- (C) Subject to the terms and conditions of this Contract, the Buyer has accepted [the Suppliers Offer]/[the Suppliers Offers] and in doing has appointed [the Supplier]/[the Suppliers] to provide and maintain the Goods and Services.
- (D) The Core Terms which are part of the Contract are set out below.

1. Definitions used in the Contract

- 1.1 Interpret this Contract using Schedule 1 (Definitions).

2. How the Contract works

- 2.1 If the Buyer decides to buy Deliverables under the Contract, the Buyer may order the Deliverables, which includes setting out its requirements, in accordance with the Award Form.
- 2.2 If allowed by the Regulations, the Buyer can:
- make changes to Award Form;
 - create new Schedules;
 - exclude optional template Schedules; and/or
 - use Special Terms in the Award Form to add or change terms.
- 2.3 The Contract:
- is between the Supplier and the Buyer; and
 - includes Core Terms, Schedules to the Core Terms, the Award Form and any change to, or items in the completed Award Form.
- 2.4 The Supplier acknowledges it has all the information required to perform its obligations under the Contract before entering into it. When information is provided by the Buyer no warranty of its accuracy is given to the Supplier.
- 2.5 The Supplier won't be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:
- verify the accuracy of the Due Diligence Information; or
 - properly perform its own adequate checks.
- 2.6 The Buyer will not be liable for errors, omissions or misrepresentation of any information.
- 2.7 The Supplier warrants and represents that all statements made and documents submitted as part of the procurement of Deliverables are and remain true and accurate and that it will advise the Buyer of any fact, matter or circumstance of which it may become aware which would render such information to be false, inaccurate, or misleading.

3. What needs to be delivered

3.1 All deliverables

- 3.1.1 The Supplier must provide Deliverables:
- that comply with the Specification, the Tender Response and the Contract;
 - using Good Industry Practice;
 - using all reasonable, care skill and diligence;
 - using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract;
 - on the dates agreed; and
 - that comply with the Law.

3.1.2 The Supplier must provide Deliverables with a warranty of at least 12 months from Delivery against all defects in design, materials and workmanship.

3.2 Goods clauses

3.2.1 All Goods delivered must be new, or as new if recycled, unused and of recent origin.

3.2.2 All manufacturer warranties covering the Goods must be assignable to the Buyer on request and for free.

3.2.3 The Supplier transfers ownership of the Goods on Delivery or payment for those Goods, whichever is earlier.

3.2.4 Risk in the Goods transfers to the Buyer on Delivery of the Goods but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.

3.2.5 The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.

3.2.6 The Supplier must deliver the Goods on the date and to the specified location for Delivery during the Buyer's working hours.

3.2.7 The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.

3.2.8 All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.

3.2.9 The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.

3.2.10 The Supplier must indemnify the Buyer against the costs of any Recall of the Goods and give notice of actual or anticipated action about the Recall of the Goods.

3.2.11 The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 day's notice, then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable steps to minimise these costs.

3.2.12 The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with Clause 3. If the Supplier doesn't do this, it will pay the Buyer's costs including repair or re-supply by a third party.

3.3 Services clauses

3.3.1 Late Delivery of the Services will be a Default of the Contract.

3.3.2 The Supplier must co-operate with the Buyer and third-party suppliers on all aspects connected with the Delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions of the Buyer or third-party suppliers.

3.3.3 The Supplier must at its own risk and expense provide all Supplier Equipment required to Deliver the Services.

3.3.4 The Supplier must allocate sufficient resources and appropriate expertise to the Contract.

3.3.5 The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.

3.3.6 The Supplier must ensure all Services, and anything used to Deliver the Services, are of good quality and free from defects.

3.3.7 The Buyer is entitled to withhold payment for partially or undelivered Services but doing so does not stop it from using its other rights under the Contract.

4 Pricing and payments

4.1 In exchange for the Deliverables, the Supplier must invoice the Buyer for the Charges in the Award Form.

4.2 All Charges:

- must exclude VAT, which is payable on provision of a valid VAT invoice; and

4.3 The Buyer must pay the Supplier the Charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds using the payment method and details stated in the Award Form.

4.4 A Supplier invoice is only valid if it:

4.6 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this does not happen, the Buyer can publish the details of the late payment or non-payment.

4.7 If the Buyer can get more favourable commercial terms for the supply at cost of any materials, goods or services used by the Supplier to provide the Deliverables and that cost is reimbursable by the Buyer, then the Buyer may either:

- require the Supplier to replace its existing commercial terms with the more favourable terms offered for the relevant items; or
- enter into a direct agreement with the Subcontractor or third party for the relevant item.

