BETWEEN:

- (1) **THE SECRETARY OF STATE FOR WORK AND PENSIONS** of Caxton House, Tothill Street, London, SW1H 9DA (the “**Authority**”); and
- (2) **CAPITA BUSINESS SERVICES LIMITED** a company registered in England and Wales under company number 2299747 whose registered office is at 65 Gresham St, London, EC2V 7NQ, UNITED KINGDOM (the “**Supplier**”)

(each a “**Party**” and together the “**Parties**”).

INTRODUCTION

- (A) *The Authority delivers, for itself and (in relation to certain benefits) on behalf of other government departments, a number of benefit services to support people with disabilities and health conditions (including Personal Independence Payments, Employment and Support Allowance and Universal Credit) and other smaller specialist benefits. In the vast majority of cases, entitlement and/or support offer for these benefits is determined through functional health assessments. The Authority wishes to move toward a more efficient service for Claimants by bringing together a single contracted approach with a single supplier for all services in a geographic area, and a platform to grow the new Health Assessment Service ahead of national expansion from 2029. The Agreement supports wider policy reform and includes a level of flexibility to support service changes.*
- (B) *On 12 November 2021 the Authority advertised on the UK’s Find a Tender service (reference 2021/S 000-028407), inviting prospective suppliers to submit proposals for provision of functional health assessments services on behalf of the Authority.*
- (C) *The Supplier is a leading provider of business process services, driven by data, technology and people and has experience in implementing and delivering functional health assessment services.*
- (D) *On the basis of the Supplier’s response to the advertisement and a subsequent tender process, the Authority selected the Supplier as its preferred supplier and the Supplier undertakes to provide the Services on the terms and conditions set out below.*

In this Agreement (which is executed as a deed) **IT IS AGREED** as follows:

Supplier Background IPRs

17.3 The Supplier hereby grants to the Authority:

- (a) subject to the provisions of Clause 17.15 (*Patents*) and Clause 36.1 (*Consequences of expiry or termination*), perpetual, royalty-free and non-exclusive licences to use (including but not limited to the right to load, execute, store, transmit, display and copy (for the purposes of archiving, backing-up, loading, execution, storage, transmission or display)) the Supplier Background IPRs for any purpose relating to the Services (or substantially equivalent services) or for any purpose relating to the exercise of the Authority's (or any other Central Government Body's) business or function; and
- (b) a perpetual royalty-free non-exclusive licence to use without limitation any Know-How, trade secrets or Confidential Information contained within the Project Specific IPRs.

17.4 Subject to Clause 17.6, at any time during the Term or following termination or expiry of this Agreement, the Supplier may terminate the licence granted in respect of the Supplier Background IPRs under Clause 17.3(a) by giving thirty (30) days' notice in writing (or such other period as agreed by the Parties) if the Authority or any person to whom the Authority grants a sub-licence pursuant to Clause 17.7 (*Authority's right to sub-license*) commits any material breach of the terms of Clause 17.3(a) or 17.7(a)(ii) (as the case may be) which, if the breach is capable of remedy, is not remedied within 20 Working Days after the Supplier gives the Authority written notice specifying the breach and requiring its remedy.

17.5 In the event the licence of the Supplier Background IPRs is terminated pursuant to Clause 17.4, subject to Clause 17.6 the Authority shall:

- (a) immediately cease all use of the Supplier Background IPRs (as the case may be);
- (b) at the discretion of the Supplier, return or destroy documents and other tangible materials to the extent that they contain any of Supplier Background IPRs, provided that if the Supplier has not made an election within 6 months of the termination of the licence, the Authority may destroy the documents and other tangible materials that contain any of the Supplier Background IPRs; and
- (c) ensure, so far as reasonably practicable, that any Supplier Background IPRs that are held in electronic, digital or other machine-readable form cease to be readily accessible (other than by the information technology staff of the Authority) from any computer, word processor, voicemail system or any other device containing such Supplier Background IPRs.

17.6 The rights granted under Clause 17.3 shall survive the termination or expiry of any licence or this Agreement to the extent that the Supplier Background IPRs and/or any Know-How, trade secrets or Confidential Information contained within the Project Specific IPRs are embedded in, or form an integral part of, any Deliverables and continued use of such Deliverables post termination or expiry is deemed by the Authority to be required for any purpose relating to the Services (or substantially

equivalent services) or for any purpose relating to the exercise of the Authority's (or any other Central Government Body's) business or function.

Authority's right to sub-license

17.7 Subject to Clause 17.15 (*Patents*) the Authority may sub-license:

- (a) the rights granted under Clause 17.3(a) (*Supplier Background IPRs*) to a third party (including for the avoidance of doubt, any Replacement Supplier) provided that:
 - (i) the sub-licence is on terms no broader than those granted to the Authority;
 - (ii) the sub-licence authorises the third party to use the rights licensed in Clause 17.3(a) (*Supplier Background IPRs*) only for purposes relating to the Services (or substantially equivalent services) or for any purpose relating to the exercise of the Authority's (or any other Central Government Body's) business or function; and
 - (iii) the sub-licensee shall have executed a confidentiality undertaking in favour of the Supplier in or substantially in the form set out in Annex 1 to Schedule 18 (*Information Technology Services*); and

- (a) A Central Government Body; or
- (b) to any body (including any private sector body) which performs or carries on any of the functions and/or activities that previously had been performed and/or carried on by the Authority.

17.9 Any change in the legal status of the Authority which means that it ceases to be a Central Government Body shall not affect the validity of any licence granted in Clause 17.3 (*Supplier Background IPRs*). If the Authority ceases to be a Central Government Body, the successor body to the Authority shall still be entitled to the benefit of the licence granted in Clause 17.3 (*Supplier Background IPRs*).

17.10 If a licence granted in Clause 17.3 (*Supplier Background IPRs*) is novated under Clause 17.8 or there is a change of the Authority's status pursuant to Clause 17.9, the rights acquired on that novation or change of status shall not extend beyond those previously enjoyed by the Authority.

Third Party IPRs

- 17.11 The Supplier shall use its reasonable endeavours to obtain any licences, permissions or consents in connection with any Third Party IPRs required by the Supplier and the Authority for use of the Deliverables (such licences, permissions or consents to be in writing, copies of which the Supplier shall provide to the Authority on request). In addition, and without prejudice to Clause 19 (*IPRs Indemnity*) the Supplier warrants that the provision, and the Authority's use as anticipated under this Agreement, of the Services and the Deliverables does not and will not infringe any third party's Intellectual Property Rights.
- 17.12 Should the Supplier become aware at any time, including after termination, that the Project Specific IPRs contain any Intellectual Property Rights for which the Authority does not have a suitable licence, then the Supplier must notify the Authority within ten (10) days of what those rights are and which parts of the Project Specific IPRs they are found in.

Termination and Replacement Suppliers

- 17.13 For the avoidance of doubt, the termination or expiry of this Agreement shall not of itself result in any termination of any of the licences granted by the Supplier or relevant third party pursuant to or as contemplated by this Clause 17.
- 17.14 The Supplier shall, if requested by the Authority in accordance with Schedule 8.5 (*Exit Management*) and at the Supplier's cost grant (or procure the grant) to any Replacement Supplier of a licence to use any Supplier Background IPRs or any Third Party IPR's required by the Replacement Supplier for use of the Deliverables on a royalty-free basis to the Replacement Supplier and on terms no less favourable than those granted to the Authority in respect of the relevant IPRs pursuant to or as contemplated by this Clause 17 subject to receipt by the Supplier of a confidentiality undertaking in its favour in or substantially in the form set out in Annex 1 to Schedule 18 (*Information Technology Services*) duly executed by the Replacement Supplier.

Patents

- 17.15 Where a patent owned by the Supplier is necessarily infringed by the use of the Project Specific IPRs by the Authority or any Replacement Supplier, the Supplier hereby grants to the Authority and the Replacement Supplier a non-exclusive, irrevocable, royalty-free, worldwide patent licence to use the infringing methods, materials or software solely for the purpose for which they were delivered under this Agreement.

 - (a) any relevant Sub-contractor has entered into a confidentiality undertaking with the Supplier on the same terms as set out in Clause 22 (*Confidentiality*); and
 - (b) the Supplier shall not use the IT System for any other purpose or for the benefit of any person other than the Authority.
- 18.3 In the event of the termination or expiry of this Agreement, the licences granted pursuant to Clause 18.1 and Clause 18.2 and any sub-licence granted by the Supplier in accordance with Clause 18.1 and Clause 18.2 shall terminate automatically on the date of such termination or expiry and the Supplier shall:

19 IPRs INDEMNITY

- 19.1 The Supplier shall at all times, during and after the Term, on written demand indemnify the Authority and each other Indemnified Person, and keep the Authority and each other Indemnified Person indemnified, against all Losses incurred by, awarded against or agreed to be paid by an Indemnified Person arising from an IPRs Claim.
- 19.2 If an IPRs Claim is made, or the Supplier anticipates that an IPRs Claim might be made, the Supplier may, at its own expense and sole option, either:
 - (a) procure for the Authority or other relevant Indemnified Person the right to continue using the relevant item which is subject to the IPRs Claim; or

- (b) replace or modify the relevant item with non-infringing substitutes provided that:
 - (i) the performance and functionality of the replaced or modified item is at least equivalent to the performance and functionality of the original item;

19.3 If the Supplier elects to procure a licence in accordance with Clause 19.2(a) or to modify or replace an item pursuant to Clause 19.2(b), but this has not avoided or resolved the IPRs Claim, then:

- (a) the Authority may terminate this Agreement (if subsisting) with immediate effect by written notice to the Supplier; and
- (b) without prejudice to the indemnity set out in Clause 19.1, the Supplier shall be liable for all reasonable and unavoidable costs of the substitute items and/or services including the additional costs of procuring, implementing and maintaining the substitute items.

- 20.3 The Supplier shall ensure that the Open Source Publication Material provided to the Authority does not include any Supplier Software or Supplier Background IPRs save that which the Supplier is willing to allow to be included in any Open Source publication. In such a case, the Supplier hereby acknowledges that any such Supplier Software or Supplier Background IPRs will become Open Source and will be licensed and treated as such following publication by the Authority and any third party that uses the Open Source Publication Materials on the terms of the Open Source licence used by the Authority when publishing as Open Source.

In doing so, the Supplier must support its request by providing evidence of the cause of any increased costs and the steps that it has taken to mitigate those costs. Any change to the Charges shall then be agreed in accordance with the Change Control Procedure.

Mitigation

26.10 Each Party shall use all reasonable endeavours to mitigate any loss or damage suffered arising out of or in connection with this Agreement, including any Losses for which the relevant Party is entitled to bring a claim against the other Party pursuant to the indemnities in this Agreement.

Claimants

26.11 Neither Party shall be liable for any personal injury, disease or death, or loss or damage whatsoever, caused by any act or omission of a Claimant, except to the extent (if any) that it was also caused or contributed to by the negligent act or omission or wilful Default of some other person acting as a servant or agent of that Party.

- (c) such Default is not remedied within 5 Working Days (or such longer period as the Authority may specify in each case) after the Authority notifies the Supplier of the Default and the remedy required

then, in respect of each and every such Default, the Supplier shall, subject to Clause 26.15, pay the Authority, as Liquidated Damages, an amount equal to the Liquidated Damages amount set out in the third column of Table 1 below in respect of the relevant Default (exclusive of VAT) for each full or partial Working Day's delay either in: (i) remedying the Default following the period set out in Clause 26.14(c) above; or (ii) in agreeing a Revised Deadline in accordance with Clause 26.15 in respect of such Default following the period set out in Clause 26.14(c) above.

For the avoidance of doubt, and by way of illustration only, if the period set for remedy of a Default pursuant to Clause 26.14(c) above is 5 Working Days and the Supplier remedies such Default within 7 Working Days, Liquidated Damages would be payable, on a daily basis, in respect of 2 Working Days (assuming that a Revised Deadline has not been agreed in accordance with Clause 26.15). If, however, the Supplier and the Authority have agreed a Revised Deadline of 7 Working Days for remedying the Default, no Liquidated Damages would be payable provided that the Supplier remedies the Default by the end of the 7th Working Day.

- (b) the Authority notifies the Supplier that it considers that a Notifiable Default has occurred (setting out sufficient detail so that it is reasonably clear what the Supplier has to rectify),

then, unless the Notifiable Default also constitutes a Supplier Termination Event and the Authority serves a Termination Notice, the Supplier shall comply with the Rectification Plan Process.

28.3 The “**Rectification Plan Process**” shall be as set out in Clauses 28.4 (*Submission of the draft Rectification Plan*) to 28.10 (*Agreement of the Rectification Plan*).

Submission of the draft Rectification Plan

28.4 The Supplier shall, subject to Clause 28.5, submit a draft Rectification Plan to the Authority for it to review as soon as possible and in any event within 10 Working Days (or such shorter period as may be required by the Authority where the Authority, acting reasonably, deems the situation to be urgent) after the original notification

pursuant to Clause 28.2 (*Notification*). The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Notifiable Default.

- 28.5 Where, in respect of a Notifiable Event referred to in Clause 28.1(b)(ii) or 28.1(b)(iii), there is already a Rectification Plan subsisting in relation to a TPL Failure the Performance Level in respect of which is the same as the Performance Level giving rise to the Notifiable Event referred to in Clause 28.1(b)(ii) or a failure to achieve a Monthly Volume Clearance Target (as the case may be):
- (a) the Supplier shall, following the occurrence of the Notifiable Event referred to in Clause 28.1(b)(ii) or 28.1(b)(iii) (as the case may be), update such subsisting Rectification Plan to address the matters referred to in Clause 28.6 (to the extent that such matters have altered as a result of the Notifiable Event referred to in Clause 28.1(b)(ii) or 28.1(b)(iii) (as the case may be); and
 - (b) reference to the draft Rectification Plan in Clause 28.4 and in Clauses 28.6 to 28.9 (inclusive) and to the Rectification Plan in Clause 28.10 shall be deemed to refer to such subsisting Rectification Plan as required to be updated in accordance with Clause 28.5(a), including as such terms are used in limbs (a), (b), (d) and (f) of the definition of Rectification Plan Failure.
- 28.6 The draft Rectification Plan shall set out:
- (a) full details of the Notifiable Default that has occurred, including a root cause analysis;
 - (b) the actual or anticipated effect of the Notifiable Default; and
 - (c) the steps which the Supplier proposes to take to rectify the Notifiable Default (if applicable) and to prevent such Notifiable Default from recurring, including timescales for such steps and for the rectification of the Notifiable Default (where applicable).
- 28.7 The Supplier shall promptly provide to the Authority any further documentation that the Authority reasonably requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with Paragraph 6 of Schedule 8.3 (*Dispute Resolution Procedure*).

Agreement of the Rectification Plan

- 28.8 The Authority may reject the draft Rectification Plan in whole or in part by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example (but not limited to) because the draft Rectification Plan:
- (a) is insufficiently detailed to be capable of proper evaluation;
 - (b) will take too long to complete (given the nature of the Services as statutory services);
 - (c) will not prevent reoccurrence of the Notifiable Default; and/or
 - (d) will rectify the Notifiable Default but in a manner which is unacceptable to the Authority.

28.9 The Authority shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Authority rejects the draft Rectification Plan, the Authority shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Authority for review within 5 Working Days (or such other period as agreed between the Parties) of the Authority's notice rejecting the first draft.

28.10 If the Authority consents to the Rectification Plan:

- (a) the Supplier shall immediately start work on the actions set out in the Rectification Plan; and
- (b) the Authority may no longer terminate this Agreement in whole or in part on the grounds of the relevant Notifiable Default;

save in the event of a Rectification Plan Failure or other Supplier Termination Event.

29 NO DOUBLE RELIEF

29.1 If circumstances arise where the Supplier becomes entitled to relief from (or to an adjustment to) its obligations under this Agreement due to more than one cause at the same time, then those causes shall be treated as a single cause together and the Supplier shall not be entitled to any greater relief than if only one cause had arisen.

30 Not Used

31 REMEDIAL ADVISER

31.1 If:

- (a) any of the Intervention Trigger Events occur; or
- (b) the Authority reasonably believes that any of the Intervention Trigger Events are likely to occur,

(each an "**Intervention Cause**"), the Authority may give notice to the Supplier (an "**Intervention Notice**") giving reasonable details of the Intervention Cause and requiring:

- (i) a meeting between the Authority Representative and the Supplier Representative to discuss the Intervention Cause; and/or
- (ii) the appointment as soon as practicable by the Supplier of a Remedial Adviser, as further described in this Clause 31.

For the avoidance of doubt, if the Intervention Cause is also a Supplier Termination Event, the Authority has no obligation to exercise its rights under this Clause 31.1 prior to or instead of exercising its right to terminate this Agreement.

