1.1.2 the Call-Off Contract Effective Date in respect of the Additional Insurances.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

2. How to manage the insurance

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

4. Evidence of insurance you must provide

- 4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

7. Insurance claims

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. Annex A to Part A: Services Levels and Service Credits Table

[Guidance Note: The following are included by way of example only including Service Levels relating to Social Value (Social Value KPIs). Procurement-specific Service Levels should be incorporated. In line with the [Sourcing Playbook](#), it is HMG's intention to publish the top KPIs for the Government's most important contracts. Where this publication requirement applies to this Contract, the Buyer must select at least three Service Levels (KPIs) which shall be publishable and must also select the single most important Social Value KPI, which shall also be publishable (four KPIs in total). Buyers can indicate which are publishable in the table below]

MAC 6.1: Demonstrate action to identify and tackle inequality in employment, skills and pay in the contract workforce.	Total percentage of full-time equivalent (FTE) people from groups under-represented in the workforce employed as a proportion of the total FTE contract workforce, by UK region.

The Service Credits shall be calculated on the basis of the following formula:

[Example:

Formula: $x\%$ (Service Level Performance Measure) - $x\%$ (actual Service Level performance) = $x\%$ of the Charges payable to the Buyer as Service Credits to be deducted from the next Invoice payable by the Buyer

Worked example: 98% (e.g. Service Level Performance Measure requirement for accurate and timely billing Service Level) - 75% (e.g. actual performance achieved against this Service Level in a Service Period) = 23% of the Charges payable to the Buyer as Service Credits to be deducted from the next Invoice payable by the Buyer]

Confirmation on Elements for Scoring at the End Of Contract – Social Value:

1. Total percentage of full-time equivalent (FTE) people from groups under-represented in the workforce employed as a proportion of the total FTE contract workforce, by UK region.
2. Number of full-time equivalent (FTE) people from groups under-represented in the workforce by UK region.

Call-Off Schedule 20 (Call-Off Specification)

Service Delivery / Product Requirement

The service is expected to include replacement of like for like hardware. Where the hardware is unable to be replaced with an identical part, an alternative part may be considered where it has the same or better fit, form and function. This would be subject to agreement with the SCW representative. This alternative should not incur any additional charges or costs to SCW.

SCW require replacement parts to be delivered to site and, if requested, an engineer with suitable skills to attend.

The supplier will provide access for SCW staff to download updates and security patches for all software and firmware, for all equipment detailed within the contract (via individual CCO logins)

SCW requires 3 different levels of SLA applied to items in the schedule:

24x7x4	Critical Items are fully supported 24 hours a day, 7 days a week, including all public holidays. SCW require that replacement parts and engineers are on site within 4 hours.
8x5x4	Essential offices require support Mon-Fri, 0900 to 1700. SCW require that replacement parts and engineers are on site within 4 hours. This includes Public Holidays.
NBD	This is for non-essential offices and equipment. Replacement hardware and engineers are expected to have attended by the end of the next business day.

SCW may wish to move active equipment between SCW sites, for varying business reasons. SCW will notify the supplier of the change of address of the item on support. This is expected not to incur any additional charges.

SCW may add additional equipment to their network, through network refresh programmes and estate changes, during the life of this contract. The supplier is expected to quote for this equipment and if accepted by SCW, the equipment and support is to be added to this contract and must co-terminate in line with the master end date of this contract.

SCW require a 24x7 access to a support desk for the logging of incident calls, the support service will provide a full auditable process via a unique reference for all tickets raised. This will support SCW in responding to customer Route Cause Analysis (RCA) and problem resolution.

The list of in scope devices is in the embedded file below. The devices are split into 3 lots, **this is only for internal purposes of budget management** and has no direct impact on the contract award process (as defined within this invitation to tender) or the financial evaluation where total cost (for all lots) will be evaluated to provide a single financial score for each bidder.

Outcomes

The contract will provide the levels of support described in the previous section. Giving SCW and its customers the peace of mind that all Cisco assets in this contract are covered with a suitable SLA in the event of any failures. The outlined SLA's should be met in all cases where it is necessary to raise a fault with the supplier.

Service Level Agreement (SLA)

Service Level Agreements (SLAs):

1. 24x7x4 - Critical Items are fully supported 24 hours a day, 7 days a week, including all public holidays. SCW require that replacement parts and engineers are on site within 4 hours.
2. 8x5x4 - Essential offices require support Monday to Friday, 0900 to 1700, including public holidays. SCW require that replacement parts and engineers are on site within 4 hours.
3. NBD - This is for non-essential offices and equipment. Replacement hardware and engineers are expected to have attended by the end of the next business day.

Service level performance measurement should be 99% and the service level threshold should be 95% with the service credit for each service period at 1%.

As outlined in the product requirement section, we require as a minimum the supplier to meet the following SLA's

24x7x4	Critical Items are fully supported 24 hours a day, 7 days a week, including all public holidays. SCW require that replacement parts and engineers are on site within 4 hours.
8x5x4	Essential offices require support Mon-Fri, 0900 to 1700. SCW require that replacement parts and engineers are on site within 4 hours. This includes Public Holidays.
NBD	This is for non-essential offices and equipment. Replacement hardware and engineers are expected to have attended by the end of the next business day.

Part of this is ensuring that they have 24x7 service desk availability for the logging of tickets.

Industry Standards or Accreditations (equivalents)

Supplier should be an approved Cisco Partner and retain staff members that hold Cisco certifications. Responses should provide numbers of staff holding certifications (CCNP, CCIE etc).

- 9.5 If there is an IPR Claim, the Supplier indemnifies CCS and each Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result.
- 9.6 If an IPR Claim is made or anticipated the Supplier must at its own expense and the Buyer's sole option, either:
- (a) obtain for CCS and the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR; or
 - (b) replace or modify the relevant item with substitutes that do not infringe IPR without adversely affecting the functionality or performance of the Deliverables.
- 9.7 In spite of any other provisions of a Contract and for the avoidance of doubt, award of a Contract by the Buyer and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Supplier acknowledges that any authorisation by the Buyer under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific IPR involved.

10.7.2 Where CCS has the right to terminate a Framework Contract it is entitled to terminate all or part of it.

10.7.3 Where the Buyer has the right to terminate a Call-Off Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.7.4 The Relevant Authority can only partially terminate or suspend a Contract if the remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.7.5 The Parties must agree any necessary Variation required by Clause 10.7 using the Variation Procedure, but the Supplier may not either:

18. No other terms apply

- 18.1 The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements, agreements and any course of dealings made between the Parties, whether written or oral, in relation to its subject matter. No other provisions apply.

19. Other people's rights in a contract

- 19.1 No third parties may use the Contracts (Rights of Third Parties) Act 1999 (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

- 24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:

If the Parties cannot agree on a mediator, the mediator will be nominated by CEDR. If either Party does not wish to use, or continue to use mediation, or mediation does not resolve the Dispute, the Dispute must be resolved using Clauses 34.3 to 34.5.

34.5 The Relevant Authority has the right to refer a Dispute to arbitration even if the Supplier has started or has attempted to start court proceedings under Clause 34.3, unless the Relevant Authority has agreed to the court proceedings or participated in them. Even if court proceedings have started, the Parties must do everything necessary to ensure that the court proceedings are stayed in favour of any arbitration proceedings if they are started under Clause 34.4.
