1 Scheme Type

This scheme is a value band A (£0 to £30k) Road Renewal Scheme.

2 Scheme Description

The purpose of this project is to resurface sections of a roundabout carriageway which have suffered from deterioration. The scheme consists of patching to lane 2 of the circulatory carriageway of the roundabout.

The works will include but are not limited to:

- Provision of temporary accommodation or all necessary facilities to meeting health and safety requirements;
- Provision and installation information boards;
- Patching of a total area of less than 1000m² of thin surface course system in the carriageway;
- Replacement of carriageway road markings as required.

3 Road category on which the work is to be carried out

The works will take place on a dual two lane all-purpose dual carriageway (rural – greater than 40 mph) road.

4 Traffic Management

The provision of traffic management is outside the scope of this scheme.

5 Period within which the work is to be carried out

The works are to be carried out within Time Band 10.

6 Site Restrictions and Constraints

There are no identified site constraints or restrictions at the works location.

7 Indicative Programme and Season within which the work is to be carried out

The works are to be completed within 2 days.

The majority of the works are to be constructed outside of British Summer Time.
