- 3.1 All MI Reports must be completed by the Supplier using the MI Reporting Template and returned to the Contracting Authority on or prior to the Reporting Date each quarter during the Framework Period and thereafter, until all transactions relating to Call Off Agreements have permanently ceased.

- 3.2 The MI Report should be used (among other things) to report Orders received and transactions occurring during the quarter to which the MI Report relates, regardless of when the work was actually completed. For example, if an invoice is raised for October, but the work was actually completed in the months of July, August or September, the Supplier must report the invoice in October's quarterly MI Report. Each Order received by the Supplier must be reported only once when the Order is received.
- 3.3 The Supplier must return the MI Report for each quarter even where there are no transactions to report in the relevant quarter (a "Nil Return").
- 3.4 The Supplier must inform the Contracting Authority of any errors or corrections to the Management Information.
 - 3.4.1 in the next MI Report due immediately following discovery of the error by the Supplier; or
 - 3.4.2 as a result of the Contracting Authority querying any data contained in an MI Report.

4. SUBMISSION OF THE QUARTERLY MI REPORT

- 4.1 The completed MI Report shall be completed electronically and returned to the Contracting Authority.
- 4.2 The Contracting Authority reserves the right (acting reasonably) to specify that the MI Report be submitted by the Supplier using an alternative communication to that specified in paragraph 4.1 above such as email. The Supplier agrees to comply with any such instructions provided they do not materially increase the burden on the Supplier.

5. DEFECTIVE MANAGEMENT INFORMATION

- 5.1 The Supplier acknowledges that it is essential that the Contracting Authority receives timely and accurate Management Information pursuant to this Framework Agreement because Management Information is used by the Contracting Authority to inform strategic decision making and allows it to calculate the Call Off Agreement Charge.
- 5.2 Following an MI Failure the Contracting Authority may issue reminders to the Supplier or require the Supplier to rectify defects in the MI Report provided to the Contracting Authority. The Supplier shall rectify any deficient or incomplete MI Report as soon as possible and not more than five (5) Working Days following receipt of any such reminder.

Meetings

- 5.3 The Supplier agrees to attend meetings between the Parties in person to discuss the circumstances of any MI Failure(s) at the request of the Contracting Authority (without prejudice to any other rights the Contracting Authority may have). If the Contracting Authority requests such a meeting the Supplier shall propose measures to ensure that the MI Failures are rectified and do not occur in the future.

The Parties shall document these measures and continue to monitor the Supplier's performance.

Admin Fees

- 5.4 If, in any rolling three (3) Month period, two (2) or more MI Failures occur, the Supplier acknowledges and agrees that the Contracting Authority shall have the right to invoice the Supplier Admin Fees and (subject to paragraph 5.5) in respect of any MI Failures as they arise in subsequent Months.
- 5.5 If, following activation of the Contracting Authority's right to charge Admin Fee(s) in respect of MI Failures pursuant to paragraph 5.4, the Supplier submits the quarterly MI Report for two (2) consecutive Months and no MI Failure occurs then the right to charge the Admin Fee(s) shall lapse. For the avoidance of doubt the Contracting Authority shall not be prevented from exercising such right again during the Framework Period of the conditions in paragraph 5.4 are met.
- 5.6 The Supplier acknowledges and agrees that the Admin Fees are a fair reflection of the additional costs incurred by the Contracting Authority as a result of the Supplier failing to supply Management Information as required by this Framework Agreement.
- 5.7 The Contracting Authority shall notify the Supplier if any Admin Fees arise pursuant to paragraph 5.4 above and shall be entitled to invoice the Supplier for such Admin Fees. Any exercise by the Contracting Authority of its right under this paragraph 5.7 shall be without prejudice to any other rights that may arise pursuant to the terms of this Framework Agreement.

The Supplier shall ensure that each of the Insurances is effective no later than the Framework Commencement Date.
- 1.2 The Insurances shall be maintained in accordance with Good Industry Practice and (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time.
- 1.3 The Insurances shall be taken out and maintained with insurers who are of good financial standing and of good repute in the international insurance market.
- 1.4 The Supplier shall ensure that the public and products liability policy shall contain an indemnity to principals clause under which the Contracting Authority shall be indemnified in respect of claims made against the contracting authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Services and for which the Supplier is legally liable.

