<b>1. 1.1 IMPORTANT - Guidance Documents - Question Section</b>		
	<b>Note</b>	<b>Note Details</b>
1.1.1	Note	Before you begin to complete the required documentation and online questions, please ensure that you have thoroughly read the 'Supplier Help Guides'
1.1.2	Note	The 'Supplier Help Guides' can be found on the homepages of the eTendering portal
1.1.3	Note	Download a copy of the Read Me First (RMF) and all other documents attached to this online Questionnaire as they contain Information and definitions to make the completion of this document that much easier
<b>2. 1.2 SUPPLIERS TIPS FOR COMPLETING YOUR RESPONSE - Question Section</b>		
	<b>Note</b>	<b>Note Details</b>
1.2.1	Note:	USE THE ONLINE 'HELP' FUNCTION – it provides support for both the screen you are in and for key processes such as attaching documents
1.2.2	Note:	For security reasons your access to the portal will 'time out' if inactive for c15 minutes, if you do not click save within this time - this is part of strict government requirements to maintain security and tender integrity and cannot be changed.
1.2.3	Note:	Do not leave your response until the last minutes/hours before the deadline (if you experience connection problems you will miss the deadline and your response may be deemed non-compliant and rejected - always upload and save generic information early to avoid last minute time pressure).
1.2.4	Note:	Please ensure that you read and digest all the required actions and appropriate deadlines and any subsequent communications.
1.2.5	Note:	To make your response visible to the SFA you MUST click 'Submit Response' button. The 'submit' link can be found on the left hand side of the screen under the heading Actions.

1.2.6	Note:	If the SFA makes any changes to the settings or questionnaire area of a live tender, suppliers MUST re-submit their response – this is to ensure that changes are brought to your attention – you will receive a message prompt from the SFA – generally this will not mean re-entering information.	
1.2.7	Note:	Whilst the portal allows for large individual attachment sizes, we recommend that you keep attachments below 5mb to ensure ease & speed of access. Only attach documents that the SFA has requested and make sure that you attach them to this questionnaire	
1.2.8	Note:	Use the ‘Legend’ to understand icons. Note the red asterisk indicates a mandatory field - this must be completed in order to submit your response to the SFA	
1.2.9	Note:	Supplier sub-users can be set up on the portal to allow colleagues to be involved with various stages of the response – see the online help function for details.	
1.2.10	Note:	If you are delegating your response please ensure that your colleagues are aware of this information and are relatively PC literate (MS Office/Explorer).	
1.2.11	Note:	When navigating through this opportunity in the eTendering portal, please avoid using the 'back button' on your browser as any recent changes may be lost. To move between screens please use the online navigation links provided within the eTendering portal.	
1.2.12	Note:	It is strongly recommended that you use MS Explorer (version 6 or above) to complete this tender. However if you only use MAC's you should use a Firefox browser (available free of charge at: <a href="http://www.mozilla.com/firefox">http://www.mozilla.com/firefox</a> ) as the Safari browser does not support certain Java scripts. Users who experience problems with Firefox should email the Helpdesk at <a href="mailto:help@bravosolution.co.uk">help@bravosolution.co.uk</a>	
1.2.13	Note:	Please treat your eTendering portal logins securely - if you believe that you have lost your password - please log onto the website and click onto Forgotten your password? and follow the instructions.
