plans, reports, designs, business cases and any other project documentation requested.

1.5.8 Communications (until handover 31 January)

The Supplier will provide Communications services in respect to the following until 31st January 2021:

- Work with all project teams to write programme wide communications, adopting a can-do/will do tone within widely distributed communications
- Arrange for regular programme related communications to be appropriately distributed, checking they are tailored to the required business outcomes (eg Cost, Agility, Cloud Adoption rate etc)
- Write upward communications to senior stakeholders
- Support project teams to release migration communications in accordance with the agreed timescales
- Make arrangements so that key stakeholders receive regular communications
- Respond to adhoc information/status requests from senior stakeholders
- Write communications for broader business stakeholder groups and/or regular corporate magazines/communications

To support the above activities the Buyer will be required to:

- Copies of existing stakeholder maps and organisation structures / charts
- Inclusion within the communications teams and details of existing processes
- Issuing agreed communications through existing and/or new channels
- Ensure a recipient is available to receive handover of Communications services into the Buyer PMO from January 2021.

Schedule 2: Call-Off Contract charges

The detailed Call-Off Contract Charges breakdown for the provision of Services during the Term:

The Supplier will charge a fixed price of £4,694,166.49 excluding VAT and allowable expenses, with each milestone delivery date and payment amount set forth in the table below.

In addition to the Call-Off Charges, to support the Buyer's budgetary planning, the Supplier has provided an indicative estimate of allowable expenses at £359,440. Expenses are variable and payable on an actuals basis, in line with the Buyer's T&S policy (actual expenses incurred may increase or decrease from estimates). The Supplier will report to the Buyer should any variation between estimated expenses and actual costs be anticipated over the duration of the contract. Expenses will be charged at the end of each cycle in addition to the fixed price Charges.

The total Call-Off Contract value of £5,053,606.49 excluding VAT is based on the above fixed price Charges and an allowance for estimated expenses.

2.3 The Parties acknowledge that they are required to complete the applicable Annexes contained in Schedule 4 (Processing Data) of the Framework Agreement for the purposes of this Call-Off Contract. The applicable Annexes being reproduced at Schedule 7 of this Call-Off Contract.

2.4 The Framework Agreement incorporated clauses will be referred to as incorporated Framework clause 'XX', where 'XX' is the Framework Agreement clause number.

2.5 When an Order Form is signed, the terms and conditions agreed in it will be incorporated into this Call-Off Contract.

3. Supply of services

3.1 The Supplier agrees to supply the G-Cloud Services and any Additional Services under the terms of the Call-Off Contract and the Supplier's Application.

3.2 The Supplier undertakes that each G-Cloud Service will meet the Buyer's acceptance criteria, as defined in the Order Form.

4. Supplier staff

4.1 The Supplier Staff must:

4.1.1 be appropriately experienced, qualified and trained to supply the Services

4.1.2 apply all due skill, care and diligence in faithfully performing those duties

4.1.3 obey all lawful instructions and reasonable directions of the Buyer and provide the Services to the reasonable satisfaction of the Buyer

4.1.4 respond to any enquiries about the Services as soon as reasonably possible

4.1.5 complete any necessary Supplier Staff vetting as specified by the Buyer

- 4.2 The Supplier must retain overall control of the Supplier Staff so that they are not considered to be employees, workers, agents or contractors of the Buyer.
- 4.3 The Supplier may substitute any Supplier Staff as long as they have the equivalent experience and qualifications to the substituted staff member.
- 4.4 The Buyer may conduct IR35 Assessments using the ESI tool to assess whether the Supplier's engagement under the Call-Off Contract is Inside or Outside IR35.
- 4.5 The Buyer may End this Call-Off Contract for Material Breach as per clause 18.5 hereunder if the Supplier is delivering the Services Inside IR35.
- 4.6 The Buyer may need the Supplier to complete an Indicative Test using the ESI tool before the Start date or at any time during the provision of Services to provide a preliminary view of whether the Services are being delivered Inside or Outside IR35. If the Supplier has completed the Indicative Test, it must download and provide a copy of the PDF with the 14-digit ESI reference number from the summary outcome screen and promptly provide a copy to the Buyer.
- 4.7 If the Indicative Test indicates the delivery of the Services could potentially be Inside IR35, the Supplier must provide the Buyer with all relevant information needed to enable the Buyer to conduct its own IR35 Assessment.
- 4.8 If it is determined by the Buyer that the Supplier is Outside IR35, the Buyer will provide the ESI reference number and a copy of the PDF to the Supplier.