4.8 If the Buyer uses Clause 4.7 then the Charges must be reduced by an agreed amount by using the Variation Procedure.

4.9 The Buyer's right to enter into a direct agreement for the supply of the relevant items is subject to both:

- the relevant item being made available to the Supplier if required to provide the Deliverables; and
- any reduction in the Charges excludes any unavoidable costs that must be paid by the Supplier for the substituted item, including any licence fees or early termination charges.

4.10 The Supplier has no right of set-off, counterclaim, discount or abatement unless they are ordered to do so by a court.

5. The Buyer's obligations to the Supplier

5.1 If Supplier Non-Performance arises solely from a Buyer Cause:

- the Buyer cannot terminate the Contract under Clause 10.4.1;
- the Supplier is entitled to reasonable and proven additional expenses and to relief from Delay Payments, liability and Deduction under this Contract;
- the Supplier is entitled to a reasonable amount of additional time needed to make the Delivery; and

5.2 Clause 5.1 only applies if the Supplier:

- provide a deadline for completing the corrective action.

7. Supplier Staff

7.1 The Supplier Staff involved in the performance of the Contract must:

- be appropriately trained and qualified;

8.7 All third-party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

9. Intellectual Property Rights (IPRs)

9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:

- receive and use the Deliverables; and
- make use of the deliverables provided by a Replacement Supplier.

9.2 Any New IPR created under the Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations under the Contract during the Contract Period.

9.6 If an IPR Claim is made or anticipated the Supplier must notify the Buyer and at its own expense and the Buyer's sole option, either:

- obtain for the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR; or

APPENDIX A: HMPPS Body Worn Camera Background (current legacy service)

1. General Background of HMPPS

Her Majesty's Prison and Probation Service (HMPPS)

Her Majesty's Prison and Probation Service (HMPPS) is an Executive Agency of the Ministry of Justice (MoJ); which replaced the National Offender Management Service (NOMS) on 1 April 2017. Our role is to carry out sentences ordered by the courts, in custody and the community, and rehabilitate people in our care through education and employment; ensuring best value for money from public resources.

We work to protect the public and reduce reoffending by delivering the punishment and orders of the courts and supporting rehabilitation by helping offenders to reform their lives; both in prisons and in the community.

There are currently 106 Public Sector Prisons, 15 private sector prisons. These prisons hold those on remand awaiting trial, those convicted awaiting sentence, and those sentenced by the courts and completing the custodial element.

The prison estate holds adult men and women, young adults aged 18-21 years and a number of young people aged 12-18.

Her Majesty's Prison Service serves the public by keeping in custody those committed by the courts. Our duty is to look after them with humanity and help them lead law-abiding and useful lives in custody and after release

Within England and Wales, we are responsible for:

- a) running prison and probation services
- b) rehabilitation services for people in our care leaving prison
- c) making sure support is available to stop people reoffending
- d) contract managing private sector prisons and services such as: •the prisoner escort service
- e) electronic tagging

2. Physical Safety/ Body Worn Video Camera background

- 2.1. Physical safety brings together established initiatives as well as commencing work to implement new tools and training. The aim overall is to ensure that our prisons provide a protective and supportive environment that give a sense of safety for those that live and work in them.
- 2.2. A key aim of Physical Safety is to ensure that where we introduce tools, equipment or initiatives that we do so in a way that supports the effective interpersonal skills of our staff.
- 2.3. In 2015 HMPPS introduced Body Worn Video Camera's (BWVC) into a number of public prison establishments, rolling out across the entire public prison estate in 2016. BWVC's are part of the Safety Programme and are used with the aim of making prisons a safer environment for all.
- 2.4. Private prison establishments also utilise BWVC's, but they are out of the scope of this procurement.

3. Current Body Worn Video Camera usage

- 3.1. BWVC's are predominantly worn by prison officers within the 106 public prison establishments across England and Wales. Additionally, the same BWVC's are also used in a limited capacity by specialist tactical response groups.

3.2. Staff collect a camera at the start of a shift from a docking station, by tapping their ID Card (with RFID token attached) on a scanner at which point the camera is allocated to them, camera's are allocated as a pool rather than as personal issue.

3.3. Cameras are worn on standard prison uniform at chest level either by a lanyard or a clip attaching them to a radio loop. A number of non-uniformed officers also wear cameras by lanyard.

3.4. Specialist tactical response groups wear a molle vest as shown below.