31.2 If the Authority gives notice that it requires the appointment of a Remedial Adviser:

- (a) the Remedial Adviser shall be:
 - (i) a person selected by the Supplier and approved by the Authority; or
 - (ii) if none of the persons selected by the Supplier have been approved by the Authority (or no person has been selected by the

Supplier) within 10 Working Days following the date on which the Intervention Notice is given, a person identified by the Authority;

- (b) the terms of engagement and start date agreed with the Remedial Adviser must be approved by the Authority; and
- (c) any right of the Authority to terminate this Agreement pursuant to Clause 35.1(b) (*Termination by the Authority*) for the occurrence of that Intervention Cause shall be suspended for 60 Working Days from (and including) the date of the Intervention Notice (or such other period as may be agreed between the Parties)(the “**Intervention Period**”).

31.3 The Remedial Adviser’s overall objective shall be to mitigate the effects of, and (to the extent capable of being remedied) to remedy, the Intervention Cause and to avoid the occurrence of similar circumstances in the future. In furtherance of this objective (but without diminishing the Supplier’s responsibilities under this Agreement), the Parties agree that the Remedial Adviser may undertake any one or more of the following actions:

- (a) observe the conduct of and work alongside the Supplier Personnel to the extent that the Remedial Adviser considers reasonable and proportionate having regard to the Intervention Cause;
- (b) gather any information the Remedial Adviser considers relevant in the furtherance of its objective;
- (c) write reports and provide information to the Authority in connection with the steps being taken by the Supplier to remedy the Intervention Cause;
- (d) make recommendations to the Authority and/or the Supplier as to how the Intervention Cause might be mitigated or avoided in the future; and/or
- (e) take any other steps that the Authority and/or the Remedial Adviser reasonably considers necessary or expedient in order to mitigate or rectify the Intervention Cause.

31.4 The Supplier shall:

- (a) work alongside, provide information to, co-operate in good faith with and adopt any reasonable methodology in providing the Services recommended by the Remedial Adviser;
- (b) ensure that the Remedial Adviser has all the access it may require in order to carry out its objective, including access to the Assets;
- (c) submit to such monitoring as the Authority and/or the Remedial Adviser considers reasonable and proportionate in respect of the Intervention Cause;
- (d) implement any reasonable recommendations made by the Remedial Adviser that have been approved by the Authority within the timescales given by the Remedial Adviser; and
- (e) not terminate the appointment of the Remedial Adviser prior to the end of the Intervention Period without the prior consent of the Authority (such consent not to be unreasonably withheld).

31.5 The Supplier shall be responsible for:

- (a) the costs of appointing, and the fees charged by, the Remedial Adviser; and
- (b) its own costs in connection with any action required by the Authority and/or the Remedial Adviser pursuant to this Clause 31.

31.6 If:

- (a) the Supplier:
 - (i) fails to perform any of the steps required by the Authority in an Intervention Notice; and/or
 - (ii) is in Default of any of its obligations under Clause 31.4; and/or
- (b) the relevant Intervention Trigger Event is not rectified by the end of the Intervention Period,

(each a “**Remedial Adviser Failure**”), the Authority shall be entitled to terminate this Agreement pursuant to Clause 35.1(b) (*Termination by the Authority*).

32 **STEP-IN RIGHTS**

32.1 On the occurrence of a Step-In Trigger Event, the Authority may serve notice on the Supplier (a “**Step-In Notice**”) that it will be taking action under this Clause 32 (*Step-in Rights*), either itself or with the assistance of a third party (provided that the Supplier may require any third parties to comply with a confidentiality undertaking equivalent to Clause 22 (*Confidentiality*)). The Step-In Notice shall set out the following:

- (a) the action the Authority wishes to take and in particular the Services that it wishes to control (the “**Required Action**”);
- (b) the Step-In Trigger Event that has occurred and whether the Authority believes that the Required Action is due to the Supplier's Default;
- (c) the date on which it wishes to commence the Required Action;
- (d) the time period which it believes will be necessary for the Required Action;
- (e) whether the Authority will require access to the Supplier's premises and/or the Sites; and
- (f) to the extent practicable, the impact that the Authority anticipates the Required Action will have on the Supplier's obligations to provide the Services during the period that the Required Action is being taken.

32.2 Following service of a Step-In Notice, the Authority shall:

- (a) take the Required Action set out in the Step-In Notice and any consequential additional action as it reasonably believes is necessary to achieve the Required Action;
- (b) keep records of the Required Action taken and provide information about the Required Action to the Supplier;

- (c) co-operate wherever reasonable with the Supplier in order to enable the Supplier to continue to provide the Services in relation to which the Authority is not assuming control; and
 - (d) act reasonably in mitigating the cost that the Supplier will incur as a result of the exercise of the Authority's rights under this Clause 32.
- 32.3 For so long as and to the extent that the Required Action is continuing, then:
- (a) the Supplier shall not be obliged to provide the Services to the extent that they are the subject of the Required Action unless advised by the Authority to do so;
 - (b) where the reason for the Required Action arises under limb (c) or (d) of the definition of a Step-In Trigger Event or under limb (e) or (f) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Supplier's Default), no Deductions shall be applicable in relation to Charges in respect of Services that are the subject of the Required Action and the provisions of Clause 32.4 shall apply to Deductions from Charges in respect of other Services; and
 - (c) the Authority shall pay to the Supplier the Charges after subtracting any applicable Deductions and the Authority's costs of taking the Required Action.
- 32.4 If the Supplier demonstrates to the reasonable satisfaction of the Authority that the Required Action has resulted in:
- (a) the degradation of any Services not subject to the Required Action; or
 - (b) failure to Achieve a Milestone by its Milestone Date,
- beyond that which would have been the case had the Authority not taken the Required Action, then the Supplier shall be entitled to an agreed adjustment of the Charges.
- 32.5 Before ceasing to exercise its step in rights under this Clause 32 the Authority shall deliver a written notice to the Supplier (a "**Step-Out Notice**"), specifying:
- (a) the Required Action it has actually taken; and
 - (b) the date on which the Authority plans to end the Required Action (the "**Step-Out Date**") subject to the Authority being satisfied with the Supplier's ability to resume the provision of the Services and the Supplier's plan developed in accordance with Clause 32.6.
- 32.6 The Supplier shall, following receipt of a Step-Out Notice and not less than 20 Working Days prior to the Step-Out Date, develop for the Authority's approval a draft plan (a "**Step-Out Plan**") relating to the resumption by the Supplier of the Services, including any action the Supplier proposes to take to ensure that the affected Services satisfy the requirements of this Agreement.
- 32.7 If the Authority does not approve the draft Step-Out Plan, the Authority shall inform the Supplier of its reasons for not approving it. The Supplier shall then revise the draft Step-Out Plan taking those reasons into account and shall re-submit the revised plan to the Authority for the Authority's approval. The Authority shall not withhold or delay its approval of the draft Step-Out Plan unnecessarily.

32.8 The Supplier shall bear its own costs in connection with any step-in by the Authority under this Clause 32, provided that the Authority shall reimburse the Supplier's reasonable additional expenses incurred directly as a result of any step-in action taken by the Authority under:

- (a) limbs (c) or (d) of the definition of a Step-In Trigger Event; or
- (b) limbs (e) and (f) of the definition of a Step-in Trigger Event (insofar as the primary cause of the Authority serving the Step-In Notice is identified as not being the result of the Supplier's Default).

33 **AUTHORITY CAUSE**

33.1 Notwithstanding any other provision of this Agreement, if the Supplier has failed to:

- (a) Achieve a Milestone by its Milestone Date;
- (b) provide the Operational Services to achieve the Minimum Performance Levels and/or Service Regression Failure Performance Levels (where applicable), the Target Performance Levels and/or the Monthly Volume Clearance Target for PIP and/or WCA; and/or
- (c) comply with its obligations under this Agreement,

(each a “**Supplier Non-Performance**”),

and can demonstrate with evidence that the Supplier Non-Performance would not have occurred but for an Authority Cause, then (subject to the Supplier fulfilling its obligations in this Clause 33):

- (i) the Supplier shall not be treated as being in breach of this Agreement to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Authority Cause;
- (ii) the Authority shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance:
 - (A) to terminate this Agreement pursuant to Clause 35.1(b) (*Termination by the Authority*); or
 - (B) to take action pursuant to Clauses 31 (*Remedial Adviser*) or 32 (*Step-In Rights*);
- (iii) where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:
 - (A) the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Authority Cause;
 - (B) if the Authority, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Authority Cause; and/or
- (iv) where the Supplier Non-Performance constitutes a TPL Failure and/or the Supplier fails to achieve the Monthly Volume Clearance

Target for PIP and/or WCA and/or a Service Regression Failure occurs:

- (A) the impact of such Authority Cause shall (where applicable in the context of the Supplier Non-Performance in question) be taken into account in the calculation of that part of the Financial Incentive that would otherwise have accrued had the TPL Failure the subject of the Supplier Non-Performance in question not occurred, such that the Supplier shall be entitled to accrue such part of the Financial Incentive that it would otherwise have accrued, but for the Supplier Non-Performance in question;
- (B) the Supplier shall not (where applicable in the context of the Supplier Non-Performance in question) be liable to accrue Specialist Benefit Performance Credits;
- (C) the Authority shall not (where applicable in the context of the Supplier Non-Performance in question) be entitled to withhold the whole or the relevant proportion (as the case may be) of the Target Fee Achieved pursuant to Paragraph 13 of Part A of Schedule 7.1 (*Charges and Invoicing*);
- (D) the Authority shall not (where applicable in the context of the Supplier Non-Performance in question) be entitled to withhold and retain any Compensation for Serious Performance Failure pursuant to Clause 7.4 (*Serious Performance Failure*);
- (E) any Service Regression Failure shall be deemed not to have occurred; and
- (F) without double counting in respect of any Financial Incentive accrued pursuant to Clause 33.1(c)(iv)(A), the Supplier shall be entitled to invoice for the Charges for the relevant Operational Services affected by the Authority Cause,

in each case, to the extent that the Supplier can demonstrate with evidence that the TPL Failure and/or the failure to achieve the Monthly Volume Clearance Target for PIP and/or WCA and/or the Service Regression Failure was caused by the Authority Cause.

33.2 In order to claim any of the rights and/or relief referred to in Clause 33.1, the Supplier shall as soon as reasonably practicable (and in any event within 10 Working Days) after becoming aware that an Authority Cause has caused, or is reasonably likely to cause, a Supplier Non-Performance, give the Authority notice (a “**Relief Notice**”) setting out details of:

- (a) the Supplier Non-Performance;
- (b) the Authority Cause and its effect, or likely effect, on the Supplier’s ability to meet its obligations under this Agreement;
- (c) any steps which the Authority can take to eliminate or mitigate the consequences and impact of such Authority Cause; and

- (d) the relief and/or compensation claimed by the Supplier.
- 33.3 Following the receipt of a Relief Notice, the Authority shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Authority Cause and whether it agrees with the Supplier's assessment set out in the Relief Notice as to the effect of the relevant Authority Cause and its entitlement to relief and/or compensation, consulting with the Supplier where necessary.
- 33.4 The Supplier shall use all reasonable endeavours to eliminate or mitigate the consequences and impact of an Authority Cause, including any Losses that the Supplier may incur and the duration and consequences of any Delay or anticipated Delay.
- 33.5 Without prejudice to Clause 5.9 (*Continuing obligation to provide the Services*), if a Dispute arises as to:
- (a) whether a Supplier Non-Performance would not have occurred but for an Authority Cause; and/or
 - (b) the nature and/or extent of the relief and/or compensation claimed by the Supplier,
- either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.
- 33.6 Any Change that is required to the Implementation Plan or to the Charges pursuant to this Clause 33 shall be implemented in accordance with the Change Control Procedure.

34 FORCE MAJEURE

- 34.1 Subject to the remaining provisions of this Clause 34 (and, in relation to the Supplier, subject to its compliance with its obligations in Schedule 8.6 (*Service Continuity Plan and Corporate Resolution Planning*)), a Party may claim relief under this Clause 34 from liability for failure to meet its obligations under this Agreement for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Agreement which results from a failure or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by an event of force majeure from complying with an obligation to the Supplier.
- 34.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 34.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause 34 to the extent that consequences of the relevant Force Majeure Event:
- (a) are capable of being mitigated, but the Supplier has failed to do so;
 - (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Agreement; or

- (c) are the result of the Supplier's failure to comply with its Service Continuity Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the Service Continuity Plan).
- 34.4 Subject to Clause 34.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 34.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 34.6 Where, as a result of a Force Majeure Event:
- (a) an Affected Party fails to perform its obligations in accordance with this Agreement, then during the continuance of the Force Majeure Event:
 - (i) the other Party shall not be entitled to exercise any rights to terminate this Agreement in whole or in part as a result of such failure other than pursuant to Clause 35.1(c) (*Termination by the Authority*) or Clause 35.3(b) (*Termination by the Supplier*); and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
 - (b) the Supplier fails to perform its obligations in accordance with this Agreement:
 - (i) the Authority shall not be entitled:
 - (A) during the continuance of the Force Majeure Event to declare that a Service Regression Failure has occurred and/or exercise its rights under Clause 31 (*Remedial Adviser*) and/or Clause 32 (*Step-in Rights*) as a result of such failure;
 - (B) Not Used; and
 - (C) to receive Specialist Benefit Performance Credits, to withhold the whole or the relevant proportion (as the case may be) of the Target Fee Achieved pursuant to Paragraph 13 of Part A of Schedule 7.1 (*Charges and Invoicing*) or withhold and retain any Compensation for Serious Performance Failure pursuant to Clause 7.4 (*Serious Performance Failure*) to the extent that a TPL Failure and/or failure to achieve the Monthly Volume Clearance Target has been caused by the Force Majeure Event; and
 - (ii) the Supplier shall be entitled to receive payment of the Charges (or a proportional payment of them, including any Financial Incentive) only to the extent that the Services (or relevant part of the Services) continue to be performed in accordance with the terms of this Agreement during the occurrence of the Force Majeure Event.

- 34.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Agreement.
- 34.8 Relief from liability for the Affected Party under this Clause 34 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Agreement and shall not be dependent on the serving of notice under Clause 34.7.

SECTION I – TERMINATION AND EXIT MANAGEMENT

35 TERMINATION RIGHTS

Termination by the Authority

- 35.1 The Authority may terminate this Agreement by issuing a Termination Notice to the Supplier:
- (a) for convenience at any time;
 - (b) if a Supplier Termination Event occurs;
 - (c) if a Force Majeure Event endures for a continuous period of more than ninety (90) days; or
 - (d) if the Agreement has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure,
- and this Agreement shall terminate on the date specified in the Termination Notice.
- 35.2 Where the Authority:
- (a) is terminating this Agreement under Clause 35.1(b) due to the occurrence of either limb (b), (h) and/or (i) of the definition of Supplier Termination Event, it may rely on a single material Default or on a number of Defaults or repeated Defaults (whether of the same or different obligations and regardless of whether such Defaults are cured) which taken together constitute a material Default; and/or
 - (b) has the right to terminate this Agreement under
 - (i) Clause 35.1(a) ;or
 - (ii) Clause 35.1(b) or Clause 35.1(c),it may, prior to or instead of terminating the whole of this Agreement, serve a Termination Notice requiring the Partial Termination of this Agreement.

Termination by the Supplier

- 35.3 The Supplier may, by issuing a Termination Notice to the Authority, terminate:
- (a) this Agreement if the Authority fails to pay an undisputed sum due to the Supplier under this Agreement which in aggregate exceeds an amount equal to one sixth of the total Target Fee as defined in Annex 5 to Schedule 7.1 (*Charges and Invoicing*) and such amount remains outstanding 40 Working Days after the receipt by the Authority of a notice of non-payment from the Supplier; or
 - (b) any Services that are materially impacted by a Force Majeure Event that endures for a continuous period of more than 90 days,
- and this Agreement or the relevant Services (as the case may be) shall then terminate on the date specified in the Termination Notice (which shall not be less than 20 Working Days from the date of the issue of the Termination Notice). If the operation of Clause 35.3(b) would result in a Partial Termination, the provisions of Clause 35.4 (*Partial Termination*) shall apply.