5. Due diligence

- 5.1 Both Parties agree that when entering into a Call-Off Contract they:
 - 5.1.1 have made their own enquiries and are satisfied by the accuracy of any information supplied by the other Party
 - 5.1.2 are confident that they can fulfil their obligations according to the Call-Off Contract terms
 - 5.1.3 have raised all due diligence questions before signing the Call-Off Contract
 - 5.1.4 have entered into the Call-Off Contract relying on its own due diligence

6. Business continuity and disaster recovery

- 6.1 The Supplier will have a clear business continuity and disaster recovery plan in their service descriptions.
- 6.2 The Supplier's business continuity and disaster recovery services are part of the Services and will be performed by the Supplier when required.
- 6.3 If requested by the Buyer prior to entering into this Call-Off Contract, the Supplier must ensure that its business continuity and disaster recovery plan is consistent with the Buyer's own plans.

7. Payment, VAT and Call-Off Contract charges

- 7.1 The Buyer must pay the Charges following clauses 7.2 to 7.11 for the Supplier's delivery of the Services.
- 7.2 The Buyer will pay the Supplier within the number of days specified in the Order Form on receipt of a valid invoice.
- 7.3 The Call-Off Contract Charges include all Charges for payment Processing. All invoices submitted to the Buyer for the Services will be exclusive of any Management Charge.

The Supplier must notify the Buyer within 10 Working Days of receipt of the returned invoice if it accepts the amendments. If it does then the Supplier must provide a replacement valid invoice with the response.
- 7.12 Due to the nature of G-Cloud Services it isn't possible in a static Order Form to exactly define the consumption of services over the duration of the Call-Off Contract. The Supplier agrees that the Buyer's volumes indicated in the Order Form are indicative only.

8. Recovery of sums due and right of set-off

- 8.1 If a Supplier owes money to the Buyer, the Buyer may deduct that sum from the Call-Off Contract Charges.

9. Insurance

- 9.1 The Supplier will maintain the insurances required by the Buyer including those in this clause.
- 9.2 The Supplier will ensure that:
 - 9.2.1 during this Call-Off Contract, Subcontractors hold third party public and products liability insurance of the same amounts that the Supplier would be legally liable to pay as damages, including the claimant's costs and expenses, for accidental death or bodily injury and loss of or damage to Property, to a minimum of £1,000,000
 - 9.2.2 the third-party public and products liability insurance contains an 'indemnity to principals' clause for the Buyer's benefit
 - 9.2.3 all agents and professional consultants involved in the Services hold professional indemnity insurance to a minimum indemnity of £1,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date
 - 9.2.4 all agents and professional consultants involved in the Services hold employers liability insurance (except where exempt under Law) to a minimum indemnity of £5,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date
- 9.3 If requested by the Buyer, the Supplier will obtain additional insurance policies, or extend existing policies bought under the Framework Agreement.
- 9.4 If requested by the Buyer, the Supplier will provide the following to show compliance with this clause:
 - 9.4.1 a broker's verification of insurance
 - 9.4.2 receipts for the insurance premium
 - 9.4.3 evidence of payment of the latest premiums due
- 9.5 Insurance will not relieve the Supplier of any liabilities under the Framework Agreement or this Call-Off Contract and the Supplier will:
 - 9.5.1 take all risk control measures using Good Industry Practice, including the investigation and reports of claims to insurers
 - 9.5.2 promptly notify the insurers in writing of any relevant material fact under any Insurances
 - 9.5.3 hold all insurance policies and require any broker arranging the insurance to hold any insurance slips and other evidence of insurance
- 9.6 The Supplier will not do or omit to do anything, which would destroy or impair the legal validity of the insurance.

9.7 The Supplier will notify CCS and the Buyer as soon as possible if any insurance policies have been, or are due to be, cancelled, suspended, Ended or not renewed.

9.8 The Supplier will be liable for the payment of any:

9.8.1 premiums, which it will pay promptly

9.8.2 excess or deductibles and will not be entitled to recover this from the Buyer

10. Confidentiality

10.1 Subject to clause 24.1 the Supplier must during and after the Term keep the Buyer fully indemnified against all Losses, damages, costs or expenses and other liabilities (including legal fees) arising from any breach of the Supplier's obligations under the Data Protection Legislation or under incorporated Framework Agreement clauses 8.80 to 8.88. The indemnity doesn't apply to the extent that the Supplier breach is due to a Buyer's instruction.

