

Technical Evaluation of Responses

Ser	Requirement	Comments on Evidence	Yes/No
1	Has the tenderer indicated that they will be able to supply the complete range of gas products, as listed in Schedule 12 to the Contract?		
2	Has the tenderer confirmed that they will be able to supply the gases to the gas standard, the size of bottles, the valve outlet fittings and to the quantities estimated in Schedule 12 to the Contract?		
3	Has the tenderer indicated that they will be able to supply additional industrial gases, should the Authority request such?		
4	Has the tenderer detailed their cylinder delivery and collection procedure and specifically their ability to serve the barracks centred on Paderborn, Bielefeld and Gütersloh, as listed on Schedule 11 to the Contract?		
5	Has the tenderer confirmed that they will be able to deliver within one working week of the order being received?		
6	Has the tenderer indicated that they have a gas cylinder tracking process which is able to identify each gas cylinder by a unique serial number to allow accurate management by both the Authority and the Provider?
