OPEN ABOVE THRESHOLD PROCEDURE

Bidder Guidance notes for completion for Parts 1, 2, 3 and definitions for all sections

1. The “authority” or “we” or “us” means the named Contracting Authority or anyone acting on behalf of the Contracting Authority, that is seeking to invite suitable organisations to participate in this procurement process.
2. “You” / “Your” refers to the potential Supplier or Bidder completing this standard Selection Questionnaire i.e. the legal entity responsible for the information provided. The term “potential supplier” is intended to cover any economic operator as defined by the Public Contracts Regulations 2015 (as amended) (referred to as the “regulations”) and could be a registered company; the lead contact for a group of economic operators; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.
3. Please ensure that all questions are completed in full, and in the format requested. If the question does not apply to you, please state ‘N/A’. Should you need to provide additional information in response to the questions, please submit a clearly identified annex.
4. The authority recognises that arrangements set out in section 1 & 2 and potentially 3 of the standard Selection Questionnaire, in relation to a group of economic operators (for example, a consortium) and/or use of sub-contractors, may be subject to change and will, therefore, not be finalised until a later date. The lead contact should notify the authority immediately of any change in the proposed arrangements and ensure a completed Part 1 and Part 2 is submitted for any new organisation relied on to meet the selection criteria. The authority will make a revised assessment of the submission based on the updated information.
5. The authority may decline to consider bids (or otherwise exclude from participating in the procurement) from suppliers who are constituted or organised under the law of Russia or Belarus, or whose ‘Persons of Significant Control’ information states Russia or Belarus as the place of residency, unless the supplier (or any member of their supply chain they rely on to deliver the contract):
 - is registered in the UK or in a country the UK has a relevant international agreement with reciprocal rights of access to public procurement; and/or

- has significant business operations in the UK or in a country the UK has a relevant international agreement with reciprocal rights of access to public procurement.

Bidder guidance : For the mandatory exclusion grounds only, you must complete the declaration for all relevant persons and entities. There are two categories of persons and entities:

- members of your administrative, management or supervisory board;
 - entities and persons who have powers of representation, decision or control.
- You must decide, depending on the nature and structure of the entity or person who is bidding, which entities and persons this applies to in your particular circumstances. Clearly, members of your administrative, management or supervisory board should be easily identifiable and will cover company directors (or equivalent for other types of corporate entities) and members of an executive board.

The second category of those with powers of representation, decision or control, is likely to be more complicated. As an illustration, entities or persons with 25% or more shareholding (or equivalent for other types of corporate entities) are likely to have powers or representation, decision or control, although those with a lower shareholding may still have the relevant powers depending on their particular rights. Similarly, your ultimate parent company (or equivalent for other types of corporate entities) is likely to have powers of representation, decision or control. Depending on your particular structure, intermediate parent companies who do not have a direct shareholding, directors or members of an executive board of your immediate parent company (for example in the case of an SPV set up specifically to bid for a particular contract), and holders of mortgages or liens may be covered. It isn't necessary to identify which entities and persons you think are covered but you must be satisfied that your declaration is made in respect of all of those that are covered.

For answers to part 3 – If you are bidding on behalf of a group, for example, a consortium, or you intend to use subcontractors, you should complete all of the questions on behalf of the consortium and/ or any subcontractors, providing one composite response and declaration.

The Public Procurement Review Service allows government suppliers and potential government suppliers to raise concerns anonymously about unfair public sector procurement practice. The government can then investigate and resolve these concerns for contracting authorities as listed in [Schedule 1](#) of the Public Contracts Regulations 2015. To use the Public Procurement Review Service, [read the terms](#) and email publicprocurementreview@cabinetoffice.gov.uk or phone 0345 010 3503.

The Contracting Authority confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Cabinet Office and/or contracting authorities defined by the regulations, or pursuant to an order of the court or demand made by any competent authority or body where the authority is under a legal or regulatory obligation to make such a disclosure.

Procurement Policy Note: Standard Selection Questionnaire (SQ)

Action Note 03/24**March 2024****Issue**

1. This Procurement Policy Note (PPN) updates the Selection Questionnaire (SQ) and accompanying statutory guidance. The amendments reflect changes to policy.

Dissemination and Scope

2. This PPN applies to all contracting authorities in England, and contracting authorities in Wales and Northern Ireland that exercise wholly or mainly reserved functions, in each case when undertaking above threshold procurements within part 2 of the Public Contracts Regulations 2015 (PCR 2015). Please circulate this PPN within your organisation, drawing it to the attention of those with a purchasing role.

Timing

3. The revised standard selection questions and any other changes to this PPN are to be in use at the latest by 3 months after the publication date, but can be used immediately. This timescale is to allow for the time needed to incorporate the revised SQ into procurement processes and for the amendment of e-procurement tools.

Action

4. It is important to comply with the guidance and the standard selection questions in the attached annexes:

[Annex A](#) - Guidance on the selection stage process

[Annex B](#) - Standard selection questions

[Annex C](#) - Selection questionnaire template

[Annex D](#) - Exclusion grounds.

Background

5. Regulation 107 of the [PCR 2015](#) provides for statutory guidance on the selection stage of a procurement. This PPN updates and replaces:

- i) PPN 03/23 with revised statutory guidance and standard selection questions; and

- ii) replaces the European Single Procurement Document (ESPD) with the Single Procurement Document (SPD), as set out in regulation 59 of the PCR 2015 (following EU Exit). The SPD is the Selection questionnaire template at Annex C.

6. The standard selection questions incorporate the exclusion grounds listed in the [PCR 2015](#).

7. In response to feedback received on PPN 03/23, and subsequent policy

changes, the SQ has been changed as follows: -

- updated payment related questions
- updated steel related questions
- clarity for contracting authorities on considering bids from Russian/Belarusian suppliers as set out in [Procurement Policy Note 01/22](#); and
- removed references to PAS91 which has now been withdrawn by the BSI.

8. To support the move to e-procurement platforms, the format of the SQ template has been revised. Whilst the template may be helpful for some contracting authorities, the growing need is for a format that can be easily adapted for use on e-platforms. This PPN provides both a list of standard selection questions and an SQ template.

Contact

9. Enquiries about this PPN should be directed to the Helpdesk (hosted by Crown Commercial Service) on 0345 410 2222 or email info@crowncommercial.gov.uk.