11. Intellectual Property Rights

11.1 Unless otherwise specified in this Call-Off Contract, a Party will not acquire any right, title or interest in or to the Intellectual Property Rights (IPRs) of the other Party or its Licensors.

11.2 The Supplier grants the Buyer a non-exclusive, transferable, perpetual, irrevocable, royalty-free licence to use the Project Specific IPRs and any Background IPRs embedded within the Project Specific IPRs for the Buyer's ordinary business activities.

11.3 The Supplier must obtain the grant of any third-party IPRs and Background IPRs so the Buyer can enjoy full use of the Project Specific IPRs, including the Buyer's right to publish the IPR as open source.

11.4 The Supplier must promptly inform the Buyer if it can't comply with the clause above and the Supplier must not use third-party IPRs or Background IPRs in relation to the Project Specific IPRs if it can't obtain the grant of a licence acceptable to the Buyer.

11.5 The Supplier will, on written demand, fully indemnify the Buyer and the Crown for all Losses which it may incur at any time from any claim of infringement or alleged infringement of a third party's IPRs because of the:

11.5.1 rights granted to the Buyer under this Call-Off Contract

11.5.2 Supplier's performance of the Services

11.5.3 use by the Buyer of the Services

11.6 If an IPR Claim is made, or is likely to be made, the Supplier will immediately notify the Buyer in writing and must at its own expense after written approval from the Buyer, either:

11.6.1 modify the relevant part of the Services without reducing its functionality or performance

- 11.6.2 substitute Services of equivalent functionality and performance, to avoid the infringement or the alleged infringement, as long as there is no additional cost or burden to the Buyer
- 11.6.3 buy a licence to use and supply the Services which are the subject of the alleged infringement, on terms acceptable to the Buyer
- 11.7 Clause 11.5 will not apply if the IPR Claim is from:
 - 11.7.2 the use of data supplied by the Buyer which the Supplier isn't required to verify under this Call-Off Contract
 - 11.7.3 other material provided by the Buyer necessary for the Services
- 11.8 If the Supplier does not comply with clauses 11.2 to 11.6, the Buyer may End this Call-Off Contract for Material Breach. The Supplier will, on demand, refund the Buyer all the money paid for the affected Services.

12. Protection of information

- 12.1 The Supplier must:
 - 12.1.1 comply with the Buyer's written instructions and this Call-Off Contract when Processing Buyer Personal Data
 - 12.1.2 only Process the Buyer Personal Data as necessary for the provision of the G-Cloud Services or as required by Law or any Regulatory Body
 - 12.1.3 take reasonable steps to ensure that any Supplier Staff who have access to Buyer Personal Data act in compliance with Supplier's security processes
- 12.2 The Supplier must fully assist with any complaint or request for Buyer Personal Data including by:
 - 12.2.1 providing the Buyer with full details of the complaint or request
 - 12.2.2 complying with a data access request within the timescales in the Data Protection Legislation and following the Buyer's instructions
 - 12.2.3 providing the Buyer with any Buyer Personal Data it holds about a Data Subject (within the timescales required by the Buyer)
 - 12.2.4 providing the Buyer with any information requested by the Data Subject
- 12.3 The Supplier must get prior written consent from the Buyer to transfer Buyer Personal Data to any other person (including any Subcontractors) for the provision of the G-Cloud Services.

