JCC 34W LED Panel Light Skytile Cool White JC71276 Information

JCC LED Panel Light JC71276 in Cool White. This LED recessed panel light is a LED 34W that outperforms the traditional 4x 18W fluorescent fitting. The JCC LED Skytile is a high efficiency light fitting providing 79 lumens per circuit Watt producing 2700 lumens of enhanced light. Quick and easy installation, LG3 & LG7, zero maintenance for life and a JCC 5 year warranty makes the JCC JC71276 LED Panel Skytile the perfect choice for office and commercial lighting.
