

Market Engagement Event for Deep Vein Thrombosis (DVT) service for South Warwickshire Clinical Commissioning Group (SWCCG)

NHS Arden & Greater East Midlands Commissioning Support Unit (AGCSU) on behalf of the commissioners, South Warwickshire Clinical Commissioning Group (SWCCG), would like to invite providers to attend a Market Engagement Event which will inform the market of the CCG's intentions to procure an out of hospital service to manage the majority of deep vein thrombosis (DVT) patients.

The provider of this service will;

- Provide continuity of care, and improved patient experience and choice;
- Demonstrate clearly defined quality standards and indicators, (based on NICE QS29 Diagnosis and Management of venous thromboembolic disease);

The main benefits and expected outcomes, as well as those listed above are:

- To provide an accessible, good quality community based DVT service that is also cost effective;