13. Buyer data

- 13.1 The Supplier must not remove any proprietary notices in the Buyer Data.
- 13.2 The Supplier will not store or use Buyer Data except if necessary to fulfil its obligations.
- 13.3 If Buyer Data is processed by the Supplier, the Supplier will supply the data to the Buyer as requested.
- 13.4 The Supplier must ensure that any Supplier system that holds any Buyer Data is a secure system that complies with the Supplier's and Buyer's security policies and all Buyer requirements in the Order Form.
- 13.5 The Supplier will preserve the integrity of Buyer Data processed by the Supplier and prevent its corruption and loss.
- 13.6 The Supplier will ensure that any Supplier system which holds any protectively marked Buyer Data or other government data will comply with:
 - 13.6.1 the principles in the Security Policy Framework:
<https://www.gov.uk/government/publications/security-policy-framework> and
the Government Security Classification policy:
<https://www.gov.uk/government/publications/government-security-classifications>
 - 13.6.2 guidance issued by the Centre for Protection of National Infrastructure on Risk Management:
<https://www.cpni.gov.uk/content/adopt-risk-management-approach> and
Protection of Sensitive Information and Assets:
<https://www.cpni.gov.uk/protection-sensitive-information-and-assets>
 - 13.6.3 the National Cyber Security Centre's (NCSC) information risk management guidance:
<https://www.ncsc.gov.uk/collection/risk-management-collection>
 - 13.6.4 government best practice in the design and implementation of system components, including network principles, security design principles for digital services and the secure email blueprint:
<https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>
 - 13.6.5 the security requirements of cloud services using the NCSC Cloud Security Principles and accompanying guidance:
<https://www.ncsc.gov.uk/guidance/implementing-cloud-security-principles>
 - 13.6.6 buyer requirements in respect of AI ethical standards
- 13.7 The Buyer will specify any security requirements for this project in the Order Form.

- 13.8 If the Supplier suspects that the Buyer Data has or may become corrupted, lost, breached or significantly degraded in any way for any reason, then the Supplier will notify the Buyer immediately and will (at its own cost if corruption, loss, breach or degradation of the Buyer Data was caused by the action or omission of the Supplier) comply with any remedial action reasonably proposed by the Buyer.
- 13.9 The Supplier agrees to use the appropriate organisational, operational and technological processes to keep the Buyer Data safe from unauthorised use or access, loss, destruction, theft or disclosure.
- 13.10 The provisions of this clause 13 will apply during the term of this Call-Off Contract and for as long as the Supplier holds the Buyer's Data.

14. Standards and quality

- 14.1 The Supplier will comply with any standards in this Call-Off Contract, the Order Form and the Framework Agreement.
- 14.2 The Supplier will deliver the Services in a way that enables the Buyer to comply with its obligations under the Technology Code of Practice, which is at:
<https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>
- 14.3 If requested by the Buyer, the Supplier must, at its own cost, ensure that the G-Cloud Services comply with the requirements in the PSN Code of Practice.
- 14.4 If any PSN Services are Subcontracted by the Supplier, the Supplier must ensure that the services have the relevant PSN compliance certification.
- 14.5 The Supplier must immediately disconnect its G-Cloud Services from the PSN if the PSN Authority considers there is a risk to the PSN's security and the Supplier agrees that the Buyer and the PSN Authority will not be liable for any actions, damages, costs, and any other Supplier liabilities which may arise.

15. Open source

- 15.1 All software created for the Buyer must be suitable for publication as open source, unless otherwise agreed by the Buyer.
- 15.2 If software needs to be converted before publication as open source, the Supplier must also provide the converted format unless otherwise agreed by the Buyer.

16. Security

- 16.1 If requested to do so by the Buyer, before entering into this Call-Off Contract the Supplier will, within 15 Working Days of the date of this Call-Off Contract, develop (and obtain the Buyer's written approval of) a Security Management Plan and an Information Security

Management System. After Buyer approval the Security Management Plan and Information Security Management System will apply during the Term of this Call-Off Contract. Both plans will comply with the Buyer's security policy and protect all aspects and processes associated with the delivery of the Services.

- 16.2 The Supplier will use all reasonable endeavours, software and the most up-to-date antivirus definitions available from an industry-accepted antivirus software seller to minimise the impact of Malicious Software.
- 16.3 If Malicious Software causes loss of operational efficiency or loss or corruption of Service Data, the Supplier will help the Buyer to mitigate any losses and restore the Services to operating efficiency as soon as possible.
- 16.4 Responsibility for costs will be at the:
 - 16.4.1 Supplier's expense if the Malicious Software originates from the Supplier software or the Service Data while the Service Data was under the control of the Supplier, unless the Supplier can demonstrate that it was already present, not quarantined or identified by the Buyer when provided
 - 16.4.2 Buyer's expense if the Malicious Software originates from the Buyer software or the Service Data, while the Service Data was under the Buyer's control
- 16.5 The Supplier will immediately notify the Buyer of any breach of security of Buyer's Confidential Information (and the Buyer of any Buyer Confidential Information breach). Where the breach occurred because of a Supplier Default, the Supplier will recover the Buyer's Confidential Information however it may be recorded.
- 16.6 Any system development by the Supplier should also comply with the government's '10 Steps to Cyber Security' guidance:
<https://www.ncsc.gov.uk/guidance/10-steps-cyber-security>
- 16.7 If a Buyer has requested in the Order Form that the Supplier has a Cyber Essentials certificate, the Supplier must provide the Buyer with a valid Cyber Essentials certificate (or equivalent) required for the Services before the Start date.

