Unless otherwise governed by a separate agreement as agreed to between the parties in writing, by Accepting this Order Form, you, and the entity that you represent ('Customer') acknowledge and agrees the purchase and use of GitLab Software and/or the purchase and delivery of GitLab Professional Services shall be governed by the GitLab Subscription Agreement and the Professional Services Agreement (as applicable) located at <https://about.gitlab.com/terms/> (collectively the 'Agreement') as well as the feature and application limits as described here: <https://about.gitlab.com/pricing/>. Acceptance of this Order Form is an acknowledgement that, unless otherwise indicated, and subject to eligibility requirements, the discount reflected in the price for a Premium product purchase listed above has been provided as a one time, non refundable discount pursuant to the GitLab Promotional terms and conditions described here: <https://about.gitlab.com/pricing/terms/>. Purchase or use of certain Software features or Supplemental Services, like AI Functionality, are subject to the Additional Terms identified here: <https://about.gitlab.com/terms/>. Customer shall be deemed to have 'Accepted' this Order Form upon the earlier of, (i) executing this Order Form, (ii) reference to this Order Form Quote No within a purchase order or similar document, or (iii) the use and/or delivery of any GitLab product(s) and/or Professional Services (as defined in the Agreement(s)). I hereby agree to the terms and conditions stated within this Order Form, including the Agreement stated above, to the exclusion of all other terms (including, without limitation, those included on any purchase order). The parties agree that all terms stated within a purchase order, or other similar document, shall be null and void and are expressly rejected

Upon Customer's execution of this Order Form, GitLab shall be entitled to invoice Customer.

I hereby represent that I have the authority to bind the organization set forth at the top of this quote.
