3 Details of this decision

Permission is **APPROVED** to carry out the **Non-material amendment application to amend the incorrect description of planning permission 18/00365/REG3** in accordance with the details set out below

- 1 The change to the description of the previously approved scheme is considered to be minor as it only relates to the breakdown of the housing mix which was incorrectly described on the previously issued decision notice. The overall form of the development remains the same with no negative impact to the appearance of the development or to neighbouring amenity as a result of this application. As such the amended proposal is considered to be acceptable.

Please note this condition requires action Please read this condition carefully and ensure that you comply in full.

- 1 The development shall conform in all aspects with the plans and details shown in the application as listed below, unless alternative details have been subsequently approved following the submission of an application.

Reason: For the avoidance of doubt and to ensure a suitable form of development in accordance with Policy 8 of the North Northamptonshire Joint Core Strategy.