17. Guarantee

- 17.1 If this Call-Off Contract is conditional on receipt of a Guarantee that is acceptable to the Buyer, the Supplier must give the Buyer on or before the Start date:
 - 17.1.1 an executed Guarantee in the form at Schedule 5
 - 17.1.2 a certified copy of the passed resolution or board minutes of the guarantor approving the execution of the Guarantee

18. Ending the Call-Off Contract

- 18.1 The Buyer can End this Call-Off Contract at any time by giving 30 days' written notice to the Supplier, unless a shorter period is specified in the Order Form. The Supplier's obligation to provide the Services will end on the date in the notice.
- 18.2 The Parties agree that the:
- 18.2.1 Buyer's right to End the Call-Off Contract under clause 18.1 is reasonable considering the type of cloud Service being provided
 - 18.2.2 Call-Off Contract Charges paid during the notice period is reasonable compensation and covers all the Supplier's avoidable costs or Losses
- 18.3 Subject to clause 24 (Liability), if the Buyer Ends this Call-Off Contract under clause 18.1, it will indemnify the Supplier against any commitments, liabilities or expenditure which result in any unavoidable Loss by the Supplier, provided that the Supplier takes all reasonable steps to mitigate the Loss. If the Supplier has insurance, the Supplier will reduce its unavoidable costs by any insurance sums available. The Supplier will submit a fully itemised and costed list of the unavoidable Loss with supporting evidence.
- 18.4 The Buyer will have the right to End this Call-Off Contract at any time with immediate effect by written notice to the Supplier if either the Supplier commits:
- 18.4.1 a Supplier Default and if the Supplier Default cannot, in the reasonable opinion of the Buyer, be remedied
 - 18.4.2 any fraud
- 18.5 A Party can End this Call-Off Contract at any time with immediate effect by written notice if:
- 18.5.1 the other Party commits a Material Breach of any term of this Call-Off Contract (other than failure to pay any amounts due) and, if that breach is remediable, fails to remedy it within 15 Working Days of being notified in writing to do so
 - 18.5.2 an Insolvency Event of the other Party happens
 - 18.5.3 the other Party ceases or threatens to cease to carry on the whole or any material part of its business
- 18.6 If the Buyer fails to pay the Supplier undisputed sums of money when due, the Supplier must notify the Buyer and allow the Buyer 5 Working Days to pay. If the Buyer doesn't pay within 5 Working Days, the Supplier may End this Call-Off Contract by giving the length of notice in the Order Form.
- 18.7 A Party who isn't relying on a Force Majeure event will have the right to End this Call-Off Contract if clause 23.1 applies.

19. Consequences of suspension, ending and expiry

- 19.1 If a Buyer has the right to End a Call-Off Contract, it may elect to suspend this Call-Off Contract or any part of it.
- 19.2 Even if a notice has been served to End this Call-Off Contract or any part of it, the Supplier must continue to provide the Ordered G-Cloud Services until the dates set out in the notice.
- 19.3 The rights and obligations of the Parties will cease on the Expiry Date or End Date whichever applies) of this Call-Off Contract, except those continuing provisions described in clause 19.4.
- 19.4 Ending or expiry of this Call-Off Contract will not affect:
- 19.4.1 any rights, remedies or obligations accrued before its Ending or expiration
 - 19.4.2 the right of either Party to recover any amount outstanding at the time of Ending or expiry
 - 19.4.3 the continuing rights, remedies or obligations of the Buyer or the Supplier under clauses
 - 7 (Payment, VAT and Call-Off Contract charges)
 - 8 (Recovery of sums due and right of set-off)
 - 9 (Insurance)
 - 10 (Confidentiality)
 - 11 (Intellectual property rights)
 - 12 (Protection of information)
 - 13 (Buyer data)
 - 19 (Consequences of suspension, ending and expiry)
 - 24 (Liability); incorporated Framework Agreement clauses: 4.2 to 4.7 (Liability)
 - 8.44 to 8.50 (Conflicts of interest and ethical walls)
 - 8.89 to 8.90 (Waiver and cumulative remedies)
 - 19.4.4 any other provision of the Framework Agreement or this Call-Off Contract which expressly or by implication is in force even if it Ends or expires
- 19.5 At the end of the Call-Off Contract Term, the Supplier must promptly:
- 19.5.1 return all Buyer Data including all copies of Buyer software, code and any other software licensed by the Buyer to the Supplier under it
 - 19.5.2 return any materials created by the Supplier under this Call-Off Contract if the IPRs are owned by the Buyer
 - 19.5.3 stop using the Buyer Data and, at the direction of the Buyer, provide the Buyer with a complete and uncorrupted version in electronic form in the formats and on media agreed with the Buyer
 - 19.5.4 destroy all copies of the Buyer Data when they receive the Buyer's written instructions to do so or 12 calendar months after the End or Expiry Date, and

