Smiths Detection Watford Ltd

10 November 2023

Dear [REDACTED]

CONTRACT AWARD (EXTENSION)

DfT Reference: P4084059 (PPRO 04/84/59)

Contract Title: Smiths ETD Onsite Preventative Maintenance (2018)

The Department for Transport (DfT) has reflected upon your 2 Year service extension within your Quotation ("DfT_Proposal update October 2023 REVISION 4" titled 'IONSCAN600 Global Service Contract Gold Service Proposal for the Department for Transport (DfT)') for the above Contract.

On behalf of the Secretary of State for Transport, this Award Letter together with the existing DfT Terms and Conditions (agreed and signed in 2018) will now incorporate *Annex A: Terms of contract – Changes to Covered DfT ETD machines (Break Clause); 2 November 2023* and form a binding Contract between you and the DfT.

The Contract will commence **01 September 2023** and will expire end of **31 August 2025**.

The **Total Extension Price** breaks down as follows (as per Clause 15 Customer Price(s) of the Quotation):

Forecasted values are not committed costs and will be called off by the DfT as requested throughout the Contract term.

The DfT Contract Manager will be [REDACTED]
[REDACTED]

A new purchase order number will be supplied to you to cover the Contract period.

Please acknowledge receipt of this letter by having an appropriate level employee within your organisation review and sign below before returning to the sending officer.

Yours sincerely,

[REDACTED]

by authority of the Secretary of State for Transport

I hereby confirm receipt of the above letter for: **CONTRACT EXTENSION: P4084059
(PPRO 04/84/59) Smiths ETD Onsite Preventative Maintenance**
