A2 Basis of Contract

- A2-1 Where UK SBS is not the Contracting Authority, UK SBS is the agent of the Contracting Authority for the purpose of procurement and is authorised to negotiate and enter into contracts for the supply of services on behalf of the Contracting Authority. UK SBS will not itself be a party to, nor have any liability under, the Framework Contract unless it is expressly specified as Contracting Authority in the Order.
- A2-2 The Contracting Authority or UK SBS acting as an agent on behalf of the Contracting Authority appoints the Supplier to supply Services to the Contracting Authority in accordance with this Framework Contract.

 - A3-3-15 (being an individual) the Supplier dies or, by reason of illness or incapacity (whether mental or physical), is incapable of managing his or her own affairs or becomes a patient under any mental health legislation; or
- A3-4 Termination or expiry of this Framework Contract or any Contract, however arising, shall not affect any of the parties' rights and remedies that have accrued as at termination. Clauses which expressly or by implication survive termination or expiry of this Framework Contract or any Contract shall continue in full force and effect.

- A3-5 Without prejudice to clause A3-4, clauses B1, B2, B7, B8, B9, B10, B11, C1, C2, C3, C4, C6 and C7 shall survive the termination or expiry of this Framework Contract or any Contract and shall continue in full force and effect.

- A3-7 The Contracting Authority or UK SBS acting as an agent on behalf of the Contracting Authority may terminate the Contract by written notice to the Supplier in any of the following circumstances:

- A3-7-2 Where it considers that the Supplier has at the time of the award of the Contract been in one of the situations referred to in Regulation 57(1) of the PCR 2015, including as a result of the application of regulation 57(2), and should therefore have been excluded from the procurement procedure;

The Supplier shall have a duty to mitigate its costs and shall on request provide proof of expenditure for any compensation claimed.

- A3-9 The Supplier may terminate any Contract immediately if: (i) there is a change of law, rule, regulation or professional standard, or circumstances arise that the Supplier reasonably believes would cause the relationship between the parties to violate such law, rule, regulation or professional standard or would prejudice the Supplier's ability to comply with applicable auditor independence requirements; or (ii) the Supplier believes a conflict of interest cannot be managed, but in that case the Supplier shall first consult with the Contracting Authority or UK SBS acting as an agent on behalf of the Contracting Authority.

- B4-13-1 if the Supplier in its performance of the Contract does not at any time need to engage a subcontractor; or
- B4-13-2 if the volumes of invoices processed by the Supplier in its performance of the Contract falls below the above required standard, due to the volumes of invoices processed by the Supplier, being particularly high or particularly low as measurement by percentage may distort the true picture. In such circumstances the Supplier shall suitably inform the Contracting Authority of either of these situations supported by a suitable declaration and supporting evidence in

For the avoidance of doubt, the Contracting Authority reserves the right at any time in considering the Suppliers submission or information secured via access to any national data base, to seek further explanation or declaration from the Supplier to ensure that payments meet the required obligations placed upon the Contracting Authority.

- B4-14 The Supplier shall without reservation assist the Contracting Authority to the reasonable extent as is requested, to assist the Contracting Authority to secure these assurances during the Contract.
- B4-15 In situations that the Contracting Authority is making payments to the Supplier without an Invoice, the absence of an invoice (e.g. timesheet submissions for services) does not waiver any obligation regarding payments made to the Suppliers subcontractors or supply chain.

C7-16 Taxation Obligations of the Supplier

C7-16-1 The relationship between the Contracting Authority, UK SBS and the Supplier will be that of "independent contractor" which means that the Supplier is not an employee, worker, agent or partner of the Contracting Authority or UK SBS and the Supplier will not give the impression that they are.

C7-16-2 As this is not an employment Contract the Supplier will be fully responsible for all their own tax including any national insurance contributions arising from carrying out the Services.

C7-16-3 A request under Clause (3) above may specify the information which Supplier shall provide and the period within which that information must be provided.

C7-16-4 In the case of a request mentioned in Clause (3) above, the provision of inadequate information or a failure to provide the information within the requested period, during any term or extension, may result in the Contracting Authority terminating the contract.

This Framework Contract has been entered into on the date stated at the beginning of it.

Schedule 1 Special Conditions

This Framework Agreement is split into the following Lots/Sub-Lots:

Lot 1 – National Zoning Methodology

Lot 2 – Advanced Zoning Delivery which is sub lotted as follows:

- Sub-Lot 2.1 – Project Management Support
- Sub-Lot 2.2 – Technical Support
- Sub-Lot 2.3 – Commercial Support
- Sub-Lot 2.4 – Financial Support
- Sub-Lot 2.5 – Legal Support

Lot 3 - National Zoning Model which is sub lotted as follows:

- Sub-Lot 3.1 - Model Development Support
- Sub Lot 3.2 - Model Management and Data Analytics

Framework Call Off Procedure

Lot 1 – National Zoning Methodology

The call off procedure for Lot 1 will be in order of consultant scoring at procurement stage. The highest scoring, successful consultant will be allocated one of the locations by DESNZ such as a town/city or London Borough then the second highest scoring consultant will be given the next allocated city by DESNZ. This will continue down the list of consultants and revolve back to the start of the consultants list until the cities are fully allocated. A consultant can decline to take on additional cities after Allocation Round 1 if they are not able to resource further cities.