provide written confirmation to the Buyer that the data has been securely destroyed, except if the retention of Buyer Data is required by Law

19.5.5 work with the Buyer on any ongoing work

19.5.6 return any sums prepaid for Services which have not been delivered to the Buyer, within 10 Working Days of the End or Expiry Date

19.6 Each Party will return all of the other Party's Confidential Information and confirm this has been done, unless there is a legal requirement to keep it or this Call-Off Contract states otherwise.

19.7 All licences, leases and authorisations granted by the Buyer to the Supplier will cease at the end of the Call-Off Contract Term without the need for the Buyer to serve notice except if this Call-Off Contract states otherwise.

20. Notices

20.1 Any notices sent must be in writing. For the purpose of this clause, an email is accepted as being 'in writing'.

- Manner of delivery: email
- Deemed time of delivery: 9am on the first Working Day after sending
- Proof of service: Sent in an emailed letter in PDF format to the correct email address without any error message

20.2 This clause does not apply to any legal action or other method of dispute resolution which should be sent to the addresses in the Order Form (other than a dispute notice under this Call-Off Contract).

21. Exit plan

21.1 The Supplier must provide an exit plan in its Application which ensures continuity of service and the Supplier will follow it.

21.2 When requested, the Supplier will help the Buyer to migrate the Services to a replacement supplier in line with the exit plan. This will be at the Supplier's own expense if the Call-Off Contract Ended before the Expiry Date due to Supplier cause.

21.3 If the Buyer has reserved the right in the Order Form to extend the Call-Off Contract Term beyond 24 months the Supplier must provide the Buyer with an additional exit plan for approval by the Buyer at least 8 weeks before the 18 month anniversary of the Start date.

21.4 The Supplier must ensure that the additional exit plan clearly sets out the Supplier's methodology for achieving an orderly transition of the Services from the Supplier to the

Buyer or its replacement Supplier at the expiry of the proposed extension period or if the contract Ends during that period.

- 21.5 Before submitting the additional exit plan to the Buyer for approval, the Supplier will work with the Buyer to ensure that the additional exit plan is aligned with the Buyer's own exit plan and strategy.
- 21.6 The Supplier acknowledges that the Buyer's right to extend the Term beyond 24 months is subject to the Buyer's own governance process. Where the Buyer is a central government department, this includes the need to obtain approval from GDS under the Spend Controls process. The approval to extend will only be given if the Buyer can clearly demonstrate that the Supplier's additional exit plan ensures that:
 - 21.6.1 the Buyer will be able to transfer the Services to a replacement supplier before the expiry or Ending of the extension period on terms that are commercially reasonable and acceptable to the Buyer
 - 21.6.2 there will be no adverse impact on service continuity
 - 21.6.3 there is no vendor lock-in to the Supplier's Service at exit
 - 21.6.4 it enables the Buyer to meet its obligations under the Technology Code Of Practice
- 21.7 If approval is obtained by the Buyer to extend the Term, then the Supplier will comply with its obligations in the additional exit plan.
- 21.8 The additional exit plan must set out full details of timescales, activities and roles and responsibilities of the Parties for:
 - 21.8.1 the transfer to the Buyer of any technical information, instructions, manuals and code reasonably required by the Buyer to enable a smooth migration from the Supplier
 - 21.8.2 the strategy for exportation and migration of Buyer Data from the Supplier system to the Buyer or a replacement supplier, including conversion to open standards or other standards required by the Buyer
 - 21.8.3 the transfer of Project Specific IPR items and other Buyer customisations, configurations and databases to the Buyer or a replacement supplier
 - 21.8.4 the testing and assurance strategy for exported Buyer Data
 - 21.8.5 if relevant, TUPE-related activity to comply with the TUPE regulations
 - 21.8.6 any other activities and information which is reasonably required to ensure continuity of Service during the exit period and an orderly transition

