WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL COMPANY HAVE ANY LIABILITY FOR PERSONAL INJURY (INCLUDING DEATH) OR PROPERTY DAMAGE ARISING FROM FAILURE OF THE SOLUTION TO INFORM CLIENT OR DELIVER AN ELECTRONIC COMMUNICATION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

5.3. Message Transmission Risks. The solutions transmit information, data, and content to supported contact paths for public and private networks and carriers using the standard protocol for each path. The Client acknowledges that the use of messaging services, including email, voice calls, and SMS, carries a risk of messages being delayed, undelivered, or incomplete due to the involvement of multiple third-party entities in the transmission process, including entities that the recipient and service providers the client or recipient select. The final delivery of messages is dependent on the networks, carriers, and devices managed by the Client or recipient, which are beyond the Company's control. Therefore, the Company cannot and does not guarantee delivery and advises against relying solely on any single messaging channel for critical communication.

5.4. Third-Party Services. Client may be able to access and use third-party applications, data, content, software, or services that are integrated into or otherwise made a part of the Services ("**Third-Party Services**"). Company is not responsible for the acts or omissions of any third party that provides the Third-Party Services. Client acknowledges that such Third-Party Services are controlled by the applicable third parties and are subject to such third parties' terms and conditions. Company provides these Third-Party Services only as a convenience and does not review, approve, monitor, endorse, warrant, or make any

representations with respect to Third-Party Services, or any product or service provided in connection therewith.

6. INDEMNIFICATION.

6.1. By Company. Company shall defend, Client from and against any third-party claim, suit or proceeding against Client arising out of an allegation that Client's use of the Solution in accordance with this Agreement infringes an issued patent, copyright, or other IP right ("**IP Claims**") and indemnify and hold Client harmless against any amounts owed pursuant to a court judgment or settlement of such IP Claims, as well as any reasonable attorneys' fees incurred prior to Company's assumption of the defense prior to Clause 9.3.

6.2. Infringement Remedy. If (a) any aspect of the Solution is found or, in Company's reasonable opinion is likely to be found, to infringe upon the IP right of a third party or (b) the continued use of the Solution is enjoined, then Company will promptly, at its own cost and expense, at its option: (i) obtain for Client the right to continue using the Solution; (ii) modify such aspect of the Solution so that it is non-infringing; or (iii) replace such aspect of the Solution with a non-infringing functional equivalent. If, after commercially reasonable efforts, Company determines in good faith that options (i) - (iii) are not feasible, Company will remove the infringing items from the Solution and refund to Client on a pro-rata basis any prepaid unused fees paid for such infringing element. The remedies set forth in this Clause 9.2 are Client's exclusive remedy for IP Claims. Company shall have no obligation or liability for any claim pursuant to this Clause to the extent arising from: (x) the combinations, operation, or use of the Solution supplied under this Agreement with any product, device, or software not supplied by Company to the extent the combination creates the infringement; (y) the unauthorized alteration or modification by Client of the Solution; or (z) Company's compliance with Client's designs, specifications, requests, or instructions pursuant to an engagement for Professional Services relating to the Solution to the extent the claim of infringement is based on the foregoing.

6.3. Indemnification Process. The indemnifying Party's obligations under this Clause 9 are contingent upon the indemnified Party: (a) promptly giving notice of the claim to the indemnifying Party once the indemnification claim is known; (b) giving the indemnifying Party sole control of the defense and settlement of the indemnification claim (provided that the indemnifying Party may not settle such indemnification claim in a manner that imposes any obligation or restriction upon the indemnified Party absent their consent); and (c) providing the indemnifying Party all available information and reasonable assistance.

7. MISCELLANEOUS.

7.1. Force Majeure Company shall not be responsible for performance under this Agreement to the extent precluded by circumstances beyond Company's reasonable control, including without limitation acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, labor problems, regional technology interruptions, or denial of service attacks.
