

Note:
Do not scale from this drawing.
Dimensions are to be checked on site.
If in doubt please ask.

- Note :
- This elevation has been detailed for a typical shopfront elevation in TOWN***. The shop fronts around the town vary with the following details below. Where appropriate the details should match the proposed typical details.
- Some Pilasters are timber but some are original detail carved stone.
 - Stallriser differ from coursed stone, painted plaster, ceramic tiles and brickwork.
 - The typical elevation is detailing a squared internal corner leading to the recessed door. Curved glassing can also be seen around the town in replacement of the squared corner.