22. Handover to replacement supplier

22.1 At least 10 Working Days before the Expiry Date or End Date, the Supplier must provide any:

22.1.1 data (including Buyer Data), Buyer Personal Data and Buyer Confidential Information in the Supplier's possession, power or control

22.1.2 other information reasonably requested by the Buyer

22.2 On reasonable notice at any point during the Term, the Supplier will provide any information and data about the G-Cloud Services reasonably requested by the Buyer (including information on volumes, usage, technical aspects, service performance and staffing). This will help the Buyer understand how the Services have been provided and to run a fair competition for a new supplier.

22.3 This information must be accurate and complete in all material respects and the level of detail must be sufficient to reasonably enable a third party to prepare an informed offer for replacement services and not be unfairly disadvantaged compared to the Supplier in the buying process.

23. Force majeure

23.1 If a Force Majeure event prevents a Party from performing its obligations under this Call-Off Contract for more than the number of consecutive days set out in the Order Form, the other Party may End this Call-Off Contract with immediate effect by written notice.

24. Liability

24.1 Subject to incorporated Framework Agreement clauses 4.2 to 4.7, each Party's Yearly total liability for Defaults under or in connection with this Call-Off Contract (whether expressed as an indemnity or otherwise) will be set as follows:

24.1.1 Property: for all Defaults by either party resulting in direct loss to the property (including technical infrastructure, assets, IPR or equipment but excluding any loss or damage to Buyer Data) of the other Party, will not exceed the amount in the Order Form

24.1.2 Buyer Data: for all Defaults by the Supplier resulting in direct loss, destruction, corruption, degradation or damage to any Buyer Data, will not exceed the amount in the Order Form

24.1.3 Other Defaults: for all other Defaults by either party, claims, Losses or damages, whether arising from breach of contract, misrepresentation (whether under common law or statute), tort (including negligence), breach of statutory duty or otherwise will not exceed the amount in the Order Form.

25. Premises

- 25.1 If either Party uses the other Party's premises, that Party is liable for all loss or damage it causes to the premises. It is responsible for repairing any damage to the premises or any objects on the premises, other than fair wear and tear.
- 25.2 The Supplier will use the Buyer's premises solely for the performance of its obligations under this Call-Off Contract.
- 25.3 The Supplier will vacate the Buyer's premises when the Call-Off Contract Ends or expires.
- 25.4 This clause does not create a tenancy or exclusive right of occupation.
- 25.5 While on the Buyer's premises, the Supplier will:
 - 25.5.1 comply with any security requirements at the premises and not do anything to weaken the security of the premises
 - 25.5.2 comply with Buyer requirements for the conduct of personnel
 - 25.5.3 comply with any health and safety measures implemented by the Buyer
 - 25.5.4 immediately notify the Buyer of any incident on the premises that causes any damage to Property which could cause personal injury
- 25.6 The Supplier will ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the Buyer on request.

26. Equipment

- 26.1 The Supplier is responsible for providing any Equipment which the Supplier requires to provide the Services.
- 26.2 Any Equipment brought onto the premises will be at the Supplier's own risk and the Buyer will have no liability for any loss of, or damage to, any Equipment.
- 26.3 When the Call-Off Contract Ends or expires, the Supplier will remove the Equipment and any other materials leaving the premises in a safe and clean condition.

27. The Contracts (Rights of Third Parties) Act 1999

- 27.1 Except as specified in clause 29.8, a person who isn't Party to this Call-Off Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms. This does not affect any right or remedy of any person which exists or is available otherwise.

28. Environmental requirements

- 28.1 The Buyer will provide a copy of its environmental policy to the Supplier on request, which the Supplier will comply with.
- 28.2 The Supplier must provide reasonable support to enable Buyers to work in an environmentally friendly way, for example by helping them recycle or lower their carbon footprint.

