

## TEN 456 Website Clarifications 22.05.19

No	Question	Answer
1	Can this requirement be delivered remotely or is it required for the supplier to be on-site?	The tender can be delivered remotely by an agency, but we would expect to have an inception meeting at the CDC offices in Redruth, England TR15 3QG or at an agency office if it was within reasonable travelling distance.
2	<p>I understand you may be on the lookout for a website agency.</p> <p>If you'd like to share more details on the project I can let you know if we can help.</p>	<p>Thank you for expressing interest in our tenders, all the details can be found within the tender link below to Contracts Finder.</p> <p><b>TEN 456 Invitation to Tender, Website Design: ESAM, Sector 2 and Enterprise Zones – Value £18,000</b></p> <p>CDC wishes to appoint a website agency over the contract period that will be tasked to bring various development locations together into one website.</p> <p><a href="https://www.contractsfinder.service.gov.uk/Notice/cf98a788-4332-47cd-bd40-e8c2d8039079">https://www.contractsfinder.service.gov.uk/Notice/cf98a788-4332-47cd-bd40-e8c2d8039079</a></p> <p>Deadline: 29.05.19</p>
3	We intend to submit our proposal for the RFP "Invitation To Tender, Website Design: Esam, Sector 2 And Enterprise Zones". Kindly confirm if this is an international bid or limited to UK registered companies only.	This contract is open to any company who meet the Tender Requirements.
4	In the Web design tender you ask for a budget that covers hosting, maintenance and support until 31 March 2021, but then ask for a separate per-hour cost for support. I assume that means for any ad-hoc requests above and beyond the routine maintenance and support covered in the budget?	Yes for ad-hoc requests or major changes to the site at an unknown time in the future.