For example, in the scenario where 15 consultants (1 - 15 with 1 being the highest ranked score and 15 the lowest) meet the required standard to participate and there are 30 cities to allocate the allocation of cities in Rounds would be:

Allocation Round 1

- 1-15 each get allocated a city in order of their tender score rankings
- Round 1 results in 15 cities being allocated

Allocation Round 2

- 1-13 each get allocated a city in order of their tender score rankings
- 14 & 15 decline to be allocated a further city
- Round 2 results in a further 13 cities being allocated

Allocation Round 3

- 1 & 2 each get allocated a city in order of their tender score ranking
- Round 3 results in the final 2 cities being allocated

Please note that passing the mandatory minimum score does not guarantee a position on the framework.

Should the result of the process result in a tied place(s) then the supplier(s) who scored the highest total in the technical criterion (combined technical score) will be ranked before the other supplier.

Lot 2 – Advanced Zoning Delivery

The call off procedure for Lot 2 will be in order of consultant scoring for each sub-lot at procurement stage.

The highest scoring, successful consultant for each sub-lot will be allocated a study area by DESNZ then the second highest scoring consultant will be given the next study area by DESNZ. This will continue down the list of consultants and revolve back to the start of the consultants list until all study areas are fully allocated.

Bidders are to note that not all study area allocated under Lot 2 will require the consultancy services of all of the sub-lots, for example as demonstrated in the below table, Study Area 2 does not require Sub-Lot 2.2 Technical Support therefore the second highest scoring supplier for Sub-Lot 2.2 would be allocated the next study where these services are required.

	2.1 Project Management	2.2 Technical	2.3 Commercial	2.4 Financial	2.5 Legal
Study Area 1	Highest Scoring Supplier	Highest Scoring Supplier	Highest Scoring Supplier	Not Required	Highest Scoring Supplier
Study Area 2	2 nd Highest Scoring Supplier	Not Required	2 nd Highest Scoring Supplier	Highest Scoring Supplier	2 nd Highest Scoring Supplier
Study Area 3	3 rd Highest Scoring Supplier	2 nd Highest Scoring Supplier	3 rd Highest Scoring Supplier	2 nd Highest Scoring Supplier	Not Required
Study Area 4	4 th Highest Scoring Supplier	3 rd Highest Scoring Supplier	4 th Highest Scoring Supplier	3 rd Highest Scoring Supplier	3 rd Highest Scoring Supplier

A consultant can decline to take on additional study areas after initial allocation if they are not able to resource further areas. Where this occurs the next highest scoring supplier in the sub-lot will be allocated the study area.

Lot 3 - National Zoning Model

Services under Lot 3 of the Framework shall be awarded following a further competition. When running a further competition, all suppliers awarded under the relevant sub-lot will be invited to bid.

Before suppliers are invited to bid, a document suite including a Specification of the requirements and Contract will be drafted.

It is expected that the type of contract to be utilised for these further competitions shall be a Cabinet Office Mid-Tier Contract or Short Form Contract however the Department reserve the right to utilise any form of contract. For information, the Cabinet Office can be located by following the below:

The Mid-Tier Contract – <https://www.gov.uk/government/collections/the-mid-tier-contract>

Short Form Contract - <https://www.gov.uk/government/collections/short-form-terms-and-conditions>

Once the documents have been prepared in alignment with the Departments requirements, suppliers will be able to bid. Further competitions will be issued via the Jaggaer e-sourcing tool or alternative tool if replaced.

Suppliers will be allowed sufficient time to respond to the further competition and a permitted timeframe for bidders to raise clarification questions will be advised. Responses to clarifications will be shared to all suppliers invited to tender.

After the deadline for submissions has passed, suppliers will be evaluated based on the responses and assessment criteria defined and included within the tender pack.

Suppliers are not permitted to charge higher than the Framework Rates submitted within AW5.2 Price Schedule under any Further Competition carried out.

If the level of performance of the Supplier is likely to or fails to meet any Service Level Performance Measure or Framework Performance Indicator the Supplier shall within 48 hours notify the Contracting Authority in writing and the Contracting Authority, in its absolute discretion and without limitation of other rights, may require the supplier to immediately take all remedial action that is reasonable to mitigate the impact on the Contracting Authority and to rectify a Service Level Failure and/or Framework Performance Indicator Failure from taking place or recurring.

- The actual or anticipate effect of the failure
- The steps which the Supplier proposes to take to rectify the failure and to prevent such failure from recurring, including timescales for such steps and for the rectification of the failure

If the supplier is likely to or fails to meet any Service Level, the Contracting Authority may request that the Supplier provide a Rectification Plan.

When the Contracting Authority receives a requested Rectification Plan it can either:

- Reject the Rectification Plan or revised Rectification Plan, giving reasons; or
- Accept the Rectification Plan or revised Rectification Plan and the supplier must immediately start work on the actions in the Rectification Plan at its own cost, unless otherwise agreed by the Parties.

Where the Rectification Plan or revised Rectification Plan is rejected, the Contracting Authority:

- Must give reasonable grounds for its decision; and
- May request that the Supplier provides a revised Rectification Plan within 5 Working Days

If the Contracting Authority rejects any Rectification Plan, including any revised Rectification Plan, the Contracting Authority does not have to request a revised Rectification Plan before exercising its right to terminate the Framework Contract.