29. The Employment Regulations (TUPE)

- 29.1 The Supplier agrees that if the Employment Regulations apply to this Call-Off Contract on the Start date then it must comply with its obligations under the Employment Regulations and (if applicable) New Fair Deal (including entering into an Admission Agreement) and will indemnify the Buyer or any Former Supplier for any loss arising from any failure to comply.
- 29.2 Twelve months before this Call-Off Contract expires, or after the Buyer has given notice to End it, and within 28 days of the Buyer's request, the Supplier will fully and accurately disclose to the Buyer all staff information including, but not limited to, the total number of staff assigned for the purposes of TUPE to the Services. For each person identified the Supplier must provide details of:
 - 29.2.1 the activities they perform
 - 29.2.2 age
 - 29.2.3 start date
 - 29.2.4 place of work
 - 29.2.5 notice period
 - 29.2.6 redundancy payment entitlement
 - 29.2.7 salary, benefits and pension entitlements
 - 29.2.8 employment status
 - 29.2.9 identity of employer
 - 29.2.10 working arrangements
 - 29.2.11 outstanding liabilities
 - 29.2.12 sickness absence
 - 29.2.13 copies of all relevant employment contracts and related documents
 - 29.2.14 all information required under regulation 11 of TUPE or as reasonably requested by the Buyer
- 29.3 The Supplier warrants the accuracy of the information provided under this TUPE clause and will notify the Buyer of any changes to the amended information as soon as reasonably possible. The Supplier will permit the Buyer to use and disclose the information to any prospective Replacement Supplier.
- 29.4 In the 12 months before the expiry of this Call-Off Contract, the Supplier will not change the identity and number of staff assigned to the Services (unless reasonably requested by the Buyer) or their terms and conditions, other than in the ordinary course of business.
- 29.5 The Supplier will co-operate with the re-tendering of this Call-Off Contract by allowing the Replacement Supplier to communicate with and meet the affected employees or their representatives.

- 29.6 The Supplier will indemnify the Buyer or any Replacement Supplier for all Loss arising from both:
- 29.6.1 its failure to comply with the provisions of this clause
 - 29.6.2 any claim by any employee or person claiming to be an employee (or their employee representative) of the Supplier which arises or is alleged to arise from any act or omission by the Supplier on or before the date of the Relevant Transfer
- 29.7 The provisions of this clause apply during the Term of this Call-Off Contract and indefinitely after it Ends or expires.
- 29.8 For these TUPE clauses, the relevant third party will be able to enforce its rights under this clause but their consent will not be required to vary these clauses as the Buyer and Supplier may agree.

30. Additional G-Cloud services

- 30.1 The Buyer may require the Supplier to provide Additional Services. The Buyer doesn't have to buy any Additional Services from the Supplier and can buy services that are the same as or similar to the Additional Services from any third party.
- 30.2 If reasonably requested to do so by the Buyer in the Order Form, the Supplier must provide and monitor performance of the Additional Services using an Implementation Plan.

31. Collaboration

- 31.1 If the Buyer has specified in the Order Form that it requires the Supplier to enter into a Collaboration Agreement, the Supplier must give the Buyer an executed Collaboration Agreement before the Start date.
- 31.2 In addition to any obligations under the Collaboration Agreement, the Supplier must:
- 31.2.1 work proactively and in good faith with each of the Buyer's contractors
 - 31.2.2 co-operate and share information with the Buyer's contractors to enable the efficient operation of the Buyer's ICT services and G-Cloud Services

32. Variation process

- 32.1 The Buyer can request in writing a change to this Call-Off Contract if it isn't a material change to the Framework Agreement/or this Call-Off Contract. Once implemented, it is called a Variation.
- 32.2 The Supplier must notify the Buyer immediately in writing of any proposed changes to their G-Cloud Services or their delivery by submitting a Variation request. This includes any changes in the Supplier's supply chain.

- 32.3 If Either Party can't agree to or provide the Variation, the Buyer may agree to continue performing its obligations under this Call-Off Contract without the Variation, or End this Call-Off Contract by giving 30 days notice to the Supplier.

33. Data Protection Legislation (GDPR)

- 33.1 Pursuant to clause 2.1 and for the avoidance of doubt, clauses 8.59 and 8.60 of the Framework Agreement are incorporated into this Call-Off Contract. For reference, the appropriate GDPR templates which are required to be completed in accordance with clauses 8.59 and 8.60 are reproduced in this Call-Off Contract document at schedule 7.
