10 March 2020

Dear Sir/Madam

**SPECIALIST PROFESSIONAL AND TECHNICAL SERVICES FRAMEWORK
Lot 1 - Technical Consultancy, Engineering Advice, Research and Innovation**

1-1012 TRSAS014 NTMv5 Audit

On behalf of the Secretary of State for Transport, I am authorised to accept your proposal of 24 January 2020 for the above Package Order at the prices/rates quoted.

As set out in the ITT, the Repeat Audit element of the contract will only go ahead upon later authorisation by the Department. During the Inception Stage, we will need to agree an invoicing schedule with a suitable allocation of invoicing to each of the tasks including the Repeat Audit. Based on the resource allocation presented in your bid, we would expect that at least 25% of the value of the contract to rest with the Repeat Audit.

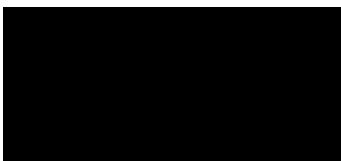

This Package Order start date is 10 March 2020, and the completion date is 31 March 2022.

The authorised maximum Package Order cost is **£196,350.98** (excluding VAT). This cost is not to be exceeded without prior written approval of the Procurement <https://intranet.dft.gov.uk/page/commercial-relationship-managersOfficer>.

██████████ is the Project Sponsor, and can be contacted direct on ██████████ to arrange a start-up meeting.

Any queries relating to this letter and its contents should be sent via Bravo messaging.

Yours faithfully

Commercial Relationship Manager
