20th March 2018

Dear Sirs

TENDER FOR CONTRACT FOR HYDROGRAPHIC SURVEY SERVICES IN UK AND EUROPEAN WATERS

We have received questions for the above-mentioned tender, and to ensure that all tenderers have access to the same information, we have copied the questions and our answers to you:

Question 1

Are the shape files available for the new 2018 ITT?

Response

Each Hydrographic Instruction contains a section detailing the area to be surveyed. This includes a coordinates table with latitude and longitude points provided in the geographic ETRS89 coordinate system. These coordinates can be used to create GIS shapefiles where desired.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R Skeats'.