Partial Termination

- 35.4 Subject to Clause 35.6, the Parties shall agree the effect of any Change necessitated by a Partial Termination in accordance with the Change Control Procedure, including the effect the Partial Termination may have on any other Services and the Charges, provided that:
- (a) the Supplier shall not be entitled to an increase in the Charges in respect of the Services that have not been terminated if the Partial Termination arises due to the occurrence of a Supplier Termination Event;
 - (b) any adjustment to the Charges (if any) shall be calculated in accordance with the target costs review mechanism in Schedule 7.1 (*Charges and Invoicing*) and must be reasonable;
 - (c) where any payment is made or is due to be made pursuant to Clause 35.6, such payment shall be taken into account when agreeing any adjustment to the Charges in accordance with Clause 35.4(b); and
 - (d) the Supplier shall not be entitled to reject the Change.
- 35.5 If the Supplier notifies the Authority pursuant to Clause 35.3(b) (*Termination by the Supplier*) that it intends to terminate this Agreement in part and the Authority, acting reasonably, believes that the effect of such Partial Termination is to render the remaining Services incapable of meeting a significant part of the Authority Requirements, then the Authority shall be entitled to terminate the remaining part of this Agreement by serving a Termination Notice to the Supplier within 1 month of receiving the Supplier's Termination Notice. For the purpose of this Clause 35.5, in assessing the significance of any part of the Authority Requirements, regard shall be had not only to the proportion of that part to the Authority Requirements as a whole, but also to the importance of the relevant part to the Authority.
- 35.6 Where a Partial Termination by the Authority pursuant to Clause 35.1(a) (by operation of Clause 35.2(b)) relates to the termination of either the PIP Services in their entirety or the WCA Services in their entirety (such terminated Services being the "**Partial Termination Services**"), the Authority shall pay the Supplier (as the Supplier's sole remedy in respect of such Partial Termination) the Breakage Costs Payment and the Compensation Payment in accordance with Clause 36.3 in respect of the Partial Termination Services only and, in calculating the Breakage Costs Payment and the Compensation Payment pursuant to Schedule 7.2 (*Payments on Termination*), references to termination of the Agreement and similar phrases shall be deemed to be references to Partial Termination of the Agreement.
- 35.7 The Authority shall not be obliged to pay the Breakage Costs Payment and the Compensation Payment in accordance with Clause 36.3 in respect of any Partial Termination other than in the circumstances set out in Clause 35.6. The consequences of any other type of Partial Termination shall be managed as a Change in accordance with Clause 35.4. For the avoidance of doubt, Channel Mix Changes, HAS Changes and Volume Pivots shall not be deemed to be Partial Termination and shall be managed through the Specialised Change Control Procedure.

36 CONSEQUENCES OF EXPIRY OR TERMINATION

General Provisions on Expiry or Termination

- 36.1 The provisions of Clauses 10.4 and 10.5 (VAT), 10.6 and 10.7 (*Set-off and Withholding*), 12 (*Records, Reports, Audits, Open Book Data and PAT Reviews*), 14.7 (*Employment Indemnity*), 14.8 (*Income Tax and National Insurance Contributions*), 16 (*Intellectual Property Rights*), 17 (*Transfer and Licences Granted by the Supplier*), 19.1 (*IPRs Indemnity*), 22 (*Confidentiality*), 23 (*Transparency and Freedom of Information*), 24 (*Protection of Personal Data*), 26 (*Limitations on Liability and Liquidated Damages*), 36 (*Consequences of Expiry or Termination*), 42 (*Severance*), 44 (*Entire Agreement*), 45 (*Third Party Rights*), 47 (*Disputes*) and 48 (*Governing Law and Jurisdiction*), and the provisions of Schedules 1 (*Definitions*), 7.1 (*Charges and Invoicing*), 7.2 (*Payments on Termination*), 7.5 (*Financial Reports and Audit Rights*), 8.3 (*Dispute Resolution Procedure*), 8.4 (*Management Information and Records Provisions*), 8.5 (*Exit Management*), and 9.1 (*Staff Transfer*), shall survive the termination or expiry of this Agreement.

- 36.2 The Parties shall comply with the provisions of Schedule 8.5 (*Exit Management*) and any current Exit Plan in relation to orderly transition of the Services to the Authority or a Replacement Supplier.

Payments by the Authority

- 36.3 If this Agreement is terminated by the Authority pursuant to Clause 35.1(a) (*Termination by the Authority*) or by the Supplier pursuant to Clause 35.3(a) (*Termination by the Supplier*) or partially terminated by the Authority pursuant to Clause 35.2(b)(i) (*Termination by the Authority*), the Authority shall pay the Supplier the following payments, apportioned accordingly in the case of partial termination under Clause 35.2(b)(i) (*Termination by the Authority*), (which shall be the Supplier's sole remedy for the termination or partial termination of this Agreement under the circumstances listed in this Clause 36.3):
- (a) the Breakage Costs Payment; and
 - (b) the Compensation Payment, if either of the following periods is less than three hundred and sixty-five (365) days:
 - (i) the period from (but excluding) the date that the Termination Notice is given by the Authority pursuant to Clause 35.1(a) or Clause 35.2(b)(i) (*Termination by the Authority*) to (and including) the Termination Date; or

- (a) payments in respect of any Assets or apportionments in accordance with Schedule 8.5 (*Exit Management*); and

- (b) payments in respect of unpaid Charges for Services received up until the Termination Date.

36.5 The costs of termination incurred by the Parties shall lie where they fall if:

- (a) either Party terminates or partially terminates this Agreement for a continuing Force Majeure Event pursuant to Clauses 35.1(c) or 35.2(b)(ii) (*Termination by the Authority*) or 35.3(b) (*Termination by the Supplier*); or
- (b) the Authority terminates this Agreement under Clause 35.1(d) (*Termination by the Authority*).

Payments by the Supplier

36.6 In the event of termination or expiry of this Agreement, the Supplier shall repay to the Authority all Charges it has been paid in advance in respect of Services not provided by the Supplier as at the date of expiry or termination.

SECTION J – MISCELLANEOUS AND GOVERNING LAW

37 COMPLIANCE

Health and Safety

- 37.1 The Supplier shall perform its obligations under this Agreement (including those in relation to the Services) in accordance with:
- (a) all applicable Law regarding health and safety; and
 - (b) the Health and Safety Policy whilst at the Authority Premises.
- 37.2 Each Party shall notify the other as soon as practicable of any health and safety incidents or material health and safety hazards at the Authority Premises of which it becomes aware and which relate to or arise in connection with the performance of this Agreement. PART A - OVERVIEW

1 INTRODUCTION

- 1.1 Please note that, unless otherwise indicated, references to the "Authority" throughout these documents mean The Secretary of State for Work and Pensions acting through their representatives in the Department for Work and Pensions (DWP).
- 1.2 References to "Supplier" mean any person or organisation responding or, where the context requires, potentially responding to this Invitation to Tender (ITT). Where this Agreement has been entered into, the "Supplier" means the entity that has entered into this Agreement for the supply of the Services to the Authority.
- 1.3 The Authority is seeking a Supplier(s) to carry out Assessments for the provision of:
 - (a) Personal Independence Payment (PIP);
 - (b) Employment and Support Allowance (ESA) and Universal Credit (UC) (through Work Capability Assessments (WCA)); and
 - (c) Specialist Benefits.
- 1.4 The Functional Assessment Service (FAS) will be delivered in five regional locations (Lots) covering England, Scotland, Wales and Northern Ireland. The Authority intends to award one agreement per Lot for a period of 5 years unless terminated by the Authority in accordance with the terms of the relevant agreement.
- 1.5 As part of devolution to Scotland, the Scottish Government is intending to go-live with national rollout of its service during Summer 2022 for PIP. In Scotland, the Supplier will provide WCA and Specialist Benefit Assessments. From Summer 2022, there will be no new claims for PIP in Scotland under the terms of this Agreement. There will be a requirement for the Supplier in Scotland to provide the PIP Services on an ad-hoc basis for in-flight cases and/or to cover late Mandatory Reconsiderations and Appeals that may result in additional work for the Supplier; these are expected to be small numbers.
- 1.6 The majority of this Schedule 2.1 refers to all Lots (i.e. Lot 1, Lot 2, Lot 3, Lot 4 and Lot 5 (Northern Ireland)). If there are any variations between the Lots, these have been highlighted, where applicable, in this Schedule 2.1.
- 1.7 For clarity, where this Schedule 2.1 states the Supplier "will", "must" or "shall" do or not do (as the case may be) something, it means that the Supplier is under an obligation to do so or not do so (as the case may be) unless expressly provided otherwise in this Agreement.
- 1.8 This Schedule 2.1 does not contain the full extent of the Supplier's obligations in respect of the provision of the Services, but is intended to be read in conjunction with the remainder of this Agreement.

2 **GENERAL BACKGROUND**

- 2.1 The Department for Work and Pensions (DWP) and the Department for Communities in Northern Ireland (DfC), are responsible for welfare and pension policy and provide support to disabled people and those with health conditions.
- 2.2 Further information about the DWP/DfC can be viewed here: www.dwp.gov.uk/
www.communities-ni.gov.uk
- 2.3 14.1 million citizens in the UK are reported as living with a disability; this includes 19% of working age adults. Every year the Authority spends circa £29 billion (Annually Managed Expenditure) on health and disability benefits; this includes:
 - (a) £27 billion in payment of health and disability benefits;
 - (b) £1 billion in running costs for the 2 million health assessments carried out to establish entitlement; and
 - (c) £300 million for programmes that help Claimants with health conditions or disabilities stay in or move into employment.
- 2.4 To support delivery, the Authority requires a range of health and disability Assessments. These are primarily delivered by suppliers, with the Authority making the final decisions on individual cases. These Assessments are required in the main, but not exclusively, to support determinations of entitlement to welfare and social security provision, including the level or type of support to be provided.
- 2.5 The Authority's Health Transformation Programme (HTP) and Health Transformation Project in Northern Ireland cover the end to end journey of Assessments in respect of PIP, Work Capability Assessments (which covers entitlement to New Style Employment and Support Allowance (as described in Paragraph 6.6) and the health-related elements of Universal Credit (as described in Paragraph 6.5)) and a number of other Specialist Benefits.
- 2.6 One of the key aims of the HTP is to offer a transformed service to the millions of people with disabilities and health conditions. This will be achieved by integrating the current services that deliver PIP, WCA and Specialist Benefits, through a new national Health Assessment Service (HAS). The ambition is to deliver HAS from 2029.
- 2.7 To support delivery of HAS, the Authority will develop a new flexible platform which will also help the Authority to support:
 - (a) longer term reform through the published Green Paper Shaping future support: the health and disability green paper - GOV.UK (www.gov.uk); and
 - (b) the National Disability Strategy which is published on GOV.UK and marks the first collective cross-government approach to transform the lives of disabled people, across the UK.
- 2.8 The intention behind HAS is to create a new single, integrated health assessment service supported by a single digital platform (which focuses on the needs of those using it whether Claimants, Authority staff or delivery partners), developed by the Authority, covering WCA, PIP and Specialist Benefits Assessments. This will also provide the potential for better joining up of data and evidence both within the Authority and more widely. This will help make the Authority's processes more effective and efficient and improve peoples' experience. For example, where people are willing to provide consent, the new system will allow the Authority to share medical evidence more easily. This will help reduce the need for people to provide the same information more than once. All Assessment services in a geographic area will be performed by a single Supplier which will give the Authority and Supplier the opportunity to join up the Claimant experience across different benefits.

- 2.9 This Agreement is for the Assessments taking place between 2023-2029 and it will support the HTP's end aim of moving the Authority towards a finalised strategic HAS solution, to help people with health conditions or disabilities to get the support they need.
- 2.10 The requirements set out in this Schedule 2.1 build on the service changes introduced due to the coronavirus pandemic, where the Authority had to make changes to how services were delivered. As the Authority was unable to conduct Face to Face Consultations during most of this time, Telephone Consultations and Video Consultations were introduced to improve the services provided.
- 2.11 The main areas for service alignment and improvement either at the Effective Date or as flexibilities during the Term are:
- (a) a single agreement in each Lot for all Assessments;
 - (b) 4 x Lots in GB and 1 x Lot in Northern Ireland;
 - (c) PIP IT Services provided for Assessments in respect of PIP;
 - (d) WCA IT Services provided for Assessments in respect of UC, ESA and Specialist Benefits;
 - (e) Estate footprint reduction to increase efficiencies;
 - (f) changes to the Channel Mix;
 - (g) a Target Cost Incentive Fee model for the Operational Services, as referred to in Schedule 7.1 (Charges and Invoicing);
 - (h) Terms and Conditions - One agreement based on the Cabinet Office Model Services Contract;
 - (i) national roll out of HAS;
 - (j) aligned Management Information (MI) and Performance Levels;
 - (k) aligned Health Professional (HP) training, learning and development and Core Training and Guidance Material; and
 - (l) Devolved Administrations - the PIP Services in Scotland will be removed and replaced with separate contracts outside of FAS.
- 2.12 The Authority's requirements in respect of the Services are specified in this Schedule 2.1 and in the remainder of this Agreement.
- 2.13 Whilst there is one Agreement covering all Assessment Types, there are two distinct parts to the Operational Services:
- (a) PIP Services; and
 - (b) WCA Services and Specialist Benefit Services.
- 2.14 There are subtle differences in the requirements for the Operational Services. Where possible, the two parts of the Operational Services have been aligned. Part B sets out the aligned elements and the areas of difference. It is important that, where differences between the relevant parts of the Operational Services are identified, these are read and understood by the Supplier.
- 2.15 As an Optional Service, the Supplier shall provide the Contingency Services as referred to in more detail in Schedule 22 (*Contingency Services*).

- 2.16 The Supplier shall, during the Term, work with the Authority to implement any changes determined by the Authority (acting reasonably) to be required to this Agreement as a result of any reforms or changes recommended or otherwise referred to in the Shaping Future Support: The Health and Disability Green Paper published on 21 July 2021 (the “**Green Paper**”), reform provisions in any White Paper relating to the health and disability benefits system issued before or during the Term of this Agreement (a “**Health and Disability White Paper**”), or as a result of policy review or reform. Any such changes shall be made in accordance with the Change Control Procedure. This requirement is without prejudice to any Change required due to Change in Law that implements recommendations in the Green Paper or any Health and Disability White Paper, which shall be treated as a Specific Change in Law for the purposes of Clause 13 (*Change*).

3 IMPLEMENTATION AND EXIT

- 3.1 The Supplier shall comply with its obligations under Schedule 6.1 (*Implementation Related Plans*) and Schedule 8.5 (*Exit Management*).

4 HAS TESTING AND HAS ROLLOUT

- 4.1 This Agreement (and the agreements between the Authority and other FAS Lot Suppliers) is a stepping stone to the national rollout of HAS from approximately 2029.
- 4.2 As part of the transition to HAS, the Authority may, by means of the Specialised Change Control Procedure, require the Supplier to provide HAS Testing and/or HAS Rollout during the Term.
- 4.3 The Supplier’s suitability to provide HAS Testing and/or HAS Rollout shall be assessed by the Authority at the time of any such requirement in accordance with the supplier suitability criteria set out in Schedule 20 (*Health Assessment Service Related Services*).
- 4.4 Where the Authority has exercised its option to require the Supplier to provide HAS Testing and/or HAS Rollout, the Supplier shall:
- (a) work collaboratively with the Authority to agree the most appropriate implementation approach for HAS Testing and/or HAS Rollout, as applicable;
 - (b) work collaboratively with the Authority to collect and share timely feedback, insights and data from HAS Testing and/or HAS Rollout, as applicable, to support further optimisation of HAS; and
 - (c) continue to deliver the PIP Services, WCA Services and Specialist Benefit Services alongside any Assessments subject to the operating model for HAS.
- 4.5 HAS Testing will involve small-scale and targeted testing of the new operating model for HAS in support of the strategic aims of the Authority. To support Supplier impacting, the Authority will confirm which Assessments (PIP, WCA and/or Specialist Benefits) are in scope for HAS Testing. The Authority will also confirm the geography required, with the expectation that HAS Testing will take place in a small number of defined locations. The aim of HAS Testing is to inform the design and operating model for HAS, as well as the training that will be used as part of HAS Rollout. HAS Testing may commence at any time after the Operational Service Commencement Date.
- 4.6 HAS Rollout will encompass Assessments delivered as part of the PIP Services, WCA Services and Specialist Benefit Services. The Authority will provide an operating model for HAS with supporting processes, as well as a new IT system for use in delivering HAS Rollout. HAS Rollout will commence no earlier than March 2025.
- 4.7 It is expected that all Health Professionals supporting the delivery of HAS Rollout will be trained to deliver Assessments in respect of each of PIP, WCA and Specialist Benefits. The Authority

shall provide appropriate training materials, operating models and processes to enable HPs to be upskilled on the new operating model for HAS and its supporting IT system.

5 SOCIAL VALUE

- 5.1 The Supplier shall comply with its obligations in Schedule 24 (*Social Value*).

6 BACKGROUND TO BENEFITS AND ASSESSMENTS

- 6.1 In each case where an Assessment is required to decide benefit entitlement, the Authority refers the case to a Supplier, that conducts an Assessment using a HP to provide evidence to an Authority Decision Maker on the impact of the health condition on the particular benefit claim. In most cases the Authority Decision Maker, using the evidence provided by the HP, then makes a final decision on entitlement.
- 6.2 The FAS benefits and Assessments covered by this Agreement are described in the remainder of this Paragraph 6 (the order given here does not imply any priority).
- 6.3 Full details of the requirements in respect of Assessments for all benefits is set out in Part B.