2. GENERAL OBLIGATIONS

- 2.1 Without limiting the other provisions of this Framework Agreement, the Supplier shall:
 - 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to the Services as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;
 - 2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and
 - 2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other evidence of placing cover representing any of the Insurances to which it is a party.

3. FAILURE TO INSURE

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.

Receipt of such evidence by the Contracting Authority shall not in itself constitute acceptance by the Contracting Authority or relieve the Supplier of any of its liabilities and obligations under this Agreement.

5. AGGREGATE LIMIT OF INDEMNITY

- 5.1 Where the minimum limit of indemnity required in relation to any of the Insurances is specified as being “in the aggregate”:
- 5.1.1 if a claim or claims which do not relate to this Framework Agreement are notified to the insurers which, given the nature of the allegations and/or the quantum claimed by the third party(ies), is likely to result in a claim or claims being paid by the insurers which could reduce the level of cover available below that minimum, the Supplier shall immediately submit to the Contracting Authority:
- (a) details of the policy concerned; and
 - (b) its proposed solution for maintaining the minimum limit of indemnity specified; and
- 5.1.2 if and to the extent that the level of insurance cover available falls below that minimum because a claim or claims which do not relate to this Framework Agreement are paid by insurers, the Supplier shall:
- (a) ensure that the insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified for claims relating to this Framework Agreement; or
 - (b) if the Supplier is or has reason to believe that it will be unable to ensure that insurance cover is reinstated to maintain at all times the minimum limit of indemnity specified, immediately submit to the Contracting Authority full details of the policy concerned and its proposed solution for maintaining the minimum limit of indemnity specified.

6. CANCELLATION

In the event that the Contracting Authority receives a claim relating to or arising out of the Services or this Framework Agreement, the Supplier shall co-operate with the Contracting Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.
- 7.2 Except where the Contracting Authority is the claimant party, the Supplier shall give the Contracting Authority notice within twenty (20) Working Days after any insurance claim in excess of £10, 000 relating to or arising out of the provision of the Services or this Framework Agreement on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Contracting Authority) full details of the incident giving rise to the claim.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. Spending and the Supplier's Director or equivalent role, such discussions being commercial negotiations.

3.2 If:

3.2.1 either Party is of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiations, will not result in an appropriate solution; or

3.2.2 the Parties have already held discussions of a nature and intent (or otherwise were conducted in the spirit) that would equate to the conduct of commercial negotiations in accordance with this paragraph 3; or

3.2.3 the Parties have not settled the Dispute in accordance with paragraph 3.1 within thirty (30) Working Days of service of the Dispute Notice,

either Party may serve a written notice to proceed to mediation (a "Mediation Notice") in accordance with paragraph 4.

4. MEDIATION

4.2 If the Parties are unable to agree on the joint appointment of a Mediator within thirty (30) Working Days from service of the Mediation Notice then either Party may apply to CEDR to nominate the Mediator.

4.3 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if the Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.

4.4 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the procedure for variations under Clause 16.1 (Variation Procedure) where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

5.3.5 the process shall be conducted in private and shall be confidential; and

5.3.6 the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

The Supplier shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.

6.3.3 the Contracting Authority does not serve a Counter Notice within the fifteen (15) Working Day period referred to in paragraph 6.2, the Supplier may

either commence arbitration proceedings in accordance with paragraph 6.4 or commence court proceedings in the courts in accordance with Clause 49 (Governing Law and Jurisdiction) which shall (in those circumstances) have exclusive jurisdiction.

6.4 In the event that any arbitration proceedings are commenced pursuant to paragraphs 6.1 to 6.3, the Parties hereby confirm that:

6.4.1 all disputes, issues or claims arising out of or in connection with this Framework Agreement (including as to its existence, validity or performance) shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("**LCIA**") (subject to paragraphs 6.4.5, 6.4.6 and 6.4.7);

6.4.2 the arbitration shall be administered by the LCIA;

6.4.4 if the Parties fail to agree the appointment of the arbitrator within ten (10) days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