Personal Independence Payment (PIP)

- 6.4 PIP is paid to people aged 16 or over, whether in work or not. It helps towards the extra costs arising from ill-health or disability. It is based on the needs arising from a health condition or disability, rather than the health condition or disability itself. PIP is a non-contributory benefit; therefore, it is not income related nor is it taxed. PIP is made up of two components (daily living component and mobility component), each payable at either a standard or enhanced rate. A Claimant may be entitled to either one or both components. The rate payable depends on their ability to carry out a range of everyday activities.

www.gov.uk/pip

Universal Credit (UC) – Health element

- 6.5 UC is a monthly payment designed to help Claimants with their daily living costs. A Claimant may be able to claim UC if they are on a low income, out of work or unable to work. When a Claimant makes a claim for Universal Credit, they will be asked if they have either a health condition or a disability which prevents, or limits their ability to work. If they answer 'yes' they will be required to undertake a WCA.

www.gov.uk/universal-credit

New Style Employment and Support Allowance

- 6.6 New Style ESA is a contributory benefit that is paid to an individual fortnightly as a personal allowance. An individual can get New Style ESA on its own or at the same time as Universal Credit. If they apply for and are awarded both benefits, the New Style ESA they are paid will reduce their UC payment by the same amount. All Claimants who are claiming New Style ESA on the basis of a health condition or disability will be expected to undertake a WCA.

www.gov.uk/guidance/new-style-employment-and-support-allowance

Employment and Support Allowance

- 6.7 New claims to Employment and Support Allowance can no longer be made as this benefit has been replaced by elements of Universal Credit and New Style ESA; however, there are some cases that may require reassessment.

www.gov.uk/employment-support-allowance

Jobseeker's Allowance (JSA) Legacy Based

- 6.8 There are circumstances under which jobseekers may be entitled to hardship payments where they do not satisfy the job seeking conditions for JSA, or where their JSA has been sanctioned.

Industrial Injuries Disablement Benefit (IIDB)

- 6.9 IIDB can be claimed by an individual who has suffered a physical and/or mental disablement because of an industrial accident or a Prescribed Disease (PD) caused by their work.

- 6.10 IIDB consists of several elements:

- (g) Retirement Allowance,

provided always that for the purposes of this Agreement, only the Specialist Benefits referred to in Paragraphs (a),(b),(c) and (f) apply and each such benefit is defined in the relevant part of the Service Guidance.

Disability Living Allowance (DLA) (65+)

To qualify for the lower component, Claimants have to have care or supervision needs during the day or night. To qualify for the higher component, Claimants must have care or supervision needs for both the day and night. There is a 6 month qualifying period before the benefit can be paid.

- 8.6 Not Used.
- 8.7 Not Used.
- 8.8 Subject always to Paragraphs 8.9, 8.13 and 8.14, it is anticipated at the Operational Service Commencement Date that the Supplier shall administer:
- (a) 20% of all Consultations in respect of PIP and WCA only as Face to Face Consultations; and
 - (b) 80% of all Consultations in respect of PIP and WCA only as Remote Consultations, (the "**Channel Split**").
- 8.9 The Supplier's actual performance against its obligations referred to in Paragraph 8.8 shall be assessed by the Authority in respect of each Service Period, provided always that where the Supplier fails to achieve the required Channel Split as a result of intervention by the Claimant (including where the Claimant requests an alternative Assessment Channel following notification of an initial routing decision and/or Fails to Attend) and such intervention is not caused or contributed to by the Supplier, then the Authority (acting reasonably) shall take such matter into consideration when determining the Supplier's performance against its obligations referred to in Paragraph 8.8.
- 8.10 Following receipt of a Referral (and as contemplated in Paragraphs 10.6 and 10.24(b)), the Supplier shall review all available information and evidence relating to that Referral to determine which Assessment Channel is most appropriate.

- 8.11 Not Used.
- 8.12 Subject always to Paragraph 8.8, it is the responsibility of the Supplier to determine the precise Channel Mix at the Operational Service Commencement Date.
- 8.13 The Supplier shall be responsible for routing Claimants to the appropriate Assessment Channel, provided always that the Supplier shall consider the following in determining which Assessment Channel to route a Claimant:
- (a) the clinical and functional condition/s of the Claimant;
 - (b) whether an Appointee has been appointed, as contemplated by Paragraph 12.8;
 - (c) HP availability within a geographical range;
 - (d) without prejudice to Paragraph 12.60, the location of the Claimant's home and reasonable travel to an AC (including the requirements set out Paragraphs 12.12 to 12.14);
 - (e) digital capability of the Claimant and/or where the circumstances referred to in Paragraphs 12.26 to 12.28 and/or Paragraphs 12.47 and/or 12.48 apply;
 - (f) HP safety, including as contemplated by Paragraph 12.100; and
 - (g) if the claim is considered by the Authority to be a Sensitive Case, taking into account the provisions of Paragraph 12.71.
- 8.14 The Supplier shall offer an alternative Assessment Channel to a Claimant if the Assessment Channel initially allocated is not realistic for the Claimant given their condition and/or circumstances.
- 8.15 **FOR PIP ONLY:** The Supplier shall complete and return an Initial Routing Form (Action Log) (as such form is contained on the PIP IT System), which will be returned to the Authority with each Assessment Report, providing the reason for the choice of Assessment Channel and the Supplier shall achieve (or exceed) the Target Performance Level for TPL13 in relation to the initial routing to the correct Assessment Channel in respect of PIP.
- 8.16 The Supplier acknowledges and agrees that the Authority may require the implementation of a change to the Channel Split by a maximum of 10% in either direction from the Channel Split contemplated as at the Effective Date (such Channel Split being the ratio of 20% Face to Face Consultations to 80% Remote Consultations) and that such change shall not give rise to a Channel Mix Change or a Contract Change.
- 8.17 The Supplier shall be able to respond flexibly to any emerging evidence that supports a change to the ratio of Face to Face Consultations to Remote Consultations. The Supplier must also be able to adapt its delivery model accordingly based upon this evidence. Whether this evidence indicates increasing the proportion of Face to Face Consultations over Remote Consultations, or the converse, is yet to be determined.
- 8.18 Subject always to Paragraph 8.16, any further change to the Channel Split shall give rise to a Channel Mix Change to which the provisions of Paragraph 10 of Schedule 8.2 (*Change Control Procedure*) shall apply.

9 ASSESSMENT CRITERIA

- 9.1 The Supplier shall ensure that Claimants are assessed against the relevant criteria, such criteria ("**Assessment Criteria**") being detailed at:

- (a) For PIP:

<https://www.gov.uk/government/publications/personal-independence-payment->

[assessment-guide-for-assessment-providers/pip-assessment-guide-part-2-the-assessment-criteria](#)

(b) For WCA:

(c) For Specialist Benefits: See Jaggaer Data Room – Folder 3 Training and Guidance, sub folder 3.5

Functional Activities and Descriptors

- 9.2 The Supplier acknowledges that the Functional Activities and Descriptors are based on a Claimant's ability to carry out a series of key activities and the impact of their health conditions and disabilities on this ability. As part of the Assessment, the Supplier shall consider whether a Claimant needs to use aids or appliances to carry out such activities and, in respect of certain activities, whether the Claimant requires support from another person to do so.
- 9.3 The Supplier acknowledges that:
- (a) each activity has a series of descriptors associated with it (each describing a varying level of ability of the Claimant to complete the activity) and that points are associated with each descriptor, with the highest level of points associated with the lowest level of ability; and
 - (b) the total points score shall then be used to determine entitlement to the rates of PIP, UC, ESA or Specialist Benefit (as applicable).
- 9.4 The Supplier shall advise the Authority on which descriptors are appropriate to the Claimant's circumstances, provided always that the Authority Decision Maker shall make the final decision on descriptor choices and on the Claimant's entitlement to PIP, UC, ESA or Specialist Benefit (as applicable).
- 9.5 The Supplier shall procure that the Assessment takes account of the full range of health conditions and disabilities affecting the Claimant, including physical, sensory, mental, intellectual and cognitive impairments.

Non-functional Descriptors that apply to WCA ONLY

- 9.6 The Supplier acknowledges that Non-Functional Descriptors are based on a separate set of criteria, in addition to Functional Activities and Descriptors, for example whether the Claimant would be at substantial risk if they were found fit for Work Related Activity. Further information can be found in the Service Guidance.

10 REFERRALS

FOR PIP ONLY

- 10.1 The Supplier acknowledges that it shall receive Referrals in respect of Claimants who are at various stages in their claim for PIP (including new claims and reassessment cases) and the Supplier's obligations in respect of processing these Referrals will be the same for all stages unless otherwise stated in this Schedule 2.1. The Supplier shall Clear all Referrals in respect of PIP as soon as reasonably practicable following the relevant Referral being made and so as to achieve (or exceed), subject to Paragraph 10.8, the Target Performance Level for TPL2a.
- 10.2 The Supplier acknowledges that it shall be required to process some Referrals as fast track Referrals (predominantly Referrals for Special Rules End of Life (SREL)), however, there may be a small number of other Referrals that the Authority requests to be fast tracked.

10.3 Not Used.

10.4 The Supplier acknowledges that:

- (a) the process for claiming PIP has two parts. The PIP1 form gathers the Claimant's personal details and the PIP2 form gathers information on the Claimant's health conditions, disabilities and the extent to which these affect their daily living and mobility; and
- (b) Referrals in respect of PIP will, subject to Paragraph 10.5 and Paragraph 12.67, be initiated by the Authority to the Supplier using the Personal Independence Payment Computer System (PIP2) once the PIP2 form has been completed and the date and time that such Referral is initiated on PIP2 by the Authority shall be deemed to be the date and time on which the relevant Referral is made for the purposes of Schedule 2.2 (Performance Levels).

10.5 The Supplier acknowledges and agrees that:

- (a) a PIP2 form will not be required for Referrals to be processed under the SREL and the Authority shall initiate a Referral for SREL without the completion of a PIP2 form;
- (b) where health conditions or disabilities affecting the Claimant's mental, intellectual or cognitive function have been notified (i.e. additional support cases) and the PIP2 form has not been returned, the Referral will be initiated by the Authority to the Supplier using the Personal Independence Payment Computer System (PIP2) without the completion of a PIP2 form and the Supplier shall follow the steps detailed at Paragraph 10.6; and
- (c) all other claims for PIP in respect of which a PIP2 form has not been returned shall not constitute a Referral for the purposes of this Agreement.

10.6 Upon receipt of the Referral, the Supplier shall conduct an initial review of the evidence held to determine, in accordance with the Service Guidance (PIPAG), whether:

- (a) the Assessment for PIP can be completed on the basis of a PBR of the evidence;
- (b) Further Medical Evidence is required; and/or
- (c) the Referral requires a Consultation.

10.7 The Supplier shall procure that the review referred to in Paragraph 10.6 is undertaken by a HP and that all relevant details in respect of that review (including the evidence used) is captured in the relevant Assessment Report.

Referrals where the Claimant is claiming PIP under the Special Rules End of Life (SREL) provision

10.8 The Supplier shall ensure that all Referrals to be processed under the SREL, or potentially to be processed under the SREL, are handled with priority and dealt with in a way that minimises inconvenience and distress to the Claimant and that such Referrals are Cleared so as to achieve the Target Performance Levels for TPL3a and TPL3b.

10.9 For the avoidance of doubt, the Supplier shall not complete a Consultation for Referrals to be processed under the SREL.

10.10 The Authority shall advise the Supplier via the PIP2 at the point of making the Referral whether such Referral is to be processed under the SREL and additional claim information will be provided to the Supplier, which may include a report from a health professional treating the Claimant.

- 10.11 The Authority will encourage Claimants (whose claims are to be processed under the SREL) to obtain a SR1 form to support their claim for PIP. This form allows the Claimant's health professional to give information regarding the terminal illness. Where the Claimant indicates that they have, or will obtain, the SR1, the claim will be held with the Authority until the SR1 is either received or the time limit to wait for it expires, provided always that nothing in this Paragraph 10.11 shall prevent the Authority from initiating a Referral to the Supplier using the Personal Independence Payment Computer System (PIPSCS) as contemplated by Paragraph 10.5 in respect of a claim that is to be processed under the SREL.
- 10.12 If the Supplier is unable to determine whether the claim for PIP is to be processed under the SREL with the evidence available, the Supplier shall attempt to obtain the information required to complete the Assessment as quickly as possible. The Supplier shall obtain this information by a telephone call to an appropriate source, or in exceptional circumstances, the Supplier may issue a written request for FME. In the first instance, the Supplier shall contact a relevant supporting health professional identified by the Claimant or, in exceptional circumstances, shall contact the Claimant, provided always that in respect of a third party claim, the Supplier shall contact the third party, as the Claimant may not be aware of their prognosis.
- 10.13 In respect of Referrals confirmed to be processed under the SREL, the Supplier shall complete and submit the relevant Assessment Report (PA2) on the PIP IT System, with the supporting details below:
- (a) whether the Referral is being processed under the SREL;
 - (b) the date from which the Claimant was diagnosed as Terminally Ill;
 - (c) a recommendation as to the appropriate Functional Activities and Descriptors (as referred to in Paragraphs 9.2 to 9.5), where appropriate; and
 - (d) information justifying the advice.
- 10.14 The Supplier acknowledges that, following the completion and submission of the relevant Assessment Report (PA2) on the PIP IT System, the Referral to which such Assessment Report relates will be automatically returned to the Authority.
- 10.15 In respect of Referrals not confirmed to be processed under the SREL, the Supplier shall complete and submit the relevant Assessment Report (PA2) on the PIP IT System, stating that such case has not been confirmed to be processed under the SREL and why it has not been confirmed, and the Referral to which such Assessment Report relates will be automatically returned to the Authority from the PIP IT System.
- 10.16 Should information come to light at any stage in the Assessment process, which indicates that a Referral should be processed under the SREL, and the Referral has not been made under these provisions, the Supplier shall complete the Assessment in accordance with Paragraphs 10.8 to 10.15.

FOR WCA ONLY

- 10.17 The Supplier acknowledges that it shall receive Referrals in respect of Claimants who are at various stages in their claim for UC or ESA (including Initial Referrals and Re-Referrals) and the Supplier's obligations in respect of processing these Referrals will be the same unless otherwise defined in this Schedule 2.1. The Supplier further acknowledges that Referrals in respect of Sensitive Cases may be sent clerically (using the Authority's courier service) or may be made electronically, as described below, but, in either case, a questionnaire (as referred to in Paragraph 10.22) shall be generated. The Supplier shall Clear all Referrals in respect of WCA as soon as reasonably practicable following the relevant Referral being made and so as to achieve (or exceed), subject to Paragraph 10.21, the Target Performance Levels for TPL2b, TPL2c and TPL14 (as applicable to the Referral in question).

- 10.18 The Supplier shall have access to the appropriate Claimant information from the Authority, which will include relevant personal details and information about the Claimant's disability or illness.
- 10.19 From the Operational Service Commencement Date, the Supplier shall, subject to Paragraph 10.20, prioritise Initial Referrals (ESA and UC new claim type Referrals) over Re-Referrals at each stage in the process where this is within the Supplier's control, provided always that, without prejudice to the foregoing, the Supplier shall:
- (a) ensure that, subject to Paragraph 12.32, Initial Referrals and Re-Referrals are otherwise processed in the date order in which they are Referred; and
 - (b) not unnecessarily delay the processing and completion of Referrals that are processed as a Paper Based Review.
- 10.20 The Supplier acknowledges and agrees that there are some Referrals that it must process as soon as they are received, out of date order. Details of Referrals that the Supplier must process out of date order will be detailed by the Authority in the Approved Core Training and Guidance Material.
- 10.21 The Supplier acknowledges and agrees that there are some Referrals that it must process as a priority and that such Referrals have different timescales from other Referrals, which include Referrals for UC and ESA that are to be processed under the SREL and are to be Cleared so as to achieve the Target Performance Levels for TPL3a and TPL3b.
- 10.22 The Supplier acknowledges that there are two parts to the evidence gathering process for ESA and UC. The ESA claim form and UC online service gathers personal details and basic information on the Claimant's health conditions and disabilities. A separate questionnaire (the ESA50 / ESA50A / UC50 / UC50A) gathers further information from Claimants on their health conditions and disabilities, and the extent to which the Claimant considers that these affect their daily lives.
- 10.23 The Supplier acknowledges that:
- (a) when making a Referral, the Authority will indicate if the questionnaire referred to in Paragraph 10.22 needs to be issued to a Claimant and the Authority shall procure (unless otherwise directed by the Authority, including in respect of Referrals that are Sensitive Cases) that, where a questionnaire is required, the WCA IT System shall generate the relevant questionnaire, provided always that the Supplier further acknowledges that:
 - (i) where a Claimant has previously completed a questionnaire but the Assessment in respect of that Claimant was not Cleared (including, in circumstances of a previous Referral in respect of which the Claimant Failed to Attend and the Authority Decision Maker determined that there was a good reason pursuant to Paragraph 12.32), then such original questionnaire shall be provided to the Supplier as part of the Referral and such Referral shall be deemed (for the purposes of Schedule 2.2 (Performance Levels)) to have been Referred when receipt of such Referral is registered on MSRS by the Supplier pursuant to Paragraph 10.24(a); and
 - (ii) Referrals in respect of Claimants whose claims are to be processed under the SREL shall not require a questionnaire and such Referral shall be deemed (for the purposes of Schedule 2.2 (Performance Levels)) to have been Referred when receipt of such Referral is registered on MSRS by the Supplier pursuant to Paragraph 10.24(a); and
 - (b) as at the Effective Date, the questionnaire is usually issued by or on the behalf of the Authority and is a clerical form completed by the Claimant and returned to the Supplier,

however, the Authority is in the process of making the information gather an online process and where, following the Operational Service Commencement Date, the information is gathered online, the Authority will make available such information to the Supplier;

- (c) the Claimant has 28 calendar days to complete the questionnaire and return such completed questionnaire to the Supplier, unless an extension is agreed solely by the Authority; and
- (d) as a minimum, if the questionnaire has not been returned by the Claimant within 21 calendar days of issue, the Supplier shall issue a reminder to the Claimant.

10.24 The Supplier shall:

- (a) subject to Paragraph 1(d) of Annex 1 to Schedule 2.2 (Performance Levels), on the Working Day on which the questionnaire referred to above is received from the relevant Claimant (or where no questionnaire is received (as contemplated in Paragraphs 10.23(a)(i), 10.23(a)(ii), 10.26 and 10.27), on the Working Day on which the Referral in question is received (or deemed to have been received (as the case may be)) from the Authority), register the receipt of such questionnaire or Referral (as the case may be) on MSRS and such date and time of registration shall be deemed to be the date and time on which the relevant Referral was made for the purposes of Schedule 2.2 (Performance Levels) only; and
- (b) as soon as a reasonably practicable following registration of the Referral in question pursuant to Paragraph 10.24(a), undertake an initial Paper Based Review of the Referral to decide the next appropriate steps, which may include completing the Assessment on the information available, gathering FME or scheduling a Consultation, such Paper Based Review to be undertaken by a HP.

10.25 If the Assessment can be completed on the evidence provided as a Paper Based Review, the Supplier shall ensure that the Assessment Report:

- (a) identifies all the relevant Functional Activities and Descriptors and Non-Functional Descriptors that apply and provide appropriate prognosis advice;
- (b) provides detailed justification for the choice of Functional Activities and Descriptors and Non-Functional Descriptors and advice; and
- (c) identifies any FME used and the date of that FME.

10.26 If an ESA50 or UC50 questionnaire (referred to in Paragraph 10.22) is not returned to the Supplier and:

- (a) the Authority gives no indication of health conditions or disabilities affecting the Claimant's mental health, the Supplier acknowledges that the Referral shall automatically close on MSRS and the Supplier shall, as soon as reasonably practicable, return any paperwork associated with the case to the Authority and a Referral shall be deemed not to have been made in respect of the Claimant in question for the purposes of Schedule 2.2 (Performance Levels); or
- (b) the Authority gives an indication of health conditions or disabilities affecting the Claimant's mental health, then the Supplier shall carry out and complete the Assessment and, notwithstanding that a questionnaire has not been returned, such Referral shall (for the purposes of Schedule 2.2 (Performance Levels)) be deemed to have been Referred on the day that is 30 days from (and including) the date on which the questionnaire contemplated at Paragraph 10.23 is issued to the Claimant.

- 10.27 If an ESA50A or UC50A questionnaire (referred to in Paragraph 10.22) is not returned to the Supplier, the Supplier may pursue alternative methods of seeking FME and/or make a judgement on the need for a Consultation to complete the Assessment and, notwithstanding that a questionnaire has not been returned, such Referral shall (for the purposes of Schedule 2.2 (*Performance Levels*)) be deemed to have been Referred on the day that is 30 days from (and including) the date on which the questionnaire contemplated at Paragraph 10.23 is issued to the Claimant.
- 10.28 For Referrals that are to be processed under the SREL, the Supplier shall gather all necessary evidence to complete the Assessment and the Supplier acknowledges and agrees that these Referrals shall not have a Consultation.
- 10.29 Where a Referral is originally designated to be processed under the SREL and it is subsequently determined that the relevant Claimant is not Terminally Ill, the Supplier shall record such determination on the WCA IT System and the Supplier acknowledges that such Referral shall automatically close and a further Referral shall be generated, which Referral shall be processed by the Supplier in accordance with the applicable provisions of Paragraphs 10.17 to 10.27 (inclusive).

FOR SPECIALIST BENEFITS ONLY

- 10.30 The Supplier acknowledges that it shall receive Referrals in respect of Claimants who are at various stages in their claim for Specialist Benefits and the Supplier's obligations in respect of processing these Referrals will be the same unless otherwise defined in this Schedule 2.1. The Supplier shall Clear all Referrals in respect of Specialist Benefits as soon as reasonably practicable following the relevant Referral being made and so as to achieve (or, where applicable, exceed) the applicable Target Performance Levels for the Specialist Benefit in question as referred to in SB2(a) to SB2(t).
- 10.31 The Supplier shall have access to the appropriate Claimant information from the Authority, which will include relevant personal details and information about the Claimant's disability or illness.
- 10.32 The Supplier acknowledges and agrees that there are some Referrals in respect of Specialist Benefits that it must process as a priority and that such Referrals have different timescales from other Referrals, in respect of Specialist Benefits, which include Referrals in respect of IIDB, DLA and AA that are to be processed under the SREL.
- 10.33 The Supplier shall:
- (a) subject to Paragraph 1(d) of Annex 2 to Schedule 2.2 (Performance Levels), on the Working Day on which the Referral in question is received from the Authority, register the receipt of such Referral on the SMART system and such date and time of registration shall be deemed to be the date and time on which the relevant Referral was made for the purposes of Schedule 2.2 (Performance Levels) only; and
 - (b) as soon as reasonably practicable following registration of the Referral in question pursuant to paragraph 10.33(a), undertake a review of the Referral to decide the next appropriate steps, which may include completing a Paper Based Review, gathering FME or scheduling a Consultation.

11 FURTHER MEDICAL EVIDENCE (FME)

- 11.1 The Supplier acknowledges that FME may be required to support the advice given to the Authority.
- 11.2 Claimants will be encouraged by the Authority to provide supporting evidence, where available.

- 11.3 The Supplier shall be responsible for (i) identifying whether any FME is needed to help carry out an Assessment and/or to give advice to the Authority in relation to that Assessment and (ii) gathering such FME, including progress chasing and, where applicable, paying for such FME in accordance with Annex 3 to Schedule 7.1 (*Charges and Invoicing*).
- 11.4 The Supplier shall gather any FME, if required in accordance with the Service Guidance. The Supplier acknowledges that a common source of FME will be a General Practitioner Factual Report, but that the Claimant may also be able to identify other relevant sources to provide FME and/or to provide greater context, including hospital doctors, community psychiatric nurses, district nurses and social workers. The Supplier may also contact the Claimant to obtain further details of potential sources of FME.

Provision of FME

- 11.11 The Supplier acknowledges that the Authority will provide the forms that shall be used by the Supplier to obtain FME and the Supplier confirms that it will assist the Authority with the ongoing development and implementation of these forms.
- 11.12 **FOR PIP ONLY:** Where FME is requested to be provided in writing, the Supplier shall include a pre-paid envelope for the person(s) providing the FME to return the FME to the Supplier via the Authority's Mail Opening Unit (MOU) and the Supplier acknowledges that a task will be generated within PIPCS to advise the Supplier of its return.
- 11.13 **FOR SPECIALIST BENEFITS ONLY:** Where FME is requested by the Supplier, it will be returned to the Supplier by the source. For clarity, this means that FME may not be received by the Authority until the Assessment process has been completed.
- 11.14 **FOR WCA ONLY:** All requested FME will be returned by Business Reply Envelope (BRE) to the Mail Operating Unit (MOU) and will be scanned and made available to the Supplier via the Enterprise Content Management System (ECMS).
- 11.15 Where the Supplier is unable to obtain any missing relevant information or obtain FME, or where the FME is insufficient to allow the Supplier to give the required advice to the Authority, it will make all necessary arrangements to complete a Consultation.
- 11.16 Where the Claimant brings FME to their Consultation at an Assessment Centre, and consents to its use in connection with the Assessment, the Supplier shall comply with the Service Guidance and where possible take copies of such FME while the Claimant is still present, and then shall return the original material to the Claimant and shall forward a copy to the Authority once the Assessment is complete.
- 11.17 Where the Claimant provides FME at a Consultation undertaken as a visit to that Claimant and consents to its use in connection with the Assessment, the Supplier shall note (in writing) all relevant information relating to that FME, including the type of FME, the date of such FME and the body responsible for producing the FME and shall issue a pre-paid envelope to the Claimant.

- 11.18 Where the Claimant provides FME at a Telephone Consultation or a Video Consultation, the Supplier shall ask the Claimant to post the FME to them. If the Claimant is unwilling to pay the postage cost, the Supplier shall send a pre-paid envelope to the Claimant.
- 11.19 Not used.
- 11.20 The Authority may, exceptionally, require the Supplier to obtain a specific piece of FME.
- 11.21 The Supplier shall implement processes and procedures to identify and report to the Authority details of GP Practices which repeatedly fail to return General Practitioner Factual Reports and/or who fail to complete them to the required standard.

12 CONSULTATIONS

- 12.1 The Supplier acknowledges that a Consultation gathers information about the effects of a Claimant's health condition(s) or disability/disabilities, in order to inform the Assessment and subsequent advice to the Authority.
- 12.2 The Supplier shall undertake a Consultation:
- (a) if the Service Guidance states that a Consultation must be undertaken;
 - (b) if there is insufficient evidence to complete the Assessment and the Service Guidance states that a Consultation may be carried out; and/or
 - (c) at the Authority's request.
- 12.3 Not Used.
- 12.4 The Supplier shall be responsible for every aspect of the scheduling and management of Consultations (including as contemplated at Paragraph 8.13 and contacting the Claimant to arrange an appointment for the relevant Consultation), provided always that the Supplier acknowledges and agrees that its decision to allocate an Assessment to a particular Assessment Channel shall be subject to Authority audit and, in the case of Assessments in respect of PIP only, allocation decisions shall be subject to the provisions of Paragraph 8.15.
- 12.5 Subject always to Paragraphs 8.13, 8.16 and 8.17, the Supplier shall be responsible for determining the type of Consultation that is appropriate, being a:
- (a) Face to Face Consultation at an Assessment Centre;
 - (b) Telephone Consultation;
 - (c) Video Consultation; or
 - (d) Home Consultation.
- 12.6 The Supplier shall consider whether the Consultation should be conducted by a HP from a specific profession or a HP with particular skills, as referred to in Paragraph 31.

Scheduling

- 12.7 Subject to paragraph 50.57, the Supplier shall give at least 7 calendar days' notice to Claimants or their Appointee of the time and place at which any Consultation will take place unless the Claimant has agreed to shorter notice. This notification can be issued electronically, provided that all relevant information (including such information as is referred to in Paragraphs 12.9 and 12.10) is included. For postal notifications, first class post or equivalent must be used. For postal notifications this means the notice period starts on the second Working Day after the letter was posted and ends on the day before the Consultation is to take place.

- 12.8 The Supplier shall ensure that where an Appointee has been nominated to represent the Claimant, notification of a Consultation shall only be sent to the Appointee and the Appointee must attend the Consultation with the Claimant, provided always that the Supplier shall procure that, in such circumstances, the relevant HP shall make every effort to obtain evidence in order to conduct a PBR in place of a Consultation.
- 12.9 The Supplier shall ensure that the notice issued to a Claimant (or their Appointee (as the case may be)) in respect of an appointment for a Consultation shall include a range of supportive information for the Claimant (and/or the Appointee (as the case may be)) to help increase attendance, including (as applicable):
- (a) the type of Consultation;
 - (b) the time, date and location of the Consultation;
 - (c) an explanation of the purpose of the Consultation;
 - (d) the options for claiming expenses;
 - (e) information about the location of the Consultation, including clear directions;
 - (f) information on how Telephone Consultations and Video Consultations will be conducted;
 - (g) information to support Claimants (and/or their Appointee (as the case may be)) with a Video Consultation, including how to access and attend the Video Consultation;

 - (i) the Claimant Enquiry Service contact telephone number for the Claimant (and/or their Appointee (as the case may be)) to use if they have any questions or issues; and
 - (j) information to ensure that the Claimant (and/or their Appointee (as the case may be)) is aware that they can make a request to have the Consultation audio-recorded. (PIP AND WCA ONLY).
- 12.10 The Supplier shall also ensure that the notice referred to in Paragraph 12.9 shall require the Claimant (and/or their Appointee (as the case may be)) to notify the Supplier of any Additional Requirements, that they may have for the Consultation, at least 48 hours prior to the Consultation.
- 12.11 Without prejudice to the Supplier's obligations under Paragraphs 12.7 to 12.10, the Supplier shall use additional methods to enhance the Consultation appointment communications process and help to increase attendance at Consultations, including text messages and/or courtesy calls from the AC receptionist/site manager and/or the relevant HP the day before the Consultation appointment.
- 12.12 The Supplier shall ensure that Claimants can attend a Face to Face Consultation within 90 minutes from their home by public transport (one way) for a Consultation, provided always that the Supplier acknowledges that this limit is an absolute maximum and the Supplier shall ensure that only a small minority of Claimants will have to make a journey of the maximum 90 minutes' duration.
- 12.13 The Supplier shall ensure that, subject to Paragraph 12.14, where a Claimant's journey would exceed 90 minutes by public transport (one way), an alternative Assessment Channel should be considered in respect of that Claimant.

- 12.14 If a Face to Face Consultation is required and the Claimant's journey would be more than 90 minutes by public transport (one way), the Supplier should consider providing a taxi as an alternative to a Home Consultation, where this would offer better value for money i.e. the Claimant's expenses are lower than the operational costs of a HP attending for a Home Consultation.

Claimant Enquiry Service

- 12.15 The Supplier shall provide an enquiry service for Claimants relating to the elements of the Assessment for which the Supplier is responsible¹ ("**Claimant Enquiry Service**"). The Supplier shall use the Authority Contact Centre platform as the technology solution for this service. The Supplier shall also consider alternative methods to facilitate contact, including online services.
- 12.16 The Supplier shall ensure that the Claimant Enquiry Service shall be available on each day, Monday to Friday, from 8am to 8pm and Saturday from 9am to 5pm as a minimum and that all calls made to the Claimant Enquiry Service shall be audio recorded.
- 12.17 The Supplier shall ensure that all Claimants and their representatives shall be able to access the Claimant Enquiry Service.
- 12.18 The Supplier may request changes to the operating hours of the Claimant Enquiry Service for a particular date, provided that such request is made to the Authority no later than 3 weeks prior to the requested date. For example, if the Supplier requests to change the operating hours immediately prior to the Christmas bank holidays, the Authority must be given sufficient time to approve the request and by no later than the end of November.
- 12.19 The Supplier shall meet the response times for calls as set out in each of Performance Levels TPL7a, TPL7b, SB7a and SB7b (as applicable to the relevant part of the Operational Services) and so as to achieve (or exceed) the Target Performance Levels for TPL7a and TPL7b or SB7a and SB7b (as applicable to the relevant part of the Operational Services in question).
- 12.20 The Supplier shall ensure that, without prejudice to Paragraph 12.17, telephone enquiry services can be accessed by the Claimant and their representatives on the freephone number agreed with the Authority as part of the Authority Contact Centre Platform and where Claimants and/or their representatives call from devices that are unable to access Freephone numbers, they shall be notified at the beginning of the call if they are to be charged at their network rate.

12.24 Where the Claimant (or their representative) contacts the Supplier in advance to advise that they are unable to attend the appointment for their first Consultation (or the Claimant does not attend their first Consultation), the Supplier shall offer the Claimant a further appointment for a Consultation, provided always that the Supplier acknowledges and agrees that:

- (a) the Claimant may cancel an appointment for a Consultation at any point before the scheduled start time for that Consultation; and
- (b) where the circumstances in Paragraphs 12.26 to 12.28 apply, such circumstances shall not be regarded as the Claimant notifying the Supplier that they are unable to attend their appointment for a Consultation for the purposes of this Paragraph 12.24 and Paragraph 12.25.

12.25 FOR PIP AND WCA ONLY:

- (a) Where the Claimant (or their representative) contacts the Supplier on a second occasion to advise that they are unable to attend their appointment for a Consultation, the Supplier shall advise the Claimant (or their representative (as the case may be)) that they must attend and their appointment for that Consultation will be left open. If the Claimant does not attend the second appointment for a Consultation (whether or not the Claimant in question has advised the Supplier that they are unable to attend that second appointment) ("**Failed to Attend**"), the Supplier shall follow the process in Paragraphs 12.29 to 12.34, provided always that the Supplier acknowledges and agrees that where the circumstances in Paragraphs 12.26 to 12.28 apply, such circumstances shall not be regarded as the Claimant notifying the Supplier that they are unable to attend their appointment for a Consultation for the purposes of this Paragraph 12.25. The Supplier should note that the exception to this is if the Claimant wishes to schedule an appointment for a Consultation ahead of their scheduled appointment time for that Consultation and this request can reasonably be accommodated by the Supplier.

FOR SPECIALIST BENEFITS ONLY:

- (b) The Supplier acknowledges that the Unable to Attend procedures (as such phrase is defined in the relevant part of the Service Guidance) are detailed in the relevant part of the Service Guidance and the Supplier shall comply with such Unable to Attend procedures in the performance of the Specialist Benefit Services. 12.26 If the Claimant (or their representative) notifies in advance of the scheduled appointment time for their Telephone Consultation or Video Consultation that:

- (a) they have no access to the correct device for a Telephone Consultation or a Video Consultation (as the case may be), the Supplier shall arrange a further appointment using an alternative Assessment Channel; or
- (b) due to their health conditions and/or disabilities, they do not believe that a Telephone Consultation or Video Consultation would be appropriate, the Supplier shall consider such circumstances in accordance with the relevant part of the Service Guidance and (where applicable in accordance with such Service Guidance) arrange a further appointment using an alternative Assessment Channel,

in each case, taking into account the requirements of Paragraph 8.13.

- 12.27 If the Claimant (or their representative) notifies in advance of the scheduled appointment time for their Telephone Consultation or Video Consultation that they do not have a private or suitable area for a Telephone Consultation or a Video Consultation (as the case may be), the Supplier shall arrange a further appointment using an alternative Assessment Channel taking into account the requirements of Paragraph 8.13.

Claimant Fails to Attend (FTA)

- (a) **FOR PIP ONLY:** the Supplier shall return the Referral to the Authority (including updating the PIP IT System) and complete a report detailing the contact history and the date and time at which such report is submitted to the Authority shall be deemed to be the completion of the Referral for the purposes of Schedule 2.2 (*Performance Levels*). The Authority will contact the Claimant (where appropriate) asking for an explanation for non-attendance;
 - (b) **FOR WCA ONLY:** the Supplier shall return the Referral to the Authority (including updating MSRS) and the date and time at which such Referral is returned to the Authority shall be deemed to be the completion of the Referral for the purposes of Schedule 2.2 (*Performance Levels*). **FOR ESA ONLY:** The Supplier shall issue a letter on behalf of the Authority to the Claimant asking for an explanation for non-attendance; and

provided always that the Supplier acknowledges that where the circumstances in Paragraphs 12.26 to 12.28 apply, such circumstances shall not be regarded as a Failure to Attend for the purposes of this Paragraph 12.29.

- 12.30 The Supplier shall attempt to contact a Claimant attending a Telephone Consultation a minimum of 3 times over a reasonable period of time before a Claimant is considered to have Failed to Attend.
- 12.31 For clarity:

FOR PIP AND WCA ONLY:

- (a) a Claimant can only Fail to Attend once before the Referral is returned to the Authority. The requirement to return the Referral after one Failure to Attend applies to all Consultations (Face to Face Consultation at an AC, a Home Consultation, a Telephone Consultation and a Video Consultation), provided that such Consultations are conducted in accordance with Paragraph 12.25(a).

FOR SPECIALIST BENEFITS ONLY:

- (b) the Failed to Attend procedures are detailed in the relevant part of the Service Guidance.

- 12.32 The Supplier acknowledges that the Authority Decision Maker will consider the reasons for the Claimant's Failure to Attend and if the Authority accepts there was a good reason for such Failure to Attend, the Supplier shall be required to complete the Assessment as a new Referral.
- 12.33 The Supplier shall, using Claimant and operational research, implement activities that will minimise the number of Claimants that do not attend Consultations and/or Fail to Attend.
- 12.34 **FOR WCA ONLY:** For the purpose of the Authority, on behalf of the Supplier, sending reminder text messages to Claimants in respect of their scheduled appointment for a Consultation, the Supplier shall supply the Authority with files of appointments scheduled for each day, including the Claimants' telephone number, time, date and location of their appointment. The Authority shall procure that the WCA IT Provider sends to the Supplier the relevant data file to allow the Supplier to comply with this requirement.

Attendance at a Consultation

- 12.35 The Supplier shall ensure that Claimants who arrive on time to the appointment for their Consultation are seen within the applicable timescales specified in Schedule 2.2 (*Performance Levels*) and so as to achieve the Target Performance Levels for TPL5a and TPL5b or SB5a and SB5b (as applicable to the relevant part of the Operational Services in question).
- 12.36 Where a Claimant arrives late to the appointment for their Consultation, the Supplier shall make reasonable attempts to complete the Consultation on that day or offer a mutually acceptable alternative Consultation appointment and the Supplier shall give written notice to the Claimant of the time of that appointment later that day or that alternative Consultation appointment (as the case may be).
- 12.37 Where a Claimant is sent home due to a short notice cancellation of their appointment for a Consultation, the Supplier shall make reasonable attempts to offer a mutually acceptable alternative Consultation appointment and shall give written notice to the Claimant of that alternative Consultation appointment.
- 12.38 The Supplier shall ensure that no more than the percentage of Claimants specified in Performance Levels TPL4a and TPL4b or SB4a and SB4b (as applicable to the relevant part of the Operational Services) who attend appointments for their Consultations are sent home due to a short notice cancellation of their Consultation, provided always that this shall not include Claimants arriving late to an appointment for their Consultation or who are not able to take part in a Face to Face Consultation.
- 12.39 The Supplier shall ensure that Claimant's expectations are managed if the HP is late for an appointment for a Consultation and, in such circumstances, the Supplier shall permit the Claimant to choose to either reschedule their appointment or to continue with that appointment.
- 12.40 The Supplier shall use all reasonable endeavours to support Claimants through their Telephone Consultation or Video Consultation. If the Claimant is unable to complete the Telephone Consultation or Video Consultation, the Supplier shall offer a further appointment (reasonably acceptable to the Claimant) to complete the Consultation and if the Claimant Fails to Attend that further Consultation, the Supplier shall return the Referral to the Authority and the date and time at which such Referral is returned to the Authority shall be deemed to be the completion of the relevant Referral for the purposes of Schedule 2.2 (*Performance Levels*).
- 12.41 The Supplier shall procure that the HP completes (and record details of) Claimant identification verification checks (in accordance with the Supplier's identification check guidance referred to in Paragraph 12.42) prior to any Consultation taking place. Where the HP is unable to confirm the Claimant's identity (having used all reasonable endeavours to do so), the Supplier shall not undertake the Consultation and shall offer a further appointment (reasonably acceptable to the Claimant) to complete the Consultation, provided always that where the HP is unable to confirm the Claimant's identity (having used all reasonable endeavours to do so) at such subsequent

Consultation, the Supplier shall not undertake the Consultation and the Referral shall be returned to the Authority with an update report and the date and time at which such Referral is returned to the Authority shall be deemed to be the completion of the Referral for the purposes of Schedule 2.2 (*Performance Levels*).

- 12.42 The Supplier shall ensure that its identification verification check guidance issued to HPs shall align with the relevant part of the Service Guidance.
- 12.43 The Authority shall provide guidance on identity verification requirements and processes, but the expectation is that HPs shall review and record evidence seen from a prescribed list of appropriate evidence.

Carrying out a Consultation

- 12.44 The Supplier acknowledges that the purpose of a Consultation is to gather information about the effects of a Claimant's health condition(s) or disability/disabilities, in order to inform the Assessment and subsequent advice to the Authority.
- 12.45 Unless otherwise agreed by the Authority, the Supplier shall ensure that its HPs allocate preparation time prior to each Consultation.
- 12.46 The Supplier acknowledges that the Authority is not placing targets on the length of time the Consultation should last and the Supplier shall ensure that such Consultation is carried out for as long as is necessary to reach evidence-based conclusions on an individual basis.
- 12.47 Where technical issues prevent a Video Consultation from taking place or prevents the Consultation from being completed, the Consultation will be converted to a Telephone Consultation, provided that this is appropriate for the Claimant and they agree. If a Telephone Consultation is not appropriate, the Supplier shall, subject to Paragraph 8.13, arrange a further appointment for the most appropriate Consultation. If the Claimant wants to continue with a Video Consultation, then the Supplier shall arrange a further appointment for that Video Consultation.
- 12.48 If a second Video Consultation is unsuccessful, the Supplier shall, subject to Paragraph 8.13, arrange a further appointment with an alternative Consultation type.

Observers

- 12.49 The Supplier acknowledges that observations form part of the Authority's holistic approach to assuring the quality and procedural delivery of Assessments.
- 12.50 The Supplier acknowledges and agrees that the Authority or the Authority's representatives will have a right to observe any Consultation between a Claimant and an HP (regardless of location) at any time, subject to the Authority giving reasonable notice to the Supplier and the Supplier obtaining the relevant Claimant's consent on behalf of the Authority, which the Supplier shall use all reasonable endeavours to obtain.
- 12.51 The Supplier shall be required to demonstrate to the Authority, in review meetings pursuant to Paragraph 5.14(e) of Schedule 8.1 (*Governance*), how any feedback from clinical observations has been acted upon and, without prejudice to the Supplier's obligations elsewhere in this Schedule 2.1 in respect of the submission of Assessment Reports to the Authority, the Supplier shall ensure that all Assessment Reports relating to Referrals that have been subject to clinical observations will be made available to the Authority's Representative.

Claimant Expenses

- 12.52 The Supplier shall pay all Claimants' travel and other expenses within 10 Working Days (and so as to achieve the Target Performance Level for TPL12 or SB12 (as applicable to the relevant

OFFICIAL – COMMERCIAL

part of the Operational Services in question)) when they attend a Consultation in line with the Authority's policy as follows:

- (a) travel by public transport based on the cheapest reasonable return fare;
- (b) travel by private motor vehicle (i.e. car, van, motorcycle) paid at the appropriate standard mileage rate as defined by the Authority (currently 25p a mile). Travel by bicycle is not reimbursable and should not feature in Claimant documentation issued by the Supplier, such as expense claim documentation;
- (c) taxi fares where prior approval has been given by the Supplier in line with the relevant part of the Service Guidance:
 - (i) if public transport is not available;
 - (ii) if travel by public transport would take over 90 minutes and paying taxi fares is better value for money than a Home Consultation (i.e. the Claimant's expenses are lower cost than the operational costs of a HP attending for a Home Consultation, as referred to in Paragraph 12.14);
 - (iii) the Claimant is unable to use public transport (for example, people with mobility issues); or
 - (iv) if the Claimant did not seek prior approval, and it is clear that the Claimant required a taxi to attend the Face to Face Consultation;
- (d) other expenses: miscellaneous costs incurred, such as parking and bridge tolls, and congestion charges. These costs will only be met if they relate to the journey to or from the Consultation. Other costs such as loss of earnings will not be met;
- (e) fares of a companion or carer, or young children who would otherwise be left unattended; and
- (f) data usage costs for Video Consultations.

12.53 The Supplier acknowledges that any public transport tickets or taxi receipts should be produced by the Claimant to validate the claim. If a ticket or receipt cannot be produced, or has been lost, then the Supplier shall make payment to the Claimant of the relevant expenses, provided that the claim seems reasonable. The Supplier shall not be required to routinely provide the Authority with the tickets and/or receipts to support the payment of Claimant expenses, provided always that the Supplier shall retain such tickets and receipts for at least 6 years (or as otherwise advised by the Authority for audit purposes and/or if requested by the Authority in relation to post payment validation activity).

12.54 The Supplier acknowledges that, to support Claimants undertaking a Video Consultation, reimbursement for data usage costs will be available for those Claimants who do not have access to unlimited data, provided always that the Supplier acknowledges that it shall not offer to reimburse such costs proactively and shall only offer to reimburse such costs following Claimant request and/or in the circumstances referred to in Paragraph 12.28.

12.55 The Supplier shall pay Claimants' expenses when they attend a Video Consultation in line with the relevant part of the Service Guidance.

12.57 If the Authority advises changes to the rates of expenses payable to Claimants (and/or their companions and/or representatives), the Supplier shall update these rates within 30 days of being notified and shall apply such rates on and from such date as the Authority may specify in the relevant notification.

12.58 The Supplier shall issue a notification to the Claimant (and/or companion or representative (if appropriate)) once payment has been issued. The Supplier shall issue a rejection notice if payment is not appropriate.

12.59 The Supplier shall procure that provision is made for payment of expenses to Claimants (and/or their companion or representative (if appropriate)) who do not have access to a bank account for BACS payments.

- (a) at the Authority's request;
- (b) when the Supplier considers it to be appropriate, after taking into consideration the information detailed in Paragraph 8.13;
- (c) at the Claimant's request, if supported by an appropriate health condition or disability as determined by the Supplier; or
- (d) if it would take the Claimant more than 90 minutes to travel by public transport to the Assessment Centre and a Home Consultation represents better value for money than paying for a taxi (i.e. the Claimant's expenses are higher cost than the operational costs of a HP attending for a Home Consultation), provided always that an alternative Consultation type is not appropriate.

12.61 The Supplier may also undertake additional Home Consultations for business reasons at its discretion.

12.62 **FOR PIP ONLY:** The Supplier shall procure that when carrying out Home Consultations HPs are at all times equipped with all portable equipment necessary (according to Good Industry Practice) for the specific requirements of each Home Consultation in accordance with this Agreement. The Supplier’s performance in respect of meeting Claimant requests for Additional Requirements shall be measured pursuant to each of Performance Levels TPL11 and SB11 (as applicable to the relevant part of the Operational Services) and the Supplier shall achieve (or exceed) the Target Performance Level for TPL11 or SB11 (as applicable to the relevant part of the Operational Services in question).

12.73 Where Additional Requirements requested by the Claimant cannot reasonably be accommodated or are identified on the day of the appointment for the Consultation and cannot reasonably be accommodated, the Supplier shall not undertake the Consultation and shall:

- (a) arrange a mutually agreeable alternative Consultation appointment with the Claimant for a date and time when the Supplier can meet the Additional Requirement; and
- (b) give written notice of that alternative Consultation appointment to the Claimant.

12.74 The Supplier acknowledges and agrees that:

 - (i) the Claimant is permitted to be accompanied by any such companion, including during the Consultation itself; and
 - (ii) HPs allow a companion to contribute during the Consultation (and shall record any evidence that they provide),

and the Supplier acknowledges that the relevant part of the Service Guidance sets out the role that the Authority would like the companion to play in supporting the Claimant (and the Supplier shall (and shall procure that its HPs shall) facilitate the carrying out of such role by the companion); and

- (b) Claimants have a right to request an acceptable chaperone to be present during the Consultation and the Supplier shall provide such chaperone and record the presence and name of such chaperone.

- 50.76 The Supplier acknowledges that there is not an exhaustive list of reasons for Referrals in respect of this Specialist Benefit, however, reasons for Referrals include the following circumstances:
- (a) Referrals in which the specialist medical report(s) provided by the Claimant appears to conflict with the specialist medical report(s) provided by the compensator, and the CRU is seeking an independent view;

- (b) in medical negligence Referrals, when there is disagreement over the point in time at which the Claimant would have recovered from their injury or disease had it not been for the alleged medical negligence; or
- (c) Referrals in which it has been alleged that a pre-existing medical condition has contributed to the condition for which compensation is being sought, or that the symptoms the Claimant is experiencing are entirely the consequence of a pre-existing condition. In such cases the CRU would be seeking advice on the likely progress of the pre-existing conditions in question.

50.77 The Supplier shall provide an Assessment Report regarding the duration of the incapacity for work as a consequence of the injury or disease, which Assessment Report shall be a written report provided by a medical specialist in the appropriate field. The Supplier shall procure that, if necessary, such medical specialist shall undertake a Consultation with the Claimant to gather the required evidence.

50.79 The Supplier shall ensure that Assessments in respect of OHA shall include a Consultation, which the Supplier shall ensure takes place at the Claimant's workplace where directed by the Authority.

50.80 The Supplier acknowledges that (unless otherwise directed by the Authority) it is not expected that FME will be required to be gathered to support an Assessment in respect of OHA.

- (b) disputed pregnancy-related incapacities;
- (c) advice where the employer has disputed liability to pay SSP, including cases where the employer has refused to pay; and
- (d) advice where the employee has had repeated short period claims for SSP.

50.83 In all cases, the Supplier shall give advice to the Authority based on the evidence supplied by the Authority as part of the Referral (wherever possible). The Supplier acknowledges that the Authority may request certain further evidence and details of the date of such request (and the type of such evidence requested) will be included in the Referral. The Supplier shall wait a reasonable time for this evidence to be provided, provided always that if the existing evidence does not allow for advice to be provided to the Authority, the Supplier shall gather further appropriate FME and/or undertake a Consultation.

50.84 For SSP refusal Referrals, the Supplier shall advise whether the Claimant is capable of carrying out their own occupation, and if not, when a significant improvement can be expected. If

directed by the Authority, the Supplier shall provide advice for a retrospective period after the incapacity has ended.

- 7.4 Without prejudice to any other rights or remedies that either Party may have, each Party acknowledges and agrees that damages alone may not be an adequate remedy for any breach by a Receiving Party of the provisions of this Agreement. Accordingly, each Party acknowledges that the Authority shall be entitled to the remedies of injunction and specific performance as well as any other equitable relief for any threatened or actual breach of this Agreement and/or breach of confidence and that no proof of special damages shall be necessary for the enforcement of such remedies.

ANNEX 5 - CLINICAL GOVERNANCE QUALITY AND STANDARDS FRAMEWORK STANDARDS AND MEASURES

I Introduction

Clinical Governance Quality and Standards Framework (CGQSF) is a systematic approach to continuously improving the quality of healthcare and psychology professionals work. It has been developed following wide internal and contracted providers' stakeholder consultation and based on the effective evidence-based model developed in the NHS although adapted for the unique DWP environment recognising:

- Large number (4000+) of healthcare professionals (HPs) employed by DWP directly and through contracted assessment providers.
- Deliver service including evidence based functional assessments, advice and training.

II What is Clinical Governance Quality and Standards Framework

'A framework through which healthcare and psychology professionals are accountable for continuously improving the quality and consistency of their service. For DWP and contracted providers senior management to create an environment in which excellence in quality will flourish, risks are managed/mitigated and the public assured'.

III. The Key Components of Clinical Governance Quality and Standards Framework (CGQSF):

- 1 Accountability
- 2 Leadership
- 3 Quality Standards
- 4 Quality Assurance
- 5 Staff Recruitment and Management
- 6 Education, Training and Continuing Professional Development
- 7 Risk Management
- 8 Compliments, Complaints and Tribunal Appeals

9 Customer/Claimant Experience

All the 9 key components of CGQSF are integral to the DWP Corporate Governance. However, these components are specifically brought together with the aim to review and further develop and implement benchmark standards and quality indicators to minimise variation in the service provided by healthcare and psychology professionals. This is also needed to reassure the public that service is of the highest standards.

To Note in the CGQSF standards and measures table outlined below:

- DWP refers to areas that employ healthcare and psychology professionals (HPs & PPs) directly and indirectly via contracted providers.
- The term 'Provider' refers to areas that employ HPs and PPs who deliver service to customers/claimants and these are in contracted providers.
- Clinical Governance Quality and Standards Framework will be reviewed annually by the CGQS Forum and agree any changes to implement across DWP and providers as part of continuous quality improvement.

IV. Key Components of CGQSF Standards and Measures:

- 1 **Accountability** - staff at all levels contributing to the interaction between a healthcare and psychology professional and a customer/claimant within DWP and provider services take ownership of embedding CGQSF.

	Standard	a) How to measure delivery of this standard? (providers to submit evidence of compliance with standards below)
1.1	Within DWP managerial accountability for embedding CGQSF rests with Directors and their teams employing healthcare and psychology professional - directly and via contracted providers.	Line managers to report progress on implementing CGQSF through their divisional management system and to CGQS Forum quarterly via their representative. Performance management objective for embedding CGQSF to be included in Directors/Managers and their teams who employ healthcare and psychology professionals - directly and via contracted providers.
1.2	Providers to embed DWP CGQSF components into their Clinical Governance Frameworks to deliver evidence based service.	CMPD account managers to decide how to use existing relationship management with providers to embed CGQSF components standards. For example, this might include DWP performance manager to attend providers CGQS Forum meeting at least annually.
1.3	Healthcare and Psychology professionals (HPs & PPs) are	HPs/PPs take ownership of implementing CGQSF and feedback to line manager. Line managers monitoring HPs & PPs implementing CGQSF standards relevant to their work. HPs & PPs submit

	responsible and accountable for implementing CGQSF standards relevant to their work including the requirements of their professional regulatory body.	evidence to line managers annually of complying with their professional regulatory bodies' requirements of annual CPD, revalidation and registration. CHES Account Directors and DWP line managers to update CGQS Forum (directly or through their CGQS Forum representative). Performance management objective of implementing CGQSF to be included in healthcare and psychology professionals' objective.
1.4	DWP and Providers to have senior CGQSF owner and forum or similar structure to support CGQSF delivery with continuous improvement.	Review and monitor providers CGQS Forum / similar structure for remit, terms of reference and senior accountability.

2 Leadership - whilst leadership for CGQSF is required at the highest level it is also essential throughout the organisation and staff are able to challenge practices and procedures that could be improved.

	Standard	a) How to measure delivery of this standard? (providers to submit evidence of compliance with standards below)
2.1	Leadership for CGQSF exists throughout the organisation with open and participative culture and constructive challenges encouraged.	CGQS Forum members champion CGQSF in their areas and across DWP and cascade this leadership of raising awareness, understanding and implementation of CGQSF across DWP and providers. Approachable leadership behaviour. Feedback from staff. CGQSF embedded in HPs & PPs Induction. Evidence from providers of CGQSF leadership and sharing CGQSF with staff & HPs.
2.2	Leaders with accountability for CGQSF take responsibility for monitoring implementation of CGQSF.	Evidence of DWP and providers leaders and managers monitoring implementation of CGQSF. Leaders and managers to update CGQSF implementation through their representative to CGQS Forum. For contracted providers this will be through their CMPD Account Directors.
2.3	Staff in both DWP and providers embed CGQSF with continuous quality improvement.	At staff induction & update include CGQSF and ask ideas for improvement. Evidence of staff providing suggestions for quality improvement & how these have been considered. Staff feedback.
2.4	Staff are encouraged to challenge practices & procedures that could be improved and advocate changes when appropriate.	Systems in place to encourage staff to challenge practices that could be improved. Evidence from providers of procedures/practices challenged, actions taken and improvement outcomes.

2.5	Effective communication exists at all levels sharing relevant information and feedback loop to drive improvement.	Systems of communication used. Evidence of dissemination of relevant information by providers and feedback from staff, HPs / PPs and how this information acted upon to drive improvement.

ANNEX 6 – SANCTIONS FRAMEWORK

DEPARTMENTAL WAIVER FOR ASSESSMENT PROVIDERS TO RECRUIT HEALTH PROFESSIONALS WITH SANCTIONS, OR TO CONTINUE EMPLOYING HEALTH PROFESSIONALS REFERRED TO THEIR REGULATORY BODY

Framework

CONTENTS

1. PURPOSE AND USE OF THIS FRAMEWORK
2. INFORMATION REQUIREMENTS ADVICE INCLUDING EXAMPLES.
3. PROCESS FOR OBTAINING A WAIVER – PIP CONTRACT

APPENDICES

- A. Extract from the contracts detailing the qualifications and experience Health Professionals must have
- B. Waiver granted - sample email
- C. Waiver declined - sample email
- D. Continued employment granted – sample email
- E. Continued employment declined – sample email
- F. Abbreviations
- G. POCs – Contract Management and Partner Delivery

1.PURPOSE AND USE OF THIS FRAMEWORK

The DWP reserves the right to revoke approval – both provisional and full approval – at any time where there is concern that an individual may no longer satisfy one or more of the required criteria. This is at the discretion of the DWP and is irrespective of any action that providers are undertaking or that of the Health Professional's (HP's) regulatory body.

A requirement for HPs is that they have no sanctions attached to their registration unless it relates to disability. In individual cases this requirement may be waived subject to prior **written** agreement with the Authority under the PIP Contract.

It is important that the Department is made aware as soon as possible of any HP where a referral or complaint has been made to their regulatory body, or they are under investigation. This includes any referrals made during the course of the HP's employment with the AP, and before the outcome of any investigation is known.

The purpose of this framework is to:

Provide guidance for Assessment Providers (APs) as to what considerations the Department takes into account when granting a waiver;

To provide a clear process for APs and DWP clinicians to follow;

To ensure a consistent approach to each request for permission;

To set out the timescale for dealing with requests.

To allow Contract Management and Partner Delivery (CMPD) to record and actively manage the numbers involved.

Please note this framework does not include any guidance around sanctions which relate to disability. Assessment Providers (AP) are expected to consider their obligations under the Equality Act 2010 and make their own judgement calls around Health Professionals (HPs) who have sanctions relating to disability and decide themselves whether it is appropriate to make reasonable adjustments in the work place to accommodate their particular requirements.

2. INFORMATION REQUIREMENTS

In order that Departmental clinicians can make an informed decision, APs need to provide the Department with as much information as possible in relation to the potential HP/currently-employed HP; including:

- Full name
- Details of their professional regulatory body (NMC, HCPC, GMC)
- Registration number
- Details of the circumstances which led to the complaint, investigation or sanction
- Supporting evidence, for example a statement from the potential HP/HP, details of the complaint, investigation and/or outcome from the professional governing body (where known)

Note - DWP clinicians may wish to discuss the case directly with the AP's Senior Clinician so contact details should be provided.

DWP clinicians will consider if the nature of the issue will impact on the ability of the potential HP/HP to perform work to the standard required by DWP. They will also give consideration to any potential risk to the public and the reputational risk to the Department before making a decision.

We require APs to inform the Department as soon as possible of any referral of an HP to their regulatory body and of any impending investigation/sanctions, as this may have an immediate impact going forward.

For PIP the most common request we see is around sanctions for HPs with disabilities even though this is not for our consideration (see last Paragraph Section 1).

Illustrative example where a waiver for the sanction requirement has been granted:

A physiotherapist who had been issued with a warning around failing to treat a patient in her care with kindness, respect and compassion. The warning was on the public register for 12 months. No restrictions to practice had been issued and she was free to continue working as a physiotherapist. The case examiners were satisfied that there was no current risk or concern about her practising, however felt that previous actions warranted a warning.

A warning published against a HP's register entry for 12 months is considered a sanction.

The AP provided a statement from the HP which gave details of the incident which led to the warning being issued, a statement of remorse demonstrating insight, along with supporting evidence from her line manager.

On this occasion the DWP clinician felt that the HP had learned from the event, accepted the regulatory concerns and had taken steps to rectify those conduct concerns, which had satisfied their regulatory body. A waiver was granted.

Illustrative example where a waiver for the sanction requirement has not been granted:

A nurse with sanctions attached to his registration due to “a gross error made and failure to show competency of even basic skills as a nurse when dealing with a life threatening situation”. The nurse had documents stating that the sanctions were only relevant if he works as a clinical nurse.

On this occasion DWP clinicians felt that based on the evidence contained within the Interim Conditions of Practice Order that it was not appropriate to grant a waiver; the allegations were serious and the interim order was necessary for protection of the public.

3.PROCESS FOR PROVIDING THE DEPARTMENT WITH INFORMATION ON COMPLAINTS, INVESTIGATIONS OR SANCTIONS - PIP CONTRACT

APs should send the request by **secure email** to one of the CMPD POCs listed in Appendix G.

Under no circumstances should requests be sent directly to DWP clinicians.

The CMPD POC will log the waiver request and review all the submitted evidence before forwarding onto the Departmental clinician, ensuring a consistent approach to all requests of this nature, knowledge of the numbers involved and type of request.

The CMPD POC will complete a waiver granted/waiver declined email (see Appendix B/Appendix C) and send back to the AP via secure email, update the log with the decision and comments.

**The Department aims to reply to requests within 5 working days (which starts from the date the APs send through the request to the CMPD POC). However, there may be exceptions to this and the Department will endeavour to convey an estimated response date to the AP.*

The Authority shall provide a written response to the Supplier's escalation referred to in Paragraph 9.10 and the grade awarded by the Authority in respect of the PIP Assessment Report in question may be amended, provided always that the Authority's decision on the grade awarded in respect of such PIP Assessment Report shall be final.
- 9.12. Where a PIP Assessment Report is graded AA Grade - Acceptable Report Amendment Required or U Grade – Unacceptable Report (in each case, as referred to in Paragraph 24.8 of Part B of Schedule 2.1 (*Services Description*)), the Supplier shall have 4 Working Days from the date of receiving the grade awarded by the Authority pursuant to Paragraph 9.7 in respect of the relevant PIP Assessment Report to amend the relevant PIP Assessment Report in line with the audit result, except where the Supplier is challenging the grade awarded in respect of such PIP Assessment Report, in which case the Supplier shall have 4 Working Days from the point at which the final grade has been decided (by the Authority) and notified to the Supplier.
- 9.13. The Authority will provide to the Supplier an in-Service Period quality achievement report at the end of each Service Period for discussion during the relevant Performance Review Meeting.
- 9.14. For the purposes of assessing the Supplier's performance in relation to each of the Performance Levels TPL1a and TPL1b (including to verify the amount of the Payable Target Fee and/or Clearance Delivery Payment (if any) due in respect of the Service Period in question pursuant to Paragraphs 32.2 and 42.3 of Part C of Schedule 7.1 (*Charges and Invoicing*)), the quality of PIP Assessment Reports will be determined by the Authority as an aggregate of the performance in relation to each of Performance Levels TPL1a and TPL1b across a rolling 3 Service Periods.
- 9.15. Subject to Paragraph 9.18, each Service Period's performance against each of Performance Levels TPL1a and TPL1b will be calculated from samples drawn over the 3 Service Periods up to and including that Service Period. This calculation is illustrated by example in Paragraph 9.19.

Number of PIP Assessment Reports meeting the PIP Required Standard rolling 3 Service Periods
Number of PIP Assessment Reports subject to Assessment Report Audit rolling 3 Service Periods

Where "PIP Required Standard" shall mean:

- (a) in respect of performance against Performance Level TPL1a, PIP Assessment Reports graded A Grade – Acceptable, AF Grade – Acceptable HP Learning Required or AA Grade – Acceptable Report Amendment Required (in each case, as referred to in Paragraph 24.8 of Part B of Schedule 2.1 (*Services Description*)); and
- (b) in respect of performance against Performance Level TPL1b, PIP Assessment Reports graded A Grade – Acceptable or AF Grade – Acceptable HP Learning

Required (in each case, as referred to in Paragraph 24.8 of Part B of Schedule 2.1 (*Services Description*)).

9.16. For a given 3 Service Periods' performance:

- (a) for each constituent Service Period, in-Service Period performance will be extrapolated across all Clearances achieved in respect of Referrals relating to PIP within that Service Period to calculate the number of in-Service Period PIP Assessment Reports at the PIP Required Standard; and
- (b) the number of PIP Assessment Reports at the PIP Required Standard within each of the 3 Service Periods will be added to provide a total number of PIP Assessment Reports at the PIP Required Standard over such period of 3 Service Periods.

9.17. The number of PIP Assessment Reports at the PIP Required Standard over the 3 Service Periods is then divided by the total number of Clearances achieved in respect of Referrals relating to PIP over the same 3 Service Periods to determine the Supplier's performance in respect of Performance Levels TPL1a and TPL1b, respectively. For reporting purposes, performance will be rounded to the nearest 0.1%. **Unrounded figures will be used in performance calculations.**

9.18. As 3 complete Service Periods of in-Service Period performance will not be available for Service Periods 1 and 2 following the Operational Service Commencement Date, performance for those Service Periods will instead be calculated as follows:

	Service Period 1	Service Period 2
In-Service Period performance	A%	B%
Number of Clearances achieved in respect of Referrals relating to PIP in-Service Period	19,000	20,000
Service Period 1 performance	<p>A%</p> <p>This becomes the performance level of Service Period 1.</p> <p>Margins of error at the Target Performance Levels will exceed those set in Paragraph 9.4.</p>	
Service Period 2 performance	<p>$\frac{(A\% \times 19,000) + (B\% \times 20,000)}{19,000 + 20,000}$</p> <p>This becomes the performance level of Service Period 2.</p>	

- 9.19. Rolling 3 Service Period performance results will be rounded to the nearest 0.1%. A worked example of how the rolling 3 Service Period sample weighted by the number of Clearances achieved in respect of Referrals relating to PIP in each relevant Service Period will operate is shown below.

	Service Period 1	Service Period 2	Service Period 3	Service Period 4	Service Period 5
In-Service Period performance	A%	B%	C%	D%	E%
Number of Clearances achieved in respect of Referrals relating to PIP in-Service Period	19,000	20,000	19,000	22,000	20,000
Service Period 3 performance	$\frac{(A\% \times 19,000) + (B\% \times 20,000) + (C\% \times 19,000)}{19,000 + 20,000 + 19,000}$ <p>This becomes the performance level of Service Period 3</p>				
Service Period 4 performance		$\frac{(B\% \times 20,000) + (C\% \times 19,000) + (D\% \times 22,000)}{20,000 + 19,000 + 22,000}$ <p>This becomes the performance level of Service Period 4</p>			
Service Period 5 performance			$\frac{(C\% \times 19,000) + (D\% \times 22,000) + (E\% \times 20,000)}{19,000 + 22,000 + 20,000}$ <p>This becomes the performance level of Service Period 5</p>		

- 9.20. Notwithstanding the foregoing provisions of this Paragraph 9, the Authority reserves the right to:
- (a) apply weighting to any quality audit sample or its constituent samples, depending on:
 - (i) the number of PIP Assessment Reports from which the sample is drawn; and
 - (ii) the proportion of PIP Assessment Reports drawn from each work stream, for example by Assessment outcome and/or Assessment Channel in the relevant audit period, to improve the sample's representation of the population;
 - (b) confirm (in its sole discretion) the level of the Supplier's performance against Performance Levels TPL1a and TPL1b; and
 - (c) extrapolate the quality performance level for Performance Levels TPL1a and TPL1b across all Clearances achieved in respect of Referrals relating to PIP in the relevant period of 3 Service Periods to determine the amount of the Payable Target Fee and/or Clearance Delivery Payment (if any) due in respect of the Service Period in question.
- 9.21. The Authority reserves the right to conduct Audit Quality Assurance checks on Supplier Audits undertaken in respect of PIP Assessment Reports. Where requested, the Supplier shall provide a list of all such Supplier Audits completed over the previous Service Period.
- 9.22. The Authority will select no more than 50 Supplier Audits undertaken in respect of PIP Assessment Reports in a Service Period for Audit Quality Assurance checks, such Supplier Audits being selected at the sole discretion of the Authority.
- 9.23. The Authority will share the outcome of the Audit Quality Assurance checks and any feedback with the Supplier as soon as practically possible.

10. ASSESSMENT ASSURANCE AUDIT METHODOLOGY WCA

- 10.1. The Supplier acknowledges that, as contemplated by Paragraphs 25.1 and 25.2 of Part B of Schedule 2.1 (*Services Description*), the quality of Assessments undertaken by the Supplier in respect of UC and ESA will be determined by the Authority, via quality audit sample of WCA Assessment Reports; randomly drawing a daily sample of WCA Assessment Reports from all Clearances achieved in respect of Referrals relating to UC and ESA during the relevant Service Period.
- 10.2. The Supplier acknowledges and agrees that the Authority shall determine the size of the sample of WCA Assessment Reports drawn each Service Period by the number of Assessment Report Audits required to achieve a +/- 1% margin of error at the 95% confidence level for the Target Performance Level for each of TPL1c and TPL1d across a rolling 3 Service Periods. In turn, this sample size achieves:
- (a) a margin of error of no more than +/- 2% at the Target Performance Level for TPL1e across a rolling 3 Service Periods; and

- (b) a margin of error of no more than +/- 1.5% at the percentage specified at Paragraph 19.2.2.2 of Part A of Schedule 7.1 (*Charges and Invoicing*) across a rolling 3 Service Periods.
- 10.3. The Supplier also acknowledges that the sample size may vary each Service Period (depending on the number of Clearances achieved in respect of Referrals relating to UC and ESA in that Service Period and capacity within the team undertaking Assessment Report Audit of such WCA Assessment Reports) and whilst the Authority shall endeavour to achieve a margin of error of +/- 1% at the Target Performance Level for each of TPL1c and TPL1d, there may be occasions when the Authority utilises the flex to a margin of error of +/- 1.5%, but the Authority shall use reasonable endeavours to ensure, subject always to Paragraph 10.4, that the margin of error at the Target Performance Level for each of TPL1c and TPL1d does not exceed +/- 1.5% across a rolling 3 Service Periods. In turn, the Authority shall use reasonable endeavours to ensure, subject always to Paragraph 10.4, that:
 - (a) the margin of error at the Target Performance Level for TPL1e does not exceed +/- 3% across a rolling 3 Service Periods; and
 - (b) the margin of error at the percentage specified at Paragraph 19.2.2.2 of Part A of Schedule 7.1 (*Charges and Invoicing*) does not exceed +/-2% across a rolling 3 Service Periods.
- 10.4. In exceptional circumstances, where the margin of error at the Target Performance Level is expected to exceed the levels in Paragraphs 10.2 and/or 10.3, the Authority shall notify the Supplier as soon as reasonably practicable of the relevant circumstances and provide details to the Supplier of how the Authority (acting reasonably) proposes to proceed with the Assessment Report Audit exercise.
- 10.5. Without prejudice to its obligations under Part B of Schedule 2.1 (*Services Description*), the Supplier shall provide electronic copies of any WCA Assessment Reports not available to the Authority at the time of the relevant Assessment Report Audit exercise.
- 10.6. The Supplier acknowledges that the Authority will grade each WCA Assessment Report selected for Assessment Report Audit in accordance with Paragraph 25.2 of Part B of Schedule 2.1 (*Services Description*) and shall notify the Supplier of the grade awarded to each such WCA Assessment Report.
- 10.7. The Supplier shall have 4 Working Days from the date it receives the audit result referred to in Paragraph 10.6 to challenge (in writing) the grade awarded by the Authority in respect of the WCA Assessment Report in question.
- 10.8. The Authority shall provide a written response to the Supplier's challenge referred to in Paragraph 10.7 and the grade awarded by the Authority pursuant to Paragraph 10.6 in respect of the relevant WCA Assessment Report may be amended by the Authority.
- 10.9. The Supplier shall have a further 4 Working Days, from when it receives the written response from the Authority pursuant to Paragraph 10.8, to escalate (in writing) the outcome of the grade awarded to the WCA Assessment Report in question for a further review by the Authority.
- 10.10. The Authority shall provide a written response to the Supplier's escalation referred to in Paragraph 10.9 and the grade awarded by the Authority in respect of the WCA Assessment Report in question may be amended, provided always that the

Authority's decision on the grade awarded in respect of such WCA Assessment Report shall be final.

- 10.11. Where a WCA Assessment Report is graded B Grade (acceptable report with significant learning points), C Grade (unacceptable reports) or U Grade (unacceptable reports recommendation incorrect) (in each case, as referred to in Paragraph 24.9 of Part B of Schedule 2.1 (*Services Description*)), the Supplier shall have 4 Working Days from the date of receiving the grade awarded by the Authority pursuant to Paragraph 10.6 in respect of the relevant WCA Assessment Report to amend the relevant WCA Assessment Report in line with the audit result, except where the Supplier is challenging the grade awarded in respect of such WCA Assessment Report, in which case the Supplier shall have 4 Working Days from the point at which the final grade has been decided (by the Authority) and notified to the Supplier.
- 10.12. The Authority will provide to the Supplier an in-Service Period quality achievement report at the end of each Service Period for discussion during the relevant Performance Review Meeting.
- 10.13. For the purposes of assessing the Supplier's performance in relation to each of the Performance Levels TPL1c, TPL1d and TPL1e (including to verify the amount of the Payable Target Fee and/or Clearance Delivery Payment (if any) due in respect of the Service Period in question pursuant to Paragraph 32.2 and 42.3 of Part C of Schedule 7.1 (*Charges and Invoicing*)), the quality of WCA Assessment Reports will be determined by the Authority as an aggregate of the performance in relation to each of the Performance Levels TPL1c, TPL1d and TPL1e across a rolling 3 Service Periods.
- 10.14. Subject to Paragraph 10.17, each Service Period's performance against each of Performance Levels TPL1c, TPL1d and TPL1e will be calculated from samples drawn over the 3 Service Periods up to and including that Service Period. This calculation is illustrated by example in Paragraph 10.18.

Where "WCA Required Standard" shall mean:

- (a) in respect of performance against Performance Level TPL1c, WCA Assessment Reports graded A Grade (acceptable report), B Grade (acceptable report with significant learning points) or C Grade (unacceptable report) (in each case, as referred to in Paragraph 24.9 of Part B of Schedule 2.1 (*Services Description*));
- (b) in respect of performance against Performance Level TPL1d, WCA Assessment Reports graded A Grade (acceptable report) or B Grade (acceptable report with significant learning points) (in each case, as referred to in Paragraph 24.9 of Part B of Schedule 2.1 (*Services Description*)); and
- (c) in respect of performance against Performance Level TPL1e, WCA Assessment Reports graded A Grade (acceptable report) (as referred to in Paragraph 24.9 of Part B of Schedule 2.1 (*Services Description*))

10.15. For a given 3 Service Periods' performance:

- (a) for each constituent Service Period, in-Service Period performance will be extrapolated across all Clearances achieved in respect of Referrals relating to UC and ESA within that Service Period to calculate the number of in-Service Period WCA Assessment Reports at the WCA Required Standard; and
- (b) the number of WCA Assessment Reports at the WCA Required Standard within each of the 3 Service Periods will be added to provide a total number of WCA Assessments Reports at the WCA Required Standard over such period of 3 Service Periods.

10.16. The number of WCA Assessment Reports at the WCA Required Standard over the 3 Service Periods is then divided by the total number of Clearances achieved in respect of Referrals relating to UC and ESA over the same 3 Service Periods to determine the Supplier's performance in respect of Performance Levels TPL1c, TPL1d and TPL1e, respectively. For reporting purposes, performance will be rounded to the nearest 0.1%. **Unrounded figures will be used in performance calculations.**

10.17. As 3 complete Service Periods of in-Service Period performance will not be available for Service Periods 1 and 2 following the Operational Service Commencement Date, performance for those Service Periods will instead be calculated as follows:

	Service Period 1	Service Period 2
In-Service Period performance	A%	B%

- 10.18. Rolling 3 Service Period performance results will be rounded to the nearest 0.1%. A worked example of how the rolling 3 Service Period sample weighted by the number of Clearances achieved in respect of Referrals relating to UC and ESA in each relevant Service Period will operate is shown below:

Service Period 4 performance		$\frac{(B\% \times 20,000) + (C\% \times 19,000) + (D\% \times 22,000)}{20,000 + 19,000 + 22,000}$ <p>This becomes the performance level of Service Period 4</p>

- 10.19. Notwithstanding the foregoing provisions of this Paragraph 10, the Authority reserves the right to:
- (a) apply weighting to any quality audit sample or its constituent samples, depending on:
 - (i) the number of WCA Assessment Reports from which the sample is drawn; and
 - (ii) the proportion of WCA Assessment Reports drawn from each work stream, for example Assessment outcome and/or Assessment Channel, in the relevant audit period, to improve the sample's representation of the population.
 - (b) confirm (in its sole discretion) the level of the Supplier's performance against Performance Levels TPL1c, TPL1d and TPL1e; and

- 10.21. The Authority will select no more than 50 Supplier Audits undertaken in respect of WCA Assessment Reports in a Service Period for Audit Quality Assurance checks, such Supplier Audits being selected at the sole discretion of the Authority.
- 10.22. The Authority will share the outcome of the Audit Quality Assurance checks and any feedback with the Supplier as soon as practically possible.

- 11.9. The Supplier acknowledges that, as contemplated by Paragraph 25.1 of Part B of Schedule 2.1 (*Services Description*) and without prejudice to Paragraphs 11.15 to 11.17, the Authority may undertake (or procure others to undertake) Audit Quality Assurance checks on a selection of Supplier Audits undertaken by the Supplier in relation to Clearances achieved in respect of Referrals relating to Specialist Benefits referred to in Paragraph 11.1, the method and/or process for undertaking such Audit Quality Assurance checks to be decided at the Authority's sole discretion from time to time.
- 11.10. Without prejudice to its obligations under Schedule 2.1 (*Services Description*), the Supplier shall have 4 Working Days (from the date it is notified that a Specialist Benefit Assessment Report in respect of a Specialist Benefit referred to in Paragraph 11.1 has been selected for Audit Quality Assurance pursuant to Paragraph 11.9) to provide the Authority with Supplier audit outcome documentation and in the case of non-DWP administered benefits, electronic copies of the case file in respect of the relevant Assessment Report. In respect of Veterans UK (which is not administered by the Authority), the Supplier shall provide electronic copies of the case files relating to the relevant Referral to the Authority.
- 11.11. The Supplier acknowledges that the Authority shall grade each Specialist Benefit Assessment Report referred to in Paragraph 11.10 using the grading criteria referred to in Paragraph 24.10 of Part B of Schedule 2.1 (*Services Description*) and shall notify the Supplier of the grade awarded in respect of such Specialist Benefit Assessment Report.
- 11.12. The Supplier acknowledges and agrees that:
- the volume of Audit Quality Assurance checks in relation to Clearances achieved in respect of Referrals relating to Specialist Benefits referred to in Paragraph 11.9 undertaken by or on behalf of the Authority will vary as required by the Authority but, as at the Effective Date, such Audit Quality Assurance checks are not expected to exceed more than 10% of the total number of Supplier Audits undertaken in respect of such Referrals; and
 - the Authority reserves the right to take over responsibility for undertaking the Supplier Audit referred to in the preceding provisions of this Paragraph 11 of

some or all of the Completed SB Assessment Reports and/or Clearances in respect of Referrals relating to Specialist Benefits referred to in Paragraph 11.1 at any point during the Term, provided always that, should the Authority elect to do so, the Authority shall work with the Supplier (both acting reasonably) to put in place an appropriate plan to transition responsibility for such audit from the Supplier to the Authority.

Audit methodology and Audit Quality Assurance for Other SB Clearances

- 11.13. The Supplier shall, in respect of Clearances that do not relate to the Specialist Benefits referred to in Paragraph 11.1 (“**Other SB Clearances**”), undertake Supplier Audits on 100% of all such Other SB Clearances, as such Specialist Benefits are set out in the following Table.

Lots 1-4	Specialist Benefit Types	NI Lot 5
1	JSA Legacy Based	n/a
All	IPB - Face to Face Consultations	Yes
1	HMRC CTF and Junior ISA	Yes
1	CRS	Yes
All	OHA	n/a
All	HMRC SSP and SMP	Yes

- 11.14. The Supplier shall report the grade awarded to each Specialist Benefit Assessment Report referred to in Paragraph 11.13 to the Authority within 5 Working Days of the grade being determined by the Supplier.
- 11.15. The Authority may, in respect of Other SB Clearances, undertake (or procure others to undertake) Audit Quality Assurance checks on a random selection of Supplier Audits undertaken pursuant to Paragraph 11.13.
- 11.16. Without prejudice to its obligations under Schedule 2.1 (*Services Description*), the Supplier shall have 4 Working Days (from the date it is notified that a Specialist Benefit Assessment Report relating to an Other SB Clearance has been selected pursuant to Paragraph 11.15 for Audit Quality Assurance) to provide the Authority with electronic copies of the Case File and Supplier Audit outcome documentation in respect of the relevant Assessment Report and for any applicable Specialist Benefit that is not administered by the Authority (such as those administered by HMRC), the Supplier shall provide clerical copies of the Case Files relating to the relevant Referral to the Authority.
- 11.17. The Supplier acknowledges that the Authority shall grade each Specialist Benefit Assessment Report referred to in Paragraph 11.15 (or shall procure that each such Specialist Benefit Assessment Report is graded) using the grading criteria referred to in Paragraph 24.10 of Part B of Schedule 2.1 (*Services Description*) and shall notify the Supplier of the grade awarded in respect of such Specialist Benefit Assessment Report.
- 11.18. Where, the Audit Quality Assurance checks referred to in Paragraph 11.15 reveal that:

- (a) the Supplier is failing to achieve an A Grade (acceptable report) or B Grade (acceptable report with significant learning points) (as referred to in Paragraph 24.10 of Part B of Schedule 2.1 (*Services Description*)) in respect of 95% of the Specialist Benefit Assessment Reports generated in relation to such Other SB Clearances during such period as shall be determined by the Authority from time to time; and/or
- (b) the Supplier is failing to achieve an A Grade (acceptable report) (as referred to in Paragraph 24.10 of Part B of Schedule 2.1 (*Services Description*)) in respect of 80% of the Specialist Benefit Assessment Reports generated in relation to such Other SB Clearances during such period as shall be determined by the Authority from time to time,

then such failure shall be deemed to be a TPL Failure for the purposes of Clause 28.1(b) (*Rectification Plan Process*) and the provisions of Clause 28 (*Rectification Plan Process*) shall apply.

- 11.19. The percentage figures referred to in Paragraph 11.18 shall be deemed to be a Performance Level and a Target Performance Level in respect of Specialist Benefits for the purposes of the Supplier's obligations under this Agreement, including in respect of the Supplier's obligations to achieve (or exceed) such levels of performance and to monitor and report the level of service actually achieved in respect of its performance of the relevant part of the Services.

12. ASSESSMENT ASSURANCE AUDIT METHODOLOGY HMCTS APPEALS

- 12.1. The Parties acknowledge and agree that, notwithstanding that HMCTS Appeals do not expressly form part of the Specialist Benefits, the Supplier's obligations arising out of or in connection with:

- (a) the quality of Referrals processed by the Supplier in respect of HMCTS Appeals will be determined by the Authority in accordance with the provisions of Paragraphs 11.15 to 11.17 for Clearances achieved in relation to Referrals relating to HMCTS Appeals during such period as shall be determined by the Authority from time to time; and
